The District Manager came in to look at the copier. He seems to think the issue may be with the type of surge protector that it is connected to. He has ordered a different type of surge protector (at no cost to us) which is better suited to protect larger equipment during a surge. If this does not seem to solve the problem then he will look at replacing it.

for the number of times we have had to have it repaired or placed service calls and they told me:

Last 30 days: 3 Service calls counting this one

Last 6 months: 6 Service calls counting this one

Last 12 months (we got the machine May 20, 2018 so it's not been a full year yet) EIGHT service calls.

The guys name is Grant, he is very polite, his number is [REDACTED], and our machine number is [REDACTED]. I have explained to him that when it's down our office flow is off kilter. I am going to list out all of your options for what you doing. And I will attach a Passport form as well. The instructions for the form are at the BOTTOM.

Larry sent me that you have 2 Adults ([REDACTED] & [REDACTED]) and 4 Juvenile Passports ([REDACTED], [REDACTED], [REDACTED], [REDACTED]). His email said that your going to Niagara Falls in June. And [REDACTED] just said that your driving up, not flying into Canada.

Cheapest route: If you get the Passport "CARD" you can drive into Canada and into Mexico in a vehicle or walk across the boarder. But you can't NOT FLY on a plane into Canada or Mexico or any other county. The Passport Card is ONLY GOOD FOR cars and walking. A Passport Card is also good for Cruises. You can use them at on any cruise to get into any island and Mexico, but YOU CAN'T board a plane and fly home if you have an emergency.

An Adult Passport Card is \$30 (plus processing fee of \$45 and a Juvenile Passport Card is \$15 (plus processing fee of \$45).

So an out the door price on an adult Passport Card is \$75 and the out the door price on a Juvenile Passport Card is \$60.

With you having such a large family I would guess that any family vacation you are going on will be in a car or on a boat. So the Passport Card should work for your family, but keep in mind that if you ever wanted to fly to Europe, Africa, Italy, Canada, Mexico, ... anywhere that you would have to get the **book**. Also Juvenile Passports are only good for 5 years, Adult ones are good for 10.

Here is what I would do if I was you two. I would get the Adult Book and Card for both [REDACTED] and [REDACTED] and just the cards for the kids. That way if you take the kids on a cruise in the next five years they are covered. And if [REDACTED] and [REDACTED] want to fly somewhere in the next 10 years and leave the kids at home you can. So I am going to list out all of the options and if you have any follow up questions let me know (613-6314)

Blizzard Family Passport Cards Only:

Check / Money Order / Cashiers Check: To the US Dept. of State for \$120

Blizzard Family Mom & Dad Passport Cards & Book, Kids Card Only:

Check / Money Order / Cashiers Check: To the US Dept. of State for \$340

Check / Cash: To the Rockingham County Register of Deeds for \$270

Total: \$610

Blizzard Family Everyone getting books only:

Check / Money Order / Cashiers Check: To the US Dept. of State for \$540

Check / Cash: To the Rockingham Count Register of Deeds for \$270

Total: \$810

And if you have money just have to spend....

Blizzard Family Everyone Getting Books & Cards:

Check / Money Order / Cashiers Check: To the US Dept. of State for \$660

Check / Cash: To the Rockingham County Register of Deeds for \$270

Total: \$930

Instructions on form:

Attached is a DS-11. One has to be filled out for all 6 of you (Brown shaded areas) with Black Ink. Then each person (all six) will need a certified copy of their birth certificate. You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and they were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Mom and Dad both have to bring their Driver's License or State Issued ID Card. Mom and Dad have to be here with the four kids or the missing parent has to fill out a DS3053. So if one of you will not be there let me know so I can email you that form. If one of the parents is not coming the missing parent has to fill out the DS3053 for each child (four of them), sign it in front of a Notary and get it Notarized, and send a copy of their driver's license both FRONT AND BACK for each child (four copies).

So in Short:

- #1. Completed DS-11 for each person
- #2. Certified copy of Birth Certificate for each person (gets mailed off but you get it back)
- #3. Check / Money Order / Cashiers Check to the US Dept. of State for what ever you decide to do
- #4. Check / Cash to the Rockingham County Register of Deeds for \$270
- #5. Mom and Dad to bring their driver's license

And when you come leave your cell phones in the car. Security at the courthouse will not let you into the building with them. The Register of Deeds Office is on the bottom floor to your right after you pass through security. We do them Monday - Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. But if you need to come at lunch time just let me know so I can make arrangements to get you

covered. When you come give me a day's notice and I will make sure more than one person is here to help you. It will cut down the time required. With 6 people, if you bring the forms filled out, we are looking at about 25 minutes.

Subject: Passports

Please see attached and how much a Passport costs depends on what your trying to do. Adult, Juvenile (ages 15 and younger), book, card, book and card, in a hurry, not in a hurry??? So without knowing the exact details I put below what an adults has to do.

I have attached a DS-11 so you can print them out and fill in the brown areas before you come. It will save you some time.

The Rockingham County Register of Deeds is inside of the Courthouse on the first floor to the right after you pass through security. Leave your GUN and cell phones in the car. They will not let you into the building with either.

We do Passports Monday thru Friday, 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. We stop between 1-3 to catch up on paperwork and for lunch. But if you need to come between 1-3 just let me know ahead of time so I can make sure I am here to take care of it.

You need to bring a **Money Order or Cashier's Check or Personal Check** for the \$110.00 per person. The Personal Check, Money Order, or Cashier's Check needs to be made out to: **U. S. Dept. Of State . If you have more than one person they can all be put on the same check.**

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and they were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Each person also needs to bring their driver's license.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take your photo and \$35.00 if we don't (**our \$10.00 is cheaper than Walmart or CVS which is \$14.00**). You can pay that with a **check or cash**.

Adult Book total: **\$110.00 to US Dept. of State & \$45 to the Rock Co. Register of Deeds, out the door your looking at \$155.00**

So in short:

- #1. Certified Copy of Birth Certificate
- #2. Valid Driver's License or State Issued ID card
- #3. Check / Money Order to pay the \$110 to the US Dept. of State (\$110 a person)
- #4. Check / Cash to pay the \$45 for photo and processing (\$45 a person)

If your rushing it, getting a book and card, or bringing a juvenile let me know the specifics and I will give you the amounts.

Hope this helps,

I have attached the DS-82 that is used to renew a passport. As long as your passport has been expired for less than 5 years or is still valid you are to use this form. You need a photo that is less than 6 months old to attach. You can go to Walmart or CVS for \$14-16 and have your photo made, OR you can come here and get it made for \$10. We will put everything together for you and put into an envelope for you to mail. If you show up with this form filled out, a check to the U. S. Dept. of State for \$110.00 (Adult Passport Fee), and a \$10.00 bill (Cash) we will have you out of the door in 5-10 minutes.

We do Passports Monday thru Friday, 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. We close it down 1-3 for lunches and to catch up on the paperwork. But if you need to come before 9:00 or after 1:00 just let me know and I will make sure I am here to help you.

Need:

- #1. Bring old passport
- #2. Bring \$110 check / money order / cashiers check made out to the U.S. Dept. of State
- #3. Bring \$10.00 cash
- #4. Bring umbrella to protect your hair from some idiot throwing gym

We had a postal worker come in for her BC to get her passport. We tried to get her to get it here but she felt like she needed to do it at the post office. She said they have been very backed up and are appointment only. They can't fit everyone in because everyone at the post office has let their Passport Acceptance Agent certificates expire. She said right now they only have 1 person that can do them so they are backed up and having to turn people away.

She also said that everyone is supposed to get their on-line training done soon so they can start doing them again because they are talking about cutting one of their jobs if they don't pick it up on Passports. So that's why they are pushing passports now, they are going to loose a spot if their numbers continue to drop over there. BUT, she said they are swamped right now and anyone they have to turn away they do send to us.

[REDACTED]

Sorry about not getting this to you sooner.

I have attached a DS-11 so you can print it out and fill in the brown areas before you come. It will save you time when you get here.

Passports:

Rockingham County Register of Deeds (inside the Court House):

Here we do them Monday through Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. We break for lunches 1:00 to 3:00 PM.

Adult Passport Book is \$110.00 and good for 10 years

You need to bring a **Money Order or Cashier's Check or Personal Check** for the \$110.00 per person. The Personal Check, Money Order, or Cashier's Check needs to be made out to: **U. S. Dept. Of State**

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Each person also needs to bring their driver's license.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take your photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS which is \$14.00). You can pay that with a **check or cash**.

Adult Book total: \$155.00

So in short:

- #1. Certified Copy of Birth Certificate
- #2. Valid Driver's License or State Issued ID card
- #3. Check / Money Order to pay the \$110 to the US Dept. of State
- #4. Check / Cash to pay the \$45 for photo and processing

All,

We still are planning to pickup litter on the 2 miles of roadway near the Governmental Center on Wednesday Feb. 20th, weather permitting. I will update everyone early next week on this event. If the weather cooperates we will meet in front of the Gov. Center around 4:20 for a short safety briefing and then move out to pickup litter. Please let me know if you are interested in helping with this. I have heard back from a few people so you do not need to respond if I have heard from you.

We look forward to seeing everyone on Wednesday.

I have attached everything you need for a passport with all of the instructions. We will be open Monday and our passport hours are 9-1 and 3-4.

Attached is a DS-11 (brown form). You and your daughter both need to fill this out. Since your wife is **NOT coming she will need to get the DS-3053 filled out and signed by a Notary**. She will also need to send a copy of the **FRONT** and **BACK** of her driver's license.

You need to bring your **Driver's License**, your **checkbook**, and a **certified copy of your birth certificate and your daughter's birth certificate**. We will mail those birth certificates off with your applications but you will get them back.

Adult Passport is \$110 to the US Dept. of State and \$45 to the Rockingham County Register of Deeds

Juvenile Passport is \$80 to the US Dept. of State and \$45 to the Rockingham County Register of Deeds.

So you need to write ONE check for \$190 to the US Dept. of State and ONE check for \$90 to the Rockingham County Register of Deeds.

If you bring these attached forms filled out you will be in and out in 15 minutes. We take the photo and mail them for you.

Justin,

Something is wrong with our line #3412203 (Preserv/Enhance Funds) line. We are showing \$4,303.31 OVER BUDGET. We only use this fund for our books and I have only spent \$10,080 and \$9,800 this year. But we are showing that we spent \$24,303.31.

Something is not being coded correctly.

Thanks,

Good morning Ben,

I am finding a total of 4 orders with Browns River which became Kofile. See below.

12/03	\$5,487
6/04	\$9,570
11/04	\$9,835
11/07	\$2,000

I did one job with her under Kofile that is below.

11/15	\$7,946
-------	---------

There were no jobs that were initiated with Amy.

The DSB binders were not available until mid-2011.

Hope this helps, let me know if you need something else. I don't believe there is anything else as this is all the records we have. There is a possibility that she could've done some work with ECS (Etherington Conservation Services) that used to be in Greensboro but not sure.

Brian,

I need some information, when you have time and if you have the access to it.

1. When did the Rockingham County ROD first start using Kofile for the books?
2. How many orders did Mrs. Cipriani place with Kofile? with total amount spent?
3. How many orders / if any, did Amy place with Kofile? with total amount spent?
4. When did the metal binders first become an option?

It's all good, just putting together some numbers.

Thanks

[REDACTED]

I have attached a DS-11 so you can print it out and fill in the brown areas before you come. It will save you time when you get here.

Passports:

Rockingham County Register of Deeds (inside the Court House):

Here we do them Monday through Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. We break for lunches 1:00 to 3:00 PM.

Adult Passport Book is \$110.00 and good for 10 years

You need to bring a **Money Order or Cashier's Check or Personal Check** for the \$110.00 per person (you and your wife can be on one check so \$220.00) The Personal Check, Money Order, or Cashier's Check needs to be made out to: **U. S. Dept. Of State**

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Each person also needs to bring their driver's license.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take your photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS which is \$14.00). You can pay that with a **check or cash**.

Adult Book total: \$155.00

All of it can be on ONE check to the US Dept. of State and ONE check to the Register of Deeds Office.

Hope this helps,

Ben

I have printed the instructions below out and put it in an envelope along 8 Passport Application Forms (DS-11). I will drop them off at the J-Mart on Virginia Ave. this afternoon. If you have any questions call my cell, [REDACTED]

Ben Curtis

Passports:

[REDACTED] can come here or get hers at the **Greenville Main Post Office**: 300 West 2nd Street

(252) 752-2153

They do them Monday through Friday 9:30 AM to 12:00 PM and 1:00 PM to 3:30 PM. Appointments are **REQUIRED** there. They will take the photo and everything she needs. But she will need to take a checkbook or Money Order for payment.

Rockingham County Register of Deeds (inside the Court House):

Here we do them Monday through Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. We break for lunches 1:00 to 3:00 PM.

To my knowledge everyone needing one but Boone is 16 or older. So here are the instructions:

[REDACTED] Needs both parents here OR one parent to bring him and the other to fill out the DS-3053 (number is in the lower left corner and the form is YELLOW in color). If one of the parents is not coming they have to send this YELLOW form notarized along with a copy of the FRONT and BACK of their driver's license. [REDACTED] also needs to bring / have a certified copy of his birth certificate.

Adult Passport Book is \$110.00 and good for 10 years; Juvenile Passport Book ([REDACTED]) is \$80 and good for 5 years

Adult Card is \$30.00 and a Juvenile Card is \$15 (you can get JUST THE CARD) if it's only for a cruise. But a card is ONLY good for crossing the Canadian or Mexican borders in a car, OR cruises. YOU CAN'T Fly with only a card.

To get both is \$140.00

All three are the same process. You need to bring a **Money Order or Cashier's Check or Personal Check** for the \$110.00, \$80.00, \$30.00, \$15.00 or \$140.00... Whichever you are going to do. I always suggest the \$110.00 book **because it has zero limitations**. The Card is only good for a car or boat. You can't fly with it. But that's your choice. The Personal Check, Money Order, or Cashier's Check needs to be made out to: **U. S. Dept. Of State**

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. Adult Book only total: \$155.00

Adult Card only total: \$75.00

Both Total: \$185.00

Juvenile Book only total:\$125.00

Juvenile Card only total: \$60.00

Both total: \$140.00

All of it can be on ONE check to the US Dept. of State and ONE check to the Register of Deeds Office.

If your department has a lot of documents stored that need to be shredded please let me know and we will get this scheduled in the near future.

Good Afternoon All,

It's time for us to get back in the cycle of annual harassment training.

I know we all have employees who work different shifts and work at different locations outside of the governmental center. This year, instead of trying to do the mass event and get everyone out to the governmental center, I have purchased a training video for you and your staff to watch during your staff meetings.

The video is about 18 minutes long and there will be a quiz for each employee to complete and sign off on for their personnel record.

Let me know when you would like to "rent" the video for your staff meeting.

Mrs. [REDACTED]

After reviewing the "name change" document we went back and searched our records again. We had been provided "[REDACTED]" and "[REDACTED]". Someone in my office searched those listings and did not find anything.

Today I personally went back and looked and found a birth record to a "[REDACTED]" for a baby boy born on "[REDACTED]". I have attached what I found and it is book 37 and page 1618. You will see that [REDACTED] gave birth to a baby boy and the father is "[REDACTED]".

So yes, it appears the attorney is correctly addressing the issue. I apologize for our office missing this birth record the first time. However, the result would have been the same. An attorney doing what she is doing is the fastest method to addressing this issue for Mr. [REDACTED].

Mr. [REDACTED],

I am writing to let you know that if anyone in the early college program is seeking to obtain a United States Passport that they can come to the Rockingham County Register of Deeds Office located inside of the Rockingham County Courthouse to apply for one. Our passport hours are Monday through Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM.

Passport fees are the same (set by the Dept. of State) everywhere and only here does your \$45.00 application fee stay in Rockingham County. And please inform them that we take their photo here as part of the application process. They do not need to spend money at CVS or Walmart for a photo.

I have attached a DS-11, passport application, so they can be printed out there if needed. I have also attached one of our flyers.

Thanks,

Subject: [REDACTED] / Passport

JFYI,

I got a call at 3:30 PM today from a [REDACTED], fussing today. She stated that she had come into our office and talked to a woman about obtaining a passport to go to Japan. She said that she had been told the cost was \$150, but today when she went to the post office they told her \$160.00. She said that she told the post office that we had told her it would be \$150 and the post office told her that we didn't know what we were doing.

All of that aside she kept asking me what the price was and I kept telling her \$110 plus \$45 for a total of \$155.00. She kept saying that she was quoted \$150 and wanting to know why the price had gone up \$5.00. I told her that it had always been \$155 for an adult. She and I went round and round over that \$150 quote and the cost being \$155 for a few more minutes before I finally asked her what she wanted me to do. She replied that she wanted me to explain why she had been given the quote of \$150. I told her for the last time that I don't know why or if that actually happened but it was \$155.00. I kept having to repeat myself because she would say something and then not pay attention to what I was saying in response. She said, "I had some guy come up an talk to me while you were talking. He was making sure I was not dead".

So.... ? I don't know what that is all about.

My fingers are crossed that she just goes back to the post office!!! I remember talking to someone on the phone about two months ago wanting to go to Japan and I can't say it's the same woman but I think it may be. She was not listening back then either so if she comes in just do what you need to do, and if that is refusing to process it that is fine as well.

I just did a passport that brought their own photo. I told them we did photos and they let me know that they had an appointment at the Post Office today and the person was not there. So they came to us. But the mom also said that the Early College was sending people to the Post Office. So I am not sure who I need to go see but we need to let them know to send them to us and that we take photos.

I will get on this but please remind me.

With the large amount of rain we have received this year it's been brought up more than once in our office the need for an awning over the back door to the courthouse. Our entire team at the Register of Deeds Office, the District Attorney's Office, and the Judges all use this door to gain entry into the building. I noticed that the Clerk of Court had an awning over their back door (photos attached) and wondered what the cost & process would be to have one put up over the rear door on this side of the building.

Dear Hon. Curtis,

I know that due to the absence of formal documentation many offices have created their own guides or set of instructions for certain processes; Charlie asked me to reach out to you to request a copy of any internal guides or manuals you and your staff have created for the CCS Workstation.

As we enter the new year, we are trying to put together a comprehensive user manual for CCS Search and CCS Workstation, and while we have had sets of instructions for certain things, we do not have a comprehensive guide. We'd be very grateful if you would share your documentation so we can see what data offices need in guides and manuals.

Thank you!

I was just told that they opened up more 1-2 bedroom condos for the fall conference yesterday about 2:30 pm. It will be cheaper for the office if Mitzi & Stacie switch to one of the 2 bedroom ones. Each has their own bathroom but a common living room type room. And you have to take your own bathroom things like shampoo etc...

Stacie, can we get two of those rooms dropped and switch you and Mitzi to one of the two bedroom condos please. I believe they are a little more expensive and nicer, but it will be a cheaper option than getting two of the \$168 rooms. Each condo has a contract that has to be signed and returned prior to the conference.

If you have a concern we can talk about it when I get back from the district meeting about 2:00. Please look at them before then so we can get this done today.

We will not be playing the resort fee JFYI, let's make sure it's not on there.

We will keep the 3rd room saved until I figure out my fall schedule about July or August.

Dear Hon. Curtis,

I know that due to the absence of formal documentation many offices have created their own guides or set of instructions for certain processes; Charlie asked me to reach out to you to request a copy of any internal guides or manuals you and your staff have created for the CCS Workstation.

As we enter the new year, we are trying to put together a comprehensive user manual for CCS Search and CCS Workstation, and while we have had sets of instructions for certain things, we do not have a comprehensive guide. We'd be very grateful if you would share your documentation so we can see what data offices need in guides and manuals.

Thank you!

Liz Kreick, CCS Operations Manager

On Feb. 4th we have our office meeting and Paul Murray is having the "Budget Kickoff Training" they have each year. In the past Amy and I have gone. This year I would like for all three of us to go. I signed us up for the 10:00 AM, so we will go after the morning meeting. Everyone is working that day so we will still have 4 covering the office. If a Passport shows up Susan or I can leave to take care of it. The meeting usually doesn't last very long, we just get a heads up on what they want us to try and do.

Nichole,

Before signing the agreement I would like a few small changes.

"I have voluntarily agreed to return the back pay wages received in my 12/28/18 paycheck"

I have received a different legal opinion on the matter, but feel it is the right thing to do. So I would like the word "required" to be removed.

"I have voluntarily agreed to return the back pay wages received in my 12/28/18 paycheck. The amount of the back pay wages was \$9,273.84. Per my conversation with Pat Galloway, Finance Director, on January 11, 2019 the following payback arrangement was discussed:

\$182 being deducted from your paycheck for 51 pay periods, or \$220 being deducted from your paycheck for 42 pay periods with the remaining \$33.84 on the 43rd pay period.

You have chosen the \$220 amount in an effort to pay back the money as soon as possible."

Ben,

You are correct in the recollections of our conversations on your payback of funds to the county. After we determined the amount that should enable the quickest payback that will keep the net pay fairly close to what is needed, I advised that you needed to contact Nichole in to formalize the payback plan/agreement and at that point the HR staff will enter the payback amount into the HR/PY system so that PY processing will deduct the amount.

If you have not already done so, please contact Nichole on this item or see if there is any outstanding item that is needed in order for her to have this information processed through the HR/PY system.

I have copied Nichole in on this e-mail so that she is aware and can advise if further information is needed.

Lance,

I had a conversation with Mrs. Galloway about a couple of weeks ago about how my paycheck will be effected with the payback of the \$9,200.00. I was advised that it would be about \$182.00 a check over 51 checks to pay back the total amount. I asked Mrs. Galloway how much that would leave me (clear, not gross) over the normal amount I had been bringing home. Mrs. Galloway advised me that I would be about \$30 over the amount I had been bringing home. So I requested that the payback amount be \$220.00 a check to ensure I was able to pay it back as soon as possible, and that I was not bringing home less that I had been before.

This past pay period my check didn't show anything subtracted to repay the money. I would like for this to start as soon as possible (next pay check please) so I can get this paid back as soon as possible and move forward from this incident. I also don't want the repaying amount each check to drop me below my normal bring home. We have calculated the family's finances based on that amount.

If needed I can write the county a check this week to start the payback of the money. I am not fussing at anyone, I just want to get this process going so I can put it in my rear view mirror.

Thanks,

Subject: Passports

Please see the attached DS-11.

Adult Passport is \$110.00

Adult Card is \$30.00

To get both is \$140.00

All three are the same process. You need to bring a **Money Order or Cashier's Check or Personal Check** for the \$110.00, \$30.00, or \$140.00... Whichever you are going to do. I always suggest the \$110.00 book because it has zero limitations. The Card is only good for a car or boat. You can't fly with it. But that's his choice. The Money Order or Cashier's Check needs to be made out to: **U. S. Dept. Of State**

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Each person also needs to bring their driver's license.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take his photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS which is \$14.00). You can pay that with a check or cash.

Adult Book total: \$155.00

Adult Card total: \$75.00

Both Total: \$185.00

If you wanted it **EXPEDITED** that's another \$60.00 to whatever you doing.

\$110.00 + \$60.00 = \$170.00 (Book)

\$30 + \$60 = \$90 (Just Card)

\$140 + \$60 = \$200 (Both Card and Book)

EXPEDITED will save you about 4-6 days

- #4. Certified Copy of both [REDACTED] and [REDACTED]'s birth certificates
- #5. Check to the US Dept. of State for \$160 (minors are \$80 each) can be on ONE check or Money Order (mailing to the same place)
- #6. Check or Cash for the Rockingham County Register of Deeds, \$90 total for both

We will take their photos, put them together, and mail them. I have told Susan that [REDACTED] will be here with both boys as close to 3:30 PM as possible, and everything will be filled out. I have to leave the office that day at 3:15 PM so Susan will be the passport agent helping you.

I believe [REDACTED] said everyone was traveling in April. You should have these by the 2nd week of March if not earlier. If you need to hurry them:

STEP #5:

#5. Check to the US Dept. of State for \$280 (minors are \$80 and if you pay \$60 to expedite them it cuts about a week or two off). So you would have them about the end of February.

Hello NCARD Family!

District II is excited to be hosting our 67th Annual NCARD conference September 14-17, 2019 at the beautiful Chetola Resort & Conference Center in Blowing Rock, NC! You will want to arrive on Saturday afternoon, as we have a great evening of events planned for you!

Accommodations at Chetola include a limited number of rooms in the Chetola Lodge (\$168 per night) and Bob Timberlake Inn (\$209 per night), both of which are in the main building. Condos are available with 1 Bedroom (\$179 per night), 2 Bedroom (\$235 per night) and 3 Bedroom (\$315 per night).

A few things to know about the Condos:

***Condos have a variety of king, queen and twin beds, so you may request your preference. If you prefer a condo close to the main building and event space, you may request this preference as well.**

***You will receive a separate condo rental contract with your reservation.**

***In the 2 & 3 bedroom condos, each bedroom has its own private bath; the common area includes a spacious kitchen and living room.**

***Billing can be split between multiple people if anyone chooses to share one of the 2 or 3 bedroom condos.**

***A cleaning fee is included in the nightly rental price, however the condos are only cleaned upon departure, so there is no daily housekeeping.**

***Condos are privately owned. Some may provide complimentary toiletries (shampoo, soap, etc.) and hairdryers while some may not, so it's suggested you bring your own**

***Condos are an easy walk to the main building and event areas (or there will be complimentary transportation if needed). NO PRIVATE GOLF CARTS ARE ALLOWED.**

Reservations are now open for all Registers! Call Chetola at 828-295-5500 and ask for Alex or Charles if they are available, otherwise any of the guest services representatives can assist you. It's important to let them know you are with North Carolina Association of Registers of Deeds and to make sure you get the contracted rate (as listed above). Also, the Resort Fee has been waived for our group, so they should not include that in your bill. Once you receive your emailed reservation confirmation, check over it to make sure they have the correct rate and the resort fee is not included.

If you have any questions or issues when trying to make your reservations, please let Wayne Rash registerofdeeds@caldwellcountync.org or I know.

Thank you!

The editing that can be adjusted under "clean-up" is the same editing that can be accomplished when the document is first scanned. The ability to "clean-up" a document can only be done by staff who have administrative user permissions within CCS. There are other permissions that are allowed along with this specific permission and isn't something I can give access to within my capability in CCS. I don't think it is necessary to give everyone administrative permissions since the image density can be adjusted when the document is first scanned. If this seems to be an ongoing issue then we should probably mention this at the next staff meeting.

As far as re-scanning plats, I will have to get with CCS. I tried to adjust the user permissions in CCS for everyone to be able to re-scan a plat but for some reason the software isn't allowing the change. I will email Kevin this morning.

I've had an observation over the past few days, where some images (especially descriptions & plats) are so dark that it makes it difficult to index & re-key. Usually the original is a "copy of a copy of a . . ." or the writing is small.

It is possible to adjust this under "clean up", but not by page only by document. Do you think CCS can change this setting?

Also, I still am not able to re-scan a plat.

I am the Transportation Supervisor for Henry County (Virginia) Public Schools. We are located just above the NC border outside the city of Martinsville.

I am emailing in the hopes that you can provide some guidance concerning an issue that one of our school bus drivers is having obtaining

his birth certificate that is needed for renewal of his CDL. The driver was born in Stoneville, NC to a midwife on ~~12/26/1967~~. He was not named at the time and the midwife submitted a birth record with only his last name on it but he is not sure where that paper was submitted to. He has contacted the Bureau of Vital statistics, circuit court clerks and the DMV in North Carolina and Virginia and is having no luck in obtaining a legal birth certificate which is now required to renew his CDL. He is currently unable to drive a school bus for Henry County until this is resolved. As you can imagine, this is causing the driver stress as well as disruption in our transportation division as we are having to find substitute drivers to cover his routes.

As his supervisor, I would be appreciative of any guidance that you can provide as to how we can get this issue resolved and get him the birth certificate that is needed for him to continue employment.

Thanks for any assistance,
I can be reached at the email and phone number below.

Subject: Death Certificate Process

Hey Mark—

Wanted to run something by you to see if you can help us out. Over the last few months, it seems it is taking longer and longer for us to get certified Death Certificates out of Rockingham County. We have been tracking one for [REDACTED], who died on [REDACTED] of last year. We know it was signed by the doctor at Jacob's Creek, so this morning we called Vanessa at Vital Records. She confirmed receipt and that she had sent it to the Register of Deeds. Our call to Register of Deeds went like this....."Have you received the Death Certificate for [REDACTED]? Yes, we have it.....long pause..... Have you mailed the certified copies?.....long pause.....We'll mail them today." There seems to be no urgency on the part of these two departments in getting these documents processed. And families are basically "On Hold" until they receive their copies.

Following are some examples of the time frame in processing:

<u>Deeds</u>	<u>Decedent</u>	<u>Received Vital Records</u>	<u>Received Register of</u>
		<u>Lag Time</u>	
1)	[REDACTED] 2018	Dec 12, 2018 7 Days	Dec 19,
2)	[REDACTED] 2018	January 10, 2018 9 Days	January 19,
3)	[REDACTED] 2019	December 31, 2018 7 days	January 7,
4)	[REDACTED] 2018	December 4, 2018 9 days	December 13,

Just seems to be an excessive delay from one department to the other.

Didn't know who to run this by. Please share as appropriate.

On the first one:

Benjamin - I have you as one of the back ups to approve, and it looks good on my end

Because you are #3 in line (which I can change if you all want) those time cards will not auto populate in your pending tasks, but you can see them all if you flip group tasks to "on"

Is there anyone left to approve? If so, try that and see if that lets you see them, if you do not see that up top, click "options" and that will show.

We can test this next period, or if you want to verify to make sure this is working properly and all time has been approved so far, I can re-open and submit someone's time card if you want to try it? If its now working then, or next period, or if you have already tried this, let me know I can investigate further.

On #2, lets monitor it. DSS was having some workflow issues so I have a tech troubleshooting it, that could have caused the hiccup in it not moving to approved, but if it happens again, let me know and I can investigate further, but in the mean time, what you did is 100% correct, if it gets stuck try re-submitting it that usually shakes it loose (though that should not be how it works ordinarily)

When I opened One Solution, there were 3 employees (Cheryl Chrismon, Catinia Winchester and Delaney Hutchens) who were not showing in my Pending Tasks. The North Carolina Administrative Office of the Courts has extended the deadline for these updates to February 28, 2019.

The North Carolina Administrative Office of the Courts is moving to more modern security protocols. Because of this, Register of Deeds offices with Remote Public Access to North Carolina criminal and civil records will need to change settings within your TN3270 client or you will not be able to connect your terminal to our mainframe.

In order to make a smooth transition, we recommend you forward the following instructions to your technology personnel in order for them to make these changes immediately.

Our county made it legal for any employee with a CCW to be able to carry inside any county owned building that the issue is not specifically addressed by state law. So we have several county employees that carry daily.

We are inside the courthouse so state law addresses us here. But I am still a reserve officer with Eden PD so I carry every day.

Does your County prohibit the Register of Deeds or employees/county employees from carrying firearms?

Does your County allow the Register of Deeds or employees/county employees from carrying firearms?

Does your County have a firearms policy for employees?

Thanks!

Mr. Szypszak,

Salary Timeline

Elected: 11/8/16

Sworn In: 12/5/16

Sometime between 11/8/17 and 12/5/16 I was contacted by then Rockingham County Commissioner Chair Craig Travis. Mr. Travis informed me that my starting pay would be \$64,000 a year.

On 7/31/17 I was contacted by the Rockingham County Human Resources Department by Memorandum (copied and pasted from memorandum below):

"From your beginning date of service, December 5, 2016, through April 14, 2017, we found that you had been overpaid due to an incorrect hourly rate in the payroll system.

The rate was initially \$30.8824 per hour. The correct rate was \$30.2885 and was changed April 15, 2017. Due to this rate change, the county overpaid you \$47.52 per pay period for a total of 10 pay periods. The total for this comes out to \$475.20 overpayment.

In order to recoup the overpayment, we can set up a payment arrangement to take a certain amount out of your paychecks from here forward to make that amount up, you can authorize us to take it all at one time out of your next paycheck, or you can write a check to us for reimbursement all at one time.

Please let us know which method you prefer to use. We sincerely apologize for this oversight and appreciate your patience in getting this corrected."

I was then made aware that my salary was \$63,000 a year.

On 12/3/18 I was contacted by the Chair of the Rockingham County Commissioners (Kevin Berger) and asked if my salary was the same as Amy Simpson's (Register I replaced). I advised them that it was not, that Ms. Simpson was at \$67,626.16 and I was at \$63,000. I asked why and I was informed that a resolution had not been filed before the election and the county may have made a mistake by not starting me off at what Ms. Simpson was making. I was told that the county attorney was consulting with the UNC School of Government and they would get back to me.

On 12/13/18 I was contacted by the Chair of the Rockingham County Commissioners again and informed that they had received word from the UNC School of Government that I was indeed supposed to start at the same salary of Ms. Simpson. I was advised that my salary on my next paycheck (12/28/18) would reflect a salary of \$67,626.16 plus a 2% raise that has just been given to all county employees for a total of \$68,978.52 (new salary moving forward). I was also advised that I would be given back pay for the two years that I had been at \$63,000 and not the \$67,626.16 (\$9,273.84 total is what they gave me). It is my understanding that the five county commissioners met and discussed this with the county manager and the county attorney all before doing this.

On 12/28/18 I received a pay check that had my normal 80 hours pay plus the back pay for a total of \$11,926.64 (Gross pay).

On 1/3/19 I was again contacted by Rockingham County Commissioner Chair Mr. Berger. Mr. Berger advised me that Commissioner Travis, who had been the county Chair when I was elected, raised an objection on 1/2/19 that since Rockingham County had conducted a Springstead pay study in 2015 and the Register of Deeds salary had been set at \$63,000 I was not entitled to the raise or back pay I had been given. I was advised that they were again consulting the UNC School of Government for guidance on how to handle the matter.

On 1/4/19 I was contacted by Mr. Berger and advised that the UNC School of Government had advised the Rockingham County Attorney that because of the Springstead study the Commissioners were free to do whatever they wanted to do. That they could let me keep the back pay and increase in salary or they could take both back. . I was advised that the five county commissioners would be meeting in a closed session on 1/7/19 to discuss what to do.

On 1/7/19 the County Commissioners met in closed session and I received a call at about 9:00 PM that I would not be given the pay increase and would have to pay the \$9,273.84 back. I was advised that they would be taking the money out of my paycheck until it had been repaid.

Question: If the Springstead pay study stated that starting pay for the Register of Deeds in Rockingham County was \$63,000, why did that not apply to Ms. Simpson after her appointment as Register of Deeds in April of 2016? She was given a salary that was \$4,626.16 above what the Springstead study recommended.

My apologies,

I have been contacted by Help Inc. and requested to assist women and children living in their shelter with securing a certified copy of their birth certificate. Often times these women and children are fleeing a dangerous situation in the middle of the night and unable to secure their property. I have advised Help Inc. that if they have an agent with the woman / children and they are currently living in the Battered Women's Shelter we would consider them Homeless and wave the \$10.00 fee. When the \$14.00 fee is re-instituted by the state they will be responsible for paying that.

I will get this policy updated and to everyone by the end of the day today.

CCS:

- CCS application timing out several times a day (intermittent and not related to a specific action within CCS) - Users must shut down completely and log back in to CCS each time this happens.
- Marriage license keepsake copy not printing each time a marriage license is issued.
- CCS application slows down around 4:15 - 4:30 each day.
- It has been suggested that maybe Charlie could watch and observe in order to gain a complete understanding of what is going on.

IT:

- Thin client connectivity - timing out or losing connectivity while public users are searching - again not sure if this is related to CCS or IT.
- Internet bandwidth - wondering if the issues with CCS could be related to the lack of bandwidth available? We need adequate bandwidth to support public use of computers.
- Printers - hopefully this will be resolved with the installation of the new printers.
- GIS - who is responsible? Public complaining of the GIS application running slow.

**The main focus of the meeting is to discuss these issues and see what is specifically related to CCS and/or IT and attempt to have a game plan for resolution. Having them come together would give us all a better understanding of who to contact when specific issues arise.

If memory serves me correctly you need information on four adult passports (age 16 and up). An adult passport is \$110 with a \$45.00 application fee. The part going to the US Dept. of State has to be a check, money order, or cashier's check. The part paying the application fee can be a check or cash.

Four Adults: \$440 check / money order to the US Dept. of State
Four Adults: \$180 check / cash to the Rockingham County Register of Deeds

Have each person fill out the attached DS-11 (last two pages, brown boxes). Each person will need to bring their valid driver's license and a certified copy of their birth certificate (Stamped Copy). If you do not have a certified copy and were born here in Rockingham County you can get one while you're here for \$10.00. If you were born in North Carolina but outside Rockingham County after 1971 you can get one here for \$24.00. If you were born outside of North Carolina you have to get that directly from that location.

We do passports Monday thru Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM. If you let me know when you're coming I will make sure to try and speed your family through.

On a side note, once you start traveling outside of the United States it can become very addictive. The world is a lot like the United States, you have Urban vs Rural. If you visit a large city you will notice large city issues. If you get off the beaten path into the smaller villages and towns you will meet more people like people here in Rockingham County. Visiting Paris and telling people you have been to France is like someone visiting New York and telling people they have visited America. I have been to Kenya (Safari was Amazing), Rome, London, Paris, the Normandy area of France, the Netherlands, Luxemburg, and Germany. And I have never, not once, felt like I was unsafe or uncomfortable due to being an American.

Do your research, read the traveling tips for each area you plan to visit, use Expedia to find deals for the area you are visiting, and I found a lot of useful videos on You Tube for planning trips. If I can be of any help please let me know. I have a ton of photos here at work and will be glad to give you my list of pros and cons for each area. But I promise you, once you have broken in that Passport the first time you will be planning the second trip on the flight home. I will never plan a trip to the beach again that my wife doesn't make me go on. I would much rather spend my money going to a place I have never been.

Hope this helps,

Benjamin J. Curtis

Ok, for two adults and a one 14 year old (Juvenile) follow these steps.

Adult Passport is \$110 to the U. S. Dept. and a juvenile is \$80. So you need to write one check (or money order or cashiers check) to the U. S. Dept. of state for \$300 total (covers all three of you).

Then you need to write one check (or cash) for \$135.00. That is for the processing fees and has to be a separate payment from the first check. This check is made out to the Rockingham County Register of Deeds (cash is fine). This covers mailing, photos, everything.

So your total money is \$435.00 (if your not in a hurry or doing anything special, just a regular Passport book). Your looking at 4-6 weeks to get them and you can't buy your plane tickets to leave the country until you have your assigned passport numbers. So you need to figure out when your traveling and count back 8-10 weeks. That would be about your deadline for getting this done.

Attached is the DS-11. All three of you need to fill out the brown boxes on the last two pages. Bring these forms along with your VALID driver's license, and Certified copy of your birth certificates. If you do not have a certified copy of your birth certificate and were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina after 1971 but not in Rockingham County we can get that here for \$24.00. If you were born outside of North Carolina you will need to get that directly from where that location was.

For the 14 year old you have a choice:

- #1. If the mother has sole custody she can bring a certified copy of that court order with her.
- #2. If the mother has joint custody the father can come with her (have him bring his driver's license) and he can sign the forms for the "father" spot
- #3. Have the father fill out the attached DS3053. He has to sign this and have it notarized. If she brings this form with her filled out by him he doesn't have to be here.

We do passports Monday thru Friday 9:00 AM to 1:00 PM and 3:00 PM to 4:00 PM.

If you have any other questions call my cell, [REDACTED]

Subject: Re: [NCARD Group] Passports

Yes, we saw the notice that they were going to start charging a small fee to off set the credit card usage fee. It went into effect on 1/1/19 so we loaded up our account on 12/31/18. If you pay by check their is not fee so I think that is what we will start doing. Just mail them a \$500 or \$1,000 check once every few months.

Ronnie,

With the large amount of rain we have received this year it's been brought up more than once in our office the need for an awning over the back door to the courthouse. Our entire team at the Register of Deeds Office, the District Attorney's Office, and the Judges all use this door to gain entry into the building. I noticed that the Clerk of Court had an awning over their back door (photos attached) and wondered what the cost & process would be to have one put up over the rear door on this side of the building.

Subject: Passport

Adult Passport is \$110.00

Adult Card is \$30.00

To get both is \$140.00

All three are the same process. You need to bring a **Money Order or Cashier's Check or Personal Check** for the \$110.00, \$30.00, or \$140.00... Whichever you are going to do. I always suggest the \$110.00 book because it has zero limitations. The Card is only good for a car or boat. You can't fly with it. But that's his choice. The Money Order or Cashier's Check needs to be made out to: **U. S. Dept. Of State**

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Each person also needs to bring their driver's license.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take his photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS which is \$14.00). You can pay that with a check or cash.

Adult Book total: \$155.00

Adult Card total: \$75.00

Both Total: \$185.00

Expedite & Over Night Mail Fees:

If you want the passport book / card or whatever you get to be **OVER NIGHT MAILED** back to you add \$15.89 to whatever you are buying. That will save you about two days.

\$110.00 + \$15.89 = \$125.89

\$30 + \$15.89 = \$45.89

\$140.00 + \$15.89 = \$155.89

If you wanted it **EXPEDITED** that's another \$60.00 to whatever you doing.

\$110.00 + \$60.00 = \$170.00 (Book)

\$30 + \$60 = \$90 (Just Card)

\$140 + \$60 = \$200 (Both Card and Book)

EXPEDITED will save you about 4-6 days

And the fastest thing you can do is to EXPEDITE and OVERNIGHT which will save you about 1 week (meaning you "should" have it in two to three weeks)

\$110.00 + \$15.89 + \$60 = \$185.89 (Check or Money Order) for the book

\$30 + \$15.89 + \$60 = 105.89 (Check or Money Order) for just the card

\$140 + \$15.89 + \$60 = \$215.89 (Check or Money Order) for both

Subject: Electronic Work Orders

All,

Since we began the electronic work order system we have had a survey in place for end users to fill out on the performance of our maintenance team in completing the WO request. We have these as anonymous so that we get honest and correct feedback from staff on our performance. On the occasions we have had ratings less than what we strive for, I have been unable to figure out what the request was and why maintenance did not complete this in a way that was satisfactory to the client.

In hopes of offering better service to the County, I asked our IT person to allow me to see who submits surveys. I am the only one that can see who submits this information back to us. My goal with this request is to use the information to

hopefully improve our services and not to repeat mistakes. If you all would not mind, please tell your staff's that if they submit a survey, that I may reach out to them if I think we need to improve upon our performance. I still want to insist that everyone feel comfortable giving us honest and constructive feedback on our performance.

I review each of these surveys and I think that it is important for my department to provide the best level of service that we can.

If you have any questions please do not hesitate to contact me.

Thanks

Ronnie

Subject: Passports

Ms. [REDACTED],

You need three things to get a passport:

1. Certified Copy of Birth Certificate
2. Driver's License / NC Issued ID Card
3. Check or Money Order

Attached is a DS-11 and you and print and fill out for each person applying for a passport. If you are unable to print them and fill them out we have them here in the office, but bringing them filled out just saves you some time.

You need to bring a certified copy of a birth certificate (stamped copy) for each person getting a Passport. If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County you can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. Each person also needs to bring their driver's license or state issued ID if they have one.

If your not in a hurry then an Adult Passport is a \$110.00 check / money order made out to the U.S. Dept. of State. A juvenile (age 15 and younger) is a \$80 check / money order made out to the U. S. Dept. of State. This part is getting mailed off and it has to be a check / money order. If your in a hurry add \$60.00 to each person's application fee. Normally you will get them in 5-6 weeks. If your pay the extra \$60.00 your looking at 3-4 weeks.

JUVENILES: BOTH PARENTS have to be here with their Driver's License. If one parent has sole custody we need a certified copy of the court order stating that fact. If one parent can not be here then they need to fill out the attached DS3053 for each child they are the parent off that is applying. Along with the DS3053 they need to send a copy of the FRONT AND BACK of their Driver's License.

The second part is \$45.00 per application. This can be a check or cash. So for each person applying bring \$45.00. That covers the photo, paperwork, and mailing of your application. This fee is set by the US Dept. of State and is the same at the post office. But here your \$45.00 stays in Rockingham County.

We do Passports Monday through Friday 9:00 am to 1:00 pm, and 3:00 pm to 4:00 PM. But don't walk in the door right at 4:00 without any paperwork filled out. We have to be at the post office with all of our applications by 4:30 each day.

If you have anymore questions please email me back or call.

Good Morning NCARD,

We are receiving more and more documents that are double-sided, and the attorney has crossed-through (X'ed out) the back side of the page and reprinted it and says the X'ed out copy should not be made a part of the document. They do this, of course, to try and avoid the \$25 non-compliant fee. I have told them, I will not accept this because to me, it is still part of the document even it's X'ed out.

Now, they are starting to white out everything on the back side of the page after they reprint it.

Are any of you allowing this? I guess if it's whited out (is that even a word?!) , there really isn't anything there to record. It's frustrating and it's messy!

Thanks.

Attached is a DS-82. You will print and fill out this form if your passport expired LESS than 5 years ago or about to expire (if you can't print the form we have some in the office). Bring this filled out and a \$10.00 bill with you to the Register of Deeds (inside the courthouse) Monday - Friday, 9:00 AM to 1:00 PM or 3:00 PM to 4:00 PM. We operate on a first come first serve basis but our wait time is usually less than 5 minutes. The \$10.00 covers the cost of your passport photo (CVS is \$14.00 and Walmart is \$14.00).

You will also need to bring a check or money order made out to the U. S. Dept. of State for \$110.00. That is the amount if your not in a hurry and just doing it regular (5-6 weeks, so if you do not need it before mid-February). You will also need to bring your old passport. It gets mailed off with your completed DS-82 form and payment. If you are mailing off two together you can write one check for \$220.00 or three would be \$330.00.

We will take your photo, put your application together, put it in an envelope with the correct address on it and you will have to take it to the post office for mailing.

IF, you are in a hurry and need to expedite your application your check to the U. S. Dept. of State needs to be for **\$170.00** (\$60 expedite fee). That will cut your time down to 3-4 weeks. If you need it in 2-3 weeks you need to make that check for **\$185.89**. That is the cost of the passport (\$110.00), plus expediting it (\$60), plus over night mailing (\$15.89). These costs are PER passport.

I put up three of the passport signs this past Friday. One of the poles bent so I was not able to get the 4th up yet. I will have to get another pole and get that one up. I put up two on the West side of the county. One at 220 / 65 across from the Chevrolet place (Big Flag dealership) and one at the top of the ramp at 220 / 135 (off to the left if your facing the Walmart area).

If you two could keep an eye out of those when driving in those areas I would appreciate it. If one falls down I need to get it back up.

The 3rd I put in Eden near the traffic circle and when I put the 4th up it will be on Hwy 14th at the Virginia line.

First I would like to congratulate Mr. Hall on his election and Mr. Travis on his re-election.

As has become my custom I like to send the county commissioners an update from the Register of Deeds office the first week of each month. I think the numbers from our office are a good measuring stick for the economy of the county as a whole.

The year of 2018 has been very good was a whole. We are \$41,646.37 ahead of this time in 2017. March of 2018 through August of 2018 we were seeing numbers our office has not had in I don't know how long. We had the highest May (\$72,776.33) and June (\$64,145.76) in well over twelve years I know, but that is as far back as I have researched.

However, September and November were terrible months. We were down \$15,640.44 in September and \$12,924.67 in November compared to those same two months in 2017. That is a total of \$28,565.11 down from 2017.

But when I compare those two months to the average for those months from 2012-2016 we are only down \$4,750.32 and not the \$28,565.11. 2017 was a great year and we are still \$41,646.37 ahead of it with one month to go. But things seem to be slowing down... Maybe it was the election season that slowed it down.

I will always do my best to keep you each informed.

Right, Only Stacie and Susan were set up as approvers, when we started this process back over the summer, I had asked for updates and adjusted what came in, either you were never requested to be added, or those two were left over from the prior attempts at getting this live and not additional updates were given. So I dont believe you were ever in there as an approver in workflow, but I can fix that and put you in the queue for the future.

In the mean time, Ill just move all yours to approving status, and Ill just throw some notes together and email you.

If you could approve it that would be great so it will move forward. I will drop off the paper copies about 1:00 PM today. I have to get the Passport signs back up on the highways this afternoon. If you still feel that we need to schedule a time we can look at doing that next week.

Benjamin,

Debbie left me a message about you not being able to approve time in OS, in looking at the security set up it looks like you were not added to the workflow.

Let me work on that, if you have never done it before I would like to walk you through the process, and I will follow up. Alternatively, depending on how busy you are today, if you have verified the time is correct, I can approve it on the backend and move it forward, and we can schedule a secession at a later date? Its not complex, but there are a few little quirks that I would like to go over.

JFYI,

We did 35 this November and 35 last November. But we made \$1,725 this November and only \$1,259 last year. So that's an increase of \$466.00.

So far we have processed 910 New Applications and I have no idea how many renewals. And we have brought in \$38,787.00 in additional money. I have not factored in the expenses like ink for the photos, mailing cost, or travel money to the schools but I would guess we are \$34,000 to the good easy.

December last year was 41 passports for \$1,527.00

We have four printers in our search room and only one of the four work. And that one is 12+ years old. The three that are not working are 12-15 years old. I have been informed that when the thin clients were installed I.T. (Carrie) could not get the printers to work because they were too old to make compatible with the thin clients. The one that we have is jamming on a regular basis.

What do I need to do to get two working printers in the search room. I do not need four, but two working printers. Is this something we need to pay for out of General Supply or can we get two Toshiba machines?

We will take your photo for the \$10.00 bill, put it together, put it in a package and address it, and return it to you for mailing. You will want to mail it First Class / Track able mail. Everything needed to steal your identity is in that envelope so we suggest a person track it to make sure it gets to where it needs to go (Philadelphia).

If you bring the DS-82 fill out, the check to the State Department, the \$10.00 for photo, we will have you in and out of the door in 10 minutes.

To: SCHILTON@CO.ROCKINGHAM.NC.US <SCHILTON@co.rockingham.nc.us>

Good morning!

The Acceptance Facility Oversight Program is currently scheduled to conduct an inspection of your facility in December.

As always, CPC wants to assist you in doing your best during the inspection. One item that has come up quite a bit recently is to make sure that agents are clear that they are NEVER to hold onto incomplete applications for any reason for even a short period of time (such as someone wanting to run to the bank for a check.) Additionally, never be afraid to pull out your PARG for confirmation, particularly for hand carry procedures since we know not all facilities handle those cases regularly.

I have attached a fee chart and the most recent version of the Acceptance Agent Observation Checklist. This checklist is used when you suspect passport fraud and the checklist and the application should be mailed directly to CPC Attention: Fraud Program Manager. There are also AAOC mailing instructions attached. Please remind your agents that cases in which they suspect fraud must be mailed directly to the Charleston Passport Center, attention: Fraud Prevention Unit. Most of the time, when facilities are rated noncompliant on this item, it's because the agents don't know where to mail the applications or they did not know where the AAOC is located at their facility.

Also attached, is a sample of questions you may be ask during your inspection. If you have any questions or we can assist you in any way, please contact CPC immediately. The best contact point is the AA team (CPC-AA@state.gov; 843-746-1760, 843-746-1710, or 843-1712). If they can't answer your question, they will refer it to a CSM.

Thank you as always for the valuable service!

John

Subject: Passport

You need a check for \$170 if your going to expedite it. and \$45.00 cash or check for our fees. Two different payments.

Instructions:

Adult Passport is \$110.00 on a check or Money Order to the US Dept. of State. Then \$45.00 on check or cash to the Rockingham County Register of Deeds. That covers everything.

The Check, Money Order, or Cashier's Check needs to be made out to: U. S. Dept. Of State

You need to bring a certified copy of her birth certificate (stamped copy). If you don't have one and you were born in Rockingham County you can get one here for \$10.00. If you were born in North Carolina but outside Rockingham County he can get it here for \$24.00. If you were born outside of North Carolina I can't help, you have to get that from that state. You also need to bring your driver's license and hers if she has one.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take a photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS). You can pay that with a check or cash.

Adult Book total: \$155.00

If your in a hurry....

Expedite & Over Night Mail Fees:

If you want the passport book to be **OVER NIGHT MAILED** back to you add \$15.89 to whatever you are buying. That will save you about two days.

$\$110.00 + \$15.89 = \$125.89$ on the US Dept. of State check

If you wanted it **EXPEDITED** that's another \$60.00 to whatever you doing.

$\$110.00 + \$60.00 = \$170.00$ (Book)

EXPEDITED will save you about 4-6 days

So if your doing the $\$110.00 + \$15.89 + \$60.00$ to get it as fast as possible the US Dept. of State Check needs to be \$185.89.

And the fastest thing you can do is to EXPEDITE and OVERNIGHT which will save you about 1 week (meaning you "should" have it in two to three weeks)

$\$110.00 + \$15.89 + \$60 = \185.89 (Check or Money Order) for the book

If your not in a big hurry, just do the \$110.00 and \$45.00 and you will have it in about 4-5 weeks.
