Employee Handbook

Revised: December 2018

I. INTRODUCTORY COMMENTS

With great pleasure we welcome you to the Headquarters of Oasis Shriners (“OASIS”). OASIS is a fraternal organization that raises money to support twenty-two (22) Shriners Hospitals for Children across North America. We provide hospital care for children suffering from a variety of illnesses and injuries without regard for their parent’s ability to pay. We hope you will soon feel the sense of pride we share in being a part of this remarkable charitable service organization.

This handbook is designed to acquaint you with OASIS and to provide you with information about working conditions and some of the policies and procedures affecting your employment. You should read, understand, and comply with all provisions of the handbook. It describes many of your responsibilities as an employee and outlines the programs developed by OASIS to benefit its employees. One of our objectives is to provide a work environment that is conducive to both personal and professional growth.

The policies set forth in this handbook are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or a contract of employment between OASIS and any of its employees. The provisions of the handbook have been developed at the discretion of the OASIS Board of Directors (the “Board”) and may be amended or cancelled at any time, at the Board's sole discretion. No employee handbook can anticipate every circumstance or every question about a policy. The Board reserves the right to revise, supplement, or rescind any policies or portion of the handbook as deemed appropriate. Employees will, of course, be notified of such changes to OASIS’ policies or the handbook as they occur.

This Handbook supersedes all previously issued handbooks, policies and procedures, and any inconsistent verbal or written policy statements. Except for the Employment At-Will provision, OASIS reserves the right to revise, modify, interpret, eliminate, or add to the provisions of this Handbook at any time, with or without notice. OASIS will attempt to keep employees informed whenever changes occur.

This Handbook is not intended to be a contract of continued employment and does not alter the employment at-will relationship with OASIS employees. Only the Board has the authority to enter into any agreement of employment for any specified duration, or that is otherwise inconsistent with the at-will employment relationship. Such employment agreement will only be valid and binding on OASIS when the agreement is expressly set forth in a written document and signed by the Board.

Any section that may be in conflict with federal, state or local regulations will be superseded by those regulations. In the event that any section is superseded by federal, state or local laws, the remaining policies and procedures in this handbook shall remain in effect.

Whereas the terms of an employment contract, should a written and executed employment contract exist between employee and employer, conflicts with this manual, the terms of the employment contract will take precedence.

II. POLICIES AND PROCEDURES

Nature of Employment

Employment with OASIS is voluntarily entered into, and the employee is free to resign at-will at any time, with or without advance notice, cause or reason. Similarly, OASIS may terminate the at-will employment relationship at any time, with or without advance notice, cause or reason, so long as there is no violation of applicable federal or state law. The at-will relationship of any employee can be changed only by a written agreement that is authorized by the Board.

Introductory Period

New employees will be in an introductory assessment period until they have completed 90 calendar days of service. This is a period of time to allow new employees to become familiar with their work responsibilities, OASIS policies and procedures, to assure themselves that they enjoy their work, are satisfied with their surroundings, and are confident in their ability to perform the specific responsibilities for which they were hired. OASIS, too, wants to be sure that job performance, attitude and attendance are in accordance with acceptable standards of employment. During this introductory period, as at any time, the employee may resign at any time with or without notice, cause or reason and may be terminated on the same basis.

Completion of this period does not guarantee continued employment nor does it guarantee an increase in pay at the end of the period. In the Board's discretion, the 90-day introductory period may be extended upon written notice to the employee.

Equal Employment Opportunity

In order to provide equal employment and advancement opportunities to all individuals, employment decisions at OASIS will be based on merit, qualifications, and abilities. OASIS does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, marital status or any other characteristic protected by law. This policy applies to all terms, conditions and privileges of employment, including, but not limited to, hiring, training, placement and employment development, promotion, transfer, compensation, benefits, layoff and recall, employee facilities, termination and re-hire.

Any employee who violates any of these discrimination rules may be subject to discipline up to and including termination of employment.

If you believe this policy has been violated, you should immediately report this directly to the Recorder or the Board/Board Member, regardless of whether or not the act was directed at you. All allegations of discrimination will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged perpetrator will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Harassment and Other Discriminatory Conduct

OASIS is committed to providing a work environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, sexual orientation, marital status or any other legally protected characteristic will not be tolerated.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are examples of sexual harassment that will not be tolerated and may result in disciplinary action in accordance to this handbook:

- Unwanted sexual advances.
- Offering employment benefits in exchange for sexual favors.
- Making or threatening reprisals after a negative response to sexual advances.
- Visual conduct that includes leering, making sexual gestures, or displaying of sexually suggestive objects, pictures, cartoons or posters.
- Verbal conduct that includes making or using derogatory comments, epithets, slurs, or jokes.
- Verbal sexual advances or propositions.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, or suggestive or obscene letters, notes, or invitations.
- Physical conduct that includes touching, assaulting, or impeding or blocking movements.

Unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment; (2) submission or rejection of the conduct is used as a basis for making employment decisions; or, (3) the conduct has the purpose or effect of interfering with work performance or creating an intimidating, hostile, or offensive work environment.

Like sexual harassment, harassment based upon race, color, national origin, age, religion, disability or other characteristic protected under applicable federal and state laws is illegal under federal, state and local laws and is not tolerated at OASIS. Such harassment can be defined as follows:

- Conduct that has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, when such conduct is based upon a protected characteristic.
- Jokes, slurs or obscene gestures aimed at an individual because of the protected characteristic.
- Physical assault upon an individual because of a protected characteristic.
- Derogatory written or oral statements directed at an individual because of a protected characteristic.

- The display of materials which have the purpose or effect of offending a person because of a protected characteristic.

Reporting Policy

Any employee experiences or witnesses unlawful discrimination or harassment in the workplace, must report it immediately to the Recorder, the Board or a Board Member. There will be no discrimination or retaliation against any individual who files a good-faith complaint, even if the investigation produces insufficient evidence to support the complaint or cannot otherwise be substantiated. There will be no discrimination or retaliation against any individual who participates in the investigation of a harassment complaint. If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be pursued, up to and including termination.

All allegations of discrimination or harassment will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged perpetrator will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Immigration Law Compliance

OASIS is committed to employing only United States citizens and aliens who are authorized to work in the United States and does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility within 3 days from the start of employment or they will be terminated. Former employees who are rehired must also complete the form if they have not completed an I-9 with OASIS within the past three years, or if their previous I-9 is no longer retained or valid.

Employees with questions or seeking more information on immigration law issues are encouraged to contact the Recorder. Employees may raise questions or complaints about immigration law compliance without fear of reprisal.

Hours of Operation

The Oasis Shrine Headquarters will be open and staffed from 8:30 a.m. to 4:30 p.m., Monday through Friday, and as needed for OASIS functions or rental events. Employees are expected to work a 40-hour week. The Recorder will determine the operating hours during inclement weather.

Dress Code/Personal Appearance

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the professional image OASIS presents to customers and visitors.

During business hours or when representing OASIS, in or out of our office, you are expected to present a clean, neat, and tasteful appearance. You should dress and groom yourself according to the requirements of your position and accepted social standards. This is particularly true if your job involves dealing with donors or visitors in person.

All employees are to be neat and professional in appearance at all times. Attire for both men and women is “business casual.” Business casual is **not** the same as Casual. Although employees are not expected to wear suits, or similar attire, on a daily basis, your business casual clothes should be of similar quality. Business casual for men includes casual pants such as neatly pressed slacks, shirt (casual button front or polo shirts are acceptable), and appropriate shoes. Business casual for women includes dresses, skirts, slacks, and blouses (or sweaters or shirts) and appropriate shoes. Neither blue jeans nor shorts of any kind are acceptable at any time.

Computer and E-Mail Usage

Computers, computer files, the e-mail system, and software furnished to employees are OASIS property intended for business use. Any and all e-mail and other electronic or telephonic communications are the property of OASIS. Employees should have no expectation of privacy in such communications. Personal use of the computer, including the internet, by employees during work hours is discouraged and may result in disciplinary action in accordance to this handbook. To ensure compliance with this policy, computer and e-mail usage may be monitored.

OASIS strives to maintain a workplace free of harassment and sensitive to the diversity of its employees. Therefore, OASIS prohibits the use of computers and the e-mail system in ways that are disruptive, offensive to others, or harmful to morale. For example, the display or transmission of sexually explicit images, messages, and cartoons is not allowed. Other such misuse includes, but is not limited to, ethnic slurs, racial comments, off-color jokes, or anything that may be construed as harassment or showing disrespect for others.

OASIS will neither commit nor tolerate the making or using of unauthorized software copies under any circumstances. The failure of an employee to observe copyright or license agreements may result in disciplinary action, up to and including termination. Unauthorized duplication of computer software is a federal offense, punishable by up to a \$250,000 fine and up to five (5) years in jail.

All software purchased or developed by OASIS will remain the property of OASIS. When an employee leaves OASIS for any reason, all software and manuals must be returned to the Recorder. To ensure security, employees should log off their computers whenever they leave the office for a meeting, lunch, etc... as well as nightly.

Internet Usage

Internet access to global electronic information resources on the Web is provided by OASIS to assist employees in obtaining work-related data and technology. The following guidelines have been established to help ensure responsible and productive Internet usage. While Internet usage is intended for job-related activities, incidental and occasional brief personal use is permitted within

reasonable limits.

All Internet data that is composed, transmitted, or received via our computer communications systems is considered to be part of the official records of OASIS and, as such, is subject to disclosure to law enforcement or other third parties. Consequently, employees should always ensure that the business information contained in Internet e-mail messages and other transmissions is accurate, appropriate, ethical, and lawful.

The equipment, services, and technology provided to access the Internet remain at all times the property of OASIS. As such, OASIS reserves the right to monitor Internet traffic, and retrieve and read any data composed, sent, or received through our online connections and stored in our computer systems.

Data that is composed, transmitted, accessed, or received via the Internet must not contain content that could be considered discriminatory, offensive, obscene, threatening, harassing, intimidating, or disruptive to any employee or other person. Examples of unacceptable content may include, but are not limited to, sexual comments or images, racial slurs, gender-specific comments, or any other comments or images that could reasonably offend someone on the basis of race, color, age, sex, religious or political beliefs, national origin, disability, sexual orientation, or any other characteristic protected by law.

The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material on the Internet is expressly prohibited. As a general rule, if an employee did not create material, does not own the rights to it, or has not gotten authorization for its use, it should not be put on the Internet. Employees are also responsible for ensuring that the person sending any material over the Internet has the appropriate distribution rights.

Abuse of the Internet access provided by OASIS in violation of law or OASIS policies will result in disciplinary action, up to and including termination of employment. Employees may also be held personally liable for any violations of this policy. The following behaviors are examples of previously stated or additional actions and activities that are prohibited and can result in disciplinary action:

- Sending or posting discriminatory, harassing, or threatening messages or images
- Using the organization's time and resources for personal gain
- Stealing, using, or disclosing someone else's code or password without authorization
- Copying, pirating, or downloading unauthorized software without permission
- Sending or posting confidential material, trade secrets, or proprietary information outside of the organization
- Violating copyright law
- Failing to observe licensing agreements

- Sending or posting messages or material that could damage the organization's image or reputation
- Viewing or exchanging pornography or obscene materials

- Sending or posting messages that defame or slander other individuals
- Attempting to break into the computer system of another organization or person

- Use of the system to stream music or video's during working hours
- Sending or posting messages that disparage another organization's products or services
- Passing off personal views as representing those of the organization
- Sending anonymous e-mail messages
- Engaging in any other illegal activities

Attendance, Punctuality and Diligence in the Workplace

To maintain a safe and productive work environment, OASIS expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on OASIS. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they should notify the Recorder as soon as possible in advance of the anticipated tardiness or absence. If unable to do so personally, a relative or friend should call on your behalf.

Employees who are absent due to illness for three consecutive days may not return without a doctor's release. Poor attendance and excessive tardiness are disruptive and may lead to disciplinary action, in accordance to this handbook. An employee absent three consecutive days without having obtained approval or contacting OASIS will be considered as having voluntarily resigned from OASIS.

Confidential Information

OASIS respects the privacy interests of its employees, members and donors by keeping certain personal information about them private and confidential.

Requests for information concerning OASIS, its employees, members or donors, whether by phone or in person, must be referred to the Recorder. Employees should advise the inquiring party courteously that his or her request will be directed to the Recorder. Employees shall not take it upon themselves to give out any information.

No employee of OASIS shall disclose confidential or privileged information concerning personal matters, property matters or other affairs of OASIS, nor shall an employee under any circumstances use such privileged information to advance, the financial, political or private interest of himself/herself or others.

Protection of OASIS' Reputation and Professional Relationships

OASIS' favorable reputation within the community is a vital asset for fulfilling its mission. Positive professional relationships among OASIS' employees, members and donors are to be fostered and protected with each employee's best efforts. Employees shall at all times conduct themselves in a manner that will not substantially prejudice or injure the reputation of OASIS. Employees shall refrain from negative, harmful or derogatory comments about OASIS, its members, donors and other employees. Failure to comply with this policy may result in discipline up to and including termination.

Dispute Resolution

It is only natural in any working environment for employees to experience a work-related problem or concern occasionally. In the event of a grievance or workplace dispute, the concerned employee should promptly notify the Recorder, the Board or a Board Member. If the problem cannot be resolved informally, the Recorder will then form an Investigating Committee to address the complaint. The Investigating Committee will include the Recorder, the Potentate and the Chairman of the OASIS Personnel Committee.

The Investigating Committee will then conduct and complete an investigation into the complaint within one month of receipt of the complaint. Within six (6) weeks of the receipt of the complaint, the Investigating Committee will report the complaint, the results of the investigation, and possible resolutions to the complaint to the Board at (1) a regularly scheduled Board meeting, or (2) at a Board meeting called specifically to address the complaint. The Board will determine the appropriate actions to resolve the complaint by majority vote. The Investigating Committee shall communicate such actions to the complaining employee immediately or as soon as reasonably possible.

Reimbursement of Business Expenses

Reasonable business expenses incurred by employees in the course of their employment will be reimbursed by OASIS, to the extent permitted by OASIS' guidelines. All expenses must be accurately accounted for on an approved OASIS "Expense Report" form for appropriate reimbursement. Any expense that is submitted under false pretenses is grounds for termination from OASIS.

Nepotism Policy

The hiring of relatives of current employees, members of the Divan or members of the Board is prohibited. Additionally, employees, members of the Divan and members of the Board will be hired, elected or appointed in such a way that no employee, Divan member or Board member is related to another employee, Divan member or Board member. For the purposes of this policy, relatives include the following: spouse, parent, child, sibling, in-law, grandparent, grandchild, aunt, uncle, cousin, step-relative, or any individual with whom an employee has a close personal relationship, including, but not limited to, a domestic partner, co-habitant, or significant other.

FPN: This policy may be bypassed when 'Suspension of the Rules' is enacted and unanimously agreed and voted in affirmative by the Oasis Divan Board of Directors.

Alcohol and Drug Policy

OASIS is committed to providing a safe working environment for all employees. The use, sale, dispensing, manufacture, distribution or possession of illegal drugs or narcotics are strictly prohibited at the OASIS Headquarters office and at any OASIS sponsored activity. In addition, being under the influence of any drug, narcotic, legal or illegal, which may impair an employee's ability to perform his or her job safely and effectively is prohibited. A violation of this policy may result in discipline up to and including termination.

OASIS will not tolerate current drug or alcohol abuse. Testing following an accident, routine random or other "for cause" testing of employees may be conducted at any time. Failure to submit to this testing and/or positive test results may result in discipline up to and including termination. An employee who has been terminated for drug or alcohol abuse will not be eligible for rehire.

OASIS reserves the right to search personal belongings and work areas to determine if illegal drugs or narcotics are present on OASIS property. Refusal to submit to such a search will result in removal from the property and termination of employment. Possession of illegal drugs or narcotics on OASIS property will result in termination.

Smoking Policy

OASIS' smoking policy is designed to provide OASIS employees with a healthy work environment. Smoking is only permitted outside the building away from any entrance into the building. OASIS expects all employees to abide by the Smoking Policy and to honor those areas designated as non-smoking for the benefit of non-smoking employees and others.

III. EMPLOYMENT STATUS & RECORDS

Employment Applications

OASIS relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information may result in the exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

Access to Personnel Files

OASIS maintains a personnel file for each employee. The personnel file includes such information as the employee's job application, resume, records of training, documentation of performance appraisals and salary increases, and other employment records. With reasonable advance notice, employees may review their own personnel files at the OASIS office and in the presence of the Recorder. Nothing may be removed or photocopied from the file without written authorization of the Recorder or the Board. If an employee disagrees with the accuracy of any statement in the records received by OASIS from other sources and no correction can be agreed upon, the

employee may submit an explanatory statement which will be attached to the records.

Personnel files are the property of OASIS, and access to the information they contain is restricted. Generally, only those who have a legitimate reason to review information in a file are allowed to do so.

Personnel Data Changes

It is the responsibility of each employee to promptly notify OASIS of any changes in personal data. Personal mailing addresses, telephone numbers, number and names of dependents, individuals to be contacted in the event of an emergency, educational accomplishment, and other such status reports should be accurate and current at all times. If any personal data has changed, please notify the Recorder.

Performance Evaluations

OASIS conducts formal performance evaluations annually to review your job progress and to help you set new job performance plans. Formal performance evaluations are conducted to provide both OASIS and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals and career objectives.

IV. COMPENSATION

Salary Administration

If your withholding exemptions change, or if your marital status changes, you must notify OASIS regarding these issues immediately and complete a new W-4 form. All telephone number or address changes should also be reported promptly.

Salary Review

The Board keeps up with the changing economic conditions and wages paid by local employers for comparable jobs. The Board may make general salary adjustments from time to time when, in their opinion, such adjustments are warranted. Eligible employees may be granted a merit increase by the Board. However, any salary adjustments and/or merit increases are awarded at the sole discretion of OASIS and may be revised or discontinued at the sole discretion of OASIS. No merit-based pay adjustments or other salary adjustments are guaranteed.

Time Sheets

Federal law requires that all NON-EXEMPT employees record all of the hours they have worked on a time sheet on a weekly basis, and they are paid according to that time sheet. All NON-EXEMPT employees are provided time sheets during the new hire process and are shown how to complete them properly, i.e. including employee name, dates, explanation for overtime, etc

- You are responsible for recording all of the time you work, which includes overtime but does not include your unpaid lunch period or breaks.
- You must also account for all time absent from work during the normal workday (ie - PTO, lunch, etc.)
- Each employee will have one (1) hour for lunch and two (2) ten (10) minute breaks per day. The employee may take one ten (10) minute break in the morning and one ten (10) minute break in the afternoon – these breaks shall be included in the employee’s compensatory time. The time taken for lunch is unpaid and should be noted on your time sheet, but not included in the employee’s compensatory time.
- Approved bereavement time should be recorded as “regular” hours with a notation stating “Death of (relationship i.e. brother, grandmother)” to the right of the hours listed.
- All time sheets must be signed by you and the Recorder prior to submitting them to the payroll department.
- Time sheets must be submitted to the Recorder no later than the close of business on the first business day following completion of the work week detailed on the time sheet. Generally, this will be on Monday.
- Failure to properly submit time sheets may result in a delay in the prompt payment to the employee.

Please remember that time sheets are the federal records from which your pay is calculated, so it is important not to lose, falsify, or disfigure them in any way. In the event you are unsure of the proper way to record your time, please contact the Recorder for assistance.

Payroll Deductions

The law requires that OASIS make certain deductions from every employee's compensation. Among these are applicable federal, state, and local income taxes. OASIS also must deduct Social Security taxes on each employee's earnings up to a specified limit that is called the Social Security "wage base." OASIS matches the amount of Social Security taxes paid by each employee. Deductions may also be made from your paycheck as required by any garnishments or other court-ordered withholdings.

OASIS also offers benefit programs beyond those required by law. Eligible employees may voluntarily authorize deductions from their paychecks to cover the costs, if any, of participation in the benefit programs offered. Other deductions may be taken in accordance with the terms described in this Handbook. If you have questions concerning why deductions were made from your paycheck or how they were calculated, the Recorder can assist in having your questions answered.

Payment for Overtime and Holiday Work

If you are a **NON-EXEMPT, hourly employee**, and you work over 40 hours in a work week, Monday through Sunday, you will receive pay for this work as follows

- **Overtime** - If you work more than 40 hours during a pay period (Monday through Sunday of any work week period), you will be paid at one and one-half (1.5) times your regular hourly rate (sometimes called "time and a half") for the time you work that exceeds 40

hours. Overtime will not be paid during weeks in which Paid Time Off (PTO) is used unless the actual time you work (minus PTO) exceeds 40-hours.

- **Holiday Work** – If you are required to work on a scheduled **OASIS approved holiday**, you will be paid for this work at your regular pay rate and an alternate day off should be scheduled during that same work week
- **Compensatory Time** - Private employers, such as OASIS, are prohibited from using compensatory time in lieu of overtime for non-exempt hourly employees. All non-exempt, hourly employees must be paid time and one-half for all hours worked over 40-hours during a work week.

Hours worked should not include time spent for lunch, breaks, running personal errands, personal time, birthday lunches or other time in or out of the office when you are not performing activities directly related to your job. These activities should be noted on your timesheet but not counted toward compensatory time. In addition, all overtime hours worked should be approved in advance by the Recorder.

V. PAID TIME OFF/HOLIDAYS/LEAVES OF ABSENCE

Paid Time Off (PTO)

OASIS will provide twelve (12) days of Paid Time Off (PTO) to each employee following the employee's introductory period of employment. Employees may use PTO for any purpose he or she wishes including vacations, illness, unpaid holidays, or time away from work for personal or family matters. Absences should be scheduled in advance with the Recorder. PTO will be accrued by and credited at the start of each calendar year.

All PTO must be taken during the calendar year in which it is earned. OASIS will not reimburse employees with PTO remaining at the end of the year for any unused accrued PTO. At the time of separation from OASIS, employees shall be paid for unused accrued PTO earned during the last year of employment provided: (i) the employee has not been terminated for substantial misconduct; (ii) the employee is in good standing and has not failed to return all OASIS property to OASIS; and/or (iii) the employee has given all required notices of termination to OASIS. Employees terminated for cause will not be paid for any unused accrued PTO. Newly hired or rehired employees who separate during or at the end of their introductory period will not be paid for accrued PTO.

An employee must request PTO time from the Recorder at least two (2) weeks prior to the start date of the leave. OASIS asks that employees request leave time as far in advance as possible in order to accommodate scheduling needs.

Holidays

All employees are eligible to receive eight paid holidays per year, as follows:

- New Year's Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day and Friday
- Christmas Day (+ one (1) additional day)

Each year, the Recorder and/or the Board shall notify employees which day will be designated as the additional paid holiday at Christmas. With all other holidays, when the holiday falls on Saturday, the preceding Friday shall be observed as the holiday. If the holiday falls on a Sunday, the following Monday shall be observed as the holiday.

If a holiday falls during a vacation, it will be considered a holiday and not counted against vacation time. If an employee is absent from work and is not being paid during the absence, the employee will not be paid for a holiday that falls during the absence unless the employee works on the regularly scheduled working days immediately before and after the holiday.

Bereavement Leave

Employees who wish to take time off due to the death of an immediate family member should notify the Recorder immediately. OASIS defines "immediate family" as the employee's spouse, parent, child, step-child, sibling, grandparent or grandchild; the employee's spouse's parent, child, sibling, grandparent or grandchild; and/or the employee's child's spouse.

Up to 3 days of paid bereavement leave will be provided to REGULAR FULL-TIME employees. These days must be taken consecutively and in conjunction with the funeral and not be saved for another time. Bereavement pay is calculated based on the base pay rate at the time of absence and will not include any additional special forms of compensation. Should an event of bereavement leave require travel beyond 250 miles, then in that event the employee may request additional time from OASIS and such additional time may be granted.

Bereavement leave will normally be granted unless there are unusual business needs or staffing requirements. Employees may, with the Recorder's approval, use any available paid leave for additional time off as necessary.

Jury Duty

OASIS will grant leave with pay to employees who are called for Jury Duty or to serve as witnesses for the Federal, State or Local Government. An employee who is a party or witness in private litigation will be required to use PTO or leave without pay if it is necessary to be absent from work during the litigation. You will NOT receive pay (other than accrued PTO time if

requested) for non-Company related civil or criminal court appearances, regardless of whether you are a party to or are otherwise required to appear in court.

Employees must provide a copy of the jury duty summons to the Recorder as soon as possible after it is received so that the Recorder may make arrangements to accommodate their absence. Of course, employees are expected to report for work in the event you are released from jury duty before the end of a workday if it is practical to do so.

Military Leave

Military leaves are governed by federal and state law, and will be treated in accordance with applicable regulations. Generally, such leaves include National Guard and Reserve duty, and must be granted. Where reasonably possible, employees must give advance notice that he/she will be taking a military leave of absence.

Full-time and part-time employees with benefits will be paid the difference between their military base pay (not including allowances) and their normal straight time salary for up to 10 days each calendar year. Such employees will submit a receipt or certification of their military pay to Human Resources. An employee may also use his or her PTO for the purpose of military duty either before or after the exhaustion of the 10 days detailed above. Guardsmen called into service have the right to take leave without pay and are not required to use PTO or any other unused leave for a period of active service.

During the period of leave, the employee will retain his/her previously earned seniority, PTO, but no additional benefits shall accrue. Employees returning from military service will be reemployed in the job that they would have attained had they not been absent for military service and with the same seniority, status and pay, as well as other rights and benefits determined by seniority. OASIS will comply with the terms and conditions of the Military Selective Service Act, the Veterans' Reemployment Rights Act, and the Uniformed Services Employment and Reemployment Rights Act (USERRA) in connection with the approval and implementation of military leave.

Unpaid Leave of Absence

Employees who have exhausted all accrued PTO must then apply for an unpaid leave of absence to cover any additional absences from work. Such leave may be available subject to the sole and absolute discretion of the Recorder and/or the Board. OASIS cannot guarantee the availability of such leave and makes no guarantee that an employee's position will be held open during the course of such leave.

VI. EMPLOYEE CONDUCT AND DISCIPLINARY PROCEDURES

Business Ethics and Conduct

The successful business operation and reputation of OASIS is built upon the principles of fair dealing and ethical conduct of our organization and employees. Our reputation for integrity and

excellence requires careful observance of the spirit and letter of all applicable laws and regulations, as well as a scrupulous regard for the highest standards of conduct and personal integrity.

The continued success of OASIS is dependent upon our donors' trust and we are dedicated to preserving that trust. Employees owe a duty to OASIS, its donors and members to act in a way that will merit the continued trust and confidence of the public. OASIS will comply with all applicable laws and regulations and expects its employees to conduct business in accordance with the letter, spirit, and intent of all relevant laws and to refrain from any illegal, dishonest, or unethical conduct. Compliance with this policy of business ethics and conduct is the responsibility of every OASIS employee.

Employee Conduct and Work Rules

To ensure orderly operations and provide the best possible work environment, OASIS expects employees to follow rules of conduct that will protect the interests and safety of all employees and the organization.

It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are examples of infractions of rules of conduct that may result in disciplinary action, up to and including termination of employment:

Employment with OASIS is at the mutual consent of OASIS and the employee, and either party may terminate that relationship at any time, with or without cause or reason, and with or without advance notice.

Return of Property

Employees are responsible for all OASIS property, materials, or written information issued to them or in their possession or control. Employees must return all OASIS property immediately upon request or upon termination of employment. Where permitted by applicable laws, OASIS may withhold from the employee's check or final paycheck the cost of any items that are not returned when required. OASIS may also take all action deemed appropriate to recover or protect its property.

Workplace Violence Prevention

OASIS is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, OASIS has adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises.

All employees should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay," or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of OASIS without proper authorization. Conduct that threatens, intimidates, or coerces another employee, donor, OASIS member, or member of the public at any time, including off-duty periods, will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on an individual's sex, race, color, national origin, age, religion, disability or any other characteristic protected by federal, state, or local law.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the Recorder or the Board. This includes threats by employees, as well as threats by donors, OASIS members, vendors, solicitors, or other members of the public. When reporting a threat of violence, you should be as specific and detailed as possible. All suspicious individuals or activities should also be reported as soon as possible to the Recorder. Do not place yourself in peril. If you see or hear a commotion or disturbance near your workstation, do not try to intercede or see what is happening.

OASIS will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain workplace safety and the integrity of its investigation, OASIS may suspend employees, either with or without pay, pending investigation.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment. OASIS encourages employees to bring their disputes or differences with other employees to the attention of the Recorder or the Board before the situation escalates

into potential violence. OASIS is eager to assist in the resolution of employee disputes, and will not discipline employees for raising such concerns.

VII. TERMINATION AND RESIGNATION

Termination of employment is an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Since employment with OASIS is based on mutual consent, both the employee and OASIS have the right to terminate employment at will, with or without cause, reason or notice. All employees should provide, as a matter of courtesy, at least two (2) weeks written notice of his or her intent to resign. Failure to provide two (2) weeks' notice shall result in the forfeiture by the employee of any accrued, but unused PTO time as dictated in the Paid Time Off policy contained herein.

All Company property, including this Handbook, must be returned upon termination. Otherwise, OASIS may take further action to recoup any replacement costs and/or seek the return of Company property through appropriate legal recourse. You should notify OASIS if your address changes during the calendar year in which termination occurs so that your tax information will be sent to the proper address.

EMPLOYEE ACKNOWLEDGEMENT FORM

I have received a copy of the OASIS Employee Handbook. I understand that it is my responsibility to read the entire Handbook, including, but not limited to the Sexual Harassment Policy, and to familiarize myself with its contents and agree to be bound by its provisions. If I have any questions, either now or in the future, regarding the policies and procedures contained in the Handbook, I agree to discuss my questions with the Recorder.

I understand that the Handbook contains a summary of some of OASIS' more important guidelines, and that it is not all-inclusive. I understand this Handbook supersedes all prior agreements, understandings and representations concerning my employment with OASIS.

OASIS retains the sole right, with or without notice, to change, modify, suspend, interpret or delete in whole or in part any of the published or unpublished policies, practices, or procedures. Only the Board has the ability to adopt any revisions to the policies in this handbook.

I understand and agree that nothing in the Handbook creates or is intended to create a promise, contract or representation of continued employment. Only the Board has the authority to enter into any employment agreement for a specified duration, or that otherwise restricts or modifies the at-will relationship. Such agreement will be valid and binding on OASIS only if it is expressly set forth in a written document signed by the employee and by the Board.

Noble Bob,

I received a phone call and then follow up email on Friday afternoon from Tampa. I advised them that I wanted to use the same email address, so the Nobility would not have any issues with the changeover. The below listed email, I haven't used in almost 2 years. However I do not have a password for that account and cannot retrieve any items sent until I do. I do not want my work email to be sent and then kept in their system, due to all information can be subject to public information laws under state government. Can we please set this up on Friday during our short meeting.

Also, I received the employee handbook you sent, but there is no information as to tax forms both state and federal that she will need to fill out on Friday. Can you make sure that I have access to all that information too.

I have several other items, but do not need to list them in this email.

Thanks

Noble John,

I'll send email and alarm info in separate email cc-ing others involved

The WebFez 'all access' portal is the brains for most of what you'll need to manage our membership. I'll set up with I/T folks in Tampa your unrestricted Boardroom links through Shriners Village which you should already have a basic account established. This may require your involvement with them directly, I remember doing this for myself during my first week as Recorder.

Payroll, Oasis does bi-weekly. This Monday, Jan 7th is a processing day, though not much can be done prior to then. I'll provide the current username (recorder email) and password for you to access the Run-ADP portal. From there you'll set up your new password and create specifics for your new hire. I'll try to grab and share the NC and Fed withholding forms from them prior to Friday. Currently Lady Linda sends me her timesheet on a processing Monday morning, I enter the portal, key in her hours, Claudie is straight salary with occasional requests for bonus, and hit process payroll. Then share the Excel.doc version of each payroll report by email with Lori.

Office Phones - Square Clover in Concord, NC is our local VOIP vendor. I'll share the email and phone contact information I have. They are very responsive, can do many things internally for us and/or tell you which buttons to press. Not too much internal information on office phones.

Computer Files - I shall have my non-Oasis personal files scrubbed from the CPU desk-top hard-drive. All Oasis files will be handed off on a thumb / flash drive. Contained will be detailed information on Oasis Bylaws, information for Officer's Directory, C&U Orientation, Personnel files, SBOC, SHFC, GLNC, Imperial, Desert Dust, Crisis Management, B&G / Rentals, Divan meeting minutes, I use most recent as a template for the next meeting. C&U bylaws (large note-books in vault), new charters, etc.

You'll obtain the Recorder's jewel, my keys and we'll chop my credit card.

Not sure your Fez will be in by Saturday though I requested a stop the presses rush on it. You may wear mine if that suits you.

You'll head to the bank in Cotswold area to do signatory cards with Bill and Kenny

You'll get signature stamps made for Kenny and you. Each of you will sign a single sheet 3 times with a sharp point marker, scan and e-submit to our online vendor

I anticipate handing off to you / transitioning in good shape and answering your questions on Friday and afterwards as you may like

Noble John,

I provided Imperial with Oasis' election results through WebFez / Shriners Village using only your 5 digit member number. It uploaded pre-populated information to the form. No doubt you're using the recorder... email account which is easy to remedy with Imperial. Noble Chad Andrews (cc'd) will provide you with a new email password. I will remove from my devices.

As for the hard drive CPU desktop - as said it will be scrubbed and a thumb / flash drive will be handed off for you to upload to devices in your control, I used my cloud set-up worked well. Nobles Chad Andrews and Chris Cox, our IT gurus, will help you integrate the email account and operating system on the local hard drive to the Oasis network. They'll also be instrumental in setting up a local work station to the network for your new hire.

Noble Chris Reitzel (cc'd) will help you with new codes and notification configurations for office security alarm.

If he cannot set up by Friday or Saturday you may use mine until it is updated.

Again, I think we're smooth sailing for Friday. Think about what else you need or want to know.

Happy New Year and Cheers!

Brother Michael,

We have once again received your inquiry regarding the Life Membership card status via your response to the Imperial Potentate's status update. These emails are routed to me for response. I chose not to respond to your previous inquiry in light of the fact that you regretfully wrote to our Imperial Sir that your ideas and comments fell on deaf ears. In my view, this rendered any further assistance I could provide useless considering all of the time I spent explaining the challenges and goals to you on the phone and by email.

I've attached my previous email to you (March 30, 2018) outlining the challenges and possibilities of cost to the Shrine members and temples. Despite the fact that you are not in the loop, rest assured that this important issue has not eluded us and progress has been made. In addition to the many considerations below, cost of card replacement has and is being considered.

Once again, I ask for your patience. However, should you request so via response to the email and with the approval of your Recorder (copied), I will gladly print you a Life Membership card and send it to you recognizing that this action does not further the greater good, but might alleviate the squeaky wheel. We have confirmed that your Total Life Membership falls into a verifiable group.

In closing, I would like to thank you for your services in the Armed Forces and again ask for your support while we continue to sort this troublesome task out. In our previous conversation I mentioned to you that it could take a few years to coordinate the data from 190+ separate databases.

Brother Michael,

Thanks for your inquiry regarding the "Total Life Membership" designation on the Shrine cards. Although this may seem like a simple process on the surface, it is actually extremely complex and something we are working to clear up with all Shrine temples. I'll take the time to explain the details to you, but I ask that you help spread the word that we are working on it and

to please show just a little more patience. Each step is another layer of improvement and it takes time.

A few points of clarification first. Shriners Hospitals (SHC) budget, resources and assets are completely separate from Shriners International (SI). SHC employs roughly 6000 people with more than 300 at SHC HQ.

SI employees at HQ number about 35. Of that, my group, Fraternal Information Services (FIS) consists of 10 computer programmers, support and admin personnel. We are charged with the mass conversion and support of 198 Shrine temples' data and systems and roughly 234,000 Shriners internationally. Until about 3 years ago, each temple managed their data using the same system, but separately using their various business rules and dues classes and each with their own individual database. Our initiative and charge then was to combine all of that information and make it work together. We call this system WebFez.

I am extraordinarily proud of my team and the accomplishments we have made are frequently overshadowed by the lack of "Total Life Member" on a dues card. This affects less than 3% of our membership, but you are vocal and you are important and the card is important. However, our job is to construct a strong system and that starts with a good foundation. That is how we will continue to pursue this massive undertaking. Believe me when I tell you that we have already realized hundreds of thousands of dollars in savings for the temples and that is just the beginning. One step at a time.

At any rate, you asked for an explanation, so here it goes.

The identification of a Total Life Member is based on complete and incomplete temple records – remember these records go back to paper times when not all information was kept up to date. This is not a reflection on the temple or staff, it just is how it is. As staff turns over, records are not always managed in the same way and times change with regard to dues classes.

A true Total Life Membership is defined below:

1. A Temple Life membership has been purchased.
2. A Hospital Life membership (PCM) has been purchased and the full amount was paid to SI.
3. A Per Capita Life membership (PCLM) has been purchased and the full amount was paid to SI.

During the implementation of WebFez and centralization of all membership data, it was discovered that many of the temples had different ways of designating the same Dues Class. This meant that some member's achievements and purchases could not be identified appropriately across the Shrine system. It was also noted that many temples had different ways of accounting for and reporting the funding associated with Per Capital Life Memberships (PCLM) that would affect the designation of Total Life Membership (TLM). *** For Example: one temple uses the designation LPCM – A3. This designation may be used only at that temple or may mean something else at another temple. ***

Shriners International (SI) has been working diligently to identify a process to recognize and provide membership cards reflecting special dues classes, such as "Total Life Member" (TLM) to qualifying members without adversely impacting the member or the temple. Many temples sold life memberships years ago, before the availability of Per Capita Life Memberships (PCLM), and paid annually for the member's Per Capita portion when it was much lower. As a result of increased Per Capita charges, many of these temples are now unwilling or unable to pick up that cost for the member as it could have a significant financial impact to the temple. This results in a member who thought he had a Total Life Membership really having a Temple Life Membership and a Permanent Contributing Membership (PCM) for the hospital assessment.

Many different approaches were attempted to accurately identify the different types of memberships. Most recently, two temples were selected as test partners for a process that appropriately identifies PCLM and TLM members.

This process begins with FIS identifying all TLM members that can be verified through WebFez and the existing converted data. A list of these members and others that the temple has flagged as TLM, but whom SI cannot corroborate as such, is then provided to the temple for confirmation and verification. When the temple and SI reach an agreement on the actual members who are TLM, FIS will then print the member a new TLM card.

Initial efforts in this corroboration unveiled other challenges.

Two examples are:

1 Many members are longtime members whose payments were recorded on paper. This paper was not transposed to the computer system by the temple and is either long gone or stored in boxes in an attic somewhere.

2 Actual names of the Per Capita Life members were not centrally recorded before computers were used. Only quantities were recorded for financial purposes.

While it is true that most temples can accurately identify many members who can be verified as TLM primarily because the membership was purchased recently, providing Total Life Membership cards to newer Life members while not providing cards to longstanding members is not a favorable course of action. We learned that the process outlined above was not perfect but did drastically reduce the pool of members that require more validation. Remaining members will need to be addressed on a case by case basis.

Brother Michael, you fall into the category that is easy to define as being a Total Life Member because you purchased your life memberships in 2017 after the new system was implemented. However, if I give you a TLM Card, all long time members of Oasis Shriners who are or believe they are TLM status will be up in arms – for good reason. This is the reason we have been holding off – parity and fairness.

There are approximately 3300 members that fall into your same category – we can verify they are actually Total Life Members. There are about 3500-4000 others that can't be confirmed without the assistance of the temple and still may not be able to be confirmed with the assistance of the temple.

Having said that, we are truly working on a plan. Our goal is to continue to reduce costs and provide better service. I see that you have not yet registered in WebFez. Registering will give you the ability to view and modify your personal record. If you have a smartphone (iPhone, Galaxy, etc.), you also have the ability to display your card on your phone meaning you don't even have to carry your actual card. On the back of your card (real and electronic) is a QR code. In the future we will implement a system at the temples that will allow the card to be scanned on entry thereby showing the status of the member at any given time. This means you can opt out of sticker mailings that are really intended for Regular members.

As you can see, we have our hands full and many time and cost saving programs in the plan. One step at a time. We made up about 15 years in technology over the last 3 years.

I hope this long-winded response has been beneficial to you. Feel free to share this information. I've cc'd Recorder Bob Saye as I'm sure he would like to be in the loop on matters regarding his membership.

Dear Fellow Nobles,

The 144th Imperial Session of Shriners International and Shriners Hospitals for Children® concluded on July 19 I want to thank everyone who came to Daytona Beach, Florida, to participate in this annual event, and spend time with their extended Shriners family

I especially want to thank the voting representatives for giving me the opportunity to serve another term as President and Chairman of the Board of Trustees of Shriners Hospitals for Children I am honored by your confidence and trust, and will continue to work as hard as I can and do my best for our beloved philanthropy

We also appreciate the representatives' support for the efforts and work of the members of the Joint Boards and the Executive Teams at both headquarters and the hospitals We are enthused and energized by the decision to move forward and implement the plans for realigning and restructuring the Boston, Cincinnati, Spokane and Twin Cities hospitals that we have been discussing (and sharing with you) over the past several months We provided details on these initiatives to you just prior to Imperial Session, but here is a very brief recap:

For Boston, the plan primarily involves consolidating space and sharing our location with MGH (Massachusetts General Hospital) In Cincinnati, we will be working to determine the right hospital to share space with – at either their location or ours Our Spokane hospital has agreed to significantly reduce expenses and to increase both specific outreach efforts and their sports medicine program The Twin Cities location will move to a partner site, where our staff will provide both inpatient and outpatient services, and will increase outreach to specific target areas We plan to have the transitions of the Boston and Cincinnati locations completed by the end of 2020; the changes in Spokane finalized by the end of this year; and the work completed for Twin Cities within the next year

We are encouraged by the spirit of trust, cooperation and change that was clearly evident at Imperial Session We are very confident in the future of Shriners Hospitals for Children We are grateful for this new spirit of realism and responsibility; it will be a significant factor as we continue to respond to changes in the health care industry and make necessary adaptations throughout our health care system

Thank you again for your confidence and trust in the Shriners Hospitals for Children Board of Directors and Board of Trustees, along with the Home Office Executive Team, and for all you do for our fraternity and philanthropy

Yours in the faith,

Jerry G Gantt

Noble Recorder,

Please see attached word.doc letter and excel.doc info sheet.

I was talking with you Friday evening about my wild 3 year ride.
Well the past 4 months, since I formally knew of your intent, were the wildest part of it.
Touché!, Spoils to the victor, etc.

I have privately called you a derogatory term and put up some questionable content, edited out, for the D.D. that was self-degrading and can see out of intended context was taken wrong. Anything I may have said, written or done that may have seemed unprofessional and personally insulting, sorry that's just me being nimrod clown not to be taken seriously.

As I have stated, I'll be around here and there but staying out of matters involving temple leadership.

I have a very fond spot in my heart and mind for Oasis and Shrinedom as a 4th gen. Shrine-Mason.
I am now signing-off, bowing-out and tapping-out my friend.

There is a bunch of information in the attached letter and info sheet.

Please reply email or call me anytime directly 704-622-9574.

Thank You,

Noble John,

Not sure if my emails are going through to you yet?

Congratulations on being installed Recorder for Oasis. I hope you enjoy the experience as well and longer than I did.

I was ready and wanted to hand off the 'keys to the kingdom' on Friday but for whatever reason we did not get together personally like we had planned a couple weeks ago. Friday was a little busier for you than a normal day prior to installation. Sorry we didn't connect better.

When I left out of Oasis late Friday evening, while still technically the Recorder, I took the keys and memory stick because we hadn't performed our transition yet, knowing I would not be attending the Sat. eve. installation to let it be your party, my hopes were to do early Saturday morning or late Sunday morning, but I didn't hear back. Also – I wanted to neaten up the memory stick because the file structure was convoluted and for me to barely understand. I have since neaten up the memory stick with all important data fully in-tact. I did speak with Nob. Chad Andrews concerning the memory stick he will obtain from me on Tuesday.

FYI / Also - when I left out late Friday night I came home to get on my e-box to continue suspending the remainder of the 258 nobles in WebFez portal for NPD. That has been done.

I tried to call you again just after lunch on Sunday 1/6 – no answer. In lieu of a personal transition, which I am still up for, I suppose for now I will provide what you need by email.

I have created a good cheat sheet, *Excel file attached*, which is also on the memory stick under 2019 > RLS_JGC Transition. Reach out to Lori for accounting / financial, Lady Linda for current office operations and Claudie for events and facility concerns. In conjunction with all that, the WebFez portal and the officer's directory (actual book or file) are your best external resources.

Speaking of officer's directory, the '2019 > Directory > Content' with all the information that you should need, exception several C&Us have yet to provide their 2019 information, so you'll have to hound them for that. I personally prepared the 2017 and 2018 directories and sent to Gene Beaty the printer with a quick <week turnaround. By doing this personally I was able to visualize the committees, and officers of Oasis better. A very rewarding experience when it is completed.

Speaking of WebFez – as of 5:00p Sat 1/5 I am off as an all access administrator. If you have not already, reach out to F.I.S. in Tampa for their assistance to set you up properly.

I feel like a good bit of information has been shared, probably more than I received from my predecessor. No CPU or laptop, just an old monitor, an old laser printer, a set of keys with a memory stick, a quick WebFez fly over and a peak at the paper file folders, which are currently in 2 boxes in the 4 drawer lateral file cabinet so you may file in the drawers the best way you see fit. There are also some files, envelopes and binders for reference on the shelves of the closet.

Old files from back in the day in 4 drawer vertical file cabinet. Somewhere, I believe the top left desk drawer, is a small gift box for you from me, it relates to your home area.

Between you and I – this process has been less than easy for me, I feel as though I've been put through a ringer and even vilified to a point, yet I stuck with it to the very end, just trying to maintain my focus on keeping Oasis #1 like I know you will. I would dislike it if you choose not to be my friend.

I do not do much c/c or b/c sharing or c.y.a.-ing on my emails. Not all information is meant to be shared with the masses, especially sort-of sensitive information like our transition, though nothing to hide, except my personal musings with you, which I hope will remain in confidence.

So, it is your story to tell how you perceive me and this transition, which I would still like to hand off the key rings and credit card and do anything else that is left with you in person. Let me know how you'd like to proceed. I am always available to you if there is anything I can to assist in your journey moving forward. I will notice if you do not reply or call me back.

Sorry for the novella, just a bunch of information and thoughts to share.

Peace Out,

Bob Saye

Barbara and Tina,

This weekend is the end of my term as Recorder for Oasis Shriners.

My replacement is John Cable. I am handing off the office phone system info to him.

He will utilize same email and phone extension etc. as I.

He will probably be reaching out for some modifications to the a.a. and extensions.

Thank you for all the assistance you have provided Oasis and myself over the past 3 years.

Hi Our New Boss Man,

Just a few things to think about. Sherry started yesterday and we have her set up with an old table and chair behind me.

When u get in, probably need to order her a desk and chair. Also there is not much that she can do without a phone and a computer.

Mine and Claudie's payroll should have been sent on Monday, 1/7 so we could be paid tomorrow. This is something the recorder does so therefore I have not sent my payroll sheet to you. What email do I use for you here?

Sherry has her door code but no key.

The Orientation books and directories need to be printed and all of that is on the Recorders computer. Orientation is 2/2. I think Bob had been keeping up with the changes in the directory as they were sent in.

Anyway, that is all I know for now. We are taking off tomorrow as I don't want her to have to be here by herself. Also Sherry is planning on taking off Friday as her other day, unless you want her to be here. If that is the case she can take off Thursday.

Thanks bunches,

Linda

Hi John,

I have access to ADP and can process this week's payroll. I will just need time sheets from Linda and Claudie showing hours, however Claudie I believe is on a fixed salary as I have notice their has been no change to his gross every pay period.

Just let me know.

Thx,
Lori

Hi Our New Boss Man,

Just a few things to think about. Sherry started yesterday and we have her set up with an old table and chair behind me.

When u get in, probably need to order her a desk and chair. Also there is not much that she can do without a phone and a computer.

Mine and Claudie's payroll should have been sent on Monday, 1/7 so we could be paid tomorrow. This is something the recorder does so therefore I have not sent my payroll sheet to you. What email do I use for you here?

Sherry has her door code but no key.

The Orientation books and directories need to be printed and all of that is on the Recorders computer. Orientation is 2/2. I think Bob had been keeping up with the changes in the directory as they were sent in.

Anyway, that is all I know for now. We are taking off tomorrow as I don't want her to have to be here by herself. Also Sherry is planning on taking off Friday as her other day, unless you want her to be here. If that is the case she can take off Thursday.

Thanks bunches,

Linda

John,

As mentioned, I can process payroll on your behalf until you are ready to do so. I can also set you up with payroll access.

Payroll input would just be a matter of your approval of the employee's time sheet as backup. This will help with the input of Regular and OT hours. Time sheets will also be required to manually calculate payroll accrual for month end financial purposes. Claudie is currently setup as a salaried employee.

Let me know however you want to handle it.

Thx,
Lori

Hi, Lori:

I hope you are well. I spoke with Illustrious Sir Ken earlier today to share a concern I received from a member this morning and shared with him that I would be in touch with you. The concerns have absolutely nothing to do with your role but rather other former administrative matters in the Oasis office. Nevertheless, you are the best person who can provide us with a comprehensive update regarding where this particular member's donations to SHC stand at this time.

Noble's Contact Information

Noble Ted Shiver

Noble's Concerns

Noble Shiver sent checks and names to the Oasis office in November 2018 indicating individuals to be honored via the donations to SHC. His hope was that the checks would be processed and the donors would receive the notification letters in time for Christmas 2018 as that was his intent. Due to previous administrative matters, he was unable to satisfactorily receive the level of membership support needed from the Oasis office. I have assured him that I would personally follow up on this for him and include the relevant parties. He is included on this correspondence.

Desired Outcome

When you have a moment, would you please share what your records reflect as to when his check(s) were deposited and if the recipient notification letters have been mailed to the recipients? Noble Shiver indicated to me that he included the list of recipient names in the envelope that he sent to the Oasis office which included his check(s).

Thank you for your assistance,

Hi Chris,

I'm sorry to here that Noble Shiver's letters didn't make it. Looking back at Noble Shiver's donation, here is a timeline.

- Envelope post marked 11/13/18
- Submission of Memorials, Honors & Donations were submitted to DD Editor on 11/14/18. At the time, Oasis had not received Noble Shiver's check in time to be announced in the December DD. We had to acknowledge the donation in the January DD.
- Check was eventually received and deposited on 11/23/18, Friday. Thank you letters and acknowledgement letters were generated the same day I deposited the checks. I remember taking these letters and dropping them off at the USPS branch blue box off of 485/49 on my way home. Sometimes when there are just a few, I will leave the letters for Linda to put out on Mondays. When I have a lot of letters, I will take them to the USPS branch.
- Every once in a while I will have a piece of mail returned due to it being undeliverable but none of Noble Shiver's mail came back to the Temple.

The standard deadline to send in donation information to the DD Editor is mid-month 15th. Checks received after the deadline goes into the subsequent month DD. Memorial/Honorary donation letters are always mailed back to the donor regardless of amount. I will mail acknowledgement letters to the families too as long as an address is provided.

Hopes this info helps.

Thx,
Lori

Noble's Concerns

Noble Shiver sent checks and names to the Oasis office in November 2018 indicating individuals to be honored via the donations to SHC. His hope was that the checks would be processed and the donors would receive the notification letters in time for Christmas 2018 as that was his intent. Due to previous administrative matters, he was unable to satisfactorily receive the level of membership support needed from the Oasis office. I have assured him that I would personally follow up on this for him and include the relevant parties. He is included on this correspondence.

Desired Outcome

When you have a moment, would you please share what your records reflect as to when his check(s) were deposited and if the recipient notification letters have been mailed to the recipients? Noble Shiver indicated to me that he included the list of recipient names in the envelope that he sent to the Oasis office which included his check(s).

Thank you for your assistance,
Chris

Lori,

Thank you for your prompt response and comprehensive details. I will share with Noble Shiver and check to ensure that he provided mailing addresses along with the names he submitted. It was those particular letters, to be mailed to the honorees, for which he expressed concern that he could never receive an answer from the office as to whether they had been sent; again, a separate membership communication matter unrelated to the accounting side of the house, but the accounting timeline does help within context to understand the big picture for us to address the member's concerns.

Thanks again for the help,
Chris

Hi Chris,

I'm sorry to here that Noble Shiver's letters didn't make it. Looking back at Noble Shiver's donation, here is a timeline.

- Envelope post marked 11/13/18
- Submission of Memorials, Honors & Donations were submitted to DD Editor on 11/14/18. At the time, Oasis had not received Noble Shiver's check in time to be announced in the December DD. We had to acknowledge the donation in the January DD.
- Check was eventually received and deposited on 11/23/18, Friday. Thank you letters and acknowledgement letters were generated the same day I deposited the checks. I remember taking these letters and dropping them off at the USPS branch blue box off of 485/49 on my way home. Sometimes when there are just a few, I will leave the letters for Linda to put out on Mondays. When I have a lot of letters, I will take them to the USPS branch.
- Every once in a while I will have a piece of mail returned due to it being undeliverable but none of Noble Shiver's mail came back to the Temple.

The standard deadline to send in donation information to the DD Editor is mid-month 15th.

Checks received after the deadline goes into the subsequent month DD. Memorial/Honorary donation letters are always mailed back to the donor regardless of amount. I will mail acknowledgement letters to the families too as long as an address is provided.

Hopes this info helps.

Thx,

Lori

Hi, Lori:

I hope you are well. I spoke with Illustrious Sir Ken earlier today to share a concern I received from a member this morning and shared with him that I would be in touch with you. The concerns have absolutely nothing to do with your role but rather other former administrative matters in the Oasis office. Nevertheless, you are the best person who can provide us with a comprehensive update regarding where this particular member's donations to SHC stand at this time.

Ken,

Please advise on who the Oasis Contact person is for the credit application.

On another note, Oasis sent the hotel a deposit of \$1,000 back in April 2017 for the 2017 SASA but event was cancelled due to weather. Last year's 2018 SASA event was also cancelled.

I did a search in the accounting system if the deposit was ever returned but could not find receiving a check. Wondering if hotel is still holding it until Oasis returns. Can Noble Wallace follow-up on this?

Hi Chris,

Noble Shiver did provide a list of people he wanted notices to go out to. Letters were also issued to them. I file all correspondences that are included with the donor's check. Nothing is disposed. Now I am concerned about the other letters that were mailed within the same batch... whether those donors received them.

Thx,

Lori,

Thank you for your prompt response and comprehensive details. I will share with Noble Shiver and check to ensure that he provided mailing addresses along with the names he submitted. It was those particular letters, to be mailed to the honorees, for which he expressed concern that he could never receive an answer from the office as to whether they had been sent; again, a separate membership communication matter unrelated to the accounting side of the house, but the accounting timeline does help within context to understand the big picture for us to address the member's concerns.

I'm sorry to here that Noble Shiver's letters didn't make it. Looking back at Noble Shiver's donation, here is a timeline.

- Envelope post marked 11/13/18
- Submission of Memorials, Honors & Donations were submitted to DD Editor on 11/14/18. At the time, Oasis had not received Noble Shiver's check in time to be announced in the December DD. We had to acknowledge the donation in the January DD.
- Check was eventually received and deposited on 11/23/18, Friday. Thank you letters and acknowledgement letters were generated the same day I deposited the checks. I remember taking these letters and dropping them off at the USPS branch blue box off of 485/49 on my way home. Sometimes when there are just a few, I will leave the letters for Linda to put out on Mondays. When I have a lot of letters, I will take them to the USPS branch.
- Every once in a while I will have a piece of mail returned due to it being undeliverable but none of Noble Shiver's mail came back to the Temple.

The standard deadline to send in donation information to the DD Editor is mid-month 15th. Checks received after the deadline goes into the subsequent month DD. Memorial/Honorary donation letters are always mailed back to the donor regardless of amount. I will mail acknowledgement letters to the families too as long as an address is provided.

Hopes this info helps.

Hi, Lori:

I hope you are well. I spoke with Illustrious Sir Ken earlier today to share a concern I received from a member this morning and shared with him that I would be in touch with you. The concerns have absolutely nothing to do with your role but rather other former administrative matters in the Oasis office. Nevertheless, you are the best person who can provide us with a comprehensive update regarding where this particular member's donations to SHC stand at this time.

Noble's Contact Information

Noble Ted Shiver

twshiver01@gmail.com

(704) 689-2185

Noble's Concerns

Noble Shiver sent checks and names to the Oasis office in November 2018 indicating individuals to be honored via the donations to SHC. His hope was that the checks would be processed and the

donors would receive the notification letters in time for Christmas 2018 as that was his intent. Due to previous administrative matters, he was unable to satisfactorily receive the level of membership support needed from the Oasis office. I have assured him that I would personally follow up on this for him and include the relevant parties. He is included on this correspondence.

Desired Outcome

When you have a moment, would you please share what your records reflect as to when his check(s) were deposited and if the recipient notification letters have been mailed to the recipients? Noble Shiver indicated to me that he included the list of recipient names in the envelope that he sent to the Oasis office which included his check(s).

Thank you for your assistance,
Chris

Illustrious Sir Kenneth and Noble Bill,

Below is an e-mail sent to your recorder and treasurer on January 2, 2019 and I have yet to receive a response.

As January is here, I'm following up on 2018 charity event reporting with the temples.

To date for 2018 we have received 15 completed Charity Activity Forms from Oasis. There were 71 completed Charity Activity Forms for 2017. Oasis historically has been one of the temples, if not the temple, that raises the most funds for SHC through temple, club and unit charitable fundraisers.

Can you provide a status as to what is in process with Oasis regarding these fundraisers for SHC that were conducted in 2018? These would be events put on by the temple, its clubs and units.

I have until the end of January to finalize my reporting

I look forward to your response. Thank you.

Lori,

Thank you for your prompt response and comprehensive details. I will share with Noble Shiver and check to ensure that he provided mailing addresses along with the names he submitted. It was those particular letters, to be mailed to the honorees, for which he expressed concern that he could never receive an answer from the office as to whether they had been sent; again, a separate membership communication matter unrelated to the accounting side of the house, but the accounting timeline does help within context to understand the big picture for us to address the member's concerns.

Thanks again for the help,
Chris

Hi Chris,

I'm sorry to here that Noble Shiver's letters didn't make it. Looking back at Noble Shiver's donation, here is a timeline.

- Envelope post marked 11/13/18
- Submission of Memorials, Honors & Donations were submitted to DD Editor on 11/14/18. At the time, Oasis had not received Noble Shiver's check in time to be announced in the December DD. We had to acknowledge the donation in the January DD.
- Check was eventually received and deposited on 11/23/18, Friday. Thank you letters and acknowledgement letters were generated the same day I deposited the checks. I remember taking these letters and dropping them off at the USPS branch blue box off of 485/49 on my way home. Sometimes when there are just a few, I will leave the letters for Linda to put out on Mondays. When I have a lot of letters, I will take them to the USPS branch.
- Every once in a while I will have a piece of mail returned due to it being undeliverable but none of Noble Shiver's mail came back to the Temple.

The standard deadline to send in donation information to the DD Editor is mid-month 15th.

Checks received after the deadline goes into the subsequent month DD. Memorial/Honorary donation letters are always mailed back to the donor regardless of amount. I will mail acknowledgement letters to the families too as long as an address is provided.

Hopes this info helps.

Thx,
Lori

Hi, Lori:

I hope you are well. I spoke with Illustrious Sir Ken earlier today to share a concern I received from a member this morning and shared with him that I would be in touch with you. The concerns have absolutely nothing to do with your role but rather other former administrative matters in the Oasis office. Nevertheless, you are the best person who can provide us with a comprehensive update regarding where this particular member's donations to SHC stand at this time.

Noble's Contact Information

Noble Ted Shiver

Noble's Concerns

Noble Shiver sent checks and names to the Oasis office in November 2018 indicating individuals to be honored via the donations to SHC. His hope was that the checks would be processed and the donors would receive the notification letters in time for Christmas 2018 as that was his intent. Due to previous administrative matters, he was unable to satisfactorily receive the level of membership support needed from the Oasis office. I have assured him that I would personally follow up on this for him and include the relevant parties. He is included on this correspondence.

Desired Outcome

When you have a moment, would you please share what your records reflect as to when his check(s) were deposited and if the recipient notification letters have been mailed to the recipients? Noble Shiver indicated to me that he included the list of recipient names in the envelope that he sent to the Oasis office which included his check(s).

Thank you for your assistance,
Chris

Thanks for the update, Lori. I just received word from Noble Shiver with his updated email address of tshiver01@gmail.com and am including him here so that he can follow up with you as needed.

Noble Ted - see below from Lori in Oasis Accounting. I heard in your voicemail to me a few minutes ago that those people have not yet received their letters and that you have not yet given up hope of them receiving the letters of acknowledgment. Lori will be able to assist you with getting this resolved. Please touch base with her through the accounting@oasisshriners.org email address here and let her know if you would like her to send the letters again. You may also confirm the names and addresses with her if you would like.

Evening John,

The office will need signature stamps for you and Ken. Historically we've always had stamps for the Potentate and Recorder. From an accounting standpoint, here is why:

John:

- To stamp the joint circus checks that we will receive from Etsell. These checks will come in weekly once Etsell starts their solicitation campaign of the circus. Weekly revenue reporting of the Shrine Circus will be done weekly. Emailed reports will go to you, Ken, Bill and Jack.
- Misc correspondences that will require your signature if you are not in. Correspondences will not be stamped without your pre-approval

Ken:

- To stamp Fundraising Approval Forms & Parade Requests with pre-approval from Ken. I had mentioned this briefly in an email I sent out to you, Bill and Ken on January 8th.

Check Signing – We try to always have 2 wet signatures on the checks, however in the case of an emergency, there might come a time a check will need to be stamped with either yours or Ken's signature stamp.

OASIS SHRINE

Employee Handbook

Effective Date: January 13, 2011

I. INTRODUCTORY COMMENTS

With great pleasure we welcome you to the Headquarters of the Oasis Shrine (“OASIS”). OASIS raises money to support twenty-two (22) children’s hospitals across North America. We provide hospital care for children suffering from a variety of illnesses and injuries at no cost to the children or their families. We hope you will soon feel the sense of pride we share in being a part of this remarkable charitable service organization.

This handbook is designed to acquaint you with OASIS and to provide you with information about working conditions, employee benefits, and some of the policies affecting your employment. You should read, understand, and comply with all provisions of the handbook. It describes many of your responsibilities as an employee and outlines the programs developed by OASIS to benefit its employees. One of our objectives is to provide a work environment that is conducive to both personal and professional growth.

The policies set forth in this handbook are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or a contract of employment between OASIS and any of its employees. The provisions of the handbook have been developed at the discretion of the OASIS Board of Directors (the “Board”) and may be amended or cancelled at any time, at the Board's sole discretion. No employee handbook can anticipate every circumstance or every question about a policy. The Board reserves the right to revise, supplement, or rescind any policies or portion of the handbook as deemed appropriate. Employees will, of course, be notified of such changes to OASIS’ policies or the handbook as they occur.

This Handbook supersedes all previously issued handbooks, policies and procedures, and any inconsistent verbal or written policy statements. Except for the Employment At-Will provision, OASIS reserves the right to revise, modify, interpret, eliminate, or add to the provisions of this Handbook at any time, with or without notice. OASIS will attempt to keep employees informed whenever changes occur.

This Handbook is not intended to be a contract of continued employment and does not alter the employment at-will relationship with OASIS employees. Only the Board has the authority to enter into any agreement of employment for any specified duration, or that is otherwise inconsistent with the at-will employment relationship. Such employment agreement will only be valid and binding on OASIS when the agreement is expressly set forth in a written document and signed by the Board.

Any section that may be in conflict with federal, state or local regulations will be superseded by those regulations. In the event that any section is superseded by federal, state or local laws, the remaining policies and procedures in this handbook shall remain in effect.

Whereas the terms of an employment contract, should a written and executed employment contract exist between employee and employer, conflicts with this manual, the terms of the employment contract will take precedence.

II. POLICIES AND PROCEDURES

Nature of Employment

Employment with OASIS is voluntarily entered into, and the employee is free to resign at-will at any time, with or without advance notice, cause or reason. Similarly, OASIS may terminate the at-will employment relationship at any time, with or without advance notice, cause or reason, so long as there is no violation of applicable federal or state law. The at-will relationship of any employee can be changed only by a written agreement that is authorized by the Board.

Introductory Period

New employees will be in an introductory assessment period until they have completed 90 calendar days of service. This is a period of time to allow new employees to become familiar with their work responsibilities, OASIS policies and procedures, to assure themselves that they enjoy their work, are satisfied with their surroundings, and are confident in their ability to perform the specific responsibilities for which they were hired. OASIS, too, wants to be sure that job performance, attitude and attendance are in accordance with acceptable standards of employment. During this introductory period, as at any time, the employee may resign at any time with or without notice, cause or reason and may be terminated on the same basis.

Completion of this period does not guarantee continued employment nor does it guarantee an increase in pay at the end of the period. In the Board's discretion, the 90-day introductory period may be extended upon written notice to the employee.

Equal Employment Opportunity

In order to provide equal employment and advancement opportunities to all individuals, employment decisions at OASIS will be based on merit, qualifications, and abilities. OASIS does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, marital status or any other characteristic protected by law. This policy applies to all terms, conditions and privileges of employment, including, but not limited to, hiring, training, placement and employment development, promotion, transfer, compensation, benefits, layoff and recall, employee facilities, termination and re-hire.

Any employee who violates any of these discrimination rules may be subject to discipline up to and including termination of employment.

If you believe this policy has been violated, you should immediately report this directly to the Recorder or the Board/Board Member, regardless of whether or not the act was directed at you. All allegations of discrimination will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged perpetrator will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Harassment and Other Discriminatory Conduct

OASIS is committed to providing a work environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, sexual orientation, marital status or any other legally protected characteristic will not be tolerated.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are examples of sexual harassment that will not be tolerated and may result in disciplinary action in accordance to this handbook:

- Unwanted sexual advances.

Reporting Policy

Any employee experiences or witnesses unlawful discrimination or harassment in the workplace, must report it immediately to the Recorder, the Board or a Board Member. There will be no discrimination or retaliation against any individual who files a good-faith complaint, even if the investigation produces insufficient evidence to support the complaint or cannot otherwise be substantiated. There will be no discrimination or retaliation against any individual who participates in the investigation of a harassment complaint. If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be pursued, up to and including termination.

All allegations of discrimination or harassment will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged perpetrator will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Immigration Law Compliance

OASIS is committed to employing only United States citizens and aliens who are authorized to work in the United States and does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility within 3 days from the start of employment or they will be terminated. Former employees who are rehired must also complete the form if they have not completed an I-9 with OASIS within the past three years, or if their previous I-9 is no longer retained or valid.

Employees with questions or seeking more information on immigration law issues are encouraged to contact the Recorder. Employees may raise questions or complaints about immigration law compliance without fear of reprisal.

Hours of Operation

The Oasis Shrine Headquarters will be open and staffed from 8:30 a.m. to 5:00 p.m., Monday through Friday, and as needed for OASIS functions or rental events. Employees are expected to work a 40-hour week. The Recorder will determine the operating hours during inclement weather.

Dress Code/Personal Appearance

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the professional image OASIS presents to customers and visitors.

During business hours or when representing OASIS, in or out of our office, you are expected to present a clean, neat, and tasteful appearance. You should dress and groom yourself according to the requirements of your position and accepted social standards. This is particularly true if your job involves dealing with donors or visitors in person.

All employees are to be neat and professional in appearance at all times. Attire for both men and women is “business casual.” Business casual is **not** the same as Casual. Although employees are not expected to wear suits, or similar attire, on a daily basis, your business casual clothes should be of similar quality. Business casual for men includes casual pants such as neatly pressed slacks, shirt (casual button front or polo shirts are acceptable), and appropriate shoes. Business casual for women includes dresses, skirts, slacks, and blouses (or sweaters or shirts) and appropriate shoes. Neither blue jeans nor shorts of any kind are acceptable at any time.

Computer and E-Mail Usage

Computers, computer files, the e-mail system, and software furnished to employees are OASIS property intended for business use. Any and all e-mail and other electronic or telephonic communications are the property of OASIS. Employees should have no expectation of privacy in such communications. Personal use of the computer, including the internet, by employees during work hours is discouraged and may result in disciplinary action in accordance to this handbook. To ensure compliance with this policy, computer and e-mail usage may be monitored.

OASIS strives to maintain a workplace free of harassment and sensitive to the diversity of its employees. Therefore, OASIS prohibits the use of computers and the e-mail system in ways that are disruptive, offensive to others, or harmful to morale. For example, the display or transmission of sexually explicit images, messages, and cartoons is not allowed. Other such misuse includes, but is not limited to, ethnic slurs, racial comments, off-color jokes, or anything that may be construed as harassment or showing disrespect for others.

OASIS will neither commit nor tolerate the making or using of unauthorized software copies under any circumstances. The failure of an employee to observe copyright or license agreements may result in disciplinary action, up to and including termination. Unauthorized duplication of computer software is a federal offense, punishable by up to a \$250,000 fine and up to five (5) years in jail.

All software purchased or developed by OASIS will remain the property of OASIS. When an employee leaves OASIS for any reason, all software and manuals must be returned to the Recorder. To ensure security, employees should log off their computers whenever they leave the office for a meeting, lunch, etc... as well as nightly.

Internet Usage

Internet access to global electronic information resources on the Web is provided by OASIS to assist employees in obtaining work-related data and technology. The following guidelines have been established to help ensure responsible and productive Internet usage. While Internet usage is

intended for job-related activities, incidental and occasional brief personal use is permitted within reasonable limits.

All Internet data that is composed, transmitted, or received via our computer communications systems is considered to be part of the official records of OASIS and, as such, is subject to disclosure to law enforcement or other third parties. Consequently, employees should always ensure that the business information contained in Internet e-mail messages and other transmissions is accurate, appropriate, ethical, and lawful.

The equipment, services, and technology provided to access the Internet remain at all times the property of OASIS. As such, OASIS reserves the right to monitor Internet traffic, and retrieve and read any data composed, sent, or received through our online connections and stored in our computer systems.

Data that is composed, transmitted, accessed, or received via the Internet must not contain content that could be considered discriminatory, offensive, obscene, threatening, harassing, intimidating, or disruptive to any employee or other person. Examples of unacceptable content may include, but are not limited to, sexual comments or images, racial slurs, gender-specific comments, or any other comments or images that could reasonably offend someone on the basis of race, color, age, sex, religious or political beliefs, national origin, disability, sexual orientation, or any other characteristic protected by law.

The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material on the Internet is expressly prohibited. As a general rule, if an employee did not create material, does not own the rights to it, or has not gotten authorization for its use, it should not be put on the Internet. Employees are also responsible for ensuring that the person sending any material over the Internet has the appropriate distribution rights.

Abuse of the Internet access provided by OASIS in violation of law or OASIS policies will result in disciplinary action, up to and including termination of employment. Employees may also be held personally liable for any violations of this policy. The following behaviors are examples of previously stated or additional actions and activities that are prohibited and can result in disciplinary action:

- Sending or posting discriminatory, harassing, or threatening messages or images
- Using the organization's time and resources for personal gain

Attendance, Punctuality and Diligence in the Workplace

To maintain a safe and productive work environment, OASIS expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on OASIS. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they should notify the Recorder as soon as possible in advance of the anticipated tardiness or absence. If unable to do so personally, a relative or friend should call on your behalf.

Employees who are absent due to illness for three consecutive days may not return without a doctor's release. Poor attendance and excessive tardiness are disruptive and may lead to disciplinary action, in accordance to this handbook. An employee absent three consecutive days without having obtained approval or contacting OASIS will be considered as having voluntarily resigned from OASIS.

Confidential Information

OASIS respects the privacy interests of its employees, members and donors by keeping certain personal information about them private and confidential.

Requests for information concerning OASIS, its employees, members or donors, whether by phone or in person, must be referred to the Recorder. Employees should advise the inquiring party courteously that his or her request will be directed to the Recorder. Employees shall not take it upon themselves to give out any information.

No employee of OASIS shall disclose confidential or privileged information concerning personal matters, property matters or other affairs of OASIS, nor shall an employee under any circumstances use such privileged information to advance, the financial, political or private interest of himself/herself or others.

Protection of OASIS' Reputation and Professional Relationships

OASIS' favorable reputation within the community is a vital asset for fulfilling its mission. Positive professional relationships among OASIS' employees, members and donors are to be fostered and protected with each employee's best efforts. Employees shall at all times conduct themselves in a manner that will not substantially prejudice or injure the reputation of OASIS. Employees shall refrain from negative, harmful or derogatory comments about OASIS, its members, donors and other employees. Failure to comply with this policy may result in discipline up to and including termination.

Dispute Resolution

It is only natural in any working environment for employees to experience a work-related problem or concern occasionally. In the event of a grievance or workplace dispute, the concerned employee should promptly notify the Recorder, the Board or a Board Member. If the problem cannot be resolved informally, the Recorder will then form an Investigating Committee to address the complaint. The Investigating Committee will include the Recorder, the Potentate and the Chairman of the OASIS Personnel Committee.

The Investigating Committee will then conduct and complete an investigation into the complaint within one month of receipt of the complaint. Within six (6) weeks of the receipt of the complaint, the Investigating Committee will report the complaint, the results of the investigation, and possible resolutions to the complaint to the Board at (1) a regularly scheduled Board meeting, or (2) at a Board meeting called specifically to address the complaint. The Board will determine the appropriate actions to resolve the complaint by majority vote. The Investigating Committee shall communicate such actions to the complaining employee immediately or as soon as reasonably possible.

Reimbursement of Business Expenses

Reasonable business expenses incurred by employees in the course of their employment will be reimbursed by OASIS, to the extent permitted by OASIS' guidelines. All expenses must be accurately accounted for on an approved OASIS "Expense Report" form for appropriate reimbursement. Any expense that is submitted under false pretenses is grounds for termination from OASIS.

Nepotism Policy

The hiring of relatives of current employees, members of the Divan or members of the Board is prohibited. Additionally, employees, members of the Divan and members of the Board will be hired, elected or appointed in such a way that no employee, Divan member or Board member is related to another employee, Divan member or Board member. For the purposes of this policy, relatives include the following: spouse, parent, child, sibling, in-law, grandparent, grandchild, aunt, uncle, cousin, step-relative, or any individual with whom an employee has a close personal relationship, including, but not limited to, a domestic partner, co-habitant, or significant other.

Alcohol and Drug Policy

OASIS is committed to providing a safe working environment for all employees. The use, sale, dispensing, manufacture, distribution or possession of illegal drugs or narcotics are strictly prohibited at the OASIS Headquarters office and at any OASIS sponsored activity. In addition, being under the influence of any drug, narcotic, legal or illegal, which may impair an employee's ability to perform his or her job safely and effectively is prohibited. A violation of this policy may result in discipline up to and including termination.

OASIS will not tolerate current drug or alcohol abuse. Testing following an accident, routine random or other "for cause" testing of employees may be conducted at any time. Failure to submit to this testing and/or positive test results may result in discipline up to and including termination. An employee who has been terminated for drug or alcohol abuse will not be eligible for rehire.

OASIS reserves the right to search personal belongings and work areas to determine if illegal drugs or narcotics are present on OASIS property. Refusal to submit to such a search will result in removal from the property and termination of employment. Possession of illegal drugs or narcotics on OASIS property will result in termination.

Smoking Policy

OASIS' smoking policy is designed to provide OASIS employees with a healthy work environment. Smoking is only permitted outside the building away from any entrance into the building. OASIS expects all employees to abide by the Smoking Policy and to honor those areas designated as non-smoking for the benefit of non-smoking employees and others.

III. EMPLOYMENT STATUS & RECORDS

Employment Applications

OASIS relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information may result in the exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

Access to Personnel Files

OASIS maintains a personnel file for each employee. The personnel file includes such information as the employee's job application, resume, records of training, documentation of performance appraisals and salary increases, and other employment records. With reasonable advance notice, employees may review their own personnel files at the OASIS office and in the presence of the Recorder. Nothing may be removed or photocopied from the file without written authorization of

the Recorder or the Board. If an employee disagrees with the accuracy of any statement in the records received by OASIS from other sources and no correction can be agreed upon, the employee may submit an explanatory statement which will be attached to the records.

Personnel files are the property of OASIS, and access to the information they contain is restricted. Generally, only those who have a legitimate reason to review information in a file are allowed to do so.

Personnel Data Changes

It is the responsibility of each employee to promptly notify OASIS of any changes in personal data. Personal mailing addresses, telephone numbers, number and names of dependents, individuals to be contacted in the event of an emergency, educational accomplishment, and other such status reports should be accurate and current at all times. If any personal data has changed, please notify the Recorder.

Performance Evaluations

OASIS conducts formal performance evaluations annually to review your job progress and to help you set new job performance plans. Formal performance evaluations are conducted to provide both OASIS and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals and career objectives.

IV. COMPENSATION

Salary Administration

If your withholding exemptions change, or if your marital status changes, you must notify OASIS regarding these issues immediately and complete a new W-4 form. All telephone number or address changes should also be reported promptly.

Salary Review

The Board keeps up with the changing economic conditions and wages paid by local employers for comparable jobs. The Board may make general salary adjustments from time to time when, in their opinion, such adjustments are warranted. Eligible employees may be granted a merit increase by the Board. However, any salary adjustments and/or merit increases are awarded at the sole discretion of OASIS and may be revised or discontinued at the sole discretion of OASIS. No merit-based pay adjustments or other salary adjustments are guaranteed.

Time Sheets

Federal law requires that all NON-EXEMPT employees record all of the hours they have worked on a time sheet on a weekly basis, and they are paid according to that time sheet. All NON-

EXEMPT employees are provided time sheets during the new hire process and are shown how to complete them properly, i.e. including employee name, dates, explanation for overtime, etc.

- You are responsible for recording all of the time you work, which includes overtime but does not include your unpaid lunch period or breaks.
- You must also account for all time absent from work during the normal workday (ie - PTO, lunch, etc.)
- Each employee will have one (1) hour for lunch and two (2) ten (10) minute breaks per day. The employee may take one ten (10) minute break in the morning and one ten (10) minute break in the afternoon – these breaks shall be included in the employee’s compensatory time. The time taken for lunch is unpaid and should be noted on your time sheet, but not included in the employee’s compensatory time.
- Approved bereavement time should be recorded as “regular” hours with a notation stating “Death of (relationship i.e. brother, grandmother)” to the right of the hours listed.
- All time sheets must be signed by you and the Recorder prior to submitting them to the payroll department.
- Time sheets must be submitted to the Recorder no later than the close of business on the first business day following completion of the work week detailed on the time sheet. Generally, this will be on Monday.
- Failure to properly submit time sheets may result in a delay in the prompt payment to the employee.

Please remember that time sheets are the federal records from which your pay is calculated, so it is important not to lose, falsify, or disfigure them in any way. In the event you are unsure of the proper way to record your time, please contact the Recorder for assistance.

Payroll Deductions

The law requires that OASIS make certain deductions from every employee's compensation. Among these are applicable federal, state, and local income taxes. OASIS also must deduct Social Security taxes on each employee's earnings up to a specified limit that is called the Social Security "wage base." OASIS matches the amount of Social Security taxes paid by each employee. Deductions may also be made from your paycheck as required by any garnishments or other court-ordered withholdings.

OASIS also offers benefit programs beyond those required by law. Eligible employees may voluntarily authorize deductions from their paychecks to cover the costs, if any, of participation in the benefit programs offered. Other deductions may be taken in accordance with the terms described in this Handbook. If you have questions concerning why deductions were made from your paycheck or how they were calculated, the Recorder can assist in having your questions answered.

Payment for Overtime and Holiday Work

If you are a **NON-EXEMPT, hourly employee**, and you work over 40 hours in a work week, Monday through Sunday, you will receive pay for this work as follows:

- **Overtime** - If you work more than 40 hours during a pay period (Monday through Sunday of any work week period), you will be paid at one and one-half (1.5) times your regular hourly rate (sometimes called "time and a half") for the time you work that exceeds 40 hours. Overtime will not be paid during weeks in which Paid Time Off (PTO) is used unless the actual time you work (minus PTO) exceeds 40-hours.
- **Holiday Work** – If you are required to work on a scheduled **OASIS approved holiday**, you will be paid for this work at your regular pay rate and an alternate day off should be scheduled during that same work week
- **Compensatory Time** - Private employers, such as OASIS, are prohibited from using compensatory time in lieu of overtime for non-exempt hourly employees. All non-exempt, hourly employees must be paid time and one-half for all hours worked over 40-hours during a work week.

Hours worked should not include time spent for lunch, breaks, running personal errands, personal time, birthday lunches or other time in or out of the office when you are not performing activities directly related to your job. These activities should be noted on your timesheet but not counted toward compensatory time. In addition, all overtime hours worked should be approved in advance by the Recorder.

V. EMPLOYEE BENEFITS PROGRAM

Employee Benefits

Any discussion of benefits contained in this Handbook is not intended to fully explain all of your benefits nor is it intended to limit your benefits. Rather, the purpose is to make you aware of the investment OASIS has made to ensure the welfare of its employees. OASIS will provide certain employee benefits as determined by OASIS. OASIS may change benefits from time to time at the sole discretion of OASIS.

Confidentiality of Protected Health information (HIPAA)

It is the policy of OASIS is to maintain the privacy of protected health information of individuals covered under the group health plans sponsored by OASIS and to provide such individuals specific rights with respect to their protected health information in accordance with the Health Insurance Portability and Accountability Act (“HIPAA”).

OASIS and the group health plan will not use or disclose protected health information except as necessary for treatment, payment and other healthcare operations, or as otherwise permitted or required by law. Protected health information may be disclosed to and used by employees responsible for carrying out administrative functions for the firm’s group health plans – for example, enrollment/de-enrollment, claims administration, and benefit payment. However, these

employees will only have access to information on a “need to know” basis and will use and disclose only the minimum necessary protected health information to accomplish the intended Plan administration purpose. OASIS will not, without authorization, use or disclose protected health information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of OASIS.

For full details regarding privacy rules, please refer to summary plan description for the relevant group health plan. You may also obtain copies of the Notice of Privacy Practices distributed for each plan from the Recorder.

VI. PAID TIME OFF/HOLIDAYS/LEAVES OF ABSENCE

Paid Time Off (PTO)

OASIS will provide twelve (12) days of Paid Time Off (PTO) to each employee following the employee’s introductory period of employment. Employees may use PTO for any purpose he or she wishes including vacations, illness, unpaid holidays, or time away from work for personal or family matters. Absences should be scheduled in advance with the Recorder. PTO will be accrued by and credited at the start of each calendar year.

All PTO must be taken during the calendar year in which it is earned. OASIS will not reimburse employees with PTO remaining at the end of the year for any unused accrued PTO. At the time of separation from OASIS, employees shall be paid for unused accrued PTO earned during the last year of employment provided: (i) the employee has not been terminated for substantial misconduct; (ii) the employee is in good standing and has not failed to return all OASIS property to OASIS; and/or (iii) the employee has given all required notices of termination to OASIS. Employees terminated for cause will not be paid for any unused accrued PTO. Newly hired or rehired employees who separate during or at the end of their introductory period will not be paid for accrued PTO.

An employee must request PTO time from the Recorder at least two (2) weeks prior to the start date of the leave. OASIS asks that employees request leave time as far in advance as possible in order to accommodate scheduling needs.

Holidays

All employees are eligible to receive eight paid holidays per year, as follows:

- New Year’s Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day and Friday
- Christmas Day (+ one (1) additional day)

Each year, the Recorder and/or the Board shall notify employees which day will be designated as the additional paid holiday at Christmas. With all other holidays, when the holiday falls on Saturday, the preceding Friday shall be observed as the holiday. If the holiday falls on a Sunday, the following Monday shall be observed as the holiday.

If a holiday falls during a vacation, it will be considered a holiday and not counted against vacation time. If an employee is absent from work and is not being paid during the absence, the employee will not be paid for a holiday that falls during the absence unless the employee works on the regularly scheduled working days immediately before and after the holiday.

Bereavement Leave

Employees who wish to take time off due to the death of an immediate family member should notify the Recorder immediately. OASIS defines "immediate family" as the employee's spouse, parent, child, step-child, sibling, grandparent or grandchild; the employee's spouse's parent, child, sibling, grandparent or grandchild; and/or the employee's child's spouse.

Up to 3 days of paid bereavement leave will be provided to REGULAR FULL-TIME employees. These days must be taken consecutively and in conjunction with the funeral and not be saved for another time. Bereavement pay is calculated based on the base pay rate at the time of absence and will not include any additional special forms of compensation. Should an event of bereavement leave require travel beyond 250 miles, then in that event the employee may request additional time from OASIS and such additional time may be granted.

Bereavement leave will normally be granted unless there are unusual business needs or staffing requirements. Employees may, with the Recorder's approval, use any available paid leave for additional time off as necessary.

Jury Duty

OASIS will grant leave with pay to employees who are called for Jury Duty or to serve as witnesses for the Federal, State or Local Government. An employee who is a party or witness in private litigation will be required to use PTO or leave without pay if it is necessary to be absent from work during the litigation. You will NOT receive pay (other than accrued PTO time if requested) for non-Company related civil or criminal court appearances, regardless of whether you are a party to or are otherwise required to appear in court.

Employees must provide a copy of the jury duty summons to the Recorder as soon as possible after it is received so that the Recorder may make arrangements to accommodate their absence. Of course, employees are expected to report for work in the event you are released from jury duty before the end of a workday if it is practical to do so.

Military Leave

Military leaves are governed by federal and state law, and will be treated in accordance with

applicable regulations. Generally, such leaves include National Guard and Reserve duty, and must be granted. Where reasonably possible, employees must give advance notice that he/she will be taking a military leave of absence.

Full-time and part-time employees with benefits will be paid the difference between their military base pay (not including allowances) and their normal straight time salary for up to 10 days each calendar year. Such employees will submit a receipt or certification of their military pay to Human Resources. An employee may also use his or her PTO for the purpose of military duty either before or after the exhaustion of the 10 days detailed above. Guardsmen called into service have the right to take leave without pay and are not required to use PTO or any other unused leave for a period of active service.

During the period of leave, the employee will retain his/her previously earned seniority, PTO, but no additional benefits shall accrue. Employees returning from military service will be reemployed in the job that they would have attained had they not been absent for military service and with the same seniority, status and pay, as well as other rights and benefits determined by seniority. OASIS will comply with the terms and conditions of the Military Selective Service Act, the Veterans' Reemployment Rights Act, and the Uniformed Services Employment and Reemployment Rights Act (USERRA) in connection with the approval and implementation of military leave.

Unpaid Leave of Absence

Employees who have exhausted all accrued PTO must then apply for an unpaid leave of absence to cover any additional absences from work. Such leave may be available subject to the sole and absolute discretion of the Recorder and/or the Board. OASIS cannot guarantee the availability of such leave and makes no guarantee that an employee's position will be held open during the course of such leave.

VII. EMPLOYEE CONDUCT AND DISCIPLINARY PROCEDURES

Business Ethics and Conduct

The successful business operation and reputation of OASIS is built upon the principles of fair dealing and ethical conduct of our organization and employees. OASIS will comply with all applicable laws and regulations and expects its employees to conduct business in accordance with the letter, spirit, and intent of all relevant laws and to refrain from any illegal, dishonest, or unethical conduct. Compliance with this policy of business ethics and conduct is the responsibility of every OASIS employee.

Employee Conduct and Work Rules

To ensure orderly operations and provide the best possible work environment, OASIS expects employees to follow rules of conduct that will protect the interests and safety of all employees and the organization.

It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are examples of infractions of rules of conduct that may result in disciplinary action, up to and including termination of employment:

Employees are responsible for all OASIS property, materials, or written information issued to them or in their possession or control. Employees must return all OASIS property immediately upon request or upon termination of employment. Where permitted by applicable laws, OASIS may withhold from the employee's check or final paycheck the cost of any items that are not returned when required. OASIS may also take all action deemed appropriate to recover or protect its

property.

Workplace Violence Prevention

OASIS is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, OASIS has adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises.

All employees should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay," or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of OASIS without proper authorization. Conduct that threatens, intimidates, or coerces another employee, donor, OASIS member, or member of the public at any time, including off-duty periods, will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on an individual's sex, race, color, national origin, age, religion, disability or any other characteristic protected by federal, state, or local law.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the Recorder or the Board. This includes threats by employees, as well as threats by donors, OASIS members, vendors, solicitors, or other members of the public. When reporting a threat of violence, you should be as specific and detailed as possible. All suspicious individuals or activities should also be reported as soon as possible to the Recorder. Do not place yourself in peril. If you see or hear a commotion or disturbance near your workstation, do not try to intercede or see what is happening.

OASIS will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain workplace safety and the integrity of its investigation, OASIS may suspend employees, either with or without pay, pending investigation.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment. OASIS encourages employees to bring their disputes or differences with other employees to the attention of the Recorder or the Board before the situation escalates into potential violence. OASIS is eager to assist in the resolution of employee disputes, and will not discipline employees for raising such concerns.

VIII. TERMINATION AND RESIGNATION

Termination of employment is an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Since employment with OASIS is based on mutual consent, both the employee and OASIS have the right to terminate employment at will, with or without cause, reason or notice. All employees should provide, as a matter of courtesy, at least two (2) weeks written notice of his or her intent to resign. Failure to provide two (2) weeks'

notice shall result in the forfeiture by the employee of any accrued, but unused PTO time as dictated in the Paid Time Off policy contained herein.

All Company property, including this Handbook, must be returned upon termination. Otherwise, OASIS may take further action to recoup any replacement costs and/or seek the return of Company property through appropriate legal recourse. You should notify OASIS if your address changes during the calendar year in which termination occurs so that your tax information will be sent to the proper address.

EMPLOYEE ACKNOWLEDGEMENT FORM

I have received a copy of the OASIS Employee Handbook. I understand that it is my responsibility to read the entire Handbook, including, but not limited to the Sexual Harassment Policy, and to familiarize myself with its contents and agree to be bound by its provisions. If I have any questions, either now or in the future, regarding the policies and procedures contained in the Handbook, I agree to discuss my questions with the Recorder.

I understand that the Handbook contains a summary of some of OASIS' more important guidelines, and that it is not all-inclusive. I understand this Handbook supersedes all prior agreements, understandings and representations concerning my employment with OASIS.

OASIS retains the sole right, with or without notice, to change, modify, suspend, interpret or delete in whole or in part any of the published or unpublished policies, practices, or procedures. Only the Board has the ability to adopt any revisions to the policies in this handbook.

I understand and agree that nothing in the Handbook creates or is intended to create a promise, contract or representation of continued employment. Only the Board has the authority to enter into any employment agreement for a specified duration, or that otherwise restricts or modifies the at-will relationship. Such agreement will be valid and binding on OASIS only if it is expressly set forth in a written document signed by the employee and by the Board.

OASIS SHRINE

Employee Handbook

Effective Date: January 13, 2011

I. INTRODUCTORY COMMENTS

With great pleasure we welcome you to the Headquarters of the Oasis Shrine (“OASIS”). OASIS raises money to support twenty-two (22) children’s hospitals across North America. We provide hospital care for children suffering from a variety of illnesses and injuries at no cost to the children or their families. We hope you will soon feel the sense of pride we share in being a part of this remarkable charitable service organization.

This handbook is designed to acquaint you with OASIS and to provide you with information about working conditions, employee benefits, and some of the policies affecting your employment. You should read, understand, and comply with all provisions of the handbook. It describes many of your responsibilities as an employee and outlines the programs developed by OASIS to benefit its employees. One of our objectives is to provide a work environment that is conducive to both personal and professional growth.

The policies set forth in this handbook are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or a contract of employment between OASIS and any of its employees. The provisions of the handbook have been developed at the discretion of the OASIS Board of Directors (the “Board”) and may be amended or cancelled at any time, at the Board's sole discretion. No employee handbook can anticipate every circumstance or every question about a policy. The Board reserves the right to revise, supplement, or rescind any policies or portion of the handbook as deemed appropriate. Employees will, of course, be notified of such changes to OASIS’ policies or the handbook as they occur.

This Handbook supersedes all previously issued handbooks, policies and procedures, and any inconsistent verbal or written policy statements. Except for the Employment At-Will provision, OASIS reserves the right to revise, modify, interpret, eliminate, or add to the provisions of this Handbook at any time, with or without notice. OASIS will attempt to keep employees informed whenever changes occur.

This Handbook is not intended to be a contract of continued employment and does not alter the employment at-will relationship with OASIS employees. Only the Board has the authority to enter into any agreement of employment for any specified duration, or that is otherwise inconsistent with the at-will employment relationship. Such employment agreement will only be valid and binding on OASIS when the agreement is expressly set forth in a written document and signed by the Board.

Any section that may be in conflict with federal, state or local regulations will be superseded by those regulations. In the event that any section is superseded by federal, state or local laws, the remaining policies and procedures in this handbook shall remain in effect.

Whereas the terms of an employment contract, should a written and executed employment contract exist between employee and employer, conflicts with this manual, the terms of the employment contract will take precedence.

II. POLICIES AND PROCEDURES

Nature of Employment

Employment with OASIS is voluntarily entered into, and the employee is free to resign at-will at any time, with or without advance notice, cause or reason. Similarly, OASIS may terminate the at-will employment relationship at any time, with or without advance notice, cause or reason, so long as there is no violation of applicable federal or state law. The at-will relationship of any employee can be changed only by a written agreement that is authorized by the Board.

Introductory Period

New employees will be in an introductory assessment period until they have completed 90 calendar days of service. This is a period of time to allow new employees to become familiar with their work responsibilities, OASIS policies and procedures, to assure themselves that they enjoy their work, are satisfied with their surroundings, and are confident in their ability to perform the specific responsibilities for which they were hired. OASIS, too, wants to be sure that job performance, attitude and attendance are in accordance with acceptable standards of employment. During this introductory period, as at any time, the employee may resign at any time with or without notice, cause or reason and may be terminated on the same basis.

Completion of this period does not guarantee continued employment nor does it guarantee an increase in pay at the end of the period. In the Board's discretion, the 90-day introductory period may be extended upon written notice to the employee.

Equal Employment Opportunity

In order to provide equal employment and advancement opportunities to all individuals, employment decisions at OASIS will be based on merit, qualifications, and abilities. OASIS does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, marital status or any other characteristic protected by law. This policy applies to all terms, conditions and privileges of employment, including, but not limited to, hiring, training, placement and employment development, promotion, transfer, compensation, benefits, layoff and recall, employee facilities, termination and re-hire.

Any employee who violates any of these discrimination rules may be subject to discipline up to and including termination of employment.

If you believe this policy has been violated, you should immediately report this directly to the Recorder or the Board/Board Member, regardless of whether or not the act was directed at you. All allegations of discrimination will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged perpetrator will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Harassment and Other Discriminatory Conduct

OASIS is committed to providing a work environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, sexual orientation, marital status or any other legally protected characteristic will not be tolerated.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are examples of sexual harassment that will not be tolerated and may result in disciplinary action in accordance to this handbook:

- Unwanted sexual advances.
- Offering employment benefits in exchange for sexual favors.
- Making or threatening reprisals after a negative response to sexual advances.
- Visual conduct that includes leering, making sexual gestures, or displaying of sexually suggestive objects, pictures, cartoons or posters.
- Verbal conduct that includes making or using derogatory comments, epithets, slurs, or jokes.
- Verbal sexual advances or propositions.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, or suggestive or obscene letters, notes, or invitations.
- Physical conduct that includes touching, assaulting, or impeding or blocking movements.

Unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of employment; (2) submission or rejection of the conduct is used as a basis for making employment decisions; or, (3) the conduct has the purpose or effect of interfering with work performance or creating an intimidating, hostile, or offensive work environment.

Like sexual harassment, harassment based upon race, color, national origin, age, religion, disability or other characteristic protected under applicable federal and state laws is illegal under federal, state and local laws and is not tolerated at OASIS. Such harassment can be defined as follows:

- Conduct that has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, when such conduct is based upon a protected characteristic.
- Jokes, slurs or obscene gestures aimed at an individual because of the protected characteristic.
- Physical assault upon an individual because of a protected characteristic.
- Derogatory written or oral statements directed at an individual because of a protected characteristic.

- characteristic.
- The display of materials which have the purpose or effect of offending a person because of a protected characteristic.

Reporting Policy

Any employee experiences or witnesses unlawful discrimination or harassment in the workplace, must report it immediately to the Recorder, the Board or a Board Member. There will be no discrimination or retaliation against any individual who files a good-faith complaint, even if the investigation produces insufficient evidence to support the complaint or cannot otherwise be substantiated. There will be no discrimination or retaliation against any individual who participates in the investigation of a harassment complaint. If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be pursued, up to and including termination.

All allegations of discrimination or harassment will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged perpetrator will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Immigration Law Compliance

OASIS is committed to employing only United States citizens and aliens who are authorized to work in the United States and does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility within 3 days from the start of employment or they will be terminated. Former employees who are rehired must also complete the form if they have not completed an I-9 with OASIS within the past three years, or if their previous I-9 is no longer retained or valid.

Employees with questions or seeking more information on immigration law issues are encouraged to contact the Recorder. Employees may raise questions or complaints about immigration law compliance without fear of reprisal.

Hours of Operation

The Oasis Shrine Headquarters will be open and staffed from 8:30 a.m. to 5:00 p.m., Monday through Friday, and as needed for OASIS functions or rental events. Employees are expected to work a 40-hour week. The Recorder will determine the operating hours during inclement weather.

Dress Code/Personal Appearance

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the professional image OASIS presents to customers and visitors.

During business hours or when representing OASIS, in or out of our office, you are expected to present a clean, neat, and tasteful appearance. You should dress and groom yourself according to the requirements of your position and accepted social standards. This is particularly true if your job involves dealing with donors or visitors in person.

All employees are to be neat and professional in appearance at all times. Attire for both men and women is “business casual.” Business casual is **not** the same as Casual. Although employees are not expected to wear suits, or similar attire, on a daily basis, your business casual clothes should be of similar quality. Business casual for men includes casual pants such as neatly pressed slacks, shirt (casual button front or polo shirts are acceptable), and appropriate shoes. Business casual for women includes dresses, skirts, slacks, and blouses (or sweaters or shirts) and appropriate shoes. Neither blue jeans nor shorts of any kind are acceptable at any time.

Computer and E-Mail Usage

Computers, computer files, the e-mail system, and software furnished to employees are OASIS property intended for business use. Any and all e-mail and other electronic or telephonic communications are the property of OASIS. Employees should have no expectation of privacy in such communications. Personal use of the computer, including the internet, by employees during work hours is discouraged and may result in disciplinary action in accordance to this handbook. To ensure compliance with this policy, computer and e-mail usage may be monitored.

OASIS strives to maintain a workplace free of harassment and sensitive to the diversity of its employees. Therefore, OASIS prohibits the use of computers and the e-mail system in ways that are disruptive, offensive to others, or harmful to morale. For example, the display or transmission of sexually explicit images, messages, and cartoons is not allowed. Other such misuse includes, but is not limited to, ethnic slurs, racial comments, off-color jokes, or anything that may be construed as harassment or showing disrespect for others.

OASIS will neither commit nor tolerate the making or using of unauthorized software copies under any circumstances. The failure of an employee to observe copyright or license agreements may result in disciplinary action, up to and including termination. Unauthorized duplication of computer software is a federal offense, punishable by up to a \$250,000 fine and up to five (5) years in jail.

All software purchased or developed by OASIS will remain the property of OASIS. When an employee leaves OASIS for any reason, all software and manuals must be returned to the Recorder. To ensure security, employees should log off their computers whenever they leave the office for a meeting, lunch, etc... as well as nightly.

Internet Usage

Internet access to global electronic information resources on the Web is provided by OASIS to assist employees in obtaining work-related data and technology. The following guidelines have been established to help ensure responsible and productive Internet usage. While Internet usage is

intended for job-related activities, incidental and occasional brief personal use is permitted within reasonable limits.

All Internet data that is composed, transmitted, or received via our computer communications systems is considered to be part of the official records of OASIS and, as such, is subject to disclosure to law enforcement or other third parties. Consequently, employees should always ensure that the business information contained in Internet e-mail messages and other transmissions is accurate, appropriate, ethical, and lawful.

The equipment, services, and technology provided to access the Internet remain at all times the property of OASIS. As such, OASIS reserves the right to monitor Internet traffic, and retrieve and read any data composed, sent, or received through our online connections and stored in our computer systems.

Data that is composed, transmitted, accessed, or received via the Internet must not contain content that could be considered discriminatory, offensive, obscene, threatening, harassing, intimidating, or disruptive to any employee or other person. Examples of unacceptable content may include, but are not limited to, sexual comments or images, racial slurs, gender-specific comments, or any other comments or images that could reasonably offend someone on the basis of race, color, age, sex, religious or political beliefs, national origin, disability, sexual orientation, or any other characteristic protected by law.

The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material on the Internet is expressly prohibited. As a general rule, if an employee did not create material, does not own the rights to it, or has not gotten authorization for its use, it should not be put on the Internet. Employees are also responsible for ensuring that the person sending any material over the Internet has the appropriate distribution rights.

Abuse of the Internet access provided by OASIS in violation of law or OASIS policies will result in disciplinary action, up to and including termination of employment. Employees may also be held personally liable for any violations of this policy. The following behaviors are examples of previously stated or additional actions and activities that are prohibited and can result in disciplinary action:

- Sending or posting discriminatory, harassing, or threatening messages or images
- Using the organization's time and resources for personal gain
- Stealing, using, or disclosing someone else's code or password without authorization

- Engaging in any other illegal activities

Attendance, Punctuality and Diligence in the Workplace

To maintain a safe and productive work environment, OASIS expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on OASIS. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they should notify the Recorder as soon as possible in advance of the anticipated tardiness or absence. If unable to do so personally, a relative or friend should call on your behalf.

Employees who are absent due to illness for three consecutive days may not return without a doctor's release. Poor attendance and excessive tardiness are disruptive and may lead to disciplinary action, in accordance to this handbook. An employee absent three consecutive days without having obtained approval or contacting OASIS will be considered as having voluntarily resigned from OASIS.

Confidential Information

OASIS respects the privacy interests of its employees, members and donors by keeping certain personal information about them private and confidential.

Requests for information concerning OASIS, its employees, members or donors, whether by phone or in person, must be referred to the Recorder. Employees should advise the inquiring party courteously that his or her request will be directed to the Recorder. Employees shall not take it upon themselves to give out any information.

No employee of OASIS shall disclose confidential or privileged information concerning personal matters, property matters or other affairs of OASIS, nor shall an employee under any circumstances use such privileged information to advance, the financial, political or private interest of himself/herself or others.

Protection of OASIS' Reputation and Professional Relationships

OASIS' favorable reputation within the community is a vital asset for fulfilling its mission. Positive professional relationships among OASIS' employees, members and donors are to be fostered and protected with each employee's best efforts. Employees shall at all times conduct themselves in a manner that will not substantially prejudice or injure the reputation of OASIS. Employees shall refrain from negative, harmful or derogatory comments about OASIS, its members, donors and other employees. Failure to comply with this policy may result in discipline up to and including termination.

Dispute Resolution

It is only natural in any working environment for employees to experience a work-related problem or concern occasionally. In the event of a grievance or workplace dispute, the concerned employee should promptly notify the Recorder, the Board or a Board Member. If the problem cannot be resolved informally, the Recorder will then form an Investigating Committee to address the complaint. The Investigating Committee will include the Recorder, the Potentate and the Chairman of the OASIS Personnel Committee.

The Investigating Committee will then conduct and complete an investigation into the complaint within one month of receipt of the complaint. Within six (6) weeks of the receipt of the complaint, the Investigating Committee will report the complaint, the results of the investigation, and possible resolutions to the complaint to the Board at (1) a regularly scheduled Board meeting, or (2) at a Board meeting called specifically to address the complaint. The Board will determine the appropriate actions to resolve the complaint by majority vote. The Investigating Committee shall communicate such actions to the complaining employee immediately or as soon as reasonably possible.

Reimbursement of Business Expenses

Reasonable business expenses incurred by employees in the course of their employment will be reimbursed by OASIS, to the extent permitted by OASIS' guidelines. All expenses must be accurately accounted for on an approved OASIS "Expense Report" form for appropriate reimbursement. Any expense that is submitted under false pretenses is grounds for termination from OASIS.

Nepotism Policy

The hiring of relatives of current employees, members of the Divan or members of the Board is prohibited. Additionally, employees, members of the Divan and members of the Board will be hired, elected or appointed in such a way that no employee, Divan member or Board member is related to another employee, Divan member or Board member. For the purposes of this policy, relatives include the following: spouse, parent, child, sibling, in-law, grandparent, grandchild, aunt, uncle, cousin, step-relative, or any individual with whom an employee has a close personal relationship, including, but not limited to, a domestic partner, co-habitant, or significant other.

Alcohol and Drug Policy

OASIS is committed to providing a safe working environment for all employees. The use, sale, dispensing, manufacture, distribution or possession of illegal drugs or narcotics are strictly prohibited at the OASIS Headquarters office and at any OASIS sponsored activity. In addition, being under the influence of any drug, narcotic, legal or illegal, which may impair an employee's ability to perform his or her job safely and effectively is prohibited. A violation of this policy may result in discipline up to and including termination.

OASIS will not tolerate current drug or alcohol abuse. Testing following an accident, routine random or other "for cause" testing of employees may be conducted at any time. Failure to submit to this testing and/or positive test results may result in discipline up to and including termination. An employee who has been terminated for drug or alcohol abuse will not be eligible for rehire.

OASIS reserves the right to search personal belongings and work areas to determine if illegal drugs or narcotics are present on OASIS property. Refusal to submit to such a search will result in removal from the property and termination of employment. Possession of illegal drugs or narcotics on OASIS property will result in termination.

Smoking Policy

OASIS' smoking policy is designed to provide OASIS employees with a healthy work environment. Smoking is only permitted outside the building away from any entrance into the building. OASIS expects all employees to abide by the Smoking Policy and to honor those areas designated as non-smoking for the benefit of non-smoking employees and others.

III. EMPLOYMENT STATUS & RECORDS

Employment Applications

OASIS relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information may result in the exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

Access to Personnel Files

OASIS maintains a personnel file for each employee. The personnel file includes such information as the employee's job application, resume, records of training, documentation of performance appraisals and salary increases, and other employment records. With reasonable advance notice, employees may review their own personnel files at the OASIS office and in the presence of the Recorder. Nothing may be removed or photocopied from the file without written authorization of

the Recorder or the Board. If an employee disagrees with the accuracy of any statement in the records received by OASIS from other sources and no correction can be agreed upon, the employee may submit an explanatory statement which will be attached to the records.

Personnel files are the property of OASIS, and access to the information they contain is restricted. Generally, only those who have a legitimate reason to review information in a file are allowed to do so.

Personnel Data Changes

It is the responsibility of each employee to promptly notify OASIS of any changes in personal data. Personal mailing addresses, telephone numbers, number and names of dependents, individuals to be contacted in the event of an emergency, educational accomplishment, and other such status reports should be accurate and current at all times. If any personal data has changed, please notify the Recorder.

Performance Evaluations

OASIS conducts formal performance evaluations annually to review your job progress and to help you set new job performance plans. Formal performance evaluations are conducted to provide both OASIS and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals and career objectives.

IV. COMPENSATION

Salary Administration

If your withholding exemptions change, or if your marital status changes, you must notify OASIS regarding these issues immediately and complete a new W-4 form. All telephone number or address changes should also be reported promptly.

Salary Review

The Board keeps up with the changing economic conditions and wages paid by local employers for comparable jobs. The Board may make general salary adjustments from time to time when, in their opinion, such adjustments are warranted. Eligible employees may be granted a merit increase by the Board. However, any salary adjustments and/or merit increases are awarded at the sole discretion of OASIS and may be revised or discontinued at the sole discretion of OASIS. No merit-based pay adjustments or other salary adjustments are guaranteed.

Time Sheets

Federal law requires that all NON-EXEMPT employees record all of the hours they have worked on a time sheet on a weekly basis, and they are paid according to that time sheet. All NON-

EXEMPT employees are provided time sheets during the new hire process and are shown how to complete them properly, i.e. including employee name, dates, explanation for overtime, etc.

- You are responsible for recording all of the time you work, which includes overtime but does not include your unpaid lunch period or breaks.
- You must also account for all time absent from work during the normal workday (ie - PTO, lunch, etc.)
- Each employee will have one (1) hour for lunch and two (2) ten (10) minute breaks per day. The employee may take one ten (10) minute break in the morning and one ten (10) minute break in the afternoon – these breaks shall be included in the employee’s compensatory time. The time taken for lunch is unpaid and should be noted on your time sheet, but not included in the employee’s compensatory time.
- Approved bereavement time should be recorded as “regular” hours with a notation stating “Death of (relationship i.e. brother, grandmother)” to the right of the hours listed.
- All time sheets must be signed by you and the Recorder prior to submitting them to the payroll department.
- Time sheets must be submitted to the Recorder no later than the close of business on the first business day following completion of the work week detailed on the time sheet. Generally, this will be on Monday.
- Failure to properly submit time sheets may result in a delay in the prompt payment to the employee.

Please remember that time sheets are the federal records from which your pay is calculated, so it is important not to lose, falsify, or disfigure them in any way. In the event you are unsure of the proper way to record your time, please contact the Recorder for assistance.

Payroll Deductions

The law requires that OASIS make certain deductions from every employee's compensation. Among these are applicable federal, state, and local income taxes. OASIS also must deduct Social Security taxes on each employee's earnings up to a specified limit that is called the Social Security "wage base." OASIS matches the amount of Social Security taxes paid by each employee. Deductions may also be made from your paycheck as required by any garnishments or other court-ordered withholdings.

OASIS also offers benefit programs beyond those required by law. Eligible employees may voluntarily authorize deductions from their paychecks to cover the costs, if any, of participation in the benefit programs offered. Other deductions may be taken in accordance with the terms described in this Handbook. If you have questions concerning why deductions were made from your paycheck or how they were calculated, the Recorder can assist in having your questions answered.

Payment for Overtime and Holiday Work

If you are a **NON-EXEMPT, hourly employee**, and you work over 40 hours in a work week, Monday through Sunday, you will receive pay for this work as follows:

- **Overtime** - If you work more than 40 hours during a pay period (Monday through Sunday of any work week period), you will be paid at one and one-half (1.5) times your regular hourly rate (sometimes called "time and a half") for the time you work that exceeds 40 hours. Overtime will not be paid during weeks in which Paid Time Off (PTO) is used unless the actual time you work (minus PTO) exceeds 40-hours.
- **Holiday Work** – If you are required to work on a scheduled **OASIS approved holiday**, you will be paid for this work at your regular pay rate and an alternate day off should be scheduled during that same work week
- **Compensatory Time** - Private employers, such as OASIS, are prohibited from using compensatory time in lieu of overtime for non-exempt hourly employees. All non-exempt, hourly employees must be paid time and one-half for all hours worked over 40-hours during a work week.

Hours worked should not include time spent for lunch, breaks, running personal errands, personal time, birthday lunches or other time in or out of the office when you are not performing activities directly related to your job. These activities should be noted on your timesheet but not counted toward compensatory time. In addition, all overtime hours worked should be approved in advance by the Recorder.

V. EMPLOYEE BENEFITS PROGRAM

Employee Benefits

Any discussion of benefits contained in this Handbook is not intended to fully explain all of your benefits nor is it intended to limit your benefits. Rather, the purpose is to make you aware of the investment OASIS has made to ensure the welfare of its employees. OASIS will provide certain employee benefits as determined by OASIS. OASIS may change benefits from time to time at the sole discretion of OASIS.

Confidentiality of Protected Health information (HIPAA)

It is the policy of OASIS is to maintain the privacy of protected health information of individuals covered under the group health plans sponsored by OASIS and to provide such individuals specific rights with respect to their protected health information in accordance with the Health Insurance Portability and Accountability Act (“HIPAA”).

OASIS and the group health plan will not use or disclose protected health information except as necessary for treatment, payment and other healthcare operations, or as otherwise permitted or required by law. Protected health information may be disclosed to and used by employees responsible for carrying out administrative functions for the firm’s group health plans – for example, enrollment/de-enrollment, claims administration, and benefit payment. However, these

employees will only have access to information on a “need to know” basis and will use and disclose only the minimum necessary protected health information to accomplish the intended Plan administration purpose. OASIS will not, without authorization, use or disclose protected health information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of OASIS.

For full details regarding privacy rules, please refer to summary plan description for the relevant group health plan. You may also obtain copies of the Notice of Privacy Practices distributed for each plan from the Recorder.

VI. PAID TIME OFF/HOLIDAYS/LEAVES OF ABSENCE

Paid Time Off (PTO)

OASIS will provide twelve (12) days of Paid Time Off (PTO) to each employee following the employee’s introductory period of employment. Employees may use PTO for any purpose he or she wishes including vacations, illness, unpaid holidays, or time away from work for personal or family matters. Absences should be scheduled in advance with the Recorder. PTO will be accrued by and credited at the start of each calendar year.

All PTO must be taken during the calendar year in which it is earned. OASIS will not reimburse employees with PTO remaining at the end of the year for any unused accrued PTO. At the time of separation from OASIS, employees shall be paid for unused accrued PTO earned during the last year of employment provided: (i) the employee has not been terminated for substantial misconduct; (ii) the employee is in good standing and has not failed to return all OASIS property to OASIS; and/or (iii) the employee has given all required notices of termination to OASIS. Employees terminated for cause will not be paid for any unused accrued PTO. Newly hired or rehired employees who separate during or at the end of their introductory period will not be paid for accrued PTO.

An employee must request PTO time from the Recorder at least two (2) weeks prior to the start date of the leave. OASIS asks that employees request leave time as far in advance as possible in order to accommodate scheduling needs.

Holidays

All employees are eligible to receive eight paid holidays per year, as follows:

- New Year’s Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day and Friday
- Christmas Day (+ one (1) additional day)

Each year, the Recorder and/or the Board shall notify employees which day will be designated as the additional paid holiday at Christmas. With all other holidays, when the holiday falls on Saturday, the preceding Friday shall be observed as the holiday. If the holiday falls on a Sunday, the following Monday shall be observed as the holiday.

If a holiday falls during a vacation, it will be considered a holiday and not counted against vacation time. If an employee is absent from work and is not being paid during the absence, the employee will not be paid for a holiday that falls during the absence unless the employee works on the regularly scheduled working days immediately before and after the holiday.

Bereavement Leave

Employees who wish to take time off due to the death of an immediate family member should notify the Recorder immediately. OASIS defines "immediate family" as the employee's spouse, parent, child, step-child, sibling, grandparent or grandchild; the employee's spouse's parent, child, sibling, grandparent or grandchild; and/or the employee's child's spouse.

Up to 3 days of paid bereavement leave will be provided to REGULAR FULL-TIME employees. These days must be taken consecutively and in conjunction with the funeral and not be saved for another time. Bereavement pay is calculated based on the base pay rate at the time of absence and will not include any additional special forms of compensation. Should an event of bereavement leave require travel beyond 250 miles, then in that event the employee may request additional time from OASIS and such additional time may be granted.

Bereavement leave will normally be granted unless there are unusual business needs or staffing requirements. Employees may, with the Recorder's approval, use any available paid leave for additional time off as necessary.

Jury Duty

OASIS will grant leave with pay to employees who are called for Jury Duty or to serve as witnesses for the Federal, State or Local Government. An employee who is a party or witness in private litigation will be required to use PTO or leave without pay if it is necessary to be absent from work during the litigation. You will NOT receive pay (other than accrued PTO time if requested) for non-Company related civil or criminal court appearances, regardless of whether you are a party to or are otherwise required to appear in court.

Employees must provide a copy of the jury duty summons to the Recorder as soon as possible after it is received so that the Recorder may make arrangements to accommodate their absence. Of course, employees are expected to report for work in the event you are released from jury duty before the end of a workday if it is practical to do so.

Military Leave

Military leaves are governed by federal and state law, and will be treated in accordance with

applicable regulations. Generally, such leaves include National Guard and Reserve duty, and must be granted. Where reasonably possible, employees must give advance notice that he/she will be taking a military leave of absence.

Full-time and part-time employees with benefits will be paid the difference between their military base pay (not including allowances) and their normal straight time salary for up to 10 days each calendar year. Such employees will submit a receipt or certification of their military pay to Human Resources. An employee may also use his or her PTO for the purpose of military duty either before or after the exhaustion of the 10 days detailed above. Guardsmen called into service have the right to take leave without pay and are not required to use PTO or any other unused leave for a period of active service.

During the period of leave, the employee will retain his/her previously earned seniority, PTO, but no additional benefits shall accrue. Employees returning from military service will be reemployed in the job that they would have attained had they not been absent for military service and with the same seniority, status and pay, as well as other rights and benefits determined by seniority. OASIS will comply with the terms and conditions of the Military Selective Service Act, the Veterans' Reemployment Rights Act, and the Uniformed Services Employment and Reemployment Rights Act (USERRA) in connection with the approval and implementation of military leave.

Unpaid Leave of Absence

Employees who have exhausted all accrued PTO must then apply for an unpaid leave of absence to cover any additional absences from work. Such leave may be available subject to the sole and absolute discretion of the Recorder and/or the Board. OASIS cannot guarantee the availability of such leave and makes no guarantee that an employee's position will be held open during the course of such leave.

VII. EMPLOYEE CONDUCT AND DISCIPLINARY PROCEDURES

Business Ethics and Conduct

The successful business operation and reputation of OASIS is built upon the principles of fair dealing and ethical conduct of our organization and employees. Our reputation for integrity and excellence requires careful observance of the spirit and letter of all applicable laws and regulations, as well as a scrupulous regard for the highest standards of conduct and personal integrity.

The continued success of OASIS is dependent upon our donors' trust and we are dedicated to preserving that trust. Employees owe a duty to OASIS, its donors and members to act in a way that will merit the continued trust and confidence of the public. OASIS will comply with all applicable laws and regulations and expects its employees to conduct business in accordance with the letter, spirit, and intent of all relevant laws and to refrain from any illegal, dishonest, or unethical conduct. Compliance with this policy of business ethics and conduct is the responsibility of every OASIS employee.

Employee Conduct and Work Rules

To ensure orderly operations and provide the best possible work environment, OASIS expects employees to follow rules of conduct that will protect the interests and safety of all employees and the organization.

It is not possible to list all the forms of behavior that are considered unacceptable in the workplace. The following are examples of infractions of rules of conduct that may result in disciplinary action, up to and including termination of employment:

- Theft or inappropriate removal or possession of property belonging to OASIS, fellow employees or customers
- Falsification of personnel, timekeeping, or other records of OASIS
- Reporting to work or working under the influence of alcohol or illegal drugs
- Possession, distribution, sale, transfer, or use of alcohol or illegal drugs in the workplace, while on duty, or while operating employer-owned vehicles or equipment
- Fighting or threatening violence in the workplace
- Use of abusive or threatening language, including cursing and swearing
- Boisterous or disruptive activity in the workplace
- Unauthorized use of or willful damage to OASIS property or property of fellow employees or customers or the committing of acts intended to cause destruction or damage
- Insubordination or other disrespectful conduct
- Violation of safety or health rules
- Smoking in prohibited areas
- Engaging in any form of harassment or discrimination
- Possession of dangerous or unauthorized materials, such as explosives or firearms, in the workplace to include parking areas and surrounding grounds
- Excessive tardiness, absenteeism, or any absence without notice
- Unauthorized absence from work station during the workday
- Unauthorized use of telephones, mail system, or other employer-owned equipment
- Unauthorized disclosure of business "secrets" or confidential information
- Violation of personnel policies
- Unsatisfactory performance or conduct

Employment with OASIS is at the mutual consent of OASIS and the employee, and either party may terminate that relationship at any time, with or without cause or reason, and with or without advance notice.

Return of Property

Employees are responsible for all OASIS property, materials, or written information issued to them or in their possession or control. Employees must return all OASIS property immediately upon request or upon termination of employment. Where permitted by applicable laws, OASIS may withhold from the employee's check or final paycheck the cost of any items that are not returned when required. OASIS may also take all action deemed appropriate to recover or protect its

property.

Workplace Violence Prevention

OASIS is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, OASIS has adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises.

All employees should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay," or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of OASIS without proper authorization. Conduct that threatens, intimidates, or coerces another employee, donor, OASIS member, or member of the public at any time, including off-duty periods, will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on an individual's sex, race, color, national origin, age, religion, disability or any other characteristic protected by federal, state, or local law.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the Recorder or the Board. This includes threats by employees, as well as threats by donors, OASIS members, vendors, solicitors, or other members of the public. When reporting a threat of violence, you should be as specific and detailed as possible. All suspicious individuals or activities should also be reported as soon as possible to the Recorder. Do not place yourself in peril. If you see or hear a commotion or disturbance near your workstation, do not try to intercede or see what is happening.

OASIS will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain workplace safety and the integrity of its investigation, OASIS may suspend employees, either with or without pay, pending investigation.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment. OASIS encourages employees to bring their disputes or differences with other employees to the attention of the Recorder or the Board before the situation escalates into potential violence. OASIS is eager to assist in the resolution of employee disputes, and will not discipline employees for raising such concerns.

VIII. TERMINATION AND RESIGNATION

Termination of employment is an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Since employment with OASIS is based on mutual consent, both the employee and OASIS have the right to terminate employment at will, with or without cause, reason or notice. All employees should provide, as a matter of courtesy, at least two (2) weeks written notice of his or her intent to resign. Failure to provide two (2) weeks'

notice shall result in the forfeiture by the employee of any accrued, but unused PTO time as dictated in the Paid Time Off policy contained herein.

All Company property, including this Handbook, must be returned upon termination. Otherwise, OASIS may take further action to recoup any replacement costs and/or seek the return of Company property through appropriate legal recourse. You should notify OASIS if your address changes during the calendar year in which termination occurs so that your tax information will be sent to the proper address.

EMPLOYEE ACKNOWLEDGEMENT FORM

I have received a copy of the OASIS Employee Handbook. I understand that it is my responsibility to read the entire Handbook, including, but not limited to the Sexual Harassment Policy, and to familiarize myself with its contents and agree to be bound by its provisions. If I have any questions, either now or in the future, regarding the policies and procedures contained in the Handbook, I agree to discuss my questions with the Recorder.

I understand that the Handbook contains a summary of some of OASIS' more important guidelines, and that it is not all-inclusive. I understand this Handbook supersedes all prior agreements, understandings and representations concerning my employment with OASIS.

OASIS retains the sole right, with or without notice, to change, modify, suspend, interpret or delete in whole or in part any of the published or unpublished policies, practices, or procedures. Only the Board has the ability to adopt any revisions to the policies in this handbook.

I understand and agree that nothing in the Handbook creates or is intended to create a promise, contract or representation of continued employment. Only the Board has the authority to enter into any employment agreement for a specified duration, or that otherwise restricts or modifies the at-will relationship. Such agreement will be valid and binding on OASIS only if it is expressly set forth in a written document signed by the employee and by the Board.

Illus. Sir Kenny,

As this gentleman (Mr. Sparks the UBER Driver) is the Son, Grandson of a Shriner as well as he has already sent a formal written complaint to Imperial in Tampa with regards to his encounter with an intoxicated Shriner on New Year's Eve at Red Fez Shrine Club. It might be a good idea for Oasis to do an immediate letter of apology and suspension, for a minimum of 90 days that can be sent to him, (the Uber driver) Imperial and the Shriner, who has already admitted that he did this and hopefully defuse this situation before it gets any worse.

The President of Red Fez has already sent a letter to this Noble with a 90 suspension from the Club for conduct unbecoming a Shriner.

As I'm sure you are already aware? we were paid a visit over the weekend at the Club from both CMPT as well as the ABC board and were issued verbal warnings, as well as a complete inspection of our Liquor inventory as a result of this gentleman's complaint, and were basically told that they would be checking on us periodically moving forward.

This new Shriner (fall 2018) Charlie Anderson, has caused a tremendous amount of damage to RedFez, and the reputation of all Shriners in his short Shrine career! and we need to send him a strong message that this type of behavior will not be tolerated!

YITF,

THam

Subject: [Ext] Unpleasant encounter at Shriners Club

To Whom It May Concern,

I am a Uber driver in the Charlotte North Carolina area. On New Years Eve, I had an request to pick up a ride at the Red Fez Shrine Club.

When I arrived, a man and women entered my vehicle. The gentleman had an Dixie cup. I proceeded to ask him if the cup contained alcohol which he replied yes. I then asked him to dump out the drink. He then told me it was not alcohol to which I replied that he just told me it was and if he didn't I would not complete the ride. He then responded by telling me "Quit being a dick". At that point I ended the ride after the vulgar language directed towards me. This gentleman then got into an alcoholic rage and proceeded to pour his full drink all over my driver shaft and middle consul. He then got out of the car and threatened me and wanted me to get out of the car to fight.

At that point, I feared for my safety and called 911. While I was on the phone with 911, I had to keep inching away from your building because the gentleman kept chasing my car. Eventually, I had to go to the top of the hill and wait on the cops to arrive.

This behavior was totally unbecoming of a Shriner or anyone who is on your property. I say that as a son of a Shriner and someone that has always respected your organization.

I reached out to the club and the President, Ken Helms did reach out back to me. He apologized on behalf of the club and "Mr. Anderson" as he referred to him. I told him I had concerns that alcohol was being taken out of his establishment and the amount of alcohol obviously being consumed in his establishment. It put me in great danger in a very secluded area. I also informed him that I made a formal complaint to the North Carolina Alcohol Beverage Commission.

This e-mail is being written to you because I think you should be aware of what is going on in your establishments. I assume Mr. Anderson is a Shriner. If so, I question as to why any leadership within the Shriners would want him as a member. My hope is if Mr. Anderson is a Shriner that his membership would be revoked. At a minimum, my hope is to see him banned from this establishment.

I would be happy to discuss via phone 7045643718 or email: b.s.sparks@gmail.com

Thanks,

Brian Sparks

Next Saturday, I have a dentist appt at 10am. I will be in afterwards.

During orientation, can we please put a major emphasis on making sure clubs/units are submitting a Fundraising Activity Approval Form for each Fraternal and Charitable event they plan on holding during 2019. Once approved, accounting will send them back the approved forms. All Charitable fundraising events will be forwarded to Tampa. Tampa will assign a control number for each event. Tampa will supply the "Charitable Action Forms" which I will forward to each club/unit. Within 60 days of event completion, the clubs/units are suppose to complete the CAF and submit the form and check to Oasis. Oasis will need to issue a check payable to SHC and send the form and copy of the check to AJ Pamas in Tampa.

The fundraising forms can be sent via:

Fax: 704-549-9692

Email: accounting@oasisshriners.org

Mail: Oasis office

Another thing, please remind all Clubs/Units to complete their 2018 Annual Financial Report and have it turned in by end of February. I will report to Divan weekly on who has not turned in their financials.

If there is anything else I can think of, I'll let you guys know.

**They called and want to know if you want the phone in the accounting office completely gone. In other works nothing to press on message coming into office. Also on the phone labels inside. Do you want the names or the title on them. They will not have to change that when people leave :) , if we don't use names. They also said that the phone will have to be plugged into a jack in the wall at Sherrie desk. There is one there that the Toshiba was plugged into but that has a black box plugged into it that Chris did and we do not know what it goes to. Anyway, if we don't get that then it needs to be plugged into a PC not a laptop. What a screw up!!! Sherrie still has nothing to work with. She is working on Lori's computer but that is limited as Sherrie's log in will not work on the printers from Lori's computer. If you thought she was frustrated last week.....
Let me know on these so I can call Square Clover back. I told them as much as I felt I could and was comfortable with. These questions are for you.

Noble Recorder John,

I hope your first month as the new Recorder of Oasis has gone well and was fulfilling. You no doubt had many triumphs and a couple of hiccups getting things tweaked and set-up the way you want and like, and Oasis needs.

Like my predecessor and good friend, I-S Gary D. Taylor, told me when he unceremoniously handed off the Recorder position to me in early 2016: 'we are still building the airplane while it is flying, without instructions how to land'

I have taken some pokes and jabs from friends and foe since my departure, so I am compelled to try and clear the air, to let you know that I left it to you as good as I could, given how overwhelmed I was - in retrospect. I tried hard to do too much myself and did not ask for or get much help and support when I really needed it. It makes not a good>great Recorder. Your organizational skills and management style will serve you well for the esteemed position. A long tenure shall ensue.

Although I am currently laying low and away from involvement on the fraternal side, I remain a devoted Life Member of Oasis and a facilities service provider. Therefore, I will continue to make myself available to help you if you need or want my assistance on administrative or facilities issues. Email or call me anytime my friend.

Get your new Recorder fez yet from D.Turin? If so, please return mine with the case when you can. Obviously, no hurry. It's just going in the display case with my Patrol fezes.

All the Best to everyone there.

Thank You,

Robert L. "Bob" Saye, Sr.

Noble Bob,

Please pass the remaining information (keys, thumb drive and such) to Chad when you see him tomorrow to help expedite this process.

I have received two basic emails from you over this span of this transition. I have another from you to yourself under recorder account that I was unable to access, that Lady Linda sent me today from her membership email or I would have never seen it.

I have no information or idea what to do about payroll or several other items, but will do my best with what I have and hope that this is included in the drive you are passing along. I attempted to locate tax forms in the recorders office with no luck.

I am sure I will need to contact you in the future, but for now please make sure Noble Chad has all required information / items tomorrow when he meets with you.

Illustrious Sir Kenny,

Keys - I do still have them, ready to hand-off to John C. I will not attempt entry in malice, the next time I come to the Oasis office will be through the front door during regular business hours. I am awaiting John C.'s direct contact with me to fulfill our transition in person, of which handing over keys and my alarm code are part of. I am due to hand off the memory stick / thumb drive to Noble Chad Andrews, as requested, on Tuesday morning. I have prepared a good bit of information, more than I received during my transition w. I-S Gary in early 2016. I have already emailed John C. a bunch of essential information, over the course of 2 hefty emails, to get him rolling in the right

direction as your Recorder, but I have had no direct contact with him since Friday evening trying to determine a good time to meet and personally transition. My only caveat was that I was not going to be present at Oasis Saturday after lunch or for the installation because it was his / y'all's party to celebrate without me. Congratulations.

Laptops. I know one or maybe two exist. I have had an eyeball on one, in accounting office closet, and never personally operated one of Oasis' laptops. I was never assigned one as I used my personal laptops and tablets via my cloud files, on memory stick to hand over, and not on Oasis network conducting Oasis business over the past 3 years. Back when I came aboard in 2016 Wendy Rosales and subsequently Lady Brittany Wright had use of a laptop which was used during traveling ceremonials. Seems Brittany even used one to tele-commute the accounting from her home. They had some age and weren't the most reliable I was told. In fact, this past Friday evening, prior to C&U awards, Joe B. and Chris H., C.Lee and I discussed an old Oasis laptop on the premises that they booted up to not but 15%. They may be a good resource for location of those. Also - I-S Bill has used a laptop that might belong to Oasis for his treasurer work, not sure might be his personal. Also - not sure what your I/T committee knows about them. Is there a find my laptop feature, etc?

I'm sorry I-S Kenny that John C. and I did not consummate the transition personally as you hardheartedly desired. I was at Oasis all day from 7:00a-10:30p on Friday with an hour or so prior to and after lunch to do it as he and I had discussed personally at the Dec. 20th Divan meeting. Other than that I was pretty busy with my last minute responsibilities of printing and framing C&U certificates and suspending our N.P.D. batch of 258, one at a time. There is/was not a whole lot to transition too far in advance given the plethora of activity I was still working on. My exit strategy had already been almost fully executed prior to Friday so no stalling for loose ends to leave. The whole process together may take an hour. I am not a vindictive one, as some may have suggested that I don't help him. That's not me. I am full of transparency to provide the appropriate information. I have absolutely no reason not to as I have prepared a nice, tight information package to share with him. As said, I have emailed John C. some good 'need-to-know' information, passwords, etc. to let him start his journey as your Recorder. I await his direct communication with me so we can obtain some closure to this seemingly flawed transition process.

Yours in the faith, Sir.

Linda,

Attached are the scripts for the latest recording change that I made to your phone system.
2/15/19.

When you have the times for the circus events, let me know and I will re-record the circus announcement.

There are also instructions for recording your own main auto attendant greeting, that were used by Bob Saye, however, you must be careful that the prompts don't change without notifying me. Should you need the overall main auto attendant changed, I can do that for you, otherwise, the person making the recording change may want to touch base with me prior to making the change.

Let me know if you have any further questions.

Thanks!

Tina

After the fact, thought I better let someone know that I ordered fezzes this morning. Bob ordered some in 4/18 and we have not ordered any since then for ceremonials. The Provost Guard mentioned at the Greensboro ceremonial that a few sizes had run out. I took an inventory and ordered some of the five sizes that we were out of or very low on. The total ordered was 75, which will amount to about \$9500, approximately. We shouldn't have to order anymore till this time next year unless someone has a humongous ceremonial.

SHRINE PROTOCOL_____

MEETINGS AND CEREMONIALS:

Current dues card and password is required for admittance to all Temple Ceremonies and Business Meetings.

SALUTE:

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

PLEDGE OF ALLEGIANCE:

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

SALUTE TO THE FLAG:

A Noble who is wearing his Fez will execute a right-hand salute when the colors are within six paces of him; he will not remove the Fez. After the colors have passed he should drop his right hand. In case the same colors pass the same point again, as frequently happens in a Ceremonial session or in display drills, the colors need not be saluted a second time. The same rule applies to street parades.

PRAYER:

During the offering of a prayer, The Fez should be removed and held in the right hand over the heart with emblems/lettering facing forward.

THE SALAM:

A Noble addressing the Potentate while he is presiding in the east should always give the Salaam.

SALUTATIONS:

An Imperial officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir". A Potentate or Past Potentate is always addressed as "Illustrious Sir".

DRESS:

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

Lori,
They keep calling me wanting to send us a bill. Our service expires on 3/17/2019.
I don't think that anything has changed since last year. If you agree, I'm going to go ahead and call him and tell him to email us the bill.
Thanks,

Subject: Sharing My Notes - Taxes, Rentals, and Advertisements Conversation - February 2019 Divan Meeting

Good afternoon, gentlemen:

I wanted to share my personal notes from yesterday's meeting in the event something does not compare to what anyone else may have written. I plan to keep this email and refer back to it as often as needed throughout the years. :)

See you tomorrow in Greensboro,
Chris

From our Guest Speaker:

- The IRS requires any human or entity to pay taxes.
 - EXCEPTIONS: When in the Public Good
 - Exempt Organizations

- IRS Publication 598, page 10
 - <https://www.irs.gov/pub/irs-pdf/p598.pdf>
 - “Tax on Unrelated Business Income of Exempt Organizations”
- The IRS implies “we’ll exempt you unless you start acting like a business.”
- A fraternity’s normal course of operation is collecting dues.
 - BUT, if we do other “things” (see Pub 598)...
- There are exclusions from the tax that the IRS would normally collect:
 - For example, we are allowed to receive dividends and interest
- RENTS from Real Property are excluded in computing unrelated taxable income.
- RENTS from Personal Property are NOT excluded.
- “Real” is the building.
- “Personal” would be if we attempt to rent tables, chairs, etc. (SIMPLY AVOID THIS AS A LINE ITEM)
- Exception to the Exclusion - debt on the building (not the case at Oasis - the building is free of debt)
-

RENT "AS-IS" is the key

- Don't cater ourselves - that is taxed, BUT we can say that we have a preferred caterer list
- Valet parking is taxed - don't do it
- *******COUNTY AND STATE PROPERTY TAXES** - different story.
Everything shared with us pertains to the IRS/Federal. **WE MUST KNOW our local municipality tax laws and do NOT go astray as it could potentially impact our Property Tax status.**
- Other than that, advertise all you want and name the building whatever you wish when you advertise it for rent - no restrictions.

----- END NOTES -----

Lori and Nobles Cable and Burris,

I am unsure where this information should be sent to. I will update you as I receive changes. Updating the members data base at this time is a slow process here at the GSC. Could you send me a list of all GSC members that you have at the Temple/Headquarters and I will continue to scrub my list. Approximately forty + folks have not returned club renewals for 2019 who may still be active members of the Oasis Shrine. I could cross reference your list with mine and send follow up memos to the folks that have not responded. Sorry about the confusion, I don't have a complete up to date system here yet, and am trying to make it correct. Please be patient.

Bobby,

Noble Joe will get with you about Web-Fez and being able to read only. I am not sure if this is available yet, but hopefully we can assist with only the limited amount of persons you need to check. I hoping that your model will be the test model that we can build on.

Thanks

Lori and Nobles Cable and Burris,

I am unsure where this information should be sent to. I will update you as I receive changes. Updating the members data base at this time is a slow process here at the GSC. Could you send me a list of all GSC members that you have at the Temple/Headquarters and I will continue to scrub my list. Approximately forty + folks have not returned club renewals for 2019 who may still be active members of the Oasis Shrine. I could cross reference your list with mine and send follow up memos to the folks that have not responded. Sorry about the confusion, I don't have a complete up to date system here yet, and am trying to make it correct. Please be patient.

Subject: Spring SASA Lodging, Registration Info and Schedule of Events

Nobles,

On behalf of IS Kenny I would like to send out this info for Spring SASA that's going to be held in Bristol, Tenn this year. The trip is open to all. As like last year you will be responsible for booking your own room and providing your own transportation. Compensation for the event will be for the Potentate, Chief Rabban, Assistant Rabban,

Recorder and Director. These will be addressed after the event.

The online option for hotel reservations is not working at this time so will have to call 423-578-6600 and ask for **Meadowview Conference Resort in Kingsport, Tenn.** The rooms are blocked under **Shriners Conference** and are listed for \$108.00 per night.

Attached to this e-mail is the Schedule of Events and the Registration form, which you will need to fill out and return to the address provided on the form.

Please let me know if you have any questions,

Thanks,
Dave Wallace

Nobles,

Please support Noble Rigsbee. Anyone still having Ham left to sell, Jim has asked that you bring it to the home show on Friday or to the fish house on or before 2:00 PM Thursday 28 March. Jim Church, Jim Rigsbee, Myself and maybe Jim Coleman will be loading out to set up at the home show Thursday after noon.

Come spend a couple hours with the team. I know there is a lot going on this week end, Masonic School of Instruction, which will take five NASCARTS Unit members from Stokesdale away on Saturday and the club cleanup day on Saturday as well. Duck out for a couple hours and give Noble Rigsbee a hand.

As you can see we need support on Saturday at the show.

Jim Rigsbee, Jim Church and I are working Friday at the show. It would be good to have two members present at all times, the booth has to be manned the entire show.

Ladies and Nobles,

In keeping every one as informed as early as possible, some information for your calendars:

Seven Non-Shrine, civic parades were submitted for approval to the Potentate. He has approved all the parades listed and I will be receiving the formal approvals soon.

Some of the dates are not set in stone yet, however close to what can be expected. I am still working with the organizational parade committees and it may be awhile down the road before I get confirmation on the parades. I do know Welcome, Summerfield, and Oak Ridge (New) are locked in.

I have submitted written application to the Parade Committee for the NOVANT - Charlotte Thanksgiving Parade and received back their acknowledgement of my application. We'll wait to hear from them.

We will not parade at Maggie Valley Ceremonial this year. It is a dangerous parade route and we would be driving in and against normal highway traffic on the route. However many of us will be attending the ceremonial for a GREAT TIME, fun, and fellowship. See you all there.

The two Shrine Parades are SASA and Oxford Homecoming, weather permitting we will roll in these parades.

SHRINE PARADES:

Maggie Valley (**NO PARADE - EVENT ONLY**) 10-12 MAY
SASA 18-22 SEP **COMMITTED**
Oxford Homecoming 11-12 OCT **COMMITTED**

NON - SHRINE (LADIES RIDE IN THE PARADES)

Welcome 6 APR **COMMITTED**
Summerfield Founders Day 18 MAY **COMMITTED**
High Point 21 NOV Working
Oak Ridge 23 NOV **COMMITTED**
Reidsville 23 NOV Working - Pending
NOVANT Charlotte Thanksgiving 28 NOV Working
Pleasant Garden 1 DEC Working
Stokesdale 7 DEC Working

I am looking to get us involved in a Veteran's and/or Memorial Day Parades and many of our NASCARTS members are Veterans and First Responders. I will update you as I make progress.

Looks like a good year for parades..... :-)

If checks will be signed later, I can hold off doing the check run until Friday since I will be at the temple all day for the audit.

Let me know if that works for everybody.

Thanks,

Noble Ray,

It looks as if you are on a good footing now with all the work you have done thus far. I believe you can fill out the new Secretary of State forms and along with all the other documents that you have, you should be able to obtain the same result as when you started. I have to be in my office in Raleigh tomorrow and will take time to call Tampa about your three questions and make sure all your questions are answered to their standards, just to make sure we don't have to do this twice. Also by completing the incorporation, should protect your club and insurance company from any frivolous law suits.

I have copied Illustrious Sir Ken Jarrett on this email, so if the documents have to be resubmitted to Oasis, he will be apprised of the subject matter. Let's think positive and it may just take a re-submission to the Sec of State's office that is next

door to my office, to get this process done for you.

Can I call you tomorrow after I double check with Tampa?

RE: Incorporating Elkin-Jonesville Shrine Club Holding Corporation

Dear Noble John, I am the 2nd Vice President of the Elkin-Jonesville Shrine Club. I am also a licensed attorney in the State of North Carolina. I have been tasked by the Club to correct a matter that should have been completed in 2006, but it appears that those that were then handling the matter at that time failed to complete the task.

Let me explain. In 2005 the Elkin-Jonesville Shrine Club Inc. sought to incorporate the "Elkin-Jonesville Shrine Club Holding Corporation" to receive and hold the title to our clubhouse property. The Club acquired the Clubhouse property in five (5) deeds, all of which were recorded and placed in the name of the "Elkin-Jonesville Shrine Club Holding Corporation (see attached five deeds). From the Secretary's records the following events occurred in 2005 and 2006:

- (1) Articles of Incorporation for the "Elkin Jonesville Shrine Club Holding Corporation" were prepared and presented to the Temple for the various approvals and signatures.
- (2) Approval letters and signatures were obtained (see copies of Letters giving approvals attached hereto.)
- (3) The approved articles were obviously returned by the Temple to the Club for filing with the North Carolina Secretary of State in February of 2006. (See copy of Articles attached).
- (4) The Articles were sent to the North Carolina Secretary of State for Filing, but were returned to the Club with instructions for completing "required" changes

- in the Articles. (See February 7, 2006 Letter from the NC Secretary of State).
- (5) Here the “trail ends.” The Secretary of State’s office has no record that the Articles were ever corrected and sent back for filing and we are unable to locate the “original” signature copy of the Articles.
 - (6) I am thus faced with the problem of getting new Articles of Incorporation prepared and filed.

The North Carolina Secretary of State’s Office has a new “template” for the Articles of Incorporation of a Non-Profit Corporation. (See copy and Instructions Attached). I would also assume that we could also use another “template” so long as these same requirements are met.

I need guidance from your office and perhaps the Imperial Council. My questions are:

- (1) Should I use the new template provided by the NC Sec. of State; or will you send me a “template” that the Temple and Imperial Council may require?
- (2) What additional approvals and/ or signatures are required?
- (3) Is there anything else I need to know or do?

Thanks for your assistance.

LADIES AND NOBLES:

THE SCHEDULED PARTICIPATION IN THE WELCOME PARADE FOR 6 APRIL 2019 HAS BEEN CANCELLED.

Due to the number of members of the NASCARTS unit involvement in the preparation and support of the Club Reverse Raffle, Captain Warren has been advised and decided that we needed to support the club. The distance returning from and time required to get back from Welcome would have a negative impact on the startup activities at the club. This is one of the main fund raisers of the year, please come out and support this event.

On behalf of the Captain I apologize for the late notice on this cancelation.

There are still some tickets available for this event.

PLEASE Acknowledge receipt of this message VIA

Subject: 2019 NASCARTS Parades

Ladies and Nobles,

In keeping every one as informed as early as possible, some information for your calendars:

Seven Non-Shrine, civic parades were submitted for approval to the Potentate. He

has approved all the parades listed and I will be receiving the formal approvals soon.

Some of the dates are not set in stone yet, however close to what can be expected. I am still working with the organizational parade committees and it may be awhile down the road before I get confirmation on the parades. I do know Welcome, Summerfield, and Oak Ridge (New) are locked in.

I have submitted written application to the Parade Committee for the NOVANT - Charlotte Thanksgiving Parade and received back their acknowledgement of my application. We'll wait to hear from them.

We will not parade at Maggie Valley Ceremonial this year. It is a dangerous parade route and we would be driving in and against normal highway traffic on the route. However many of us will be attending the ceremonial for a GREAT TIME, fun, and fellowship. See you all there.

The two Shrine Parades are SASA and Oxford Homecoming, weather permitting we will roll in these parades.

SHRINE PARADES:

Maggie Valley (**NO PARADE - EVENT ONLY**) 10-12 MAY

SASA 18-22 SEP **COMMITTED**

Oxford Homecoming 11-12 OCT **COMMITTED**

NON - SHRINE (LADIES RIDE IN THE PARADES)

Welcome 6 APR **COMMITTED**

Summerfield Founders Day 18 MAY **COMMITTED**

High Point 21 NOV Working

Oak Ridge 23 NOV **COMMITTED**

Reidsville 23 NOV Working - Pending

NOVANT Charlotte Thanksgiving 28 NOV Working

Pleasant Garden 1 DEC Working

Stokesdale 7 DEC Working

I am looking to get us involved in a Veteran's and/or Memorial Day Parades and many of our NASCARTS members are Veterans and First Responders. I will update you as I make progress.

Looks like a good year for parades..... :-)

John,

This is exactly what I was looking for. I will verify that this is what is in WebFez, and make the corrections if needed. There was an issue recently with getting signers into the system, so we are getting everything all worked out. Let me know if you have any questions.

John,

I wanted to you to know I updated a couple of Nobles records due to this issue. The Nobles below were all showing as having two Top Line Signers instead of One Top line and one Second Line signer. I wanted to say thanks to you and Linda for getting the information we needed to get this resolved.

Thanks,

John,

This is exactly what I was looking for. I will verify that this is what is in WebFez, and make the corrections if needed. There was an issue recently with getting signers into the system, so we are getting everything all worked out. Let me know if you have any questions.

Lori,

Attached is my receipt for the flight to Tampa and back. Carol was not able to go due the death of her Aunt a couple of days prior to leaving and we could not get a refund. I was able to get her saved ticket for the Nashville trip and that will save then. If you want you can less out the \$348.00 for now and make it for \$390.40 or pay the total, what ever is the proper way that needs to be done, since this is new to me.

Thanks again and I will be at Oasis tomorrow

Dear

On behalf of Oasis Shriners, we would like to thank you for your generous contribution of \$

Children up to age 18 with orthopedic conditions, burns spinal cord injuries, and cleft lip and palate are eligible for care and received all services in a family centered environment, regardless of the patient's ability to pay.

It is through you kind generosity that we are able to move forward and enrich the quality of care that Shriners Hospitals for Children can provide.

With greatest regards and appreciation,

John Cable
Recorder

HI

I am assuming that the \$ amount was left blank so that the contributor can fill it in themselves?
Also, the Dear?

Should maybe it say To whom it may concern? Or Dear Sir/Madam – just because we are going to email this letter to members to have on hand with them when they go and ask for a donation?

Just my thoughts.

Hi Kim;

I can change it to Dear Sir/Madam or take it off completely.

I can also remove the \$____ and they can use their cancelled check as the amount.

I would also like for John to determine the signature name.

I have this saved and can make the necessary changes.

Hi

I am assuming that the \$ amount was left blank so that the contributor can fill it in themselves?
Also, the Dear?

Should maybe it say To whom it may concern? Or Dear Sir/Madam – just because we are going to email this letter to members to have on hand with them when they go and ask for a donation?

Just my thoughts.

Ladies and Nobles:

The NASCARTS MEETING SCHEDULED FOR 6:00 PM 20 APRIL 2019 has been rescheduled for 27 April 2019 at 9:00 AM with breakfast (scrambled eggs, biscuits and sausage gravy and loaded home fries, juice and coffee.) Sorry for such short notice from the CAPTAIN, his concerns are for the families traveling for Easter. PLEASE LET ME KNOW who will be attending on the 27th before the 23rd so that we can secure the food and prepare it for the morning meal. We can't do it in the evening as there is the Fish Fry scheduling conflict.

The karaoke cook-off has been cancelled due to a schedule conflict, more details coming on the phone tree.

On behalf of Ben and Robert their apologies as there are events beyond their control.

See you all Tuesday night at ladies and members night.

Sorry for such short notice from the CAPTAIN, his concerns are for the families traveling for Easter. Hi Kim;

I have attached 2 letters, one with amount if needs to fill in (maybe for cash) and a second one with no amount to be inserted.

If you need anything changes I have this saved and will be glad to assist with any suggestions.

Hope you have a great weekend.

Hi

I am assuming that the \$ amount was left blank so that the contributor can fill it in themselves?
Also, the Dear?

Should maybe it say To whom it may concern? Or Dear Sir/Madam – just because we are going to email this letter to members to have on hand with them when they go and ask for a donation?

Just my thoughts.

Please see attached, I will be glad to change anything needed.

I did put John's name at signature, but can change back to Linda.

Updated some misspelling & wording, but basically same info for non-profit purposes.

Hope you have a great day.

NOBLES AND LADIES

FALL Ceremonial Room Reservations SASA PARADE ***MAKE YOUR RESERVATIONS NOW!***

As stated in the NASCARTS Meeting on 27 April 2019, it is imperative that you make your reservations NOW if you are planning to stay at the DoubleTree, 3200 S. Ocean Blvd., Myrtle Beach, SC 29577. Reservation Code is **OASIS**. (843)315-7100. The room rate is \$124.00 per night plus \$12.99 Resort fee and \$1.00 Destination fee, and 12 % taxes. One nights deposit on a credit card of approximately **\$155.00** is required at the time you make your reservation. Tell the staff you would like to be in the Live Oak Building on the side next to the pier. Also, advise them of any other special request you may have when reservation is made. Please make sure you get a confirmation number by email confirmation.

NASCARTS Staff are not making reservations for unit members, you must do this and as soon as possible. You will need to advise me ASAP if you are going to SASA, and if you are staying at the DoubleTree Resort by Hilton Hotel.

Admin-Officer will e-mail a Nascart Roster to Ms. Nancy McGann, Events Manager, Oasis Shriners.

Trying my best to get ceremonial done. Due to the size of the mailbox, I can only get 5 packets in at a time along with the other mail from here. Thought I would take the rest to the Post Office and as I went to put postage on the rest, postage meter is showing low funds. I emailed Lori to make sure she added postage whenever she comes back in. As of now, candidate packets are at a standstill.

FOR THE CAPTAIN:

Bobby

It's almost Founders' Day! We can't wait to celebrate with you all!

Thank you for volunteering to participate in the 23rd annual Summerfield Founders' Day Parade. We could not provide such a fun, entertaining celebration of community spirit without your dedication year after year--and for this we are truly grateful! Here are a few last-minute reminders that will help keep everyone safe, organized, and (more importantly) on schedule:

- ***Check-In Location:*** If you are receiving this email, your check-in location is **Centerfield Rd.**

- Directions: From US 220 head north toward Stokesdale. At the intersection of 220 and Oak Ridge/Scalesville Rd., turn left onto Oak Ridge Road. Take the first left onto Summerfield Rd. As you approach Summerfield Elementary School, turn right onto Centerfield Rd. You should see a volunteer waiting to direct you to the check-in tent.
- **Parade check-in will begin at 8:00am on Saturday, May 18.** In order to ensure a seamless flow on parade day, your *entire* entry (including riders, walkers, or other volunteers) must be lined up and ready to go **no later than 9:30am.**

- **Parking:** There will be **NO PARKING PROVIDED** for non-parade vehicles anywhere along the parade route or in surrounding parking lots unless previously assigned by a member of the Parade Team. We recommend that you carpool to a location within safe walking distance in order to organize your group, or utilize the free shuttle from the old Food Lion parking lot (4539 US 220--shuttle service starts at 8:30am). ***Please communicate this with your volunteers ahead of time to minimize parade-day traffic congestion!***

- **Parade Safety:** In order to keep the parade as safe as possible for everyone, we ask that you...
 - **Keep up with the parade flow!** This means that you should remain approximately 1 car-length behind the next float at all times. Though it may be tempting to pause for a few moments and interact with the crowd, too much of a lag could allow space for spectators to cross unsafely through the road.
 - **Throw candy with caution!** If you bring candy/prizes to throw along the route, please make sure that the driver does not participate. There will be many distractions from the crowd, and we need drivers with the utmost dedication to safety!
 - **Remain safely on your float!** For the safety of all parade participants, please do not attempt to climb on/off of any vehicular floats while moving.

Once again, we thank you for your enthusiasm and look forward to seeing you Saturday morning!

Noble NASCARTS Members

I have received an invitation for the NASCARTS to participate in the Disabled American Vets annual parade on Saturday November 9, 2019. This is in partnership with the City of Greensboro and will be held in downtown Greensboro. I recommend we participate as several of our members are vets and it may be an opportunity for us to get back in the City of Greensboro's parades again.

I have talked to Captain Warren and he is fine with this opportunity. Please let me know VIA EMAIL no later than 15 June or at the NASACRTS Meeting on 15 June. Let us honor our Veterans, USMC, USAF, USA, USN, USCG, AFNG, ARNG, and USAR. This will also get us back in the Greensboro parade arena.

Thanks,

Bobby

Noble NASCARTS Members

I have received an invitation for the NASCARTS to participate in the Disabled American Vets annual parade on Saturday November 9, 2019. This is in partnership with the City of Greensboro and will be held in downtown Greensboro. I recommend we participate as several of our members are vets and it may be an opportunity for us to get back in the City of Greensboro's parades again.

I have talked to Captain Warren and he is fine with this opportunity. Please let me know VIA EMAIL no later than 15 June or at the NASACRTS Meeting on 15 June. Let us honor our Veterans, USMC, USAF, USA, USN, USCG, AFNG, ARNG, and USAR. This will also get us back in the Greensboro parade arena.

Thanks,

Bobby

Nobles,

I thought it was a good idea to get a free "Phone Wash" while running the black Goat thru AUTO BELL, so after fueling up at Sheetz's I just left my phone on the back cover of the truck, and ran it thru the car wash. Phone looks brand new! Nice shiny, new coat of wax, SEPT'... she don't work now... SO..... I'm off the air until Friday. If there is an emergency call Bonnie 703 850-8292 or Email me LTCBOBBYOHMR@AOL.COM. I have a phone message from Leroy I can't get into, phone doesn't answer right, turns the volume up and down stays in what ever mode it reacts to. Oh well, guess I'll just wash the new one in the dish washer from now on when I get it.

Lots of Love your way brothers.

Dave Ingersoll had indicated that you had not received the information about the Association events at the upcoming Nashville Session.

I have included the two items which have been sent via our group email for the recorders and I have you both listed in this group.

Nobles,

Just a quick reminder and update about the events for the Association in Nashville.

Our events are at the Omni Nashville headquarters hotel.

Sunday, June 30th -- 99th Annual Banquet of the Association All Nobles & Ladies are invited to attend

No Host social 5:30 Doors open 6:15 Banquet 6:30 Entertainment, brief presentations and speeches

Advance reservations required \$75 per person I know there is a lot to do in Nashville, but we encourage you to attend the banquet.

If you are aware of the passing of a recorder or recorder emeritus can you please share that with me so that it can be included in the necrology report.

There is still time to submit the Honorary Membership for Herb Kennedy to Mike Wheeler of Ararat Shriners, if you have not already done so.

After much deliberation and discussion, there will be a recorders suite at the Omni on Friday, Saturday and Sunday, where you can register, pick up banquet tickets and your 2019 gift.

There is a change from previous years however. Due the hotel restraints and the high cost involved, there will be no beverages /food served from the suite. This is beyond our control but at least you will have place to visit and relax.

Safe travels to you all and if you have any questions, or wish to make banquet reservations, please contact me.

VERY SHORT NOTICE FOR PARADE PARTICIPATION

I received this message and invitation on Sunday as I was heading out the door for a short vacation with the family.

I contacted CPT Robert, who can not make this event because of scheduling. We have his approval to participate, so; based on the response from the team members and ladies I will make a decision and inform everyone NLT close of business Thursday 27 June if we will participate. You must respond via email, I have a new phone and do not have group me loaded yet. I have been assured that if we decide to participate the request will be approved by Oasis.

I NEED CONFIRMATION OF INDIVIDUAL ATTENDANCE NO LATER THAN (NLT) CLOSE OF BUSINESS WEDNESDAY 26 JUNE 2019.

PARADE UNIFORM:

Parade Shirt (Teddie Bear)
Black Cargo Pants
Dark footwear
RED NASCARTS Ball Cap

Bring your own water or drinks, check your carts for oil and gas and operational readiness. If we are to trailer transport on the NASCARTS trailer we must load out Saturday 29 JUNE 2019 and I need a volunteer to haul the trailer. NASCARTS will fund the fuel for the trip.

Based on our distance from the parade and members arrival history I need to have everyone arrive NLT 8:45 AM

THIS IS THE REQUEST I RECIEVED FROM Mike Martcccia, Director of Activities:

We'd love to have the NASCARTS participate in the 10th Annual Fort Mill/Baxter Village July 4th Parade, 9:30 a.m. to 10:30 a.m. We'd provide a donation. You would join 4 other Shriners units (Shrine Band, Dune Cats, Drifters, Keystone Kops) that have annually participated the last several

years. The Parade is now the largest in the Charlotte region, with more than 150 units including bands, floats, military honor guards, all three Charlotte pro sports mascots, queens, classic cars, scouts, youth groups, clowns, and more. The parade line-up starts at 9 a.m. (in parking lots behind 940 Market Street/Fort Mill SC 29708) and the parade is 9:30 a.m. to 10:30 a.m. across 12 blocks here in Baxter Village. A lot of out-of-town groups participate because the parade is early enough to have the rest of the day off. The parade attracts 4,000+ attendees, and after the parade there are food trucks, flag-raising by the fire department, group songs, games and music.

Please let me know what's possible?

Thanks!

Mike

This parade has the potential to be an annual activity as well as their invitation to participate in their Saint Patrick's Day parade.

As of now Holt is scheduled for surgery on July 3rd. Please keep her in your prayers as she found out the rash on her back is not an allergic reaction but most likely shingles. We will find out for sure tomorrow.

You would join 4 other Shriners units (Shrine Band, Dune Cats, Drifters, Keystone Kops) that have annually participated the last several years. The Parade is now the largest in the Charlotte region, with more than 150 units including bands, floats, military honor guards, all three Charlotte pro sports mascots, queens, classic cars, scouts, youth groups, clowns, and more. The parade line-up starts at 9 a.m. (in parking lots behind 940 Market Street/Fort Mill SC 29708) and the parade is 9:30 a.m. to 10:30 a.m. across 12 blocks here in Baxter Village. A lot of out-of-town groups participate because the parade is early enough to have the rest of the day off. The parade attracts 4,000+ attendees, and after the parade there are food trucks, flag-raising by the fire department, group songs, games and music. Please let me know what's possible?
Thanks!

Nobles and Ladies:

VERY SHORT NOTICE FOR PARADE PARTICIPATION

I received this message and invitation on Sunday as I was heading out the door for a short

vacation with the family.

I contacted CPT Robert, who can not make this event because of scheduling. We have his approval to participate, so; based on the response from the team members and ladies I will make a decision and inform everyone NLT close of business Thursday 27 June if we will participate. You must respond via email, I have a new phone and do not have group me loaded yet. I have been assured that if we decide to participate the request will be approved by Oasis.

I NEED CONFIRMATION OF INDIVIDUAL ATTENDANCE NO LATER THAN (NLT) CLOSE OF BUSINESS WEDNESDAY 26 JUNE 2019.

PARADE UNIFORM:

Parade Shirt (Teddie Bear)
Black Cargo Pants
Dark footwear
RED NASCARTS Ball Cap

Bring your own water or drinks, check your carts for oil and gas and operational readiness. If we are to trailer transport on the NASCARTS trailer we must load out Saturday 29 JUNE 2019 and I need a volunteer to haul the trailer. NASCARTS will fund the fuel for the trip.

Based on our distance from the parade and members arrival history I need to have everyone arrive NLT 8:45 AM

THIS IS THE REQUEST I RECIEVED FROM Mike Martcccia, Director of Activities:

*We'd love to have the NASCARTS participate in the 10th Annual Fort Mill/Baxter Village July 4th Parade, 9:30 a.m. to 10:30 a.m. We'd provide a donation. You would join 4 other Shriners units (Shrine Band, Dune Cats, Drifters, Keystone Kops) that have annually participated the last several years. The Parade is now the largest in the Charlotte region, with more than 150 units including bands, floats, military honor guards, all three Charlotte pro sports mascots, queens, classic cars, scouts, youth groups, clowns, and more. The parade line-up starts at 9 a.m. (in parking lots behind 940 Market Street/Fort Mill SC 29708) and the parade is 9:30 a.m. to 10:30 a.m. across 12 blocks here in Baxter Village. A lot of out-of-town groups participate because the parade is early enough to have the rest of the day off. The parade attracts 4,000+ attendees, and after the parade there are food trucks, flag-raising by the fire department, group songs, games and music. Please let me know what's possible?
Thanks!
Mike*

This parade has the potential to be an annual activity as well as their invitation to participate in their Saint Patrick's Day parade.

Nobles and Ladies,

Nine members responded to the inquiry for the fourth of July 2019 parade. All answers were no. (Plans already made), I expected this as the notification was such a short suspense. Thanks for getting back with me in in such short notice.

I will inform Mike that we will not be able to make it and ask him to keep us in mind for next year as well as the Saint Patrick's day parade.

Thanks Noble Doug Garland for your support in this action

God bless,

Subject: Estimate for Partial Wrap on Honda Odyssey for Shriner's

Hey Donnie

Attached is the Estimate for the partial wrap. I gave you an option (lines 3 and 4) to carry the wrap on to the roof if you want. Most people do not do this but some prefer it. If you do not carry it up and wrap the roof, the wrap will stop at the roof line on the sides.

So basically if you want the roof wrapped it will be about \$1883.55 (line 1, 3 and 4)
And if you do not wrap the roof it's about \$1688.15 (line 1 and 2)

And keep in mind these are estimates based on the Honda Odyssey we designed the graphics on and the installation being at Red Eye. Pricing may vary some from vehicle to vehicle depending on the actual measurements of each vehicle. IF we need to install any of these in an offsite location, that is possible but we will have to quote the install separately based on each location.

Also, if this becomes an order and depending on the total number of vans you commit to, we can look at qty discounts or possibly a donation of one from us. These prices have been discounted already a good bit.

This Estimate does not include any removal of existing graphics on any of the vans. If you need us to remove any graphics, we are happy to do so but cannot quote those prices until we actually see each vehicle. Removals can be easy or very complicated depending on the material that was used and how long the graphics have been on the vehicle. It could range from \$100-\$600 per vehicle so that is why it is almost impossible to quote removals in advance.

Let me know if you need anything else from me at this time.

Thanks so much for the opportunity to quote and design this for you. I hope we are able to work together on this project soon. It is a great cause and you are doing wonderful things to support it!

Ladies and Nobles,

I have received several calls in reference to having PIZZA tonight for our meeting. It was recommended that we either order something else or maybe go to Elizabeth's after the meeting for a sit down meal and fellowship. I like both ideas; leaning towards the Elizabeth choice..... This has been fun in the past and a good time for all. We can make a decision at the beginning of the meeting tonight at NASCARTS.

Ladies and Nobles,

I have received several calls in reference to having PIZZA tonight for our meeting. It was recommended that we either order something else or maybe go to Elizabeth's after the meeting for a sit down meal and fellowship. I like both ideas; leaning towards the Elizabeth choice..... This has been fun in the past and a good time for all. We can make a decision at the beginning of the meeting tonight at NASCARTS.

Bobby

I see the SASA schedule of events, but the OASIS schedule is not included. Perhaps the OASIS schedule, showing Hospitality location and times, Banquet location and times for Friday and Saturday could be published in September.

Will there be an Oasis Schedule of Events published in the September Desert Dust? I find none in the July and August editions, and members of my Club and Unit would like information about the Oasis Hospitality, Banquets, locations, etc.

Hi – please see the below letter – click on permit form – it explains what you have to have to get a permit for casino night – I need the 501 C letter and we need a determination letter from the DOR – I spoke with Cathleen Poole in Raleigh (contact for permit) she said that most non profits do not have the letter from the dept of revenue and that you should call the number 1-877-252-3052 and ask for corporation level 3 – tell them you need the determination letter and find out how to get one. I cannot do this for Oasis – can you help me – I have to have this to overnight with the application to the State or we will have to post phone the vent or return peoples money.

Kimberly,

We look forward to your upcoming casino theme party. Effective June 1st, 2019, there are changes to North Carolina laws concerning casino nights. All casino nights require a permit. You can find details and the permit forms [here](#).

In short you must be an employer with 25 or more employees, a trade association with 25 or more members, or a charity of over 5 years. In addition, your event must be held at a venue with an ABC permit to serve alcohol. The fee for the permit is \$100.

It is of the utmost importance that you apply for your permit immediately. The new law limits the number of casino nights each venue can have each month. Failure to apply for your permit early, may result in the loss of your venue's availability. Once received, Casino Party Aces requires a scanned copy of your permit be on file.

In section 8 of the form you will need to fill in the VENDOR information. Enter the following information:

NC Gaming PERMIT# 20190001
ADDRESS: 303 S. Broad St.
Winston-Salem, Forsyth County, NC 27101
NAME: Charlie Grubb PHONE: 888-809-9800

Red Fez Shrine Club ABC File# [REDACTED]

As a reminder, deposits on casino nights are non-refundable. However, if you need to reschedule to accommodate the new law, it can be applied to a future date for up to one year.

If you have any questions regarding the permit process, please contact NC ALE - Gaming Section at 919-733-4060 or email cathleen.poole@ncdps.gov

Kaitlin forwarded me the attached – she couldn't find the articles of inc for Oasis temple. So if the red fez has a 501 C I think we should use it so it matches articles of inc. I have a text to Chip to see if he has it. Keep me posted.

Hi there – Oasis Temple is not under Shriners International it's under Oasis Temple A.A.O.N.M.S. I tried looking it up on the SOS website under a variety of different names but couldn't find them listed at all.

If it does pose an issue with Shriners, and you have both a 501© and Articles from Red Fez Club I would file under that. I would expect your permit needed to be where and under which club is hosting the event (not the parent company).

Hi,

This may get messy, but let's try this:

Kim, they may ask questions about Casino Night I can not answer, so you are on the hook.

Call the Department of Treasury in Cincinnati, OH and explain you need a Determination Letter concerning your section 501 (c) (3) tax exempt status. In 2008 they identified as being Room 4010 (this may help in getting to the correct person / group - government works in strange ways).

Identify yourself as The Red Fez Club, Inc., if no hit try Red Fez Shrine Club.
Use Federal Tax Id: 56-0373240.
Use mailing address: 16600 Red Fez Club Road Charlotte, NC 28278.

If they find us ask for a e-mail Determination Letter to you to meet the needs of Casino Night.

The letter Chip sent me looks like a group in Rocky Point, NC went through this in October 2008.

About two years ago our Income Taxes were filed under The Red Fez Club, Inc. and I did not catch it until after filing, this caused a minor meltdown, but we got through it. Also, we are under the umbrella of the Shrine International tax reporting system also.

Cross your fingers.

Hi Cathleen:

Thank you so much for speaking with me yesterday about obtaining a permit for our casino night which is being held NEXT Saturday night August 17th. I am so sorry that we have not applied for a permit before now – but we were not aware of this new law. I have attached the application and the IRS letter along with the By-laws which state that Oasis Shriners operates under Shriners International. We are raising money for the Shriners Children's Hospital at this event.

We have contacted the Dept of Revenue and we do actually have a letter on file with them for the Shriner's International stating that the organization is a exempt entity. However they will not email, or fax that letter to us – they have to mail it. Once we have that letter I will forward to you in an email and then I will overnight all information along with a check for \$100 for the permit.

Do you actually mail us a permit or is it something we can get by email and print it? Please advise. And again thank you so much for your consideration for our permit. We have already sold over 100 tickets and we would hate to have to cancel it. Thank you again.

Hi Cathleen:

Thank you so much for speaking with me yesterday about obtaining a permit for our casino night which is being held NEXT Saturday night August 17th. I am so sorry that we have not applied for a permit before now – but we were not aware of this new law. I have attached the application and

the IRS letter along with the By-laws which state that Oasis Shriners operates under Shriners International. We are raising money for the Shriners Children's Hospital at this event.

We have contacted the Dept of Revenue and we do actually have a letter on file with them for the Shriner's International stating that the organization is a exempt entity. However they will not email, or fax that letter to us – they have to mail it. Once we have that letter I will forward to you in an email and then I will overnight all information along with a check for \$100 for the permit.

Do you actually mail us a permit or is it something we can get by email and print it? Please advise. And again thank you so much for your consideration for our permit. We have already sold over 100 tickets and we would hate to have to cancel it. Thank you again.

Ladies and Gentlemen:

Thank you for furnishing information concerning the subject corporation's tax status.

This Department has assigned the corporation an exempt status for franchise and income tax purposes under Sections 105-125(a)(1) and 105-130.11(a)(3), respectively, of the General Statutes of North Carolina. This determination applies only to the organization's status under the corporate income and franchise tax laws.

If it becomes subject to the tax on unrelated business income as provided in G. S. 105-130.11(b), it will be required to complete the income tax schedules of *North Carolina Corporation Franchise And Income Tax Return* (Form CD-405) and file the return on or before the 15th day of the fifth month after the close of the income year, subject to any extension of time which may be granted.

This exemption is contingent upon the corporation's operating within the scope of the applicable provisions of the Internal Revenue Code. This exempt status becomes invalid at the same time as, and upon a determination by the Internal Revenue Service that the organization does not qualify for a tax exempt status under the Internal Revenue Code of 1986 or corresponding provisions of any subsequent Federal Tax Laws.

In the event the Internal Revenue Service denies a current exemption request or revokes a previous exemption, this Department should be notified promptly. In the event of changes to either the Articles of Incorporation or to the nature of the functions for which exemption has been granted, this Department should also be notified promptly.

Everything else looks good. I should be able to issue the license as soon as I get that letter. I can also email you a copy so you have it sooner than a mailed copy.

Hi Cathleen:

Thank you so much for speaking with me yesterday about obtaining a permit for our casino night which is being held NEXT Saturday night August 17th. I am so sorry that we have not applied for a permit before now – but we were not aware of this new law. I have attached the application and the IRS letter along with the By-laws which state that Oasis Shriners operates under Shriners International. We are raising money for the Shriners Children’s Hospital at this event.

We have contacted the Dept of Revenue and we do actually have a letter on file with them for the Shriner’s International stating that the organization is a exempt entity. However they will not email, or fax that letter to us – they have to mail it. Once we have that letter I will forward to you in an email and then I will overnight all information along with a check for \$100 for the permit.

Do you actually mail us a permit or is it something we can get by email and print it? Please advise. And again thank you so much for your consideration for our permit. We have already sold over 100 tickets and we would hate to have to cancel it. Thank you again.

Ladies and Nobles:

Just a reminder, Saturday 17 AUG 2019 at 9:00 AM, is our monthly stated meeting. In as much we will be preparing (maintenance and operational readiness) our NASCARTS for SASA. Additionally we will be loading out the NASCARTS on the trailer to be hauled to SASA.

We will be discussing and practicing a parade routine for SASA. So those of you who will be hauling your own NASCARTS to SASA, you need to bring them to the meeting on Saturday so we can conduct a practice.

There will be no formal breakfast served this meeting as Stokesdale lodge is having our monthly community breakfast at the lodge and Bonnie and I will have prepared food for them and I will be at the lodge at 6:00 AM helping WM Noble Richard preparing for this event. I will leave the lodge in time to make the meeting at the Shrine Club and will have 6A with me. If anyone wants to pick up some donuts or biscuits please feel free to do so.

All NASCARTS members (riding and non-riding members) are asked to be at the meeting to assist, plan and load out for the unit.

Thanks everyone, see you all on Saturday.

Noble Doug has sent a notice to all of us requesting to support him in an event with a

Golf cart raffle (\$20 tickets) for the Greenville Shriners. Review the notice he sent you and let him know if you want any tickets. If we get squared away in time, I am going to try and stop over with the 6A (as an unofficial personal display) for the event, BBQ to be had I believe at \$10.00 donation. Call Doug for more information and raffle ticket purchase.

Bobby,

Thanks for the email update. I want to remind everyone that Oasis only pays the \$15 for those members who participate in the parade. If you are not in the parade, Oasis will not cover your entry fee. The director and assistant director will be checking all clubs and units as they are stepping off at the start of the parade for the numbers and who attended.

Hope that help let everyone know.

Thanks. John

John,

Just making sure that Kenny's fez has been ordered. Normally the Recorder will do this or if Dave Wallace (his Chief Aide) wants to stop by and advise me, I can do that.

Also Kenny's jewel needs to be ordered.

I have taken care of all of Bill Carters fezzes for next year including his. As Bill, Lee and myself have communicated on this matter. The time frame now receiving those fezzes is middle of November.

Thanks,

Linda

John,

I have followed up on the banking password for Wells Fargo. The bank requires: DOB, SS, Email and telephone number to add you and Lori to the on line banking for our credit card. Please set up access any way you choose, I made the change when Brittany left and other credit card issues we had at that time. I cancelled the card for Brittany.

The Oasis Shrine Temple's NASCARTS Parade Unit is stationed out of the Greensboro Shrine Club, Greensboro, NC.

Commanded By: Captain Robert Warren Jr.

The Unit was established on [REDACTED] with five of the original plank members still parading and participating in the unit's activities.

The Unit consists of twenty-five active riding and participating members with two auxiliary members supporting the unit.

The unit travels and parades in the cities and towns of North Carolina throughout the Oasis Temple area. Cities like Greensboro, Charlotte, Stokesdale, Pleasant Garden, Oak Ridge, Reidsville, Browns Summit, Oxford, Maggie Valley, Blowing Rock, and other locations,

In 2018 the NASCARTS Parade Unit raised \$ [REDACTED].00 of in support of the Shriners Children's Hospitals.

The unit has several different types of parade vehicles from Go Carts emulating current NASCAR racing favorites, such as [REDACTED] to some of the original NASCAR racing favorites like the legendary "6A" local racing icon Bobby Myers from years gone by. Additionally, part of the unit's vehicles includes Golf Carts and Buggies which are used to transport our NASCARTS Ladies in Non-Shrine Civic parades spreading the Good Will and Word of the Oasis Shriners and Shriners International. Ladies and Nobles,

Information for all:

This is the potential parade schedule for the remainder of 2019, subject to possible changes by weather and Parade Committees.

I do not believe we can do two parades on the 23rd of NOV, Oak Ridge is confirmed, Reidsville is not and I don't have any updated information on Reidsville yet.

We have to pay a fee to parade in Reidsville. Oak Ridge may be giving us a donation.

My recommendation is we scrub Reidsville this year, a unit decision we can make at the NASCARTS meeting at SASA or October stated meeting.

Plans are being finalized for our sixth annual, joint officer's dinner, at Homecoming of The Masonic Home for Children. It will be held Friday night October 11th, at the Granville County Shrine Club, Oxford, NC. Officers and ladies are invited to attend. We will have prime rib as our main course with all the trimmings and desert. This year, as last, there will be an open bar with choices of beer, wine and mixed drinks. The social will begin at 6:30, with dinner served between 7:00 and 7:30. The cost, as last year, will be \$25.00 per person. I will provide additional details as they become available. Please make sure all of your respective officers are aware of this as well as any PGM's or PP's that may be interested in attending.

In addition, please RSVP to C. Lee Abernethy III, please respond if attending or not and how many with you.

News on road construction

September 16, 2019

Mr. Helms, let me apologize for my delayed response. I have been in touch with DOT and they are saying this is a developer project and the completion of the new alignment on Red Fez Club Road should be completed in about 6-8 weeks, weather permitting. Once the connection to NC 49 is completed, the temporary detour can be removed. They say that the project was delayed because of utility conflicts.

Let me know if this answer is satisfactory. Thanks!

Best regards,

John Wynne

Office of Sen. Dan Bishop

bishopla@ncleg.net

I have also spoken with Tommy Price, Project Director for Bontera Properties. He has also met with the powers that be and given the same time line. AT&T, as you know, has issues too. So Senator Dan Bishop and Tommy Price are communicating with them, also. Tommy said they would be having a meeting every Wednesday until issues are resolved.

The social will begin at 6:30, with dinner served between 7:00 and 7:30. The cost, as last year, will be \$25.00 per person. I will provide additional details as they become available. Please make sure all of your respective officers are aware of this as well as any PGM's or PP's that may be interested in attending.

In addition, please RSVP to C. Lee Abernethy III, please respond if attending or not and how many with you.

We, in North Carolina, enjoy an excellent relationship between our Grand Lodge and our shrine temples, this event is to acknowledge that relationship, establish friendships and ensure that harmony will always exist. If you have any questions or comments, please contact me at your convenience.

Sincerely and Fraternaly,

Joint Dinner The Masonic Home for Children Homecoming Friday night October 11th, 2019

To the Most Worshipful Grand Master of Masons of North Carolina, the Right Worshipful and Worshipful officers of the Grand Lodge, and Past Grand Masters; the Illustrious Potentates, of Oasis, Sudan and Amran Temples, their Divans and Past Potentates

Plans are being finalized for our sixth annual, joint officer's dinner, at Homecoming of The Masonic Home for Children. It will be held Friday night October 11th, at the Granville County Shrine Club, Oxford, NC. Officers and ladies are invited to attend. We will have prime rib as our main course with all the trimmings and desert. This year, as last, there will be an open bar with choices of beer, wine and mixed drinks. The social will begin at 6:30, with dinner served between 7:00 and 7:30. The cost, as last year, will be \$25.00 per person. I will provide additional details as they become available. Please make sure all of your respective officers are aware of this as well as any PGM's or PP's that may be interested in attending.

In addition, please RSVP to C. Lee Abernethy III, please

**respond if attending or not and how many with you.
cleeabernethy3rd@gmail.com no later than October 4st
2019, so our hosts can plan for the meal.**

We, in North Carolina, enjoy an excellent relationship between our Grand Lodge and our shrine temples, this event is to acknowledge that relationship, establish friendships and ensure that harmony will always exist. If you have any questions or comments, please contact me at your convenience.

Sincerely and Fraternaly,

Jack,

Please call me or Ben with any questions. I will be at Oasis before by noon to sign the Circus check. We typically have Jody settle the Fletcher money in Concord. You should confirm attendance with Jim (prior years) as that does become part of venue costs.

Mr. Harward,

They will be all set for Jody to pick up the cash on Friday.

Would you please just let Jody know that he will have to provide his current driver's license, home address, occupation, etc. in order for the branch to fill out the Currency Transaction Report. The CTR is required on all cash withdrawals over \$10,000.

Please let me know if you have any questions.

Commissioner – Mike Causey

Greetings to All Oasis Nobles, Ladies and Friends, again I want to personally thank each of you for being a part of Oasis and what we are doing.

What a great and fast pace month we had at Oasis. Fall SASA was outstanding with entertainment and activities for all who attended and enjoy. The parade had us starting 5th and Oasis brought home enough trophies to win us second place over all out of the 20 Shrine Centers. A special thanks to all those that assist in putting on this great event. We attended several days of meetings with all the Shrine Centers that make up the association along with Imperial Officers. Imperial Sir Jeffrey Sowder spoke about the General Order that came out requiring all clubs and units to hold their elections by October 30th of each year and that each secretary of their club and unit be trained on and given access to Webfez in order to maintain a more current and up to date information system.

They are giving each Shrine Center some additional time to get this requirement done this first year, but after that this will be the new standard for all to follow worldwide. Imperial wants to be able to receive and distribute this information more efficiently and timely. When you have your club and unit elections, please contact me and the Temple staff by email with your results. We will assist you this year in getting your information entered in Webfez and getting each of you set up to enter and adjust this from now on.

The "Just One" program is going on and Oasis needs to be part of it. This is a great way to rebuild our membership one member at a time. If all 4,700 Oasis Shiner's gets one person to join that 9,400 this year and puts us well back over the top of being the largest Shrine Center in Imperial. So, get with those good men that you know and get them involved in our great fraternity today.

Later in the month, I traveled along with Noble Doug Garland to the Rowan County Shrine Club's annual fish fry. This was my first time attending this fine event and I was completely blown away at the amount of people who attended and the workers who had this down to a science. Thank you, ladies and guys, for making this such a wonderful and great tasting event to attend.

Speaking of fish, a week later, Carol and I along with about 200 others attended the Greensboro Shrine Club Fish Fry. Noble Ben Hamilton, Greensboro Shrine Club President wanted to bring back the days of old when Greensboro had annual fish fries. I stood in amazement and watch some of our most seasoned members once again at the helm cooking fish, frying hush puppies and serving some of the best oyster stew. Butch and the guys, thanks to each of you who

brought this great event back to life for us who never had the opportunity to enjoy its greatness. Looking for many more years of this event in years to come.

Several of Oasis faithful along with the other two North Carolina Temples went on a week-long 4 wheeling excursion to WVA. There were a few miss haps, but everyone seems to have had a great time and most of all the fellowship of all North Carolina Shrine Centers was displayed for everyone to see.

Our annual Shrine Circus took place in Fletcher and Concord and was once again a huge success for Oasis fundraising efforts. Noble Jack Wallace and his team worked tirelessly all year long to bring this event to the public and spread the news about Oasis Shiner's and what we do each day. Great Job!

By the time this reaches most of you we will have had our "Big Fall Ceremonial" on November 1-2 in Aberdeen. I will cover more about that in our next issue.

Please mark your calendars for the Temple elections on Saturday December 7th at 3pm. The Divan will be traveling that morning to the Grand Masters installation in Raleigh but will return to Charlotte by 3. Hope to see you there

Also make plans to attend our annual club and unit appreciation night on January 3, 2020. This is a free event open to all Oasis members, their families and special friends. Please come and enjoy your Oasis Shrine Center.

"Remember, there is something for everyone at Oasis and the more you get involved the more you will see in return".

Until next month and God Bless

YITF

Ladies and Nobles,

It is imperative that you RSVP for the NASCARTS Election Banquet (Dinner). This is a very special evening and dinner that Bonnie and I will be preparing for everyone. As you can understand from the menu, a head count for you and your lady or noble is very important.

Again the menu:

PRIME RIB
Baked Potatoes
Italian Green Beans
Rolls
Tossed Salad
Desert
Drinks

In coordination with Captain Robert, I have invited guests, Noble Bobby and Lady Linda Trantham (our club rental operations management team) and Noble Clay McClean and his wife to share dinner with us. Bobby and Linda have confirmed and Clay is checking schedule.

This is going to be a great time as we put the new leadership team together for next year, share some fun, and enjoy each others company.

We will have a short stated meeting after the election dinner and election.

EMAIL me or call me on the phone (636) 578-2502 or LTCBOBBYOHMR@AOL.COM wit your RSVP. Let the call go to voice mail if I can't get to it in time.

Confirmed: Roy Williams, Me and Bonnie, Bobby and Linda, Leonard and Tracey (Can't make it), Leroy and Cynthia, Robert and Gwynne, Ben and Emily, Jim and

Judy Coleman.

See you guy's next week.

Subject: [External] NASCARTS Dinner RSVP

CAUTION: External email. Do not click links or open attachments unless you verify. Send all suspicious email as an attachment to report.spam@nc.gov

Ladies and Nobles,

It is imperative that you RSVP for the NASCARTS Election Banquet (Dinner). This is a very special evening and dinner that Bonnie and I will be preparing for everyone. As you can understand from the menu, a head count for you and your lady or noble is very important.

Again the menu:

PRIME RIB
Baked Potatoes
Italian Green Beans
Rolls
Tossed Salad
Desert
Drinks

In coordination with Captain Robert, I have invited guests, Noble Bobby and Lady Linda Trantham (our club rental operations management team) and Noble Clay McClean and his wife to share dinner with us. Bobby and Linda have confirmed and Clay is checking schedule.

This is going to be a great time as we put the new leadership team together for next year, share some fun, and enjoy each others company.

We will have a short stated meeting after the election dinner and election.

EMAIL me or call me on the phone (636) 578-2502 or LTCBOBBYOHMR@AOL.COM wit your RSVP. Let the call go to voice mail if I can't get to it in time.

Confirmed: Roy Williams, Me and Bonnie, Bobby and Linda, Leonard and Tracey (Can't make it), Leroy and Cynthia, Robert and Gwynne, Ben and Emily, Jim and Judy Coleman.

See you guy's next week.

Bobby

Good evening, Paul:

We appreciate your email and thanks for reaching out In my capacity as a member of our Oasis team, I am assisting Mr Ken Jarrett, 2019 Potentate/CEO, with his Fall Ceremonial arrangements Our Ceremonials always include a parade and Ms Beverly Stewart highly recommended we consider Aberdeen We appreciate your consideration as well As part of our planning process, we had share with Beverly that we would like to arrange for an in-person meeting in Aberdeen on Friday, May 24 We had suggested 11:00 am but are flexible and our

team would essentially block off the entire day for our visit. When we typically arrange for these planning meetings months in advance, we hope to discuss all necessary logistics pertaining to our request (parade route, law enforcement assistance, town council or other permissions, etc.) realizing those items take time to complete following our meeting. We could formally make our application while visiting with you on Friday, May 24. Beverly has been working on confirming the exact time and meeting location for us since multiple individuals will be involved. The actual parade would occur on Saturday, November 2. The parade consists of a typical Shriners parade with our many parade units participating (flags/colors, bands, mini trucks, and much more).

Certainly, feel free to maintain my contact information as well as Ken Jarrett. His cell is 828 381 1780 and his email address is kenmachd@gmail.com. His Chief Aide is Dave Wallace and both men are included on this correspondence.

We look forward to hearing from you as well as Beverly once she has the exact time and meeting location confirmed for us.

Second, what day do you intend to meet and/or make application in advance of the event and where and when will this meeting occur?

Bobby,

First of all allow me to thank those that prepared a great meal last night. I would like to also thank everyone who attended and was able to partake of the great meal, great fellowship and fun.

We covered so many items very productively and in large part due to your organization skills.

Members, we are very fortunate to have such dedicated persons that we can count on such and Bobby and Bonnie, Bobby and Linda. Also the ladies and Garland kids who cleaned up.

As we move on into 2020, I will fully support Robert as Captain and the others of the unit along with Ben and the club.

Thanks again for a truly great experience last night and God Bless.

The OASIS Shriners NASCARTS Parade Unit is a motorized parade club which was established May of 2014 at the Greensboro Shrine Club. The unit displays and parades custom finished replicas of current NASCAR and Old School Moonshiners 1935 Ford style racing cars. The unit parades throughout North and South Carolina bringing attention to the Shriners Hospitals for the burned and crippled children of our community. Most of these carts and cars are privately owned and built by members of the unit at their personal expense. The cars and NASCAR Style Go-Carts are numbered and adorned in likeness of some of the originators and historical drivers of NASCAR.

candidates do not answer, instruct them to answer. After the questions you will have two short paragraphs. When you finish take your seat.

Section 1:

Should any man Religion be LAUGHED AT?

(pause for answer)

Scoffed At?

(Pause for answer)

Ridiculed?

(pause for answer)

If it is not the best of faiths, MUST it be the WORST?

(Slight pause)

Then think on this MY BROTHERS!

Can not a NOBEL heart in any man, beat STRONG and TRUE, and GOD'S blessings SEEK!

(short pause)

Nobel's, with is NO INTOLERANCE should you suspect, for ALL MANKIND'S RELIGION'S we RESPECT!

Hi Nobles,

Attached will show you 2018 12 month rental and expensive revenue. The other will be 2019 YTD actual vs. budget. Please keep in mind on rental deposits/expenses etc may not have rolled 100% in September month end.

Over all tracking a little behind on Sales, however tracking better on expenses which is most important.

Also please keep in mind budget is divided by 12 not by seasonality.

Thanks,

Brethren,

It has come to my attention that the membership voted to purchase a Legends Car and Trailer for approximately \$9,000.00. It was my recollection that the Unit had previously stated that we would supply cars for members. In my research of our most recent ByLaws, Approved October 2018 it states under Section 2.6 Exceptions **ALL** applicants being voted and affirmed for Active Membership will be required to absorb the cost (purchase) their unit regalia: (a) approved uniform; (b) liability insurance; (c) individual vehicle (NASCART); Furthermore, **§8.5 New and Replacement Equipment states** The purchase of any new or used Unit support equipment and or

inventory stocking of uniforms having an expenditure of less than \$2,000.00 may be authorized by a majority vote of all members present and voting at any regular or annual meeting. Any purchase having an expenditure of \$2,000.00 or more must first be warned by a notice of the members, no less than seven (7) days in advance of the meeting. An affirmative majority vote of the members present and voting at such duly warned meeting shall constitute approval of the expenditure.

It is mine and others beliefs that this afore mentioned purchase would be in direct conflict with the current by laws and should be negated until such time that a proper vote and discussion can be held.

Brethren,

It has come to my attention that the membership voted to purchase a Legends Car and Trailer for approximately \$9,000.00. It was my recollection that the Unit had previously stated that we would supply cars for members. In my research of our most recent ByLaws, Approved October 2018 it states under Section 2.6 Exceptions **ALL** applicants being voted and affirmed for Active Membership will be required to absorb the cost (purchase) their unit regalia: (a) approved uniform; (b) liability insurance; (c) individual vehicle (NASCART); Furthermore,

§8.5 New and Replacement Equipment states The purchase of any new or used Unit support equipment and or inventory stocking of uniforms having an expenditure of less than \$2,000.00 may be authorized by a majority vote of all members present and voting at any regular or annual meeting. **Any purchase having an**

expenditure of \$2,000.00 or more must first be warned by a notice of the members, no less than seven (7) days in advance of the meeting. An affirmative majority vote of the members present and voting at such duly warned meeting shall constitute approval of the expenditure.

THERE IS NO PARAGRAPH 8.5 IN THE BYLAWS!

It is mine and others beliefs that this afore mentioned purchase would be in direct conflict with the current by laws and should be negated until such time that a proper vote and discussion can be held.

Brethren,

It has come to my attention that the membership voted to

purchase a Legends Car and Trailer for approximately \$9,000.00. It was my recollection that the Unit had previously stated that we would supply cars for members. In my research of our most recent ByLaws, Approved October 2018 it states under Section 2.6 Exceptions **ALL** applicants being voted and affirmed for Active Membership will be required to absorb the cost (purchase) their unit regalia: (a) approved uniform; (b) liability insurance; (c) individual vehicle (NASCART); Furthermore,

§8.5 New and Replacement Equipment states The purchase of any new or used Unit support equipment and or inventory stocking of uniforms having an expenditure of less than \$2,000.00 may be authorized by a majority vote of all members present and voting at any regular or annual meeting. Any purchase having an expenditure of \$2,000.00 or more must first be warned by a notice of the members, no less than seven (7) days in advance of the meeting. An affirmative majority vote of the members present and voting at such duly warned meeting shall constitute approval of the expenditure.

THERE IS NO PARAGRAPH 8.5 IN THE BYLAWS!

It is mine and others beliefs that this afore mentioned purchase would be in direct conflict with the current by laws and should be negated until such time that a proper vote and discussion can be held.

It was a pleasure talking with you, Gene. I felt a strong need to share everything I know about this project so that you can prepare an informed quote.

The attached file has been broken down into separate Excel files because when I started working with the document, it was one HUGE workbook making editing a nightmare. As I explained, the admin in Oasis HQ is the one who assimilates this information once she gets the 2020 updates. I don't know if there is need for coaching in order to simplify the pre-press operation. If so, she is most willing and capable.

Another consideration is the calendar. This will need to be designed in such a way as to fill the page. Last year's did not turn out like I wanted it--nothing about last year's directory turned out like I wanted it. This is where you come in.

Please stay in touch. I will assist you any way I can, but I am unable to take ownership of this project.

In harmony,

Eddie Wilson

Ladies and Nobles,

What a great day for a parade, Ladies Tracy and Bonnie, Nobles Jim Coleman, Phil, Everett, Bobby, Rick, Matt, Robert, and Sean attended the parade representing our NASCARTS. The weather was a little nippy at first, but warmed up greatly by parade time.

Captain Robert asked me to pass on his thanks and appreciation to al that attended the parade. We made some new friends and contacts AND it was fun for all. Oh, and BTW, Jim Coleman got to ride in the Veterans Tractor Trailer, he kept wanting to blow the Air Horn... and when he got out of the truck, he had his wallet chained to his belt, his ball cap brim rolled tight and way back on this head singing Dave Dudley's "***SIX DAYS ON THE ROAD AND I'M GONA' MAKE IT HOME TONIGHT***" and ***HE was headed to the Teamsters union hall.*** Lord help Lady Judy!

Great Time, **NEXT PARADE IS: NOVEMBER 23** at **Oak Ridge** details to follow soon.

AN UNexcusable oversight!!!!!!!!!!!!

HEAR YE, HEAR YE.... By announcement of the Admin Officer of the NASCARTS, I hereby proclaim for all to take due notice of...

NOBLE Lenoard Stump was wrongfully not mentioned in the message below, honoring our NASCARTS LADIES AND MEMBERS present at the DAV Post 20 Greensboro parade... he, was in fact present and leadin the way as point man for the "NASCARTS CREW"

Note the attached pictures verifying his attendance..... :)

Sorry brother, tell the Captain to fire me..... : (Ba ha ha he ain't gona' do dat!

Your loving brother Bobby... Be nice to me or I'm telling Mommy!

Ladies and Nobles,

What a great day for a parade, Ladies Tracy and Bonnie, Nobles Jim Coleman, Phil, Everett, Bobby, Rick, Matt, Robert, and Sean attended the parade representing our NASCARTS. The weather was a little nippy at first, but warmed up greatly by parade time.

Captain Robert asked me to pass on his thanks and appreciation to al that attended the parade. We made some new friends and contacts AND it was fun for all. Oh, and BTW, Jim Coleman got to ride in the Veterans Tractor Trailer, he kept wanting to blow the Air Horn... and when he got out of the truck, he had his wallet chained to his belt, his ball cap brim rolled tight and way back on this head singing Dave Dudley's "**SIX**

DAYS ON THE ROAD AND I'M GONA' MAKE IT HOME TONIGHT" and HE was headed to the Teamsters union hall. Lord help Lady Judy!

Great Time, **NEXT PARADE IS: NOVEMBER 23** at **Oak Ridge** details to follow soon.

Dear All,

I am sending this email to you so you will not be surprised if an issue arises with Beth Richeson regarding decorations, etc. for the 2020 Installation.

I have worked months with Beth Richeson on decorating for the installation. After months of prices changing I wanted something concrete so I created a QUOTE which I signed and sent to her regarding the installation with her new pricing. She continually ignored the quote and would not physically sign the paper. I told her I could not pay the deposit until she signed the quote and returned it to me. I would have to trade it in to accounting for the deposit check. I went ahead without her knowing and requested the check last Friday, November 8, 2019 intending to pay her the deposit after I received the signed document. I have emails documenting my requests for her to sign.

When I contacted Lori (accounting) on the 12th November to see if the check was written she explained that it would be in the next check run for Thursday, November 21st unless she needed me to request a quick payment. I explained this to Beth in a text message. Later I asked Lori to do this for me. Then Beth pulled out of doing the party because she couldn't be paid and I refused to write her a personal check. I then sent an email to Lori and told her not to write this check.

The following are text messages I have on my phone between me and Beth.

November 13th, 2019

Wednesday, 10:38 AM from 704-212-8258 from Beth Richeson

I tried calling you. i need to get a check today or I really can not do the event. My husband is really upset with me because I promised him that you would come through as promised 2 weeks ago with the payment. I went behind his back and ordered the things anyway without a

deposit. I was promised that I would have a check last week then told that they would not cut a check until Saturday and I could get it on Monday. That did not happen either. Now it is Wednesday and there is still no check. This is not my party to fund. After we spoke yesterday concerning the feathers I tried to call you again with no luck. Sherry and I both have tried to get in touch with you with no success. I just can not keep going through this and putting my marriage in this situation. I just can not figure out why everyone else can get paid but me.

My response immediately afterwards same day

I asked about the check yesterday. They put it in the run for next Wed and did not tell me. I asked for a paper check to be written this evening when the bookkeeper shows up. It will then have to signed by 1 of 3 men. I've requested they put a rush on it. If you don't want to do it I understand. I can tell her not to write the check. I'm sorry this isn't going the way we wanted, but I have a budget to keep within and it has been very difficult to get clear pricing. Still not clear on table arrangements \$\$. My phone did not ring yesterday evening. The last time your number shows up is 11:18 AM yesterday. I spoke with Sherry later in the day. Thank you for all you have done. Please advise whether we are continuing or whether we are finished. The only person paid so far has been CWC. They sent a quote and went through the payment process. Nobody else has been paid.

Beth's response immediately afterwards same day

Ok thanks. Yes I am out. I am now stuck with table cloths that I ordered especially for you. I am expecting a check from you for rentals because you signed a contract for rentals. Take off the money for my labor and cut the check for the rest. This has been the most unoriginal and unprofessional thing I have ever been involved with. It has cost me so much time and money already. I put my family aside and my business to help with this only to get slammed with lie after lie. This is unacceptable and I am not happy to say the least. I expect a check for the rent deposit by this week.

This exercise has been a nightmare since the first day of my meetings with her. The first meeting she told me I could use her centerpieces for free. Now at this stage I'm finding she doesn't have any. She asked me to borrow additional centerpieces from others for use on the tables.

I was sent another text this morning threatening me and Oasis with a letter from her attorney. I don't want you to be caught unaware if she moves forward in this direction. She has clearly by text pulled out of the party. No contract was signed; only a quote that requested her signature which was never signed and returned to me in exchange for the deposit.

I have more emails and texts I can share with you if you have any questions please give me a call.

Regards,
Linda Rosenberger

New Year's Eve Party
Details to follow once planning is complete

In closing, I'm excited to inform you of some of our plans for the upcoming year. First, we have plans to make improvements to the pavilion in order to rent this for more weddings in addition to the business and personal parties. It is such a beautiful setting and we want to expand on that. Second, we want to work on some small projects to improve the club appearance. Third, we plan to work on advertising the club for more business meetings during the week. My goal this year is to move away from relying on tower account and stand on our own feet with rentals. We don't know how much longer we'll have the tower accounts so I'd like to use that money for emergencies only. Lastly, Lady Dawn and I would like to have several parties to raise money for the Hospital and the club. Ideas include a Super Bowl Party, theme parties, such as 70's or 80's parties, and possibly a Haunted Trail for Halloween. I would like for all our members to join together as ONE for our club. As said in the 30th degree, "We break together the bread of fraternity and drink from the same cup of Human Equality". Thank you again for trusting me as your President of the Red Fez Shrine Club this year. Together, we will make 2020 a great year!

Fraternally Yours,

Chip Rollins

President

You registered for the Town Parade and your entry will be lined up within Unit Group B. When you arrive, please enter through the first park entrance (from Linville Road) where volunteers will give you a number within your Unit Group and help direct you to the lineup. Please see the attached updated map and previous email below, for details.

The current forecast is showing possible rain; we will proceed with light rain (though the luminaries may not be possible) - however, the parade coordinator hopes to make a definitive decision by this Friday afternoon (22nd). **Any weather cancellations will be announced on the Town of Oak Ridge's Facebook page and sent out in an email.** In case of cancellation, the rain date is December 7th (and we understand if not all entries can make the rain date, and we will follow up).

Thanks again for participating in this exciting community event!!

Saturday, November 23rd, 2019 - Event Details

Thank you for your participation in Oak Ridge's first Thanksgiving Parade (*with Santa*) and annual

Light Up the Night Event!

***** Please read ALL details carefully and see attached park map and event flyer. *****

And thank you to our amazing sponsors, Maureena Shepherd & Associates, Walraven Signature Homes, King's Crossing Animal Hospital, Destination Arts, Culligan, and The Summit Church.

Rain Date: Saturday, December 7th. In case of inclement weather, parade organizer will make a final decision by 11am on Saturday, November 23rd and it will be announced on the Town's Facebook page and emailed to all registered participants.

1:30-2:00pm – Vendor Arrival / Reporting

- In order to avoid parade traffic (and be available for customers waiting for parade lineup), it is recommended that food trucks and holiday vendors be in place by 2pm.

2:30pm – Parade Arrival / Reporting

- **IMPORTANT – Be parked and ready to be assembled by 2:30pm**, because roads around the park will **close at 3pm**.
- **HORSE ENTRIES** – Report to the Scoggins Road parking lot (on map) and look for signs. Volunteers will be available to help direct you with parking your trailer(s) and toward the main parking lot for lineup.
- **ALL OTHER ENTRIES** – Report to the Oak Ridge Town Park, main parking lot (6231 Lisa Drive) and follow signs.

2:30-3:00pm – Parade Line-Up

- By November 19th, you'll receive an email with additional details and your "**Unit Group Letter**". Upon arrival, you will check in with a volunteer (identified with a lanyard) to receive a lineup number within your Unit Group (and there will be signs designating where each Unit is to go).

3:30pm – Parade Begins

- Follow volunteers (and the unit in front of you) as they direct each Unit Group from the parking lot and out onto Lisa drive.
 - o Keep two car-lengths (or a reasonable distance) from the unit in front of you.
- Parade Route will turn right onto Linville Rd. Route is NOT a loop; it is a one-directional, 1-mile route, ending at Barrow Oil (8482 Linville Rd.)
 - o Volunteers will be available at the end/turnaround point to direct parade traffic.
 - Bus will be available here to transport walkers (as needed), back to the main parking lot (starting location).
 - o If members of your group are not able to complete the 1-mile route (i.e. younger children/walkers, etc.), please contact the Town of Oak Ridge for information on a shorter route option.
- **CANDY / GIVEAWAY ITEMS:** Participants shall have responsible adults with their entry to monitor safety and all candy/giveaways.
 - o **Extreme care** shall be used when throwing or tossing candy/giveaways, etc. from a unit. It is recommended there will be no physical contact between the parade participants and the spectators during the parade. If a unit is throwing candy/giveaways, etc. the responsible adults shall closely monitor the activity to ensure it is done safely, for parade participants and spectators. (Suggestion: When throwing candy, aim at the curb or edge of the road to minimize the chance of hitting someone, or throwing too short so a child runs into the road to retrieve it).
 - o **PACE YOURSELF!!!** Remember: The route is a mile long and you want to give spectators in the second half of the parade an equal chance to receive candy/giveaways.

4:30pm – Post Parade Schedule/Activities

- Join us after the parade!
 - o 3:00pm – Holiday Market (food trucks, vendors & more)
 - o 3:30-6:30pm – Hot chocolate, Snowball Alley & Photo Op (by The Summit)
 - o 3:30-4:30pm – Thanksgiving Parade *with Santa!*
 - o 4:45-6:30pm – Visits with Santa Bob (sponsored by Walraven Signature Homes)
 - o 5:00-6:30pm – Strolling Carolers
 - o 5:45-6:00pm – Music by the Oak Ridge Elementary Colts Chorale
 - o 6:00pm – Lighting of the luminaries, town tree & community trees
- Please be aware that much of the original parking lot will be open to post-parade activities.

[Volunteers Needed](#) – We still need many volunteers to make the parade successful. Please pass this on to friends/family if they are able to help.

Thank you SO much for your participation in this great community event!

OAK RIDGE PARADE SATURDAY 23 CANCELLED FOR NASCARTS

The parade for Oak Ridge tomorrow has been put off until December. In coordination with CPT Robert, **we, the NASCARTS Unit, will not be able to participate in the make up parade** as a result of all the other Masonic obligations that many of us in the unit are committed to that day.

I will inform the parade committee at Oak Ridge.

Ladies and Nobles:

I do not have the lineup information for the parade on Sunday 8 DEC 19. I spoke with the town clerk this afternoon, she said the committee was finalizing the marching order, map and assembly area and time this evening and will make distribution of the information by close of business on Wednesday. I will pass this on to you ASAP.

HOWEVER, I need to know who is parading on Sunday by tomorrow evening. We do know that the parade is stepping off at 3:00 PM, Anticipate being on site at 1:30 PM unless I receive other information. If you are parading in a golf cart, buggy, or NASCART, your FEZ is the directed headgear per the Captain. If you are in a Shine Car (35 Ford) Red Ball Cap is the directed headgear. Uniform will all be the same parade uniform, Teddy Bear parade shirt, cargo or black pants, dark shoes, Jacket, and (optional) turtle neck and gloves.

This is a civic parade so our ladies can ride!!!!

Good afternoon Shriners, I hope you all had a wonderful Thanksgiving. This is Chip Rollins, your new Red Fez Shrine Club President. We have a few announcements to make but before we get to those, I'd like to ask everyone to keep Past Potentate Illustrious Sir Todd Ham and his family in your prayers. Todd's mom, Mary Frances Trexler Hunt, passed away on December 1st. The family will receive friends on Thursday, December 5th from 3 to 4 with a service following at 4 at Trinity United Methodist Church in Charlotte. In lieu of flowers, a memorial can be made to Shriner's Hospital for Children, 604 Doug Mayes Place, Charlotte, NC 28262.

On to the announcements: The calendar stubs and money are due now so please have everything turned in to myself, Noble Alan Marfin or Denise as soon as possible.

Red Fez Club Road is now closed and we will need to enter and exit through the Palisades.

On Sunday, December 8th, the Red Fez Shrine Club will host a Children's Christmas Party from 3:30 to 5:00. We will be serving soup, sandwiches, hot cocoa and dessert with a special visit from Santa Claus. Adults: \$8 / Children 7-12: \$5 / Children 6 and under are free. Reservations are required so please RSVP by December 4th to Denise.

On Saturday, December 14th, we will host the annual Christmas Party and include an introduction of the newly inducted board. We will have a social hour at 6, dinner at 7 followed by introductions, music and dancing. Members are free, guests are \$25 and the dress code is business casual. Reservations are required so please RSVP by December 6th to Denise.

Thank you for your time and I hope to see you at the Christmas Party.

Bands, Shriners, All Marching, Dancing and Walking Entries

Your assigned staging area is:

**The former Hanson Brick site at the intersection of
Pleasant Garden Road and Forest Acres Circle**

All members of your group must be together in your assigned staging area no later than 2:00PM on Sunday, December 8th. * * * IMPORTANT INSTRUCTIONS * * *

PLEASE SHARE WITH ALL PARTICIPANTS IN YOUR PARADE ENTRY!

- ✦ The parade route begins on Pleasant Garden Road at Ryegate Drive. Volunteers will direct entries staged at the Hanson Brick parking lot to get you to your assigned position.
- ✦ Groups with multiple participants are encouraged to carpool to the Hanson Brick location to reduce the number of vehicles parking there.
- ✦ Any participants' vehicles not being used in the parade that remain parked at the Hanson Brick location will not be able to exit the parking lot until the end of the parade passes by Forest Acres Circle. There is no alternate route in and out of this parking lot to be able to leave earlier.
- ✦ The Pleasant Garden Fire Department Santa is the only Santa allowed in the parade. No other participants may use Santas of any kind in the parade entry.
- ✦ **Stop briefly and perform in front of the Judges' Stand** located in front of the Pleasant Garden Fire Department on Pleasant Garden Road so your entry can be introduced, photographed and judged.
- ✦ All parade entries will exit left into the Pleasant Garden Elementary School parking lot and proceed to the end near Appomattox Road between the playground areas. **Do not stop at the parking lot entrance to unload your riders** – this blocks the participants behind you from turning into the parking lot.
- ✦ Parade participants can be picked up in the Pleasant Garden Elementary School parking lot after the parade if they are not staying for the festivities afterwards. Anyone picking up riders should enter through the Appomattox Road entrance. Buses and vans can be moved to this parking lot after marching or walking parade participants have been dropped off at the Hanson brickyard staging area.
- ✦ Please contact Town Hall at 336-674-3002 no later than Thursday, December 5th if you have any problems or questions. If there is an emergency or urgent matter on parade day, please call Assistant Clerk Holly at **336.706.4012** or Town Hall **336-674-3002**.

OASIS NASCARTS PARADE UNIT
5010 West Gate City Blvd.
Greensboro, North Carolina 27407

16 December 2019

MEMORANDUM FOR: NASCARTS Noble members

SUBJECT: 2019 Year Ending Admin Officer's Overview of the OASIS NASCARTS Parade Unit Activities

Nobles,

1. I have taken a few minutes to look back on where we have arrived at the end of this year, 2019. These are my notes of some of the events and highlights of the year. This does not include all activities and/or events and is from my perspective. These notes are not a reflection of any member of the unit, the Captain and/or Command Group.

2. We have had a GREAT year and have undergone some significant changes and improvements. We have had ups and downs, much like any growing organization have weathered the good, bad, and ugly.

3. Some of the events that have shaped us are as follows:

a. We submitted for our annual fundraisers, Mother's Day and continuous ham sale. Both were approved by Oasis.

b. We had been awarded the Oasis Bronze Award for donations of \$4,268.00 to the Children's hospitals. Additionally, mutually supported the Greensboro Shrine Club's activities which resulted in a \$56,175.00 donation as well.

c. We again supported Noble Jim Turner's Masonic Auto Show in Greensboro by aiding at the entry points and setting up a reprehensive NASCARTS display.

d. We provided support for our new member of the Oasis Shrine, Noble Rick Sadler, as he went through the Ceremonial at Maggie Valley. We did not parade as usual because of logistical considerations for our NASCARTS.

e. We supported and sponsored, in conjunction with the Band and Greensboro Shrine Club (GSC), the Victory Junction Child Program.

f. We received four new members of the GSC and NASCARTS in March, Nobles Blaylock, Morris, Shrewsbury, and Walker.

g. In April the NASCARTS donated \$1,000.00 the GSC's Ladies Auxiliary. Photos were submitted and published in the Oasis Desert Dust,

h. Unfortunately, our Mother's Day Flower Sales was cancelled as a result of devastating severe weather which destroyed our vendors inventory.

i. We provided a "Whole Hog" cook out as a donation to the GSC fund Raiser in August.

j. We submitted quarter page advertising adds for our Christmas, Thanksgiving, and New Year ham sales in the Desert Dust.

k. We prepared for and attended SASA as a parade unit displaying several different buggies, NASCARTS Go Carts, and Legend 35' Fords NASCARTS.

l. The unit was presented with a motion to purchase from Noble Evert Jarrett the #3 1935 Legend NASCART Parade Vehicle with transport trailer for \$9,500.00. This motion was made, second, and approved. The unit now owns, for any members use, a new parade vehicle. This now means that the Oasis NASCARTS are now the only parade unit in Oasis and the Shrine International displaying/parading these three unique, hand crafted parade vehicles.

m. It was motioned and approved, based on guidance from the Oasis Temple, that the unit now focused it's fund raising efforts to build the unit and that the units would continue to provide funds at the end of the year to be sent to the hospitals and other Masonic charities as needed.

n. We welcomed Noble Sean White as our newest member of the Shrine, NASCARTS, and GSC.

o. The NASCARTS conducted our elections in concert with our annual dinner meeting. The newly elected officers were to be installed for their new two-year term in December at the GSC elections and installation ceremony.

p. The NASCARTS bylaws were reviewed, updated, and approved by the members of NASCARTS. These approved bylaws were hand carried to Oasis Temple and approved in November 2019.

q. The December Christmas dinner party was postponed until January 2020 as a result of multiple schedule conflicts. A majority of the NASCARTS members attended the GSC Black Tie Dinner in December and all the elected officers were installed by IS Noble Kenneth Jarrett Potentate of the Oasis Temple.

4. Attached are the members attendance and parade schedule from 2019. As you can see, we had a very busy year in 2019. In the January 2020 meeting the Captain plans to review the parade schedule and fund-raising events for 2020. January is when these activities requests are sent to Oasis for approval.

5. It was sad to see several NASCARTS vehicles and members leave our unit this past year; we offer our support wish the best for all. We have made great strides in the rebuilding of our NASCARTS from the devastating losses over the past few years, but we have persevered and grown. Thank you for your support and devotion, especially to our Ladies, you are the backbone of the Shrine!

ROBERT L. MYERS II
Admin Officer - Secretary
OASIS NASCARTS Unit

Good day Sherrie and Oasis Shriners

FIS has received your request for corrections to the August 2019 Creations: candidates that came in during the August 2019 ceremonial, should have received a \$82 dues forgiveness towards their 2019 dues (incentive for the year). Ladies and Nobles,

Captain Robert has changed the date for the January 2020 NASCARTS meeting to the last Saturday of January, January 25th. Because the Swing Dancers have rented the club, we will only enter the GRILL through the outside Grill doors and will not have access to the ballroom, kitchen and board room. Please do not use the main entrance to go into the Grill as the inside Grill door will be secured.

Thanks.

Laurin is clear of mind and very, very alert this morning. The surgical areas on her chest are reacting normally and as to be expected. Both surgeons will be in to check on her progress later this afternoon. The results of the biopsy on her left side lymph nodes will be available early next week. We are told by the surgeon that 95% chance that the cancer was contained to that area and not spread. Our fingers are crossed. If she gets a good report of recovery, she will be discharged after lunch to return to home. We are so grateful to everyone for their prayers and thoughts during this time.

Thanks and I will continue to keep you updated!

Shriners Creed

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name.

We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed, and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

MESSAGE FROM YOUR RED FEZ BOARD

Nobles and Ladies,

I hope everyone had a Merry Christmas and Happy New Year. First off, I would like to ask you all to say a prayer for Noble Marty Wilson. Lady Edie emailed us that Marty had a stroke and they have been at Presbyterian Main since December 26th. He is expected to be going to rehab within the next few days so let's pray for a quick recovery.

The Red Fez rang in the New Year with great food and fun. I would like to thank Past President Noble Alan Murfin and Denise for cooking breakfast and pick-ups. The food was wonderful. Our next event is the Super Bowl party and regardless of who is playing, we will make sure we have a blast. We will have several Super Bowl games and drawings so don't miss out. Let's watch football and raise money for the Hospital.

If you missed the Oasis Club and Unit Appreciation night on Friday, the Red Fez along with the Lake Wylie Classic hit another home run coming in first for the highest fundraising club with a total of \$171,870.00. I would like to give a special thank you to the Lake Wylie Classic for letting us be a part and helping with their fund raising. The Ladies Auxiliary did a wonderful job this year. Between the two Parade of Tables events and Casino Night, they were able to send \$10,000.00 to the hospital as well as send two children to Victory Junction. Well done Ladies! Thanks to all that helped to give our club this great recognition and I hope we can do even better this year. It takes all of us to make the Red Fez Club the best club in Oasis.

Our calendar sales are still going on even though the new year has started. We have decided to keep selling until the end of February and all winnings will be retroactive to the beginning of the year. Let's try and get all 1,000 calendars sold so we can make this one of our major fundraisers for years to come. Please be sure to get your money and stubs turned in as soon as possible so we can get people paid if they win.

I want to thank all Nobles and Ladies that I have already had to call on for help this year. I can't thank you enough for your support of me and Lady Dawn. We are going to have a great year and have fun at the same time. We have a lot of plans and ideas so please come out to our meeting this Friday, January 10th, and get involved. We hope to see you at the club and if you need anything please don't hesitate to call myself or one of our board members.

Fraternally yours,

Chip Rollins

Love to the rescue!

I hope you and your family had a wonderful holiday season! We are looking forward to a great 2020 at the Red Fez Club. The Ladies Auxiliary wants to invite all ladies of the Club to please come to our first meeting of the year which is January 10th. We will be discussing the upcoming plans for the year. We want your input and ideas!

Also, I want to make sure we have updated information for everyone. We will be communicating a lot through email this year and I want to make sure that everyone stays informed of all the great things happening at your club!

We will also be having a Christmas Clean Up Day on January 11th at 10:00am. We will be taking the Christmas decorations down and cleaning out old items that need to be disposed of from the dungeons below!

The Ladies Auxiliary will be recognized at Unit Appreciation Night on January 3rd at the Temple for the \$10,000 hospital donation which we made directly to the Greenville Hospital and the \$5,000 donation that was made to Victory Junction Camp. This donation sent two Shriner kids to camp for a week! Please come out and join us for this recognition. Yes! We were able to raise \$15,000 in one year to donate! I am so proud of you all!!! Like someone says.....it takes a village!!!

Again, I want to wish all of you a very Happy New Year and I look forward to seeing all of you this year at the club!

Best Wishes!

Nobles of the Oasis Divan Please pass this information to your Ladies

Lee can you please pass this along.

Anyone can text Laurin at 704- 657-1499.

She would like to hear directly from anyone who wishes to respond

This text is from Laurin Carter: My pathology report came back today. The cancer found in my left breast was a 2mm. The one in front of the breast was a .4mm. They took 17 lymph nodes from the left under arm, 1 had cancer and 2 more had the beginning of cancer. The surgeon removed all cancer on my left side. By my deciding to take off the right breast because all prior tests showed no cancer. They run a pathology test on the right side to test it too. And surprisingly 2 more duct Carcinoma cancers showed up in tests and had not been found in any other tests mammogram or ultrasound.

Please all Ladies get tested and don't wait.

I was told this was very good news and I am now Cancer free. I will go to the surgeon Thursday to discuss my future treatments.

Thank you for your prayers.

Laurin Carter

Thanks

Nobles,

There has been a concern brought to mine and the Captain's attention in reference to paragraph 2.3c of our bylaws as follows:

c. Auxiliary Non-Riding members: Are Active Oasis Shriners who have applied for membership in the OASIS NASCARTS Parade Unit, who will be investigated and have received a two-thirds (2/3) affirmative approval by the members present and voting at a regular or annual meeting. They will be uniformed as NASCARTS members in accordance with the current uniform requirements. These members may ride in NASCARTS uniform on the NASCARTS golf carts or transport vehicles in Shrine and Civic Parades, space available. Their responsibilities are to attend unit meetings, participate in all fund raising events, displays, assist in unit vehicle maintenance (PMCS), ceremonials, and shrine club functions. He is permitted all rights and privileges, except for the right to hold office or vote.

Attached is a memorandum of clarification for all Nobles.

8 January 2020

MEMORANDUM FOR RECORD

SUBJECT: Clarification of Membership Status - Bylaws Updated Approved November 16, 2019

NOBLE NASCARTS Members:

It has come to my attention that there is a concern on what is defined as membership status in accordance with paragraph §2.6.c of the current and approved bylaws as recorded:

c. Auxiliary Non-Riding members: Are Active Oasis Shriners who have applied for membership in the OASIS NASCARTS Parade Unit, who will be investigated and have received a two-thirds (2/3) affirmative approval by the members present and voting at a regular or annual meeting. They will be uniformed as NASCARTS members in accordance with the current uniform requirements. These members may ride in NASCARTS uniform on the NASCARTS golf carts or transport vehicles in Shrine and Civic Parades, space available. Their responsibilities are to attend unit meetings, participate in all fund raising events, displays, assist in unit vehicle maintenance (PMCS), ceremonials, and shrine club functions. He is permitted all rights and privileges, except for the right to hold office or vote.

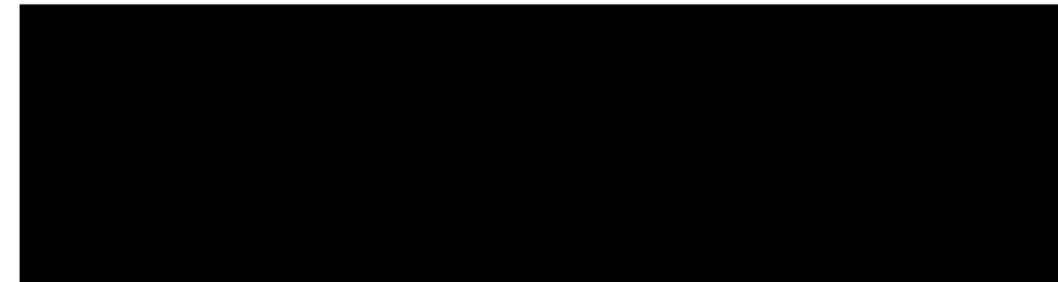

This paragraph is intended for new members applying for membership in NASCARTS, who choose not to purchase, or operate a unit NASCART in parades or events. As auxiliary members they will participate in all NASCARTS meetings and activities, fund raising, and may even ride in parades as passengers on our golf carts and multi passenger NASCARTS vehicles and transport vehicles. They are not allowed to operate vehicles in activities or parades. However, they may operate NASCART vehicles at and during maintenance days while conducting or assisting in Safety Preventative Maintenance Checks and Services (SPMCS) activities at the discretion of the Captain and/or Safety Officer.

All current members are full active members except for our two honorary members. The status of R is a full riding member, NR is a member who has declared that they do not want to drive in parades as a personal preference, health issue, or has no parade vehicle or does not want to operate a NASCARTS owned vehicle. This status is so, as I am usually the parade coordinator, know who is available to drive. Sometimes there

are members who own more than one functional NASCART and offers it for use to another member who hasn't been able to afford a NASCART of his own at that time. So, for clarification, we have no auxiliary members in our unit as of, 8 January 2020.

If there are any questions or further concerns, please feel free to contact me at LTCBOBBYOHMR@AOL.COM or (636) 578-2502. This memorandum is placed in file.

This needs to be addressed at our next meeting. The wording should have never been entered into the bylaws. I suggest that any "voted on by laws" should be sent to all members to review before submitted to Oasis. I still want to know when the notification for changing bylaws was sent to the members.

Subject: Re: Bylaws Memo

This needs to be addressed at our next meeting. The wording should have never been entered into the bylaws. I suggest that any "voted on by laws" should be sent to all members to review before submitted to Oasis. I still want to know when the notification for changing bylaws was sent to the members.

Don

I appreciate your opinion as stated in this message on paragraph 2.6c, We did our best with what we had at the time and came to the consciences that was approved by the members present and Oasis Temple.

The change to the by laws review was conducted in the November Stated meeting and approved by the members present.

There is no requirements to mail the Bylaws to the members for review prior to requesting updated approval.

All members present during this three hour review approved the changes.

Attached are the reviewed changes at that time and the meeting minutes.

Lady Lori, I had this invoice marked paid in my money owed file. As I recall Laurin gave me this to pay for the installation chair rentals. Can you look up to see if you may have paid it? I recall writing a check for it at my office desk, and I think I gave it to Lady Laurin to send in or give to Linda Rosenberger. My check registry is somewhere? I can look it up, but it will take me a while, but still, I have this deposit invoice where I marked it paid and I recall writing a check and giving it to Lady Laurin. She is still in somewhat of a fog with here memory from the anesthesia from surgery on the 30th. She was under for well over 6 hours and she is having trouble with her recall prior to the surgery. It can take several months to get that gas out of your system and the anesthesia can have a lasting effect on memory we are told. I would appreciate your looking into this for me.

Thanks,

Illustrious Sir & Nobles, FYI I have met with a church referred to me by Claudie on 2 occasions. My last meeting with their representative Ms. Alisa Shumpert resulting in the church committing to renting our facility as New Birth and other churches on a similar schedule. The church, Nikao Church is a new age church that has been meeting at Vance High School near Oasis. They need more room for services as they have about 1,200 attendees on Sundays. Here is what they would like.

Starting on March 15th Sunday time will be 6:00am to 4:00pm. This time frame for 2 Sundays a month and 2 Sundays until 9:30 pm. Wednesday nights from 5:00pm to 11:00pm This sort of follows what we have done in the past.

They are also asking for July 2, 3, 4 & New Years Eve evening 5:00pm to 1:00am. They will pay us \$3,500 per week for March 15 to December 31. They want to lease our facility for 2021 also. Now.....That space has been sitting empty for a long time and \$3,500 a week (they asked to pay monthly, but I said we needed weekly pay as this assures we get our money or know if there is a problem early in the game.) With 1,200 people attending Sunday services I feel comfortable we will get paid. It is my understanding a church like this can expect to receive about \$20 per unit per week, so I think there will be plenty of funds to pay Oasis, Pastor, paid staff, band, choir, misc.

As I see it, we could "nickel & dime" these people but listen.....This will put about \$150,000 in our gross income column for the 2020 year. In 2021 it will put \$182,000 in the gross operating income column. Our expense is a little bit of clean up. They will set up and tear down and of course HVAC, water etc. I feel strongly we should do this, but I would like to hear from everyone on their thoughts. I need to get back to the Church right a way so they can make plans to move. This money will ease the burden of carrying the building empty on those dates. \$3,500 a week. I am a big believer in leaving a little something on the table for the other guy! All of my professional career it's worked for me.

I am good with it as long as they agree to the weekly payments and there is a clause for penalties if they do not pay. Maybe a clause for their not paying more than two weeks they have to vacate the premises in before their next scheduled service. We al know what we went through last time with no payment etc. a complete accounting has to be done when moving in so we know what belongs to them when they leave. Just my first thoughts. Tim.

Illustrious Sir Bill, Great news this was able to move forward. I agree with what you have proposed along with paperwork protecting us if they would become delinquent etc. This gives us time to work on cleaning program and schedule . Thanks for assisting with them.

Illustrious Sir & Nobles, FYI I have met with a church referred to me by Claudie on 2 occasions. My last meeting with their representative Ms. Alisa Shumpert resulting in the church committing to renting our facility as New Birth and other churches on a similar schedule. The church, Nikao Church is a new age church that has been meeting at Vance High School near Oasis. They need more room for services as they have about 1,200 attendees on Sundays. Here is what they would like.

Starting on March 15th Sunday time will be 6:00am to 4:00pm. This time frame for 2 Sundays a month and 2 Sundays until 9:30 pm. Wednesday nights from 5:00pm to 11:00pm This sort of follows what w have done in the past.

They are also asking for July 2, 3, 4 & News Years Eve evening 5:00pm to 1:00am. They will pay us \$3,500 per week for March 15 to December 31. They want to lease our facility for 2021 also. Now.....That space has been sitting empty for a long time and \$3,500 a week (they asked to pay monthly, but I said we needed weekly pay as this assures we get our money or know if there is a problem early in the game.) With 1,200 people attending Sunday services I feel comfortable we will get paid. It is my understanding a church like this can expect to receive about \$20 per unit per week, so I think there will be plenty of funds to pay Oasis, Pastor, paid staff, band, choir, misc.

As I see it, we could "nickel & dime" these people butlisten.....This will put about \$150,000 in our gross income column for the 2020 year. In 2021 it will put \$182,000 in the gross operating income column. Our expense is a little bit of clean up. They will set up and tear down and of course HVAC, water etc. I feel strongly we should do this, but I would like to hear from everyone on their thoughts. I need to get back to the Church right a way so they can make plans to move. This money will ease the burden of carrying the building empty on those dates. \$3,500 a week. I am a big believer in leaving a little something on the table for the other guy! All of my professional career it's worked for me.

Not being elected my vote doesn't count, but sounds great with the fore mentioned pay requirements and delinquent charges.

Details of insurance, security and use of kitchen to be noted in contract.

 **Week of January 20 - 24**
Membership Update 
Shriners International

JUST ONE

DID YOU MAKE "JUST ONE" A NEW YEAR'S RESOLUTION?

Three weeks into 2020, and many New Year's resolutions are already lost causes. However, a goal to bring in **JUST ONE** new recruit or member restoration is something you can aim at all year long!

Since the **JUST ONE** membership growth campaign was instituted by Imperial Potentate Jeffrey Sowder in July, more than two thousand nobles have been recognized for bringing in new Shriners or restoring suspended members. And because there are five different levels of recognition, Shriners can always resolve to accomplish something more!

Level 1 – Upon creation or restoration of one member, the top-line signer will receive a

postcard and **JUST ONE** pin from Imperial Sir Sowder.

Level 2 – Upon bringing in two members, the top-line signer will be listed in the Shriner Magazine.

Level 3 – With three new creations or restorations, the top-line signer will receive a certificate of appreciation and a letter of commendation from Imperial Sir Sowder.

Level 4 – After five creations or restorations, the top-line signer will receive a personal phone call from the Imperial Potentate.

Hi Lisa,

I spoke with you several weeks ago about rooms for the above dates.

The Oasis Nascarts are possibly wanting 20 to 25 rooms for the above dates. Some people will come up several days before these dates.

What we have done in the past is send you a roster of our members. Each member is responsible for making individual reservation and payment with the motel. There will be a cutoff date, then any remaining rooms will be released from our block of rooms.

Please respond at your first opportunity.

I look forward to hearing from you.

Respectfully,

Jim Coleman

Bobby please send out to the Nascarts Parade Unit

Below is the response from several motels, let me know what you want to do as far as rooms. I have not heard from the Holiday Inn as of this e-mail, but I feel that that it would be similar in price. The Holiday Inn did state that they have room for trailers. Several other small motels had rooms, but would not block rooms for a group due to their size.

The Boxwood was owned by Melissa Pickett's (Owner of Blowing Rock Inn) In-laws but has been sold.

My suggestion is Boxwood between these 4 motels.

Let me know what you think by February 4th.

YITF,
Jim Coleman

Hello Jim,

You are very welcome. So sorry for not mentioning, but you are indeed correct - I also coordinate groups for our sister property, Boxwood Lodge. The Village Inns consists of 3 properties - The Village Inn, Ridgeway Inn and Hillwinds Inn. So, including Boxwood Lodge, we have a total of 4 properties to accommodate your group, if need be.

Now, as far as parking goes, unfortunately, we do not offer any extra or large parking spots. If the weekend you were coming was not a busy one, then I would tell you that you would most likely be fine. But this will be a busy one, so we cannot offer any parking for the bigger trailers. So, if you can get to Chetola or the Elementary school as early as possible (I am assuming it is a first come, first serve, basis, then you might just get lucky!)

I had quoted the room types and rates for The Village Inn in my previous email but please see below for the room types we currently have available June 5th-7th and the corresponding group rates:

BOXWOOD LODGE:

Standard King bedrooms (7 total) Sleeps 2 guests - GROUP RATE: \$169, plus taxes, per night

Standard Queen/Queen bedrooms (11 total) Sleeps 4 guests - GROUP RATE \$174, plus taxes, per night

Queen/Queen Suite with 2 Queen beds, Living Room and Pullout sofa (1 total) Sleeps 5-6 guests - GROUP RATE \$184, plus taxes, per night

King Suite with King bedroom, Jacuzzi Bathtub and balcony (2 total) Sleeps 2 guests - GROUP RATE \$184, plus taxes, per night

Queen Apartment with Queen Bedroom, Living Room with Pullout sofa, Full kitchen, Fireplace & Washer/Dryer (1 total) Sleeps 3-4 guests - GROUP RATE \$204, plus taxes, per night

HILLWINDS INN:

Standard Double/Double bedrooms (11 total) Sleeps 4 guests - GROUP RATE: \$169, plus taxes, per night

Standard Queen/Queen bedrooms (3 total) Sleeps 4 guests - GROUP RATE \$174, plus taxes, per night

Standard King bedrooms (2 total) Sleeps 2 guests - GROUP RATE: \$179, plus taxes, per night

King Deluxe with King bedroom and mini kitchen (2 total) Sleeps 2 guests - GROUP RATE: \$189, plus taxes, per night

Tarheel Suite with King bedroom, Living Room, Fireplace and balcony (1 total) Sleeps 2-3 guests - GROUP RATE: \$219, plus taxes, per night

Davidson Suite with King bedroom, Living Room, Fireplace, Jacuzzi tub, Full Kitchen and balcony (1 total) Sleeps 2 guests GROUP RATE: \$224, plus taxes, per night

RIDGEWAY INN:

Standard Queen bedrooms (5 total) Each room sleeps 2 guests - GROUP RATE: \$189, plus

taxes, per night

Standard Double/Double bedrooms (4 total) Each room sleeps 4 guests - GROUP RATE: \$189, plus taxes, per night

Standard Queen/Queen bedrooms (4 total) Each room sleeps 4 guests - GROUP RATE \$194, plus taxes, per night

Standard King bedrooms (4 total) Each room sleeps 2 guests - GROUP RATE: \$194, plus taxes, per night

Perfect Moment Cottage (King bedroom, Mini Kitchen, Jacuzzi tub, Living Room & Fireplace) Sleeps 2 guests - GROUP RATE \$204, plus taxes, per night

Yonahlossee Suite (King bedroom, Jacuzzi tub, Living Room & Fireplace) Sleeps 2 guests - GROUP RATE \$204, plus taxes, per night

Lavender Twilight Cottage (2 King bedrooms, Living Room, Fireplace, Full Kitchen, Jacuzzi Tub & Washer/Dryer) Sleeps 4 guests - GROUP RATE \$249, plus taxes, per night

Wauhonhasee Suite (King bedroom, Living Room, Fireplace, Full Kitchen & Large Private back deck) Sleeps 3-4 guests - GROUP RATE \$249, plus taxes, per night

Please let me know if I can answer any additional questions and please let me know if you would like to move forward. Minus the parking situation, I still think we would be a great fit for your group! Thank you and have a nice evening.

Hi Lauren,

Thank you for the speedy reply. I understand you also have the Boxwood Inn. Please advise the status of rooms & rates for that location also. We Also have approximately 7 trailers. The largest one is about 24 feet long, the rest are about 10 to 12 feet long for parking. I know there is parking at Chetola and Elementary School after 3:00pm on 6/05/20. Do you have any additional parking if we need it.

Thank you,
Jim Coleman

Greetings Jim,

My name is Lauren and I am the group coordinator for the Village Inns, located in Blowing Rock, NC. Thank you very much for your inquiry of setting up a group block with us at The Village Inn in 2020.

We currently have 19 rooms available at Village Inn right now. We do also have some other inns in Blowing Rock if you end up needing more rooms. Here are the room types and rates we can offer for June 5th-7th:

Standard Queen bedroom (3 total) Sleeps 2 guests - GROUP RATE: \$189, plus taxes, per night
Standard King bedroom (11 total) Sleeps 2 guests - GROUP RATE: \$194, plus taxes, per night
Storie Cottage with King bedroom, Mini Kitchen and Living Room with pullout sofa (1 total)
Sleeps 3-4 guests - GROUP RATE \$204, plus taxes, per night
Summerville Cottage with King bedroom, Full kitchen and Jacuzzi bathtub (1 total) Sleeps 2
guests - GROUP RATE \$204, plus taxes, per night
Appalachian Suite with King bedroom, Mini Kitchen and Living Room with pullout sofa (1
total) Sleeps 3-4 guests - GROUP RATE \$204, plus taxes, per night
Greene Cottage with King bedroom, Full Kitchen, Fireplace and Living Room with pullout
sofa (1 total) Sleeps 3-4 guests - GROUP RATE \$219, plus taxes, per night
Penthouse Apartment - Deluxe spacious apartment with 2 separate bedrooms, living room,
full kitchen, study and fireplace (1 total - sleeps 4-5 guests) GROUP RATE \$299 , plus taxes, per
night

If you decide to move forward, we would start you out with a courtesy block of 10 rooms (or less if you think you will require less). If you would like to increase the block size, we can do so if your group reserves the 10 rooms, based on our availability. Our rate includes parking,

wifi and complimentary coffee and tea (both in the lobby and in your guest room). Sorry, we do not offer breakfast at the properties. However, there are restaurants within walking distance of the inns that do serve breakfast.

If each guest would be paying individually for their reservations, we do not require you to put down a deposit. Guests will make their reservations by calling the hotel directly and mentioning the group block name. The group will have up until one month prior to the arrival date to reserve their rooms. All rooms not reserved by this date will be released back into general inventory. You will not be charged for rooms not reserved. If you are paying for all of the rooms, we do require a deposit.

Please let me know if you would like to move forward and I will send you more information so that we can get you all set up. Please feel free to check out our inns by visiting our website below. Thank you and I look forward to hearing from you!

John,

The last 2 DMV renewal notices we received were for the ALTC Trailer due 12/31/2019 and ROCS Trailer due 3/31/2020. The ALTC was for the raffle which we didn't pay.

I don't know who owns the 2019 ROCS trailer. We actually have 1 Title that read 2019 ROCS UL and 1 Title that reads 2019 ROCS TL. If you happen to know who these belong to I can forward the registration renewal to the appropriate club/unit.

As for the Hospital truck, I can probably renew online. I will need the License Plate #. Do you know if Jim inspected the truck?

Please pass on to Noble Recorder John Cable for processing and approval our 2020 Non Shriners Parade Request for 2020. Other than the first two parades, the parade dates are subject to minor changes, as usual.

We may not do the Kernersville Christmas/Fall Parade and we may participate in the NOVANT Thanksgiving parade. Working those issues plus the Shriners Parades.

Ms. Sherrie,

Please pass on to Noble Recorder John Cable for processing and approval our 2020 Non Shriners Parade Request for 2020. Other than the first two parades, the parade dates are subject to minor changes, as usual.

We may not do the Kernersville Christmas/Fall Parade and we may participate in the NOVANT Thanksgiving parade. Working those issues plus the Shriners Parades.

I have CC John and the Captain as well.

The Greensboro Shrine Club (GSC) stated board meeting was opened by Noble President Ben Hamilton at 6:30 PM, 2019. The opening prayer was offered by our Noble Chaplain, Jim Coleman, and pledge of allegiances was led by Noble President Ben Hamilton.

MINUTES:

FINANCIAL REPORT:

Noble Treasure Bill DePriest gave a detailed monthly financial report for the Greensboro Shrine Club (GSC). The report approval was motioned by Noble Don Rhoney, Seconded by Noble Doug Gaines, and approved by the members of the attending board. Financial Report is filed for record.

ADMIN OFFICER'S – SECRETARY REPORT:

LAST MEETING MINUTES REVIEW:

Previous board meeting minutes had been emailed January 2020 to all board members for their review prior to the next stated meeting. With no corrections or changes required, the minutes were motioned approved by Noble Richard Murphy, second by Noble Chip Burch, approved by vote and filed for record.

NEW and OLD BUSINESS:

1. Current cable system cannot be modified without the originating administrator's approval. The total estimate for an updated service would be \$116.00 monthly. Identification of the originating administrator is being investigated.
2. Noble Jim Church has submitted a 2020 bid for grounds maintenance for consideration. Grounds committee is awaiting additional bids for consideration and contract award.
3. Rental Committee continues to work club rental contracting prices based on current club daily operating expenses. The categories for rental rates under consideration are:
 - a. Normal Commercial Rates
 - b. Non-Profit Organization Rates
 - c. Member Rates
 - d. Prime Rental Rates (Friday, Saturday, and Sunday)
 - e. Week Rates (Monday through Thursday)
4. Noble Jimmy Owen is working the possibility of having a "White Stone Residence Masonic Story" evening. At the club or White Stone. A human-interest story would be developed and forward to the Desert Dust for publication.
5. A discussion was led by Noble Bobby Trantham in the use of the "Cube" for payments or the possibly of having a money debit machine in the club.
6. The outer wall in the ball room is leaking again. Noble Bill DePriest would check to see if the Pine Cross Fire Department could come over to hose the building down so that we can identify the leak point.
7. Noble Chip Burch is working the fire control and extinguisher services and checks. Looking at the two possible bids for certification and testing and it was decided that Fire Control Services of Liberty, NC would best serve the club's needs.
8. Noble President Ben Hamilton discussed the upcoming 2020 club projects:
 - a. New Sign for the GSC.
 - b. Defining specific criteria for the building and grounds maintenance contracts.
 - c. BBQ Cook Shed repairs (estimate total under \$500.00).
9. Noble Leroy Maynard brought before the board a request to support the Shrine Bowl Coaches by providing the club as a meeting point as had been done in the past. Noble President Ben Hamilton pointed out that by direction of past and current Oasis Potentates, Oasis and their clubs and units are not supporting the Shrine Bowl as Oasis Temple has officially withdrawn from participation in the Shrine Bowl. However, as stated by past and current Potentates, any members of the Oasis temple that want to individually assist in the support of Shrine Bowl, may do so, but will not display Oasis Temple Logo in and/or support.

In keeping with the Potentate's directive and Oasis Temple's guidance of supporting the Children's Hospitals and the Members and families having fun; he informed Noble Leroy that the Club would not donate the club for use to the Shrine Bowl Coaches meeting, but would commercially rented to them.

It was also suggested that the meeting might be held at the Burlington Shrine Club or maybe at Amran Temple headquarters.

10. Noble Robert Warren Shriner's Paper Sale will be conducted in our area on 1 May 2020 and he has ordered 500 papers.

11. Noble President Ben announced the 2020 Reverse Raffle at the GSC will be held on 18 April 2020. Tickets were being ordered and committees are being organized.

CLOSING:

With nothing further to come before the board, Noble Don Rhoney made a motion to close the meeting, second by Noble Doug Gaines, meeting adjourned and closed by President Hamilton at 7:52 PM.

FOR THE PRESIDENT:

ROBERT L. MYERS
Administrative Officer, Secretary

Thanks to everyone that replied. You will need to make your own motel reservations for the Blowing Rock Ceremony June 5/6. Some are doing Air B & B, sharing cabin, or coming up for the day.

See you there!

Nobles,

Earlier this week I sent you emails regarding hotel/motel rooms for the June 5/6th Ceremonial at Blowing Rock, NC. Noble Jim Coleman has asked that I send this follow-up message to you. He needs to know what reservations for rooms as identified in the emails sent to you this week. He needs the information by Wednesday as stated. Failure to comply to Jim by the suspense time means he will not take any action on your behalf; as of Thursday morning 6 February and you are on your own for room reservations.

Contact Jim if you have reservations to be made or any questions or concerns at 336 292-1506, JIMCOLEMAN14@TRIAD.RR.COM

John,

The last 2 DMV renewal notices we received were for the ALTC Trailer due 12/31/2019 and ROCS Trailer due 3/31/2020. The ALTC was for the raffle which we didn't pay.

I don't know who owns the 2019 ROCS trailer. We actually have 1 Title that read 2019 ROCS UL and 1 Title that reads 2019 ROCS TL. If you happen to know who these belong to I can forward the registration renewal to the appropriate club/unit.

As for the Hospital truck, I can probably renew online. I will need the License Plate #. Do you know if Jim inspected the truck?

Thanks,

John. I need the renewal sticker for the hospital truck. It's about 4 months expired.

Ford 250 2012. I put permanent tag on the trailer last year. I hope that you have this. Thanks. Jim

MESSAGE FROM YOUR RED FEZ BOARD

Nobles and Ladies,

It's hard to believe that it is already the middle of February. I hope everyone has had a wonderful month and a great beginning to the New Year. First off, January 11th we had our Christmas clean-up day. It was a great success and the club's storage room is now organized. The only thing we ask from our members is if you use anything from our storage area, please put it back like you found it. I would like to personally thank the following people for their help: Noble Jimmy and Debbie Burgess, Noble Johnny and Charlotte Burgess, Noble Vernon Knox, Noble Alan Marfin, Noble Baxter Stegall, Noble Mark Ledford, Noble Mark Joyce, Lady Kim Wrenn, Noble Clint and Lori Myers and Lady Dawn Rollins. Thank you again.

The 2020 Calendars are still on sale until February 29th and we ask you to please have money and tags turned in by that date. Please note that the RFSC will not be responsible for any payouts on unsold calendars or any calendars sold but the tags and money were not turned in.

The Board approved having the clubhouse and the pavilion sprayed for bugs monthly. Thank you Noble Allan Shirlen for overseeing this task. The new boat ramp has been completed as well as the membership docks. The only thing that needs to be done is to stain and seal the docks. Thank you to Noble Mark Ledford, Noble David Wheeler and Noble Dave Nichols for overseeing this project. Our board also approved the increase in rent for the pavilion from \$450.00 to \$650.00, effective February 6th 2020.

February 2nd was our Super Bowl Party and we had approximately 80 people in attendance. Lady Dawn and I worked hard on this and it was a great success. If you missed it, be sure to make plans for next year as we plan to make this an annual fund raising event. A special thank you to Noble Allan and Nicole Shirlen, Noble Tim and Kelly Bobo, Noble David Wheeler, Noble Alan Marfin and Noble Trent Oates.

Don't forget the following dates:

February 15th: Potentate's Sweetheart Dance - RSVP through the Temple

March 6th: Membership Meeting – RSVP to Denise

March 13th – 14th: Annual Greenville Hospital Open House – RSVP to Greenville Hospital

I want to thank everyone for your support of Lady Dawn and I as well as the Board of the Red Fez Shrine Club. Hope to see you at the upcoming events and the March meeting.

Fraternally yours,

Chip Rollins

President Red Fez Shrine Club

Happy
Valentine's Day

I hope that 2020 has started out as a great year for you and your family! We have already accomplished a lot at the Club. We had a great clean up day in January and we were able to dispose of several things that were stored in the dungeon! So, the rule is, if you use something out of the storage area – please put it back where you found it! A big thank you to the ladies that helped – Debbie Burgess, Charlotte Burgess, Lori Myers, Dawn Rollins and a big shout out to the men also! With all the help we were able to accomplish a lot in a small amount of time! It looks great down there!

I look forward to seeing everyone at the Potentate's Valentine Dance – Saturday, February 15, 2020, at the club. This should be a wonderful event and a lot of fun!

We had a great “official non-meeting” last week at the club. Lori would not let me use my gavel!!! According to the bylaws, it could not be deemed an official meeting because we were missing 3 board members. However, we had great conversations and received ideas of fundraisers and functions that we will consider for the coming year.

We asked members/guests to sign up for several committees, we discussed the upcoming events at the Club, which we will need help with. So please mark your calendars with these dates and let the Board know if you can help.

April – 12th – Easter Lunch – We will need servers and cooks

June 14th – Parade of Tables – All tables are spoken for

August (TBD) – Casino Night – we need donations, donations and more donations for silent auction items and door prizes, decorating and workers for the night of the event.

October 31st – Halloween Party – We will need help with food and decorating

December 5th – Christmas Parade of Tables – See Lori Myers if you are interested in decorating a table.

December 6th – Tentative Date for Kids Christmas Party

December 19th – Adult Christmas Party

I asked everyone at the meeting to please invite someone to the next meeting. It is very important to me as your president and as a representative of The Red Fez Club that EVERYONE be welcomed to our meetings. If you know a Shriner's (member's) wife or a Shriner's (member's) significant other – please invite them to come and join in on the fellowship. We would love to have them.

February is the month of LOVE – Let's all remember the LOVE we have in our hearts for one another and for the Shriners kids that we strive to help.

Again, I want to thank everyone for all that you do to help our club be the BEST Shrine Club ever!!!!

Best Wishes,

Kim Wrenn

Nobles,

Who will be assisting at the Noble Jim Turner's Shrine auto show in Greensboro? Jim wants us there at noon on Friday 14 NOV.

As usual we will (NASCARTS) provide assistance in lining up the cars and some security responsibilities. Who is bringing cars for a static display? Jim asked me to bring the 6A.

The show will be Friday afternoon and evening and Saturday during the day. We should be out of there around 5:00 PM Saturday.

I know Lanny can't make it he is hosting our annual Valentine's dinner at the lodge, Rick Sadler has a commitment already.

I know Jim Coleman and I will be there, Ben on Saturday. We won't be selling ham this year at the show.

Let me know.

Bobby

Inclement Weather Update for Ceremonial

Inclement Weather Update
Oasis One Day Ceremonial
Saturday, February 22, 2020

Nobles and Ladies,

As weather conditions continue to unfold over the Oasis 50 county jurisdiction in the western half of North Carolina, Illustrious Sir Bill Carter and the Oasis Divan just concluded their monthly Divan meeting via conference call and would like to share the following update as a few inquiries have been received today regarding this weekend's Ceremonial at the Land of the Sky Shrine Club in Swannanoa near Asheville.

At this time, the Ceremonial will continue as planned. With safety being

paramount and weather conditions varying greatly within the 50 counties, we understand if your plans to attend may change after you evaluate weather conditions in your particular area tomorrow evening and Saturday morning.

We have more than 20 candidates registered and expect a substantial number of walk-in candidates as well based upon reports shared from various Shrine Clubs and are looking forward to an enjoyable and memorable Ceremonial weekend.

In the event that these plans might change tomorrow, then you will receive another communication. Otherwise, we look forward to seeing those who are able to safely attend.

Thank you.

OFFICE OF
JOHN C. PILAND
EXECUTIVE VICE PRESIDENT/COO

MEMBER
ANSAR SHRINERS
SPRINGFIELD, ILLINIOS

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: March 18, 2020

SUBJECT: Questions Regarding Grand Master's Edicts

Questions have arisen related to what a Shrine Temple should do in response to their Grand Master taking action related to "masonic activities" within their jurisdiction.

We believe it is in the best interests of the Shrine, our Members and the Masons within the jurisdiction to have the Shrine Temple adopt any restrictions on activities provided by the Grand Master. This approach provides clarity and consistency throughout freemasonry within a jurisdiction. It also promotes unity of action and demonstrates Shrine support of the Grand Lodge.

If a Grand Master cancels all masonic activities in a jurisdiction, we strongly encourage temples, clubs and units to abide by his ruling.

We also believe that Temple leaders should be and remain in close contact with the Grand Master for purposes of future planning. Certainly, the “emergency” has not yet abated and the future is anything but clear. If there are particular events or activities that Temple leadership believes should be excluded from the scope of prohibited conduct, we strongly suggest that a request for dispensation, along with excellent reasons supporting the request, be presented to the Grand Master for his consideration.

Certain meetings, such as **Divan or unofficial fraternal meetings**, might be held via ZOOM (an electronic meeting platform) without violating the letter or spirit of the Grand Master’s edict related to activities. You are able to use the ZOOM platform, without charge to the Temple. You can obtain 40 minutes with up to 100 participants through the site listed here: <https://zoom.us/pricing>. **Please note: stated or special meetings may not be held electronically unless special permission is obtained from the Imperial Potentate, per section 324.1(d) and only if the proper protocol is followed.**

We remain convinced that Temple leaders are in the best position to make decisions related to the actions that should be taken to protect, but also to engage and encourage Shrine-Masons in a particular jurisdiction. The right answer in one area may not be the right answer in another.

Thank you for your service to the Shrine.

A new file is available for you to download from the Fraternal Communications boardroom at Shriners Village.

Coronavirus (COVID-19) Temple News & Update

March 19, 2020

Update to all Oasis Members, Ladies and Families,

As stated in my earlier letter, your Oasis Divan is closely monitoring all the quick changing developments related to the outbreak of Coronavirus (COVID-19) as it may impact upcoming Oasis Shrine

events. Our first concern is of the health and safety of all our members, family and guest that attend our events. We are continually reviewing the guidance provided by the Center for Disease Control (CDC), the State of North Carolina and local health authorities in an attempt to minimize the risks associated with this virus.

Remember to always follow the health and safety directions that are being offered by the Federal, State and Local government. Please limit contact and if you or anyone in your family becomes sick, make sure to seek the advice of your doctor. If you have been in contact with someone who is either being required to quarantine or self-quarantine, then please advise anyone else that you may have been in contact with and contact your health care provider.

Here are the latest actions and decisions your leadership has made at this time:

As we had advised, your Divan completed a conference call last night to discuss the latest updates. These updates were from the State and local school systems who are receiving the most up to date information. We also discussed the information received from our Grand Master and Shriners International. Again, our goal is to minimize the amount of misinformation circulating to our membership while giving guidance on issues or questions that many clubs have.

This is a directive shown below that was issued by our Worshipful Grand Master, Shaun Bradshaw:

“Brethren,
I hope this message finds you happy and healthy.
In light of recent events, the spread of COVID-19, and upon the recommendations of our local, state, and federal governments, it is my Order that all Freemasons and lodges in this Grand Jurisdiction conform to the recommendations and civil law of the land, and that all lodge meetings and Masonic gatherings cease at high twelve on Wednesday, March 18, 2020 until further notice.
I would encourage you to take this opportunity to remain in contact with your brothers and widows. We will be in touch with updates, plans, and notifications as the situation further develops.
Though the business of the Grand Lodge will continue, the Grand Lodge Office has been closed to non-fraternally related visitors and tourists.
Stay safe, keep healthy, remember each other, and keep the light!
Sincerely and fraternally,
Shaun Bradshaw
Grand Master “

Your Divan agrees with these directives that all Masonic activities be canceled as of noon on Wednesday, March 18th until further notice. What this means for us at Oasis is the exact same thing. All of our activities are not to occur during this time. This is supported in a letter from John Piland, Executive Vice President /COO of Shriners

International.

It is the Divan's suggestion to all Clubs and Units who were attempting to have raffles or drawings to raise money that are scheduled between these non-activities dates of no contact to simply go ahead and set a new date. By going ahead and setting a new date this puts everyone at rest and stops the need for additional questions.

An example of this is:

The Greensboro Shrine Club's Reverse Raffle that was scheduled for April 18th is now scheduled for September 24th. They have already sent out notices by mail and social media.

As of today our annual paper sale is suspended until after the confinement period is over and it will be up to each club to set a date when it will be clear to continue. As of today the papers will be dropped off at the locations as scheduled, but not handed out. Please store these at your clubs until a new date is set. However this delivery is subject to change at a moments notice.

Also, as a matter of safety to our office staff, we are closing the building to all outside persons entering the building starting tomorrow. If you need anything from either Karen or Sherrie all you have to do is email or call them at their numbers and they will assist you with your needs. Each member of the Divan is here to assist and answer questions, but we must rely on each of you to stay calm, remain focused, pray and to look out for all the members and widows of Oasis.

Again we are a strong Nation, State and Shrine and will overcome anything that is thrown at us with the assistance of our faith in God and the use of good old common sense.

YITF,
Your 2020 Oasis Divan

OFFICE OF
JOHN C. PILAND
EXECUTIVE VICE PRESIDENT/COO

MEMBER
ANSAR SHRINERS
SPRINGFIELD, ILLINIOS

TO: TEMPLE DIVAN MEMBERS

FROM: JOHN PILAND

DATE: MARCH 24, 2020

RE: CLOSING OF SHRINERS INTERNATIONAL HEADQUARTERS

In response to concerns related to the COVID-19 virus, Shriners International Headquarters will close and move to a minimum staffing model beginning Wednesday, March 25, 2020 for the foreseeable future.

You should know that Shriners International will still be working! Our staff will continue SI business operations. Every effort will be made to continue to serve our Temples so that they may continue to serve their Nobles and their families during this period.

Please be patient with our staff as it is reasonable to anticipate less efficient operational performance during this period of transition and uncertainty. During this time, communicating with us via email is far preferable to attempting to reach a department or a particular staff member by phone.

You may also receive phone calls related to the business of Shriners International or Shriners Hospitals for Children that do not originate from our headquarters building. We will make every attempt to clearly identify ourselves so that you can have some confidence that our calls are legitimate. While the mail system remains a reliable way to make payments, you should be wary of faxes or emails that suggest you make any financial transaction, particularly electronically.

In times of emergency, families gather and bind themselves together. As a family of Shrine Masons, we are bound together by a stronger tie than outsiders can understand. Therefore, let's make effective use of the time we now have to look after one another.

Obviously, the situation that has impacted you which impacts our ability to serve you is less than ideal. However, we simply aren't going to permit this temporary obstacle to prevent us from serving our nobility and our temple leaders. Rather than complain about what we can't do, we are going to accomplish what we can do and ask you to join us in that spirit of service.

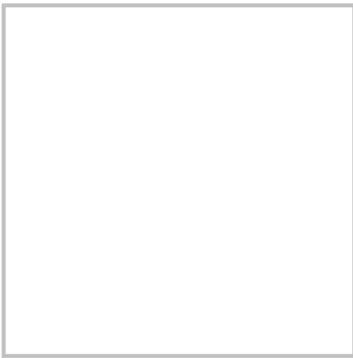

Thank you for your service to the Shrine and for your patience during this time.

MEMORANDUM

TO: U.S. Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: April 2, 2020

SUBJECT: Federal Programs Available for Financial Support

Within the last two weeks, Federal laws have been passed in response to the COVID-19 issue to provide support for certain businesses and non-profit entities. We have attached for your review an outline of some of these federal programs. It is also our understanding that some states have passed COVID-19 relief measures as well. You are encouraged to determine whether your state's laws may be applicable to your situation. The link provided at the bottom of the attached outline will enable you to connect to your individual state's National Council of Non Profits website.

Employee Retention Payroll Tax Credit: Section 2301. This will be of interest to temples who have employees as this creates a refundable payroll tax credit of up to \$5,000 for each employee on

the payroll when certain conditions are met.

Delayed Payment of Payroll Taxes: Section 2301. Allows employers to delay payment of the employer portion payroll taxes in 2020; payable in equal halves at the end of 2021 and 2022.

Economic Injury Disaster Loans (EIDL): Section 1110. Creates emergency grants for eligible nonprofits and other applicants with 500 or fewer employees enabling them to receive checks for \$10,000 within three days.

Paycheck Protection Program Loans (emergency SBA 7(a) loans): Section 1102. We are only including this in the memo as we have received several specific inquiries to this program. In searching the CARES Act document Section 1102, we believe this provision of the Act only applies to 501(c)(3) and 501(c)19 entities. We are aware that others may have a more expansive interpretation of who may qualify for this program, but we do not believe Shrine temples are eligible for these loans.

It is critically important that temples are very careful and extremely precise in completing these relief application forms. They are generally required to be submitted under penalties of perjury.

Obviously, these developments are fast paced. Information relating to eligibility and application processes are not easily accessed or perfectly clear. Therefore, we will try to provide you with timely and accurate information and with reliable resources so that you can apply them for the benefit of your temple. It is recommended that you consult with your temple attorney and CPA prior to applying for any of these programs.

Thank you for providing the benefit of your leadership to your temple during these unprecedented times.

Please see the attachment below for your reference:

Coronavirus Aid, Relief, and Economic Security Act CARES Act (Pub. L. 116-136)

The CARES Act provides significant funding for governments, businesses, hospitals, schools, and social support programs, among many other things. Below are key provisions of sector-wide interest to charitable nonprofit organizations.

Employee Retention Payroll Tax Credit: Creates a refundable payroll tax credit of up to \$5,000 for each employee on the payroll when certain conditions are met. The entity had to be an ongoing concern at the beginning of 2020, experienced a whole or partial shutdown, and had seen a drop in revenue of at least 50 percent in the first quarter compared to the first quarter of 2019. The availability of the credit would continue each quarter until the organization's revenue exceeds 80 percent of the same quarter in 2019. For tax-exempt organizations, the entity's whole operations must be taken into account when determining eligibility. Notably, employers receiving Paycheck Protection Program loans would not be eligible for these credits. **Section 2301.**

Delayed Payment of Payroll Taxes: Allows employers to delay payment of the employer portion payroll taxes in 2020; payable in equal halves at the end of 2021 and 2022. **Section 2301.**

Economic Injury Disaster Loans (EIDL): Creates emergency grants for eligible nonprofits and other applicants with 500 or fewer employees enabling them to receive checks for \$10,000 within three days. **Section 1110.**

Good evening this is Chip Rollins your RFSC President with a few announcements.

I hope everyone is doing well and safe. As you know we will NOT be having our April Membership meeting do to Covid-19. I know this has been a struggle for all of us. Lady Dawn and My Prayers are with all of you. I have some information I need to share with you.

First, the club will be closed at least till May 1st. We can NOT open back until we get the OK from the Grand Lodge and Oasis Temple.

This is to keep All our Nobles and Ladies Safe.

Second, your RFSC Board had our meeting Tuesday via webcam. This is a first for all of us, we hope we do NOT have many more of these. We have a very smart and strong board that have this club and our members in their best interest. I'm very proud of this board, as we go through these tough times.

Third, our gate had some kind of power surge that caused us to lose all the member codes. We are in the process of having all Paid Members cards made and ONLY paid members have their codes put back into the keypad. This being said if you have NOT paid your dues to the RFSC and want to stay a member please mail that in ASAP.

Fourth, The Pool is CLOSED, and NO one is allowed in the pool or pool deck. We will let you know when we get the OK from the State, County and Temple when we can open.

Lastly, May God be with ALL of us during this time, I hope this ends soon so we can all be together again.

MEMORANDUM

TO: All U.S. Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: April 8, 2020

SUBJECT: Additional Federal Programs Available for Financial Support and Temple Line of Credit Possibility

Within the past several weeks, Federal laws have been passed in response to the COVID-19 issue to provide support for certain businesses and non-profit entities. On April 2, 2020, we issued a memo, including an outline, of some of these federal programs we believe may be applicable to many Shrine temples. In our continued review of the programs, we want to make sure you were aware of the

following additional provisions of the CARES Act (Pub. L. 116-136) that may be applicable to your temple and any employees. Following is a website where you can connect to your individual state's National Council of Non Profits website for additional information
<https://www.councilofnonprofits.org/trends-policy-issues/initial-analysis-of-the-coronavirus-aid-relief-and-economic-security-act-cares>.

Expanded Unemployment Insurance: Section 2104. Includes coverage for workers who are furloughed, gig workers, and freelancers. Increases payments by \$600 per week for four months on top of what state unemployment programs pay.

Amendments to the New Paid Leave Mandates: Sections 3601 and 3602. Lowers the amounts that employers must pay for paid sick and family leave under the Families First Coronavirus Response Act [4]* (enacted March 19) to the amounts covered by the refundable payroll tax credit – i.e., \$511 per day for employee sick leave or \$200 per day for family leave.

It is recommended that you consult with your temple attorney and temple CPA prior to applying for any of the aforementioned programs.

Line of Credit: In addition to the aforementioned and previously communicated federal programs, the temple may also wish to consider what existing resources might be utilized to weather these challenging times. In this low interest rate environment, a line of credit could be a viable option. The line of credit may be a method to obtain needed cash without having to sell property or stocks. This concept could be explored with finance/accounting professionals who might be serving on the temple finance committee, the temple CPA, temple attorney and, ultimately, potential lenders. As with any financial activity, controls pertaining to access or use of funds must be a part of any proposal presented for consideration.

Thank you for providing the benefit of your leadership to your temple during these unprecedented times.

A new file is available for you to download from the Fraternal Communications boardroom at Shriners Village.

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: April 13, 2020

SUBJECT: Security Steps to Avoid "Zoombombing" of Electronic Meetings

The recently issued General Order #2 provides temples with added flexibility to hold electronic meetings without requiring any of the Nobles to be in the same room.

This information was set forth in "*Jeff Sowder Memo-General Order No*" posted on March 31, 2020, and explained further in "*John Piland Memo - Practical Issues to Consider with GO#2*" posted on April 1, 2020. Both of these memos can be found in the Shriners Village Boardroom site.

Instructions to access the Memos can be found at the end of this Memo.

As current coronavirus concerns linger, many temples are exploring the possibility of using the provisions of General Order #2 to host an electronic meeting to conduct necessary temple business.

This memo is intended to identify another very recently developed concern, and to provide you with practical operational solutions to this emerging problem.

“Zoombombing” is a recently coined phrase that refers to the situation when hackers hijack internet video conferences, such as conferences hosted on platforms such as Zoom. There have been reports of these hackers disrupting electronically conducted conferences by interrupting or intruding with inappropriate or offensive material. In order to reduce the risk of having your electronic meeting hijacked or “Zoombombed,” consider taking the following steps to improve meeting security:

1. Create separate passwords for each virtual meeting;
2. Establish a Zoom Waiting Room for meeting participants; and
3. Do not publicly post meeting links on social media or any other public space.

If you are hosting a Zoom meeting, you are able to enable extra security features on the Zoom platform. For example, it would be prudent to go to the settings menu, identify the category of “screen sharing,” find “who can share?” and then click on “host only.” This feature should probably also be saved so that it will serve as the default setting for future electronic meetings. Limiting screen sharing to the host only should provide temple leaders with additional control and security for their electronic meetings.

Here is a link to an article Zoom created to provide information on how to secure your conferences [Zoom Link -- How to keep uninvited guests out of your zoom room \[blog.zoom.us\]](#). Just click on the link to access the website article. If you have difficulty opening the link, try placing your cursor on the link, then hold down the Control key (Ctrl) while clicking on left side of mouse.

As indicated previously, if you are contemplating conducting electronic meetings, it is important to very carefully plan your meeting. You are strongly encouraged to conduct a “walk-through” well in advance of the meeting, so that issues or problems can be identified and remedied well prior to the start of the meeting.

Instructions To Access Memos in Boardroom Site:

SUBJECT: Updated Federal Programs Available for Financial Support

It has been several weeks since the CARES Act was passed in response to the COVID-19 issue to provide support for certain businesses and non-profit entities. Below is an update, as of today, regarding the status of these programs. This letter also includes another option, a Line of Credit, that your temple may wish to consider.

Economic Injury Disaster Loans (EIDL): Section 1110. As of this morning, the SBA had the following message on its covid19relief.sba.gov website. **“The SBA is unable to accept new EIDL COVID-19 applications at this time based on available appropriations funding.”** We have read there is a fourth round of stimulus of \$250 billion being proposed for small businesses, the exact programs that will benefit are not known at this time, but we are monitoring this fluid situation and will do our best to keep you informed in a timely manner.

While the EIDL program is not available at this time, your temple may wish to consider establishing a **Line of Credit**. In this low interest rate environment, a line of credit could be a viable option to selling assets in order to obtain cash for current expenses. This could be explored with finance/accounting professionals who might be on the temple finance committee, the temple CPA, the temple attorney, and ultimately potential lenders. As with any financial activity, controls pertaining to access or use of funds must be a part of any proposal presented for consideration.

Although loan programs may not be available through the Federal Government currently, they are still offering payroll tax credits for temples that have employees.

The Employee Retention Payroll Tax Credit: Section 2301, creates a refundable payroll tax credit of up to \$5,000 for each employee on the payroll when certain conditions are met. See the following links for additional information.

<https://www.irs.gov/newsroom/irs-employee-retention-credit-available-for-many-businesses-financially-impacted-by-covid-19> [mandrillapp.com]

<https://www.irs.gov/newsroom/faqs-employee-retention-credit-under-the-cares-act> [mandrillapp.com]

The Delayed Payment of Payroll Taxes: Section 2301. Allows employers to delay payment of the employer portion of payroll taxes in 2020; payable in equal halves at the end of 2021 and 2022. This may also be worthy of exploration by temples having employees and struggling to manage cash. Again, consultation with your accounting professionals is strongly encouraged.

Thank you for providing the benefit of your leadership to your temple during these unprecedented times.

I was wondering if you could help me with some info on this Noble? See attached bio I am doing for him. Since we are all dark at West Gate now we decided to dedicate this month's trestleboard to him.

He belong to West Gate #738, Metrolina Shrine Club, Oasis Roadrunners, Oasis Jesters (lifetime member).

But we aren't sure of any other info such as when he was admitted into Shrinedom.
Is there any other affiliation he may have been involved in with Oasis?

Thank you so much for your assistance!!

John Rankin Litaker was born on September 14, 1923 on a farm in Cabarrus county. Growing up on a farm is a hard life with long days. But he worked hard and had lots of ambition. When some piglets were destined to be terminated. He convinced his dad to let him raise them. This required him to feed them every 3 hours. That meant he had to get up in the middle of the night and all those piglets survived. He plowed the field with his mule called old Ned. While doing this he talked to him constantly and told the mule all his ambitions, dreams, and goals.

As a young man during World War II he joined the marines and then transferred over to the Navy. After serving in the military for 8 years he held a few jobs then got onto the US Post office and worked his way up thru the ranks. Charlotte, Tampa, Memphis and then back to Charlotte. He retired with USPS in the mid 1980's.

In 1957 while in Charlotte he petitioned Excelsior lodge #261.
He was Initiated - April 8, 1957, Passed - April 22, 1957 and Raised May 20, 1957.

As John progressed in the post office ranks, he went to work at nights. So, he and some other brothers helped start Meridian lodge #728 and it consisted of brothers who worked nights, so they met at high noon. Both Excelsior & Meridian met at the Masonic Temple Building in downtown Charlotte. Many lodges met there along with both York & Scottish rite. Oasis Shriners met there too. It was a big high-rise building and it was torn down in the late 80's and each entity went their own way. Many of them building their own temples and lodges.

In 1966 yet again he and some other brothers decided a lodge needed to be formed on the West Side of Charlotte. So, they begun the process of starting West Gate #738.

John served as master of West Gate while under dispensation in 1967, then master in 1968. He then served as DDGM of the 42nd masonic district from 4/1969 – 4/1972. Then again master of West Gate in 1980. The only two-time master of West Gate. He also served as Meridian master too in 196. For 8 years he served as master or DDGM. For 6 straight years from 1966-1972 he served as a master or DDGM. John was first certified on September 24, 1959. At his passing he had been a certified lecturer for 52 years. During a nine year period while he was transferred he was not able to be certified.

III. John was a 33degree Scottish Rite Mason and was their secretary for many years. He was also personal rep to SGIG's Dr Bill Brunk in 2007.

In 1978 John helped start Metrolina Shrine Club and was their first president. He told me they started Metrolina as a traveling club. They took many trips all over with their families. It was then they started the Christmas tree lot up on Freedom drive. It was between the Kmart and Freedom village.

From WB Charlie Sherer

John rounded up over 90 brothers to get West Gate started (It was the largest number to ever start a Masonic Lodge in NC). John appointed me as Jr Steward. I had never been active in my old Lodge (Excelsior Lodge 261). Starting a new lodge, we had to prove that we could do all the lodge work. John had us rehearsing 2 to 4 times a week (we got really good). John Litaker was a Mason's Mason. ***John Loved Masonry and his brothers and served them so very well.***

John started a lot of things at West Gate. One thing he started was a Certified Lecturers Class. I was in that class. He got the class started but got promoted (Postal Service) and had to move. Over several years, we had the most Certified Lecturers in any lodge in NC. At times we had brothers from other lodges in our classes.

John was my Mentor in Masonry over the years and I thank him so very much....

We will all miss John and his kind leadership. He taught us a lot and for that we can be forever grateful.

We all have people in our lives that makes a difference in a positive way. Grandfathers, Dads, big brothers, good friends, mentors, etc. John was all these rolled up in one. He made a difference in all aspects of my life and so many others. There is a big void now, but he showed us they way to continue in a positive way.

Subject: Noble John Rankin Litaker

I was wondering if you could help me with some info on this Noble? See attached bio I am doing for him. Since we are all dark at West Gate now we decided to dedicate this month's trestleboard to him.

He belong to West Gate #738, Metrolina Shrine Club, Oasis Roadrunners, Oasis Jesters (lifetime member).

But we aren't sure of any other info such as when he was admitted into Shrinedom. Is there any other affiliation he may have been involved in with Oasis?

Thank you so much for your assistance!!

Subject: Imperial Session Cancelled

Shriners International

Dear Nobles,

Based on data and opinions of public health experts and community officials, Shriners International has cancelled its 2020 Imperial Session, scheduled for July 2020, in Kansas City. In determining whether the 2020 Imperial Session could be responsibly held, the perspective of Shriners International was to take a global vision with local focus. The Imperial Session is truly an annual international gathering at one physical location. The Imperial Divan, the 2020 Convention Corporation, and the staff of Shriners International closely monitored developments and worked closely with the Kansas City Health Department in planning the 2020 Imperial Session. This planning was always undertaken with the hope and expectation that the convention would proceed, as long as it was reasonably safe to do so, based upon the trajectory of the Coronavirus and governmental quarantine and/or stay at home orders, actions based upon data and opinions provided by public health professionals.

Based on the information provided by public health professionals and recent governmental extension of existing public health orders, Shriners International determined that the safety of attendees and the safety of the community could not reasonably be provided on or before the start of the 2020 Imperial Session in Kansas City and therefore cancelled the 2020 convention, due to the impossibility of safely hosting it.

Imperial Sir and First Lady, Jeff and Cheryl Sowder, are extremely sorry that they will not be able to personally welcome Shriners from all over the world to celebrate fun and fellowship in Kansas City. They have dreamed and planned for more than a decade to have Shriners join them for an incredible experience in Kansas City. While the worldwide pandemic prevents us from meeting in Kansas City and renewing our acquaintances, it does not prevent us from renewing our commitment to the important work of the Shrine.

Additional information related to governance issues for Shriners International and Shriners Hospitals for Children, in the absence of the respective annual meetings of each corporation, will be provided in the near future.

In spite of our disappointment, Shriners are encouraged to stay safe, stay strong, and stay involved with everything we can do now in preparation for doing more in the future.

Yours in the faith

Jeffrey L. Sowder
Imperial Potentate

Hi John, Hi Bill,

I'm working with Deb Domini on the below reports/forms which are required of your temple under Shrine and/or Federal law.

2019/2020 Budget and Comparison Report – Due March 1, 2020. The budget report should be signed by the entire temple board of directors and **include the date of the meeting it was adopted** by the temple

This is what you can send to your Divan members for the Budget and Comparison approvals:

Illustrious Sirs and Nobles:

Attached please find the 2019-2020 Budget and Comparison Report that includes the temple's 2020 operating budget that was approved at our ____**Date**____ temple meeting.

As it is currently challenging for us to meet at the temple due to the coronavirus, but still have the need to properly sign the temple budget, please send a reply e-mail back to me indicating your approval of the attached budget.

After receiving approvals from all Divan members, I will scan and email the approved 2019/2020 Budget and Comparison Report to Shrine HQ (as well as copying all Divan members).

Fraternally,
(place name here) Recorder or (place name here) Treasurer

2019 Hospital Patient Transportation Fund Report – Due May 15, **2020**.

Just wanted to let the public know that certain bonding companies are telling callers that we have retired and are no longer in business. They are even telling callers we turned our business over to them. This is just not true. After being in business for almost 40 years, we decided to slow down. We cut back a lot, but still love and work hard to satisfy our clients. We even started a private investigation service.

We are still offering the same services you have grown to expect from H&H. And to the bondsmen who are answering the phone with "Hammond and Hammond", its a compliment, thanks, but no thanks. ..

At this time we remain DARK for stated meetings. Once the restrictions are removed, I will inform you in coordination with CPT Robert. The OASIS insurance report requirement was submitted directly to Noble John Cable for record and CPT Robert. A file copy is maintained in the NASCARTS Hard copy as well as digital file.

I want to thank everyone who provided information and photos of your cars, trailers, carts and equipment for record. There were some records that were not completed by members. Their property may not be covered for loss or damage as a result of not complying with my information request. I had to submit what I had. If I receive the outstanding information, I will submit a second report.

My purpose was/is to provide information as required by Oasis and protect the interest of our unit. The timely and complete reporting of requested information is paramount in the operation of our unit.

I hope everyone is healthy and safe, look forward to seeing you guys soon.

MEMORANDUM

TO: All U.S. Temple Potentates and Recordors

FROM: John C. Piland, Executive Vice President

DATE: May 8, 2020

SUBJECT: Economic Injury Disaster Loan (EIDL) Follow-up and Request for Information

Throughout the month of April, we sent out memos regarding provisions of the CARES Act (Pub. L. 116-136) and another financial assistance possibility that may benefit your Shrine temple.

On April 2, 2020 our memo included the **Employee Retention Payroll Tax Credit, Delayed Payment of Payroll Taxes, Economic Injury Disaster Loans (EIDL)** and the **PayCheck**

Protection Program Loans ONLY to voice our belief that we do not believe Shrine temples are eligible for the Paycheck Protection Loans.

Our April 8, 2020 memo included the **Expanded Unemployment Insurance, Amendments to the New Paid Leave Mandates** and the possibility of opening of a **Line of Credit**.

We hosted a Zoom meeting the afternoon of April 14, 2020 to answer your question regarding your temples applying for this Federal relief. We went over the online streamlined EIDL application question-by-question.

Shriners International applied for an EIDL Advance on April 14, 2020 using the same online streamlined EIDL application presented in the Zoom meeting.

Less than two days later, the morning of April 16, 2020, we found out the SBA was no longer able to accept new EIDL COVID-19 applications at the time based on available appropriations funding.

Shriners International received the \$10,000 EIDL Advance as identified in the program at that time on May 5, 2020.

As of today, the additional \$60 billion in EIDL appropriations is still not open to 501(c)(10) organizations.

If your temple applied for an EIDL, would you please let us know by sending an e-mail to *****.

If your temple has received an EIDL advance/loan, would you please let us know by sending an e-mail to *****.

While we are waiting and hopeful there will be EIDL appropriations available for Shrine temples to pursue in the very near future, we also urge you to consider whether any of the previously mentioned opportunities could benefit your temple with its current financial needs.

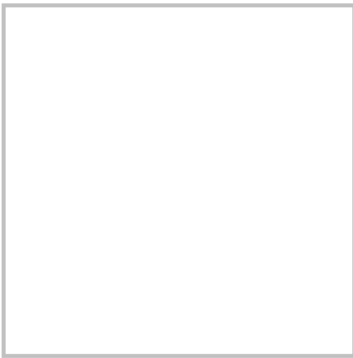

It is recommended that you consult with your temple attorney, temple CPA and banking institution prior to applying for any of these opportunities

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John Piland

DATE: May 12, 2020

RE: Emergency Legislation

Dear Potentates and Recorders:

With the cancellation of the Imperial Session, there will be a substantial number of items typically handled at Imperial Session that simply won't be addressed or handled this year. However, based on the ongoing emergency situation, the Boards of Directors of Shriners International and Shriners Hospitals for Children are determined to provide a procedure to permit elections of Imperial Divan members and Trustees. It is being proposed that those elections be held through a virtual special

meeting using a process that permits Iowa Representatives and Colorado Members to cast ballots remotely through an electronic system operated by a third party to assure accuracy and confidentiality.

On May 14, 2020, a letter from Imperial Sir Jeff Sowder is being sent to all Iowa Representatives and Colorado Members. The letter provides the emergency legislation, voting instructions and ballot for legislation that must be passed in order to permit an electronic meeting and voting process to take place for both corporations.

If the required number of affirmative votes is obtained in this balloting, there will be an electronic telecommunication meeting in July to elect the Imperial Officers and the Shriners Hospitals for Children Trustees. This proposed meeting will be of a short (single day) duration with a very limited agenda.

Due to the incredibly short time between now and the likely date of the meeting, along with the tremendous number of details required to be addressed, we do not currently have answers to a lot of obvious questions related to this special meeting. Pending the results of the ongoing balloting process that will end on June 13, 2020, we will provide you with updates and important information as the plans for the special meeting are made.

A substantial effort has been and will be made to permit Iowa Representatives and Colorado Members to select Shrine leaders through this initiative.

More information will be provided to you at a later date.

Nobles, Ladies and Friends of Oasis,

I am hopeful that all of you are doing well. So, where do I begin? In thinking about this month's informational letter to all everyone several ideas came up, but they all lead to the closings we have had to endure.

As all of us for the most part practicing our social distancing and not holding any meetings, gatherings and fundraisers, please stay strong as we are turning the corner to complete this historic journey. The State of North Carolina has entered phase 1 of our re-opening and by the time this letter reaches most of you I am hopeful that we will be in phase 2.

Due to the virus and limited orders that have been enacted has created the cancellation of all of our events over the summer months. As we move forward, I have had conversations with the leadership of SASA about our fall meeting in Myrtle Beach. As of now all is a go. We are getting ready to draw parade numbers via Facebook live and are looking for a real large time on September 17-20. This is always a great event for Oasis members, so please plan on attending.

Our building is now 30 years old; we have located several items that needed to be repaired or have been held together until the corrected repair could be made. During this time of closure has given us an opportunity to conduct some much-needed repairs at Oasis.

One such item is our lighting and switches throughout the building. We worked with Duke Energy and their contractor to complete an upgrade of our lighting and refrigeration system. This lighting upgrade has touchless room entry throughout every room and bathrooms and will save Oasis money each month. This allows for a complete return on our investment within the first 13 months. These are savings that Oasis will see each month for years to come.

A second area that we needed to address is our cleaning of the building. We have contacted with a new service who has been outstanding. They have completed a much needed deep clean of our building and grounds. Once our building is open again this crew is ready to make sure each rental and our functions are ready to go!

So, once we open again you will see some new faces around Oasis, and they are here to make our facility one of the best in the city.

Thank you all for your wonderful dedication and love of our great fraternity and we are looking forward to the time when we can all be together again. Until then please remember to be safe.

Until next time, let me leave you with a quote of mine that I feel becomes truer every day, "We are strong, we are smart, and we are a nation and fraternity under God and for that we are blessed and saved."

Please remember to place your trust in God and this too will pass.

Ladies and Nobles,

I hope you are all well. So far there is no planned stated meeting scheduled meeting for June. I will let you know as soon as Captain Robert lets me know.

WELL..... Let's start getting ready for SASA 2020, as you know, (Thank You Noble PP PC Nascarts, John Cable) we are **#4** in the line up for 2020!

I have attached some information on the rooms at Doubletree. I am in the process of getting a block for NASCARTS to try and keep us close together if possible. As you see the rooms are about \$150.00.

Now, what I need is to know who is planning to attend SASA as a NASCART Unit member if your parading, what vehicle your parading in, and how you plan to transport your NASCART parade vehicle.

You are responsible for your own room reservations, you can wait until I get the block, or make them now. Just let me know what you are planning please.

Hello this is Chip Rollins your RFSC President with an announcement.

Your RFSC board has decided to open the pool to regular operating hours. This will start Saturday June 13th. With this being said the previous rules will still be in affect due to the States request. I have some Reminders for you.

First: The pool is open for members only in good standing.

Second: Everyone PLEASE sign in, this is due to NC rules because covid19,

PLEASE Sign in, We have to have this for the State of NC.

Third: We ask that you keep all chairs and tables set at 6 to 8ft apart and spray before and after using.

If we find that the new rules/regulations are not being followed, we may be forced to shut down the pool completely and suspend members, so please do your part to keep the Pool OPEN. Also please refrain from posting on social media of the pool activities, we do NOT want any repercussions from Oasis or the Grand Lodge. Please Keep Social Distance.

I know these are unprecedented times and we all As BROTHERS need to keep everyone safe. I hope and pray that we can get back to Normal soon.

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John C. Piland,

DATE: June 18, 2020

As we communicated to you on June 15, 2020, a virtual Special Session will be held on July 11 at 11:00 a.m. EDT. We also reserved July 12, 2020 at 11:00 a.m. EDT to complete our work, if we are unable to complete it on July 11.

A test will be conducted on June 22, 2020 from 10:00 a.m. to 11:30 a.m. EDT. The purpose of this test is to provide temples with an early opportunity in advance of the Special Session to test the following:

Sufficient Wi-Fi signal at the temple location or the location established by the temple, to

allow several connections

- Sufficient bandwidth to permit the Iowa Representatives and Colorado Members to participate in the virtual Special Session.

We encourage temples to live stream the virtual Special Session on a large screen to permit all assembled to view the virtual session from that shared screen and to also eliminate the need for all to stream individually during the Special Session. Utilizing a large screen would also free up some of the bandwidth resources. Therefore, it would be beneficial for the temple to have that equipment in place during the June 22 test.

All devices used by the voting delegates, whether it be a modern computer, a tablet or smartphone, should be able to access the voting website and allow for video streaming so they may participate in the meeting.

Please plan on having technically capable members or others at the temple during the June 22 test as well as on July 11 for the Special Session, as they will prove to be a valuable resource if technical difficulties arise.

A link to access the test will be emailed to you via the same method you received this letter and will be sent prior to 10:00 a.m. EDT, June 22.

Please take this opportunity on Monday, June 22 at 10:00 a.m. EDT to participate in the test. Your participation in this test will ensure your Iowa Representatives and Colorado Members have a successful experience when participating in the virtual Special Session on July 11.

Shriners Hospitals
for Children®

Dear Nobles,

We have exciting news to share! We are very pleased and proud to announce that Frances A. Farley, M.D., has been selected by the Joint Boards to be the new chief medical officer (CMO) of Shriners Hospitals for Children®.

Dr. Farley has a distinguished record of service in pediatric orthopaedics, as well as an

impressive academic resume. These qualities will strengthen Shriners Hospitals' ability to provide the high quality, innovative care to our patients, which is always our first priority, as well as elevate our standing in the academic community.

Dr. Farley earned her undergraduate degree from Duke University, where she majored in history and zoology. She received her medical degree from Weill Cornell University Medical College in New York City, completed a residency in orthopaedic surgery at the University of Michigan and a pediatric orthopaedic surgery fellowship at Texas Scottish Rite Hospital in Dallas, Texas.

After completing her education, Dr. Farley returned to Michigan where she practiced pediatric orthopaedics at the University of Michigan C.S. Mott Children's Hospital for 26 years. For 18 of those years she served as chief of the pediatric orthopaedic surgery service. During her time as chief, the service consistently earned recognition as a Best Hospital in orthopaedics in the U.S. News & World Report annual rankings. In addition, she is the author of more than 200 published works.

Dr. Farley is married to Darryl Snabes, a recently retired senior project engineer for the Ann Arbor VA Hospital in Michigan. They are the proud parents of three college-age children.

We look forward to Dr. Farley's leadership, insight and expertise as we prepare for our second hundred years of service to the world's children, and expect to welcome her to our Shriners family on August 31, 2020.

I also want to take a moment to acknowledge and thank George Thompson, M.D., for serving as our interim chief medical officer for the past several months. We appreciate his efforts and dedication.

And, finally, I want to thank all of you for your commitment to the mission of Shriners Hospitals every day, and for your amazing ongoing efforts in response to the coronavirus pandemic.

Yours in the faith,

Jeffrey L. Sowder

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: June 22, 2020

SUBJECT: Live Stream Test on Monday, June 22, 2020

Below is the link to the live stream test:

<https://imperial2020live.com/>

This test is going to be conducted on Monday, June 22, 2020, at 10:00 a.m., Eastern Daylight Time. The purpose of this test is two-fold. First, it is intended to permit temples to test whether they have sufficient bandwidth to receive the broadcast from Shriners International. It may also permit temples to test certain

interactive features that permit representatives to actively participate in the meeting. We do not expect to be testing voting procedures at this time.

This also provides Shriners International with the ability to test its systems to be certain that audio visual content can be broadcast and to test interactive features.

There really won't be a "program" provided in connection with this testing. This is merely an early opportunity to facilitate the testing of the technology. Temples are free to logon or leave, as they desire.

While we don't anticipate that your participation in this initial round of testing will be entertaining, we do hope that it is helpful to the preparations for this unprecedented virtual special session of Shriners International. Thank you for your assistance and participation.

Nobles and Ladies:

I know it is very short notice however, Noble Clay has asked that if possible, we could participate in a drive by parade as I have enclosed his message to me as follows:

"Past Grand Master Bob Gresham has contacted Illustrious Sir Ken Jarrett to see if any units could participate in a small drive by parade at the assisted living center where he resides, Friday July 3 at 10:00 am in Salisbury, this would mean a great deal to the residents of Trinity Oaks as well as Most Worshipful Grand Master Bob.

With a few quick calls we have two units already coming Oasis Scooter Patrol and Carolina Drifters, late notice, but any other units interested give me a call ,text or email as I am still getting details on this event."

As soon as he provides me the information I will pass it on to all of you. I will be parading to represent us in this event. Hope to see some of "You's Guys". but again, I understand that plans are in place for the week end and work schedules drive the train as well.

Let me know as soon as you can.

Nobles and Ladies:

I know it is very short notice however, Noble Clay has asked that if possible, we could participate in a drive by parade as I have enclosed his message to me as follows:

"Past Grand Master Bob Gresham has contacted Illustrious Sir Ken Jarrett to see if any units could participate in a small drive by parade at the assisted living center where he resides, Friday July 3 at 10:00 am in Salisbury, this would mean a great deal to the residents of Trinity Oaks as well as Most Worshipful Grand Master Bob.

With a few quick calls we have two units already coming Oasis Scooter Patrol and Carolina Drifters, late notice, but any other units interested give me a call ,text or email as I am still getting details on this event."

As soon as he provides me the information I will pass it on to all of you. I will be parading to represent us in this event. Hope to see some of "You's Guys". but again, I understand that plans are in place for the week end and work schedules drive the train as well.

Let me know as soon as you can.

This is Chip Rollins your Red Fez Shrine Club President with a few announcements.

First: July 4th fireworks from YMCA Camp Thunderbird have been canceled for this year, so we will **NOT** be having our usual July 4th celebration and cook out at the pool.

Second: The pool will be open on a regular schedule. Please everyone sign in before entering the pool. Mecklenburg County is out doing inspections, please do not be the cause of our pool being shut down. Remember our pool is open for members only in good standings, until we are out of the woods with this pandemic. **NO** Guest are allowed. Also practice social distancing and sanitize tables and chairs before and after using. Please abide by the posted rules. **No** tobacco or vaping inside the pool facility.

Third: Since the pool will be open for the holiday weekend, remember Fireworks are **NOT** allowed on Red Fez Shrine Club property. Anyone breaking this Rule will be suspended from our club.

During these trying times the RFSC Board ask for your support and cooperation. Believe me I would love to have everything back to normal, we are doing the best we can. Thank you and I hope everyone has a wonderful Holiday weekend.

OFFICE OF
JOHN C. PILAND
EXECUTIVE VICE PRESIDENT/COO

MEMBER
ANSAR SHRINERS
SPRINGFIELD, ILLINIOS

MEMORANDUM

TO: Temple Potentates and Recorders

FROM: John C. Piland, Executive Vice President

DATE: July 1, 2020

SUBJECT: Virtual Special Session of Shriners International/Special Meeting of Shriners Hospitals for Children: Technical Assistance, Dress Rehearsal, Live Stream Access and Quorum Establishment

Temple planning and preparations for the virtual Special Session/Meeting to be held on Saturday, July 11, 2020, should be well underway. We would like to take this opportunity to provide you with additional information as well as reiterate important information previously provided to you to ensure you are fully prepared.

NOTICES

Notices for a Special Session of Shriners International and a Special Meeting of Shriners Hospitals for Children were provided to Iowa Representatives and Colorado Members on June 29, 2020. The Notices include a substantial amount of information with regard to how to participate in the upcoming virtual Special Session/Meeting. This information was also posted on Shriners Village Boardroom site (in the Business Office and Recorder's folder) to permit temple leaders easy access to the materials and to permit them to provide the information to those providing the necessary technical assistance.

DRESS REHEARSAL

There will be a "dress rehearsal" on the afternoon of Friday, July 10, 2020 at 4:00 p.m. EDT to permit voting delegates the opportunity to establish connection with a live video stream test of the Pure Chat feature and also participate in test votes to test the voting system. We expect this "dress rehearsal" to be helpful to those providing the live stream and voting services, as well as the voting delegates. Temples are encouraged to participate in this "dress rehearsal" to confirm operational connectivity, as well as to utilize system features by clicking on the stream link below at 4:00 p.m. EDT on July 10, 2020. We strongly encourage having technical assistance available at this "dress rehearsal. Click here to access live video stream on July 10, @ 4:00 p.m. EDT: [https://imperial2020live.com/\[mandrillapp.com\]](https://imperial2020live.com/[mandrillapp.com]).

BEFORE SPECIAL SESSION/MEETING-TEST EVENT STREAM CONNECTIONS/ESTABLISH QUORUM

1. Test Event Stream Connections

- On Saturday, July 11, at 11:00 a.m. EDT, the virtual Special Session/Meeting will convene. **However, beginning at 9:00 a.m. EDT, voting delegates will be able to log on and test the event stream.** If there are any concerns with regard to the event stream, the Pure Chat feature will be available to offer assistance for 2 hours prior to the time that the session convenes. Voting delegates are strongly encouraged to log in and test the event stream event shortly after 9:00 a.m. The live portion of the event stream will start at 11:00 a.m. EDT.

2. Establishment of Quorum

- The presence of a quorum shall be established by participation of voting delegates in recording their **presence** in a Record of Attendance ballot for the purpose of establishing a quorum between 9:00 a.m. and 10:50 a.m. EDT on July 11, 2020.

HOSTING SPECIAL SESSION/MEETING AT TEMPLE LOCATION

Some temples are able to host their voting delegates, while other temples may be prohibited from holding such a gathering, due to legal requirements, Grand Lodge constraints, or related safety or travel restrictions making attending the virtual Special Session/Meeting at the temple impossible. In those limited circumstances in which it is not possible to host our virtual Special Session/Meeting at the temple, written dispensation from Imperial Sir Jim Smith (jrsmith@shrinenet.org) is required to participate at a location other than the temple. Please be sure to include a written explanation of the circumstances that prohibit your temple from accommodating the virtual Special Session/Meeting for your voting delegates.

Please take advantage of all test opportunities to ensure your temple is prepared for the virtual Special Session/Meeting on July 11 at 11:00 a.m. EDT. Temples are strongly encouraged to identify technically capable members or others who can be at the temple on July 11 to assist voting delegates with foreseeable technical difficulties that may arise during this virtual Special Session/Meeting. This technical assistance is key in permitting full participation by voting delegates and in creating a positive and productive meeting experience.

A new file is available for you to download from the Fraternal Communications boardroom at Shriners Village.

Dear Recorder,

The following letter was sent to your Assistant Rabban. We wanted you to receive it also, should they have any questions.

.....

Dear Assistant Rabbans,

We are excited to have the **2022 IMPERIAL SHRINE SESSION** back in Minneapolis. Bill and Debby look forward to hosting you, your Divan, your Nobility and your Ladies in our **150th YEAR** as a **FRATERNITY** and our **100th YEAR** of supporting **SHRINERS HOSPITALS FOR CHILDREN**.

IMPORTANT HOUSING INFORMATION

The #1 thing for you to remember is this: A successful and fun Imperial Session for **YOUR TEMPLE**, begins with **YOUR** leadership in taking care of **YOUR TEMPLE'S HOUSING** needs.

Please familiarize yourself with the following important items:

Shriners International Bylaws, § 334.12, Contracts for Lodging at Imperial Sessions and Meetings – “After a temple has voted to send units, clubs, or Nobles to an annual Imperial Session of Shriners International or a Shrine association meeting, it shall designate one of the official divan as the authorized agent of the temple to make contracts for transportation and lodging, provided, however, that such contracts must be approved by, and contain any limits or conditions required by, the temple.”

General Order #1 – Special Convention Notice and Accommodations for Future Imperial Sessions of Shriners International - These referenced sections of General Order #1 provide a detailed explanation of regulations related to the housing process for outside hotels. Please pay particular attention to the section on housing as it relates to making your housing arrangements through the Housing Chairman. Failure to comply with the regulations as outlined in General Order #1 will affect the participation of your Temple's units in the competition(s) and parade(s).

The Key Things you must decide is this: Will your Temple Need More Than 15 Rooms?

If you are planning on staying in the Headquarters Hotels and you need 15 rooms or less, Shriners International will handle your hotel arrangements starting in mid-February of 2022.

If you need 15 Rooms or more, or if would just like us to find you a HOTEL – KEEP READING!

As the Assistant Rabban, if you need **MORE THAN 15 ROOMS**, you will need to **CONTACT** the Housing Chairman – **REGARDLESS** of which hotel you wish to stay in! Remember – **NO** rooms will be assigned until you contact them. All Housing Arrangements **MUST** be made through the Housing Chairman or through Shriners International.

Since the 2020 Imperial Session has been canceled, 2022 Housing arrangements will start July 1, 2020. Please go to our website, www.imperialsession.com/pages/imperial-2022 and fill out the online housing form.

The Imperial 2022 Housing Team will contact everyone who submits their form to discuss your choices. Then simply pay your Binder Fee of \$20 per room reserved - Check or Credit Card* in U.S. funds. After September 1 you will confirm your room rate, any hospitality room requirements, and amenities to sign a contract with your hotel. **IMPORTANT: Failure to complete a contract with the hotel within the designated time frame can result in those rooms being reassigned to another Temple.** After your contract is signed, it will be then your responsibility to assign rooms to your attendees and to submit the reservations to the hotel in order to fulfill your obligated room block, based on your contract.

If you have any questions regarding hotel specifics, please feel free to contact:

Illustrious Sir Jim Burlingame, Jr.
Housing Chairman
(763)- 447-1785
housing@imperial2022.com

*** - a processing fee of 2.9% will be added to all Credit Card transactions**

RED FEZ SHRINE CLUB

FEZETTE

NO MEETING DUE TO

COVID -19

MESSAGE FROM YOUR RED FEZ BOARD

NOBLES AND LADIES,

I HOPE EVERYONE IS DOING WELL AND STAYING SAFE DURING THIS PANDEMIC. COVID-19 HAS PUT A DAMPER ON ALL OUR LIVES AND CHANGED IT DRAMATICALLY BUT I'M HOPING WE WILL BE OUT OF THE WOODS SOON. JUST LIKE ALL BUSINESSES, THE RED FEZ SHRINE CLUB HAS TAKEN SOME BLOWS (RENTALS AND ETC.) BUT YOUR RED FEZ SHRINE CLUB BOARD HAS MADE ADJUSTMENTS TO HELP US STAY AFLOAT. I HAVE NOT SENT OUT THE FEZETTE OR MANY PHONE TREES SINCE THERE IS NOT MUCH TO REPORT OR GOING ON WITH THE CLUB OR THE GRAND LODGE. I WOULD LIKE TO THANK EVERYONE WHO HAS VISITED THE POOL AND FOLLOWED THE RULES THAT WERE SET BY THE COUNTY AND STATE. I MUST SAY THAT THIS HAS BEEN A VERY FRUSTRATING TIME AS PRESIDENT. LADY DAWN AND I HAD SOME GREAT IDEAS FOR IMPROVING OUR CLUB BUT UNFORTUNATELY, WE HAVE NOT BEEN ABLE TO DO WHAT WE HAD HOPED TO DO FOR THIS YEAR. AS WE PASS THE TORCH IN A FEW MONTHS, WE HOPE AND PRAY THAT OUR NEW PRESIDENT AND FIRST LADY HAVE MORE SUCCESSFUL TIMES. IN THE MEANTIME, WE ARE STILL ON HOLD FOR MEETINGS BUT I'M HOPING THAT WILL CHANGE SOON SO WE CAN ALL COME TOGETHER AT LEAST ONCE BEFORE THE END OF THE YEAR. . ONE REMINDER: THE OWNER OF LILY'S BISTRO ON HWY. 49 CALLED LAST WEEK TO LET US KNOW THAT HE'S DOING A FUND RAISER FOR ONE OF HIS EMPLOYEES WHO LOST HER SON, DAUGHTER IN-LAW, AND 2 GRANDCHILDREN IN THE CRASH ON 485 LAST WEEK! HE WILL BE SERVING BBQ PLATES AT LILY'S BISTRO THIS SATURDAY 07/18 FROM 11:00 TO 3:00

I WOULD LIKE TO THANK MY BOARD FOR BEING SO GREAT TO WORK WITH THIS YEAR AND I PRAY EVERYONE STAYS SAFE AND HEALTHY.

FRATERNALLY YOURS,

CHIP ROLLINS

PRESIDENT RED FEZ SHRINE CLUB

Hello to All! I hope everyone is doing well, staying safe and cool! Summertime has officially arrived with a bang! It is HOT!!! I miss seeing everyone at the Club! I am also missing all the activities which we have so much fun at!

The Ladies Auxiliary has voted, and we will soon be purchasing new toilets for all the bathrooms

on the main level and lower level of the Club House. We may need some volunteers to help install them -let me know if you can help!

Lady Charlotte Burgess has sent an email to all members of the Ladies Auxiliary regarding the nominating committee and nominations. If you are interested in being on the ladies' board or

would like to nominate someone for the upcoming year, please let one of the nominating committee know – they are Charlotte Burgess, Phyliss Johnson and Julie Thornton. They can be

contacted through the head of the committee Charlotte Burgess at cnb1954@bellsouth.net. As our president Chip mentioned – this has been a very strange year and the ladies have not been able to have any planned functions. I miss them so much! I hope and pray we will be all together soon – before I pass the gavel!!!

I look forward to seeing you hopefully sooner than later!! Stay safe and keep the faith!

Love,

Kim Wrenn

President

Information from your RFSC, VP

I hope everyone is staying safe and doing well during this pandemic! Unfortunately, we have not been able to have any sponsored events at the Club – for example clean-up day! So, if you are visiting the club – going to the pool or just hanging out – or have nothing to do please consider helping! Pick up trash, prune some bushes, plant flowers, rake leaves, hang doors, hang cabinets, help with maintenance around the pool, install toilets – the club needs all of us to work together to make it shine as the beautiful spot it is for ALL of us to enjoy. We ALL have to work together to keep cost down and only a FEW cannot do everything! Please contact me at 980-521-3523 if you can help! Stay Safe!

Vice President**

Bonnie and I will be providing a Burgers and "Dogs" Picnic Lunch with the fixings for all. We only ask that you tell us who is coming so we can get enough food and drinks for all.

Please let me know by return email who will be attending.

MEMORANDUM FOR:

CPT Robert Warren Jr.
PP Leonard Stump
PC George Hunsucker
PC 1LT John Cable
2LT R. Matt Walker
Everett Jarrett
Tony Ramsey
Jim Coleman

SUBJECT: Organizational Changes for the Oasis NASCARTS Parade Unit

NOBLE Members:

It has become evident that there are internal political issues within the NASCAR organization because of ongoing political unrest within our country. The Shriners, historically, have remained disconnected politically from most events over the years and we as a Shriner's Parade Unit should remain un-political.

Our logo emulates the NASCAR logo and displays an implied affiliation with this great organization. However, there are issues within NASCAR that do not reflect the Shrine, Oasis Temple, Greensboro Shrine Club, or NASCARTS. One of these issues is the support of one of the drivers for the Black Lives Matter movement and this display of this logo on his car. The protested retirement of another driver over this issue and so on. Our focus and mission is to support the Shriner's Children's Hospitals. We cannot be involved with the political issues of the times as a unit.

In discussion with Robert it has been determined that we, Oasis NASCARTS need to separate the appearance of the NASCARTS from NASCAR by name and logo. He, as Captain and Commander of the unit,

has directed me to develop a working committee to create a reorganizational plan and present it to him for his consideration and ultimately then presented to the unit for discussion and approval. The following Nobles are hereby appointed as the Reorganization Committee:

Chairman: Everett Jarrett

Members:

PP Leonard Stump
PC George Hunsucker
Jim Coleman
Tony Ramsey
2LT R. Matt Walker
Bobby Myers

Defecto Members:

CPT Robert Warren Jr.
IPC 1LT John Cable

Having received this memorandum, this serves as your appointment notification. You may decline, in written reply, if you do not wish to be a committee member.

On behalf of the Captain it is requested that this memorandum not be circulated to the unit members at this time. Once we come to an agreement on the direction of the reorganization and it is approved by the Captain, we will present the proposal to the unit for discussion, vote, and approval.

There will be many items for consideration in this reorganization. Some considerations; but not limited are as follows:

New uniforms
Transition to the Legends style cars
Soliciting sponsorships for cost deferment
Fundraisings
Removing and selling of the go carts
Re-chartering the NASCARTS to a new parade unit
Name for the New Unit
Bylaws update
Preventive Maintenance Program

Insurance program update
Transport requirements

I am suggesting that we have an initial planning meeting on Saturday, August 1, 2020 at 2:00 PM at my house where we will have a picnic lunch (Burgers-Dogs and fixings) and a meeting. This will allow you time for scheduling and the development of your ideas and proposals.

If there are any questions or further concerns, please feel free to contact me at LTCBOBBYOHMR@AOL.COM or (636) 578-2502. This memorandum is placed in file.

One of these issues is the support of one of the drivers for the Black Lives Matter movement and this display of this logo on his car. The protested retirement of another driver over this issue and so on. Our focus and mission is to support the Shriner's Children's Hospitals. We cannot be involved with the political issues of the times as a unit.

In discussion with Robert it has been determined that we, Oasis NASCARTS need to separate the appearance of the NASCARTS from NASCAR by name and logo. He, as Captain and Commander of the unit,

has directed me to develop a working committee to create a reorganizational plan and present it to him for his consideration and ultimately then presented to the unit for discussion and approval. The following Nobles are hereby appointed as the Reorganization Committee:

Chairman: Everett Jarrett

Members:

PP Leonard Stump
PC George Hunsucker
Jim Coleman
Tony Ramsey
2LT R. Matt Walker
Bobby Myers

Defecto Members:

CPT Robert Warren Jr.
IPC 1LT John Cable

Having received this memorandum, this serves as your appointment notification. You may decline, in written reply, if you do not wish to be a committee member.

On behalf of the Captain it is requested that this memorandum not be circulated to the unit members at this time. Once we come to an agreement on the direction of the reorganization and it is approved by the Captain, we will present the proposal to the unit for discussion, vote, and approval.

There will be many items for consideration in this reorganization. Some considerations; but not limited are as follows:

New uniforms
Transition to the Legends style cars
Soliciting sponsorships for cost deferment
Fundraisings
Removing and selling of the go carts
Re-chartering the NASCARTS to a new parade unit
Name for the New Unit
Bylaws update
Preventive Maintenance Program

Insurance program update
Transport requirements

I am suggesting that we have an initial planning meeting on Saturday, August 1, 2020 at 2:00 PM at my house where we will have a picnic lunch (Burgers-Dogs and fixings) and a meeting. This will allow you time for scheduling and the development of your ideas and proposals.

If there are any questions or further concerns, please feel free to contact me at LTCBOBBYOHMR@AOL.COM or (636) 578-2502. This memorandum is placed in file.

Right now there are no other parades confirmed by the hosting unit for 2020, except for the Fall Veterans Parade, we will have to wait and see if it is cancelled. I will continue to coordinate the many fall, winter, and Christmas parades as usual. We'll wait and see what is going on with all of that.

Greetings:

The link below will take you to the Imperial Session Information tab in the Fraternal Communications Boardroom section of Shriners Village. Here you will find a memo which will document the established procedure related to obtaining sleeping rooms during the 2021 Imperial Session of Shriners International.

A major item to note is that the process for housing in a "headquarters" hotel and the process for obtaining rooms in an "outside" hotel are significantly different. If you are not already familiar with the section in the General Order #1 outlining the regulations pertaining to the housing process, I would encourage you to become familiar with this information.

Please take a few minutes to review this memo, doing so will help to avoid confusion and misunderstandings when obtaining sleeping rooms, during the Imperial Session, for yourself and your temple attendees.

If at any time you have questions relating to this memo or any other area of the annual convention, please contact me.

Thank you for your time.

Chris

MEMORANDUM

TO: Temple Potentates, Recorders and Treasurers

FROM: James R. Smith, Imperial Potentate, Shriners International
Jerry G. Gantt, Chairman, Shriners Hospitals for Children

DATE: August 10, 2020

SUBJECT: Hospital Patient Transportation Funds

Protecting the brand of Shriners International and Shriners Hospitals for Children should be the highest priority for Shrine leaders. The public trusts us with millions of dollars of charitable donations annually with well-placed confidence that we will use the funds to provide the highest quality pediatric care to children from all over the world.

General Order #1 provides specific direction as to how temples may use charitable funds. It is critically

important that the temples understand and fully comply with these rules.

1. Hospital Patient Transportation Fund.

Under "SHRINE HOSPITAL PATIENT TRANSPORTATION FUND" found in General Order #1, page 47, there is a listing of items that Hospital Patient Transportation Funds can be used to pay. If an item is not listed there as a reasonable and ordinary expense, it is **improper** to issue payment from the Hospital Patient Transportation Fund to cover that expense. Specifically, the transportation and housing costs of members of the local board to attend hospital business meetings **are not** expenses that can be reimbursed from the Hospital Patient Transportation Fund. If reimbursement is to be provided at all by the temple, it can only be made by using fraternal funds. Therefore, no checks should be issued to a hospital board member from the Hospital Patient Transportation Fund.

2. Net Proceeds from Charitable Fundraising may not be Designated or Restricted except for Research.

Under "FUNDRAISING ACTIVITIES" paragraph 2(c), General Order #1, page 42, it provides:

"The remaining net proceeds from charitable fundraising" (except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient Transportation Fund) "must be given to Shriners Hospitals for Children and may not be designated or restricted in any way other than for research at one or all of our hospitals."

While difficult or impossible to do at this time, temples are strongly encouraged to host charitable fundraising events for the benefit of Shriners Hospitals for Children. It is improper to conduct fundraising events in the name of the temple's Hospital Patient Transportation Fund. Of the charitable funds raised in the community by Shriners, a certain portion (up to 100%) may be permitted to be retained for the temple's Shrine Hospital Patient Transportation Fund, pursuant to the Special Purpose Funds provisions of any General Order.

PRE-DEPARTURE PROTECTION WAIVER

2021 Pre-Departure Protection Waiver - \$45

Policy Description

The Pre-Departure Protection (PDP) waiver allows you to revise your booking up to and including the 8th day prior to departure or to cancel the booking entirely at any time prior to your originally scheduled departure time without incurring revision or cancellation fees.

Cancellations with PDP:

- With PDP, cancellation prior to your originally scheduled departure* will result in no cancellation fees for your booking, as well as a refund of your booking minus the cost of PDP.
- Basic Economy fares, certain promotional tours, specific room categories and activities that are identified as "non-refundable" or "advance purchase" are not covered by the PDP. Additional exclusions apply.
- Sandals Resorts, Beaches Resorts and Grand Pineapple resorts become non-refundable on the 30th day prior to departure and at that point are not covered by PDP.
- The cost of the PDP is non-refundable.

*Cancellations for hotel packages (no air component) must be requested by 10:29 PM (Central Time) the day before check-in for PDP cancellation protection to be valid. After 10:29 PM the day before check-in, the full package becomes non-refundable.

Changes with PDP:

- With PDP, changes to your booking are possible up to and including 8 days prior to departure without incurring any revision or cancellation fees; however, PDP does not waive an increase to your vacation package price as a result of a change, and any increase in price must be paid for in full at the time the change is made.
- Changes within 7 days from travel may be possible and American Airlines Vacations (AAV) initiated fees may be waived, however third party fees (e.g., hotel, ground transportation, activities) may apply.

For questions, please call us at 800-321-2121.

Due to the nature of AAV packages, AAV is unable to provide separate refunds for flights associated with the package (i.e. any refund associated with the package must be processed for the package as a whole). No refunds will be issued or exchanges made for any missed or unused package features, package components or unused hotel nights. AAV is not responsible for free components provided by third party vendors. Free components have no cash value.

Requests for refunds, after travel has been completed, must be submitted in writing or email to AAV no later than 30 days after the departure date. Send requests for refunds to:

Acceptance of a refund constitutes a waiver by the customer of all rights and remedies under applicable laws other than the amount of the refund.

Special Travel Requests

Hotels, destinations, airlines and tourist facilities do not necessarily have the appropriate special services and equipment to accommodate persons with disabilities or special needs. Please advise AAV of any special requests at the time of booking by calling 800-321-2121 at least 15 days prior to travel. AAV will forward the requests to the appropriate vendors. A notarized letter of permission to carry the child outside U.S. boundaries is required from any legal parent/guardian not traveling with the child. For travel to/from Mexico, a separate notarized letter of permission in Spanish is also required. In cases of divorce or death of a parent, original custody papers verifying full custody to the traveling parent or an official death certificate eliminates the need for a notarized letter.

Married or divorced women traveling under names other than what appears on their travel documents must present a marriage certificate/license and/or divorce decree.

It is your responsibility to ensure that you have the correct documents needed for travel to any international destination, including the Caribbean, Latin America, and Europe. If you do not have the required documentation and identification for your destination, you will not be allowed to board the plane. For example, AAV is not responsible for any person who is unable to travel as a result of their failure to have a valid passport, and for non-U.S. citizen's failure to have necessary travel documents.

Responsibility

AAV is a tour operator and an independent contractor, which makes arrangements with third party independent vendors for all tour packages, services and accommodations including air transportation, hotels and other services. AAV is not an agent of the customer or of other parties providing travel-related services. AAV does not accept and expressly disclaims any liability for the actions or omissions of these independent vendors. Further, excursions or other tours that a customer of AAV or his travel party may choose to book or pay for while on their trip shall not create a contract with AAV, but rather the contract will be with the operator of the excursion or tour. AAV will not be responsible for the provision of such excursions or tours or for anything that happens during the course of its provision by the operator even if a member of the AAV staff accompanies the relevant excursion or tour.

All travel documents are issued subject to the terms and conditions specified by such vendors. Neither AAV nor any of its agents or employees shall be held liable for, and by accepting these documents customer waives any claim against all such parties for a) any loss of or damage to property or injury to any person caused by reason of a defect, negligence or other wrongful act or omission of or any failure of performance of any kind by any other transportation company, vendor or supplier or other damage caused by factors outside of AAV's control; b) any inconvenience, loss of enjoyment, mental distress or other similar matter; c) any delayed departure, airline turbulence, transportation accidents or missed connections, substitutions of accommodations, termination of service or changes in fares and rates or other unforeseen circumstances; and d) any cancellation or double-booking of reservations, tickets or packages beyond the control of AAV.

In no event shall AAV be responsible for any amount other than the price paid by the customer for the tour or package. AAV reserves the

right to accept, decline, retain or remove any person as a member of the tour package program or group at any time.

AAV's liability will also be limited in accordance with any relevant international conventions in relation to the provision of travel or accommodation services which are hereby incorporated into and form part of every person's agreement with AAV and AAV will be regarded as having all the benefit of any limitation of compensation or liability contained in any such conventions.

Each customer agrees that all disputes in any matters whatsoever arising under this Agreement in connection with the responsibility of AAV or any airline shall be construed and enforced in accordance with the laws of the State of Texas, and each customer consents to the courts of the state of Texas, USA, being the sole venue of any action related to this agreement, to the exclusion of the courts in any other state or country. Each customer waives its rights to a jury trial.

If you have any questions please call AAV at 800-321-2121.

OFFICE OF
JOHN C. PILAND
EXECUTIVE VICE PRESIDENT/COO

MEMBER
ANSAR SHRINERS
SPRINGFIELD, ILLINOIS

MEMORANDUM

TO: Temple Potentates, Recorders and Treasurers

FROM: John C. Piland, Executive Vice President

DATE: September 1, 2020

SUBJECT: CARES Act and Eligibility for Coronavirus Relief Programs

We have advised temples that the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provides temples with the opportunity to obtain a loan through the Economic Injury Disaster Loan (EIDL) Program, but not through the Paycheck Protection Program (PPP). In addition to the EIDL Program, some temples have been able to access state or local funding programs as well.

Federal relief programs generally provide that it is the borrower's sole responsibility to determine

and certify their eligibility to receive a loan under the PPP. We have repeatedly informed temples that we do not believe the PPP is available to 501(c)(10) fraternal organizations. Certifying eligibility to receive a loan under the PPP may constitute federal loan fraud. Therefore, temples are strongly advised to seek the advice of their attorney before applying for a loan pursuant to the PPP.

As a result of falsely asserting their eligibility to receive a loan under the PPP, a prosecutor could seek criminal penalties for:

1. False statements to a federal agency (18 U.S.C. § 1001) (2020)).
2. False statements to the SBA (15 U.S.C. § 645(a) (2020)).
3. Loan application fraud (18 U.S.C. § 1014 (2020)).
4. Bank fraud (18 U.S.C. § 1344 (2020)).
5. Mail fraud (18 U.S.C. §§ 1341, 1343 (2020)).

In addition to fines, both civil and criminal (see 18 U.S.C. 3571)(2020), making a false statement to obtain a PPP loan may also result in significant harm to the brand of the Shrine. The general public contributes millions of dollars annually as the result of their faith and confidence that Shriners conduct themselves appropriately and are good stewards of the funds entrusted to their care. We cannot, and will not, betray that trust.

SUMMARY

Temples are strongly encouraged to explore applying for an EIDL loan. Many temples have successfully done so. Temples are also encouraged to explore the possibility of establishing a line of credit to address short term needs for cash. This produces a far better result than the ill-advised use of a credit card to address cash needs.

Temples are **strongly advised** to obtain the written advice of their attorney before applying for a loan under the PPP, as receipt of a PPP loan may constitute federal loan fraud. We do not believe 501(c)(10) fraternal organizations are eligible to participate in the PPP loan program.

Because the temple is required to certify its eligibility, through PPP loan documents, the temple has the burden of being able to clearly establish its eligibility through written documents.

Hopefully, we are nearing the end of the continuing economic devastation caused by the coronavirus pandemic. Until that time arrives, the goal is to try to keep the temple financially upright until facilities, rentals and events can begin to make up for the revenue shortfall.

Happy September!!!

What a crazy year this has been with COVID19 affecting us all! RONA (my nickname for COVID) has really put a damper on all our plans we had for this year. I have really missed all the great events and seeing everyone at the club. I hope and pray that 2021 will bring the club back to life with great parties, friends, and fellowship!

It is that time of year where we decide on who will be serving on the board for 2021. It is voting time!!! All paid members of the Ladies Auxiliary are eligible to vote. I will be emailing you instructions on how we will vote. At this time, the nominating committee has presented the following slate of officers for 2021:

President: Mary Ham

1 st VP: Debbie Burgess

2 nd VP: Kelly BoBo

Treasurer: Lori Myers

Secretary: Sandra Fadel

We previously requested any additional nominations be made to Charlotte Burgess by September 5th. If we do not have any further nominations, the slate of officers will stand, and we will be voting on these members for these positions.

If you have any questions, please feel free to contact me or Charlotte Burgess. I can be reached at kwrenn@ncharrp.com and Charlotte at cnb1954@bellsout.net.

FYI below and attached.

Noble John, thanks for your time on the phone this morning.

As the letter makes it clear, the Potentate will need to issue a letter to Oasis informing club presidents and unit captains of his decision to allow or not allow them to now meet following these conditions.

For the two clubs that called me yesterday about this letter from the Grand Master asking me what Oasis has decided, I have asked them to please wait for a communication to be forthcoming from Oasis.

YITF,
Chris

Brethren,

After due consideration, and in conformity with the Orders of the Governor, the Grand Master has Ordered that all lodges may reopen, but only with certain precautions in place and every effort made to prevent the spread of COVID-19. Please read the attached Order carefully. Lodges that feel they are still unable to meet may continue to not meet. We cannot urge you enough to heed all health and safety precautions if your lodge chooses to reopen. Please do not hesitate to contact the Grand Lodge

Office if you have any questions. The Annual Communication will still be limited in scope and virtual. Again, please be cautious. And, over this holiday weekend, be safe, brethren.

Sincerely and fraternally,

Walt Clapp
Grand Secretary

P. SHAUN BRADSHAW
GRAND MASTER 2020
1101 Bearhollow Road
Greensboro, N.C. 27410
(336) 365-6733
sbradshaw@glnc.us

Brethren,

I hope this correspondence finds you and your loved ones safe and well. During recent months our meetings, along with those of all appendant, concordant, and adjunct bodies under the jurisdiction of the Grand Lodge of North Carolina have remained suspended by my order. The first restrictions were ordered in conjunction with our governor's Executive Order in mid-March which closed schools and non-essential businesses. Since that time, I have permitted some limited in-person and outdoor Masonic activities as the Governor has issued updated guidance for the state.

As most of you may be aware, on September 1, 2020, Governor Cooper issued Executive Order No. 163, which eases restrictions on the number of people permitted in a mass gathering. I have reviewed the Executive Order and associated guidance from the NC DHHS. I find that section 7.A. of the Executive Order defines a mass gathering as convening "more than twenty-five (25) people indoors or more than fifty (50) people outdoors at the same time in a single confined indoor or outdoor space, such as an auditorium, stadium, arena, or meeting hall."

In lieu of the Governor's most recent Executive Order and given that the vast majority of our lodges have fewer than 25 members in regular attendance, I believe it is suitable to permit subordinate lodges, appendant, concordant, and adjunct Masonic organizations to resume holding stated and emergent communications in lodge buildings with certain restrictions applied.

As such, it is my Order that effective Monday, September 7, 2020, at 5:00pm, at the Master's discretion and with due consideration for the health and well-being of his members, up to twenty-five (25) members of a Lodge (or 50% of the maximum capacity of the lodge, if less than 25) may utilize the lodge facility for stated and/or emergent communications. Further, at the Master's discretion and upon the review and approval of the District Deputy Grand Master, a lodge may request dispensation for an outdoor degree with up to fifty (50) members present.

Although this Order permits lodges and other affiliated Masonic organizations to conduct regular business meetings, the following guidelines, requirements, and restrictions shall be strictly adhered to:

1. No member may be required to attend any Lodge or Masonic-related function if that person believes it is unsafe to do so; notwithstanding an official Summons from the Grand Master, Master, or presiding officer, in which case due precautions shall be taken to protect the health and safety of the member when such summons is executed.
2. If the Master of the lodge determines it is in the best interest of his Lodge to remain closed during the COVID-19 pandemic it will be allowed to remain closed until such time as the Grand Master has determined that restrictions have eased sufficiently for the lodge to reopen.

3. The Grand Presiding Officer(s) of Masonic affiliated organizations shall require their particular organizations to adhere to this order, as well as their own appendant body's rules and regulations.
4. The Master shall ensure his lodge has adequate disinfectant, cleaning supplies, and hand sanitizer available in the lodge prior to reopening.
5. Prior to entry into the lodge building, all members must submit to and sign a health questionnaire (see *Attachment A*). Entry shall be denied if any questionnaires are answered in the affirmative. Temperature checks with a "no touch" thermometer are encouraged.
6. Proper signage (see *Attachment B*) must be in place outside the lodge building to inform members not to enter if they are sick, do not feel well, are under quarantine restrictions, or have tested positive for COVID-19 within the last 14 days.
7. **Wearing a face covering (cloth face masks, surgical masks, and N95 respirators are acceptable) in the proper manner (i.e. over the nose and mouth at all times) is required at all Masonic functions.** While the following exceptions are permitted, it is highly recommended that any person with a health condition which does not allow them to wear a face mask should consider refraining from all large gatherings at this time.
 - Any member with a documented respiratory medical condition whereby wearing a face covering would prevent the member from properly breathing, may be exempted from wearing a face mask.
 - Any member, during the performance of a ritualistic speaking part may remove his face mask while he is speaking as long as he maintains proper social distancing from his brethren.
8. During meetings, all members present shall ensure adequate social distancing is maintained. Per CDC guidelines, proper social distancing requires at least six (6) feet between individuals.
9. To prevent cross-contamination of the lodge registry, the Secretary shall record all members present for the meeting in the registry book.
10. Members are encouraged to bring their own aprons to the meetings. Should a member require the use of a lodge apron, the Master will ensure all used aprons are properly cleaned prior to the next meeting.
11. Shaking hands is discouraged.
12. Hand sanitizer shall be provided by the lodge and shall be readily available both inside and outside the lodge room. Running water, soap, and disposable paper towels are required in all rest rooms.
13. Prior to the meeting the Tyler will attend the door to the lodge room and take up the pass as each brother enters. The pass may be given in a regular voice and from a moderate distance from the Tyler. All members shall maintain proper social distancing while they await entry into the lodge room. Upon opening the lodge, the Deacons will receive the pass from the Tyler who received it from the brethren as they entered the lodge.
14. Visitation of members from other lodges is permitted; however, all members of the lodge shall be seated before visitors are granted entry.

15. Degree work is permitted in the lodge; however, it is preferred that lodges request dispensations for outdoor degrees as long as weather permits.
16. Candidates may be examined in lodge.
17. No meals shall be prepared or served in the lodge building. Members are encouraged to eat prior to attending the meeting.
18. Voting by a show of hands and written ballots are permitted. Prior to a written ballot, each member shall use hand sanitizer prior to handing out and turning in the paper ballot. In addition, the Master or Secretary shall have sufficient pens or pencils available for each member present during the vote.
19. Petitions for candidates may be received by the lodge and **secret ballots are permitted unless a member of the lodge is denied entry into the meeting** due to the lodge reaching its maximum capacity (the lesser of 25 members or 50% of the maximum capacity of the lodge room). Prior to taking a secret ballot, the Master shall ensure that the ballot box, all white balls, and black cubes have been properly sanitized. When voting begins, each member shall use hand sanitizer prior to voting.
20. Masters are encouraged to keep meetings to 1 hour or less.
21. The Master shall ensure all high-touch surfaces in the lodge building are properly disinfected before and after each meeting.
22. Any lodge or other Masonic affiliated organization that has a confirmed COVID-19 exposure or infection at a Masonic function shall:
 - Immediately contact the District Deputy Grand Master and Grand Lodge office with the date of the exposure and names of all members in attendance.
 - The Master shall contact all exposed members so they may take proper precautions by quarantining and/or getting tested for the virus.
 - Shut down the building until it has been properly sanitized by a commercial cleaner.

It is important to note that the **Master of the lodge shall be held strictly accountable for upholding each of the guidelines, requirements, and restrictions set out in this order**; any violation of which will require the Master to show just cause as to why he should not be removed from office and the lodge's charter arrested. Further, **any brother who willfully or maliciously refuses to follow the above guidelines, requirements, and restrictions shall be held accountable** by the Grand Master to show just cause as to why he should not be expelled for his willful violation of the order and for putting his brethren at risk.

While I understand some of my brethren may believe the above guidelines, requirements, and restrictions are onerous or unnecessary, I assure you that my only goal is to permit our lodges to operate in the safest manner possible during this pandemic. We must not lose sight that the COVID-19 pandemic has not yet fully run its course and there remains a risk that infections and deaths could increase at any time in the future.

I am asking each of you to have patience as we transition to this next step of reopening our lodges. It is of utmost importance for the health and safety of ourselves, our families, and our communities that we follow the proper precautions. It is my highest hope to be able to reopen our lodges to full capacity before I leave office, but in order to do so we must each do our part, abide by the requirements, and proceed with caution each time we meet. This will allow us to expand our ability to get our lodges up and running at full capacity in a shorter amount of time.

Finally, I want to continue to encourage each of you to maintain your outreach activities to your brethren and widows.

If you have any questions or concerns about any information presented here, please do not hesitate to contact me directly or contact our Grand Lodge office.

Given under my hand and seal, this the 4th day of September, 2020.

Sincerely & Fraternaly,

Grand Master

2020 Seminar Presentations

All 2020 Presentations were video taped like the previous Seminars and are available to SFA Members on our Google Drive. Over 70 Nobles attended in person from 25 Shrine Centers. 13 Shrine Centers attend online this year during the Seminar. Here are some of the best presentations.

Ill Sir John Auch gave a great presentation about Pledge Drive.

With Pledge drive your Shrine and every Shriner will have a unique web page, this will put tickets of everything you're selling in the hands of every Shriner, their Ladies and Friends 24/7. This is a true online presence that allows you to share your page to thousands of people via e-mail, text and Facebook all over the Globe. Customers can pay online with credit/debit cards, Paypal, Venmo, Apple Pay & G-Pay. This creates less work for your Shrine Center.

The Pledge Drive system will make Raffles easier by:

- No more hopper for raffles, the computer will select the winner!
- No more mailing tickets purchased online. The system emails them their tickets.
- Automated emails, Nobles will receive their page via automated email several times during your campaign, keeping them informed of your event.

ND Shrine Bowl El Zagal and Kem Shriners

Ill Sir Phil Landis from Kem Shrine gave a presentation on the ND Shrine Bowl. The annual North Dakota Shrine Bowl, an all-star game played every summer since 1974 to honor senior football athletes in the state. The event consists of two games of east against west in a 9-man and 11-man format. The Game rotates between Grand Forks and Fargo North Dakota.

Why have the Game?

The goals of the ND Shrine bowl are three things:

- 1 To Raise Funds for our Healthcare System
- 2 Honor the Players
- 3 Raise awareness of Shriners International

The players are nominated by their Coaches. The Coaches for the Shrine Bowl are picked by the ND Shrine Bowl Director. Then the Shrine Bowl Coaches chooses their players and alternates from those nominated by their High School Coach. The practice is Hosted at Mayville State College the week prior to the game and as mentioned above it rotates between Grand Forks and Fargo North Dakota.

They have a silent auction and ad sales which help fund the event. The use Qtego Fundraising Services for the online silent auction. This app gives you right to the minute updates on your bid for the silent auction and allows you to raise your bid as well.

There are three types of sales for raising money:

Player Sales: The Players are encouraged to solicit support locally from there area.

Shriner Sales: Each Shriner is asked to Sell at least one Business Card Ad. There are roughly 2,000 Shriners so if every Shriner sold just one Business Card ad that would bring in \$100,000. Naturally they all don't sell business card ads but just look at the possibility of how much can be raised by just one Shriner getting a business to buy a \$50 Business Card Ad.

The last is Direct Sales: Shriner's volunteer to call businesses throughout North Dakota for sponsorship ads.

Legal Structure when it comes to Fundraising for the Fraternity & Philanthropy

Imperial Sir Jon Hanson, Chairman for Jurisprudence & Laws Committee for Shriners International gave a presentation tailored to Shrines and Fundraising.

Some of the topics discussed:

1. Legal Structure of Fraternity vs Philanthropy
2. Potentate vs Divan vs Committee Control
3. Fundraising for Fraternal vs Charitable

When it comes to fundraising you must always remember that there are three different entities. Shriners International which is the Iowa Corporation, Shriners Hospitals for Children, the Colorado Corporation and the Subordinate Shrine Centers chartered by Shriners International.

Legal Structure: Who are the Lawyers?

General Counsel represents the Corporations.

Chairman Jurisprudence & Laws represents the Imperial Potentate

Your Local Shrine Attorney represents the Shrine Center. Remember that your Shrine Center Attorney should be a Shriner.

Potentate vs Divan vs Committee

The Potentate is the Chief Executive Officer. He Chairs All Temple Meetings, he is personally responsible to Shriners Intl. for the Government of the Shrine Center, he shall Require that Shrine Law and the Temple By-laws are Observed, he shall Make Appointments of Temple Officers and Committees, he shall Require that Accurate Records are Kept and Accounts Rendered, he shall Require that Regular Returns and Payments are Made to Shriners Intl., he shall Issue Orders to Nobles, Units, Clubs and Organizations within his Jurisdiction to Comply with Matters over which He has Authority and he shall have complete control over Units, Clubs and Committees

The Significance of this is, He's Responsible to Imperial Potentate for Compliance with Shrine Law.

The Divan is 7 Required Elected Officers - This is the Official Divan 6 Required Appointed Officers and the Temple By-laws May Provide for Additional Officers Official Divan is the Board of Directors with Powers and Responsibilities Usually Vested in the Directors of a Non-Profit Corporation of the State Where Temple is Located

The Significance of this is that: Divan is Responsible for the Financial Health of a Temple

The Committee

[Unit - Club - Committee]

The Role is defined and Under Total Control of Potentate - Even to Point of Dissolving or Changing Officers or Membership

The Committee Has NO ASSETS or INCOME

ALL ASSETS or INCOME BELONG to the TEMPLE

You can imagine the questions and discussions that came up after talking about just this one topic during Jon's presentation. With so many questions it was evident that we needed to have Jon come back. Next year at our Seminar in Fort Wayne, IN, Jon will be the first presenter and we will give him a couple hours to get more in-depth with the legalities of Fundraising in our Fraternity.

Noble Jeff Landborg, Chairman for the El Riad Sportsman Classic gave a great presentation on the event. EL RIAD SHRINE MOTOR CORPS

“CASH RAFFLE”

Noble Jeff Landborg, from El Riad Shrine gave a presentation on their Motorcorps Raffle. The Raffle started in 1995 by selling 200, \$100 tickets and giving away a Harley Davidson Sportster valued at \$7,000. the event was as a Dance with a DJ or Band. This continued until 2015 and then they increased the ticket count to 400 and this time they were giving away a Harley Davidson Heritage Classic or a Can-Am valued at \$14,000. They also changed the event to a party and not a Dance.

In 2018 they decided that Cash was King!! They stayed with 400 tickets at \$100 and the first prize was \$10,000. They event was a party with other Raffles and games to have the public spend money and win more.

So for 2021 they are making big change and partnering with their partner Unit the El Riad Shrine Sprint Cars. This will allow them to grow the event and share the wealth with a Unit that we have developed a strong camaraderie with over the years!

Winning Formula for the Event.

- 500 Tickets sold at \$100
- 1st Prize is \$10,000
- Net sales/profits and expenses are to be split 2/3 to 1/3 between the Motor Corps and Sprint Cars.

Games during the Event

- Card Raffles
- 50/50 Cash Raffle
- Heads or Tails
- Door Prizes

With income coming from the ticket sales and sales during the event they are figuring on making \$53,000 with expenses around \$18,000. The profits will be split with 2/3 going to the Motorcorps and 1/3 going to the Sprint Cars. All cash prizes have the taxes paid for, so the individuals who win cash prizes get the prize they win and don't have to worry about tax implications.

This is a great example of how a couple Units or Clubs can get together and make something a hit.

Thoughts from Nobles who attended the Seminar Online

Wa Wa Shrine Center Regina, Saskatchewan

Over the last seven months the Covid-19 Pandemic has turned the world upside down and the 2020 Shrine Fundraising Association Annual Meeting and Seminar was no exception. WA WA Shriners had planned on sending 3 or 4 people to the seminar, however, the pandemic and travel restrictions meant that we were unable to attend. Fortunately, the SFA offered the ability to attend the seminar electronically.

On Friday October 2, I connected to the seminar using the provided Google Meet link. Through video conferencing, I was able to watch all the presentations and take part in the discussions. The connection was simple and easy following the instructions provided by the SFA. I joined the seminar 5 minutes before the start and noted that there were around a dozen other participants taking part electronically. We were each greeted by the host, Ill Sir Jim Van De Hey, as we joined and he invited us to submit our questions and comments using the chat feature during the presentations. Ill Sir Jim monitored the chat, answered any questions that he could and posed those he could not to the speakers. This interaction reinforced the feeling that we were part of the group who were in the room.

Technically the video conference was excellent. There were few difficulties seeing or hearing the presenters. All were aware that we were watching and for the most part managed to stay on camera. There was one drawback as only some of the presentations were available early so that they could be shown through Google Meet, the remainder were shown by aiming the camera at the projector screen and were not particularly visible. However, as all presentations will be made available to all members on the SFA shared drive after the seminar, this was not an insurmountable problem.

Attending virtually is an excellent option for those who are unable to attend the seminar in person. You can see the speakers, hear about their projects, ask questions, and interact with the group. The 2020 seminar was very good, and I made notes of several items that I will be discussing with the Divan at our next meeting. However, what I missed was the interactions that happen by attending in person. The chats among Shriners between presentations and in the hospitality room are invaluable. That is where some of the most helpful ideas and experiences are exchanged and I highly recommend attending in person. That being said, the virtual seminar was an excellent alternative that allowed me to take part at a time when travel was not possible. I would encourage virtual attendance to any Shrine Centre that is unable to attend in person or just wants to see what the Seminar is all about.

While there is no substitute for physically being at an engaging conference, streaming the latest SFA conference was entertaining, informative and a successfully social distant way to participate. Live streaming has transformed communication while ensuing a socially responsible service. After taking part in a number of Zoom meetings this year we now realize how technology has become an accepted part of our lives. Experiencing this year's two day

SFA presentation through my laptop was beneficial and appreciated. COVID-19 has undoubtedly impacted our lives in a way very few could have predicted. Even with a number of Shrine events cancelled this year, including a number of fundraisers, SFA again delivered another valuable conference and service to our Shrine Temples.

While there were a number of very informative presentations, I personally recollect the impact one presenter made on me with the assertion to embrace technology. Finding software that manages donor and pledge information associated with fundraising campaigns created a new challenge. Since the conference our Divan has researched and discussed the benefits of upgrading our technology. We all want to be a part of something amazing. Managing a fundraising event is never an easy task and improvement on data entry is very appealing.

The sharing of information from successful fundraising events and campaigns was a leading emphasis for most of the SFA presentations. However, we all know of failed attempts at initiating new fundraisers. Developing successful ventures sometimes benefit from those lessons learned from failed attempts. Mistakes have the power to turn you into something better than you were before. The exchange of sharing of these lessons learned needs to transpire at future SFA seminars.

Many Divans use risk/reward ratios to compare the expected revenue returns of initiating new fundraisers. Another aspect to consider is projected participation. Are we going to have fun? Enjoyable experiences can have a tremendous influence on the creation of fundraisers. Next year our Temple will launch four new fundraisers that are firmly focused on FUN. I sincerely appreciate the leadership and information provided by SFA. It is with much enthusiasm that I recommend the continued use of live streaming during future SFA Seminars.

Thanks for a great Event. My first time attending the SFA Seminar in person.

**Ben Hur Shrine Center
Austin, Texas**

It was a pleasure to attend the 2020 Shrine Fundraising Association Seminar in Bloomington, Minnesota. I have been a member Of Ben Hur Shrine since 2010 and have heard about the Association but this was my first chance to attend. Jeff Schlieve and I dove up. We started about 300 miles from the Mexican border to 300 miles from the Canadian border. A long trip. We caught some grief from Imp. Sir Jim Smith because

we arrived in shorts. It was hot in Austin, Texas when we left. Who would have thought?

I have talked with Ill. Sir Jim Van De Hey several times at Imperial and other events about the association and have been to several break out classes. The seminar has a lot more information and has plenty of opportunity to ask questions. Examples of what other Shrines are using and also good information on what not to do. There were several vendors and I had some common friends with Marty Barnes (Rodeo vendor) even though we have never met before. Some of the presentations were pretty detailed. It's always good to listen to Jon Hanson speak about the legal aspect of our great fraternity. Jon has a way of making it fun and always has a joke or two. I think the best thing is the networking and fellowship with everyone else. It was good to see Imperial Sirs Jim Smith, Bill Bailey, and Jim Cain there supporting the organization and promoting the fun and fellowship.

Jeff Schlieve is our new fundraising chairman at Ben Hur and he came away with good ideas. He was very impressed by the Seminars as was I. We need to send our Nobles and especially our new nobles to these types of events. These types of events build enthusiasm and involvement. Most of all we had great fun and fellowship.

Hats off to Illustrious Sir Verl Rapp and all the Zuhrah Shriners and Ladies for the great hospitality. The walleye fish was great. Being from Texas I never have had walleye before. Imperial Sir Jim Cain and I said they couldn't beat Texas and Tennessee catfish. Well, they did. It was very good and we left full. Thanks to all the SFA officers and folks that put this together. Thanks to Ill. Sir Jim Van De Hey for staying after me to attend. Come visit me in Austin Texas Jim and we can fix that accent. I'm also glad you enjoyed your time as a Shriner Jim, we will miss you (inside seminar joke). Ben Hur Shriners are proud to again be on the membership roll of The Shrine Fundraising Association and look forward to working together. We hope to see y'all soon.

Great value in attending the Seminar in person. Your Shrine should join today.

**Nur Shrine Center
Wilmington, Delaware**

I just wanted to take a moment and share my experience from my first attendance at the Shrine Fundraising Association (SFA) Seminar that took place in Minnesota.

I am a proud Noble from NUR Shrine, Wilmington, Delaware. Our Shrine had not participated in the SFA since about 2006. As this was my first Seminar I wasn't fully sure of what to expect and honestly assumed much of the value from attendance could be obtained either virtually or from the communicated information all members will have access to. However, my Shrine was in agreement to have representation in person. This was a magnificent decision.

Through my in-person attendance I was able to fully be involved. I was able to not only meet fellow Nobles from a variety of regional areas but the in-person discussions around the seminar presentations provided valuable experience. I was able to take the content shared during a presentation and have a true and direct conversation about how the fundraiser could be better conducted, how it may be adjusted to more closely align with Shrines of various sizes and get the real nuts and bolts of what will make it successful. I was able to share some of the tremendous programs run in NUR Shrine that have not only generated income for operation but utilized the fundraiser for membership growth as well.

The seminars that were provided were a vast group of examples for new options and techniques. I really gained tremendous value from being part of the over 10 hours of prepared presentations and those that all seemed to be most valuable were the direct discussions about legal procedures and risks. Many Shrines openly admit they loosely follow the formal rules, but everyone agreed that we need to take these more seriously. The importance for understanding the different brands within our fraternity and the uses are critical to ensuring less risk and stronger success to all bodies within.

I would highly recommend inactive Shrines take the opportunity to re-engage with the SFA and send several representatives to represent the following Seminar. As a focused team, I am confident with the knowledge share, personal relationship building and networking we all can build our financial strength to better provide not only for the charitable functions we support but strengthen our home base as well so that we can provide even more value in the future.

I thank the SFA and NUR Shrine for the opportunity to attend and I welcome discussion with any Noble about my experience and how we can partner on fundraising ideas in the future.

Message from the SFA Executive Board

Wow, what a well run event!

Congratulations to Kirby and Lady Bonnie for planning and running a great seminar. The analogy that Director General Mike Rouillard used at the start of this year's seminar was spot on. The knowledge and ideas that are presented and shared is like the pool of water and we are the sponges

that absorb and share with our nobility. The Friday Fish Fry put on by Birak Shrine Club and the nobility at Zuhrah was a big hit. Thank you Potentate Verl Rapp, the Nobles, and ladies of Zuhrah for your hospitality.

The officers of SFA and the attendees were honored to have three imperial officers at this year's seminar. Imperial Sir Jim Smith and Lady Alice, Imperial Sir Bill Bailey and Lady Debby and Imperial Sir Jim Cain. Thank you for your continued support and guidance.

The Nobles at Mizpah and I are extremely excited to host the SFA seminar in Fort Wayne, September 30 through October 2, 2021 to be held at Mizpah Shrine Center. Next year we will kick off the seminar with a meet and greet Thursday at the Shrine Center. When Kirby told me, they were having walleye I started to second guess if Mizpah should have a fish fry! I think Mizpah does a rather good fish fry, but walleye is tough to beat. We have had a great response from several Shrine Centers around the country that want share their successes, so we are expanding the seminar to two full days of presentations. We will close our event with a banquet Saturday evening. I am looking forward to seeing everyone this coming year.

Yours in the Faith,

Phil Wade

2021 SFA Seminar, Mizpah Shrine Fort Wayne, IN - Sept 30 - Oct 2, 2021

Greetings from Fargo

The 2020 Seminar is in the bag and what an informative and good time it was! I'm sure the other officers will comment on the salient aspects of the seminar, so I will go in a slightly different direction. We were very fortunate to have 3 Imperial officers at the seminar this year, Imperial Potentate Jim Smith, Imperial Chief Rabban Bill Bailey and Imperial Recorder Jim Cain.

With a little under 60 attendees at the seminar, that is a ratio of roughly one Imperial Officer to 20 members of the Nobility. I think I can say with some certainty, that this kind of a ratio is a pretty rare occurrence in Shrinedom. Then when you couple that with the fact that we were together for nearly 3 days, well, that is a great opportunity for both the Imperial Officers and the Nobility to experience some one on one time. Our deep thanks to Imperial Potentate Jim Smith and his officers for taking the time to attend and it made for a wonderful, and I believe quite valuable, addition to the seminar. On a humorous note, during the round-table discussion, a catch phrase seemed to appear. A number of those who rose to speak began with, "Well, I sure enjoyed being a Shriner...". This was in response to a teasing remark Imperial Potentate Jim Smith made a couple of times, which went "How long have you been a Shriner, not counting today?"

Both remarks always brought a good laugh and I think really illustrates the sense of both humor and fraternity that prevailed at the seminar. In closing, I would like to say a few words about our outgoing SFA President, Kirby Norman. I have known Kirby literally my whole Shrine career and I can honestly say that he has stood by me through times both good and bad. My two sons grew up around Kirby, and as adults, they consider him among the best of their friends. It was Kirby who urged me to run for the bottom of the SFA line, and I think it is fair to say that without him, I would not hold the office that I do today, nor would I have had the rare pleasure to get to know and count as friends, my fellow officers on the line. I owe Kirby a lot, and a finer friend and brother, a man, Mason and Shriner, could never hope to have.

Foresight with a Foundation

Wow, what a seminar in Bloomington, MN!

It was great to see old faces as well as new. Despite the pandemic we were able to hold our annual SFA Seminar. I would like to thank Imperial Sir Jim Smith and Lady Alice, Imperial Sir Bill Bailey and Lady Debby and Imperial Sir James Cain for attending. The Imperial Sirs did a great job performing the installation of officers. Likewise, I would like to thank Potentate Verl Rapp with his Lady Jeanna and the Nobility of Zuhrah Shrine Temple for the Friday night fish fry and their hospitality. The walleye and chili were delicious. Next, I would like to thank all of the attendees from over 20 Temples who came to Bloomington. Finally, I would like to thank the sales staff and kitchen crew of the Embassy Suites in Bloomington for working with us at each meal and setting up our event for social distancing.

Congratulations to the new 2020-2021 SFA officers. I know Phil will do a great job. He and the board as well as the attendees from Bloomington have some great ideas for next year in Ft. Wayne.

We had a couple of new temples in attendance as well as several others that were live via teleconferencing. For example Nur Temple, the only Temple in Delaware, was a first time attendee in over 15 years. It was great to see that other Shriners used technology to learn about other temple fundraising efforts, SFA fundraising topics and the concerns of the pandemic. Not every temple is alone or immune to the effects of being shut down this past year. Not many fundraisers have been executed this year but, there have been temples that modified their events due to government lock-downs.

As this is the last newsletter for SFA in 2020 my thought is that every Temple should have a fundraising plan and a committee to run that plan. Those Shrine Temples who were in attendance had this theme in play. No matter the size of the Temple having a plan in place was the foundation to build upon. Amongst those SFA members who have had the foresight to use a calendar for their fundraising efforts had a successful fundraising event during this pandemic. However, their plan was still to have their event but adapt. I have listened to the talking heads on radio and TV news over the past seven months and we might not get back to "normal" until 2022 or beyond for public events in buildings or the outdoors.

I saw a report that many music entertainers have rescheduled their concert tours for the Summer and Fall of 2021 while some event venues (indoor) many not open until the following year (2022). Because of this pandemic it may take three or more years to have profitability at a Temple. Now may be the time to look at another fundraiser. If your Temple has not started a fundraising plan maybe it's time to build that committee and develop a plan. This will become the foundation for your Temple's future.

Did your Temple hold a major fundraiser during the summer? Or, has it been postponed to the Summer of 2021? Did your Temple or any of the Club or Units try something new, different or modify a current fundraiser since the Summer? We would like to know. Tell us about your fundraisers during the pandemic. Until next time, be safe and I wish you and your families a Happy Thanksgiving and Merry Christmas.

Greetings from New Orleans

I would like to thank every one for the honor and privilege to be elected to the office of 3rd Vice president. I truly look forward to serving you for the next 4 years. My main goal will be to increase our membership to make this the "got to be a member" association as it once was. I also look forward to assisting temples world wide in trying new fund raising activities that we will have presented as well as sharing the lessons learned by experience from our member temples on current activities. This can not only help temples trying these out for the first time but experienced temples can share lessons learned that you may not have thought of.

To give you a bit of my back ground in case you were not in attendance please go to the SFA website (www.shrinefundraising.com) and click on the officers tab at the top of the page – I don't want to take up space here repeating what is on the web site

My Lady Martina ,whom you will enjoy working with if you have not had the chance to meet her, and I look forward to the future of working with all of you and hosting you in New Orleans in 2024

The current board is dedicated to ensuring the financial success of your temple and I am humbled to be a part of it

Thank you 2020 SFA President Kirby Norman for a Great Seminar!!

Greetings from Minnesota

As I look back at the last four years I can not believe how fast time has gone by. When I left Billings, Montana, SCAFRA had some issues to deal with. First we needed to address the fact that we had a non-functioning web site. Jim Van De Hey took that challenge on and within one month we had a web site.

The other main issue to deal with, to have the Shrine Fundraising Association attend the OG/AR seminar in Tampa. We have attended the last three years with tremendous success. At this years seminar in Bloomington, we approached the Imperial Officers in attendance and asked them if we could take the lead and run the Fundraising portion of the OG/AR seminar. This will help us show all Shrine Centers we are the information leaders of fundraising. This years seminar was interesting to say the least, with all this covid 19.

Your officers decided early on, many different possibilities for our seminar. We were going to have one, one way or another. The hotel had their covid plan and we were going to follow it to the letter. Each Noble and Lady in attendances safety was our utmost importance. I can not thank all of you enough for all the thoughts, words, and deeds for this most trying year of 2020. The constant calls asking what can we do for you and your support was greatly appreciated. To the Imperial Sir's and their ladies, Bonnie and I are so thankful for your years of friendship and look forward to our next meeting.

Mike and Sharon Rouillard, as Director General I could not have asked for better help. Your visits on duties was always followed through and then you always asked what else can we do. Thank You my friends. To Mark Olsen and Jon Hanson my long time friends, I thank you for your time in assisting with the seminar. Your humor is always appreciated. Zuhrah Shrine thank you for the opportunity to be the 2020 SFA President and for hosting the now famous Minnesota Walleye Fish Fry on Friday night. The kudos keep coming in from around our country.

Last but not least to THE BIRAK SHRINE CLUB who has always been my inspiration, knowledge, and my second family, I would not be the person I am today without you. Master Chef Gene, Stan, Dave, Jon, and Ron thank you for always stepping forward for the good of the order, in this case helping put on a great seminar in Bloomington, Minnesota.

To my lady Bonnie thank you for never asking me to not go with my heart when it comes to Shrinedom, I love you.

Fundraising in our Fraternity

Benefits of SFA Membership

Louisiana Shriners Cash Calendar 2021 is a joint venture with Jerusalem, Habibi and El Karubah which only came about as a result of my attendance at the 2020 SFA Seminar in Green Bay. This is the benefit of being a member of SFA. I encourage you to have your temple take up the offer to join now for \$150 which includes 2021 and gives your entire nobility access to all the presentations since 2017 online. One temple sold quarter page ads for \$300 each raising \$4800 in ad sales to cover their share of \$1200 of production costs for the Cash Calendar. By Jerusalem Shrine joining SFA this fundraiser will net our temple and each temple \$20,000 just off calendar sales excluding ad revenue.

EL RIAD RICKSHAWS

by Rich Burns, Tippy Gal Sobte

The Rickshaws have just finished up with a busy summer. We managed to get our trikes out to parade in Viborg, SD in June. We have brought in one new member in August with three more in the pipeline. A special welcome to Eric Stutz for joining our unit and attending our Friday lunch as well.

In August, we had a sizable wedding that we handled and then the Rickshaws did something very unique. Paul DeYoung, Terry Kelly and Alan Machmill sponsored a meal at each of the Wednesday night bar. Each meal was a freewill offering with ALL monies donated to Shrine Temple to help with the operating costs. We were able to present the illustrious sir with a \$1,629 donation to our beloved Shrine temple.

In October, we did a fun meeting and outing with our ladies at the Great Life golf range (what a hoot). We also selected new officers for 2021. They are as follows: Emperor-Mason Goldsmith, Dragon Keeper-James Goering, Chief Cooke and Treasurer-Randy Exle and Assistant Cooke-Adam Schoenherr Secretary.

We are looking forward to the Fall Ceremonial when Eric's brother Nick is made a Shriner and is welcomed into our Rickshaw family. On behalf of our unit we would like to give a **BIG THANK YOU** to our ILL SIR: Al Zahn for his leadership in this most interesting of times in America's history.

We are always looking for new ways to fundraise and fundraising is a way to get new members. If you have ideas on how to revitalize your Blue Lodge, please share this with us so we can help Lodges make Masons and in turn make Shriners.

EL Zagal Misfits

Cooking Up A Cure For The Covid Blues

A group of Nobles at El Zagal recently formed a new club called the Misfits. I'm sure that there is a reason for the name, but as of yet, the club is keeping mum about it. But what these guys decided to do is form a club based around doing barbeque. And for our southern brothers who are purists regarding the term "barbeque", they are not "grilling" but are doing the traditional low and slow method of cooking meat with wood heat and smoke.

Currently, they have two cookers on trailers. One is a more professional style one with rotating racks, optional propane heat and temp controls, as well as a being wood fired. The other is the delightful and charming Miss Piggy, who began life as a propane tank. Having turned

her back on her sinful former propane ways, Miss Piggy now is a strict convert to wood smoke alone.

Earlier this year, when the first effects of Covid Cabin Fever was setting in, the Misfits decided that they would get together and do something to help out the community and maybe get a little money coming into our largely shut down Temple. So, they went on Facebook and announced that they would be taking orders in advance for barbeque and to schedule a pickup time so that social distancing requirements could be met. They also offered delivery service for those who could not get out. This quickly became a hit and for a few weeks during the height of the lock-down, people could get a weekly ration of barbeque. The menu changed from week to week, offering ribs, pork butts and other delights and served with various side dishes as well. As the restrictions lifted, the Misfits slowed the amount of times they did this, but every so often they would announce their pre-order opportunity and the orders would flock in.

In between times, they also did some individual events as club fundraisers.

I caught up with them on Saturday October 24th and got a few pictures for the article as they were working on their latest project. They were set up in the El Zagal parking lot with the cookers stuffed with 100 racks of spareribs and 6 pork butts.

On that day they were on a dual mission, undeterred by the recent unseasonal and early snowfall. Approximately 30 racks of ribs were slated for local pickup, while the pork butts and the remaining 70 or so racks of ribs were going to be taken over to West Fargo and there they were setting up and giving away free meals to all the city's first responders, and their families, as a thank you for their service. They were going to utilize the same method of drive up to dispense the meals as they have been using.

While most of the other clubs and units at El Zagal have had trouble getting some traction for their fundraisers, what with all the parades and other summer events being cancelled due to Covid, the Misfits have managed to not only stay active, but to increase their profile and that of El Zagal as well.

Hmmm. Maybe that has something to do with why they chose the name that they did.

Elf Khurafeh Sells Popcorn for Profit

The events of 2020 are unlike anything we've seen in years. Our nation has been faced with a pandemic of epic proportions. As a result of the virus, many businesses have had to either restrict their services, or completely shut down. Elf Khurafeh has also shared in these struggles. We have lost income from hall rentals, at our facility in Clio Michigan. We have lost income from our Sportsman's Raffle having to be rescheduled many times.. Needless to say, like many other temples this put Elf Khurafeh in financial distress.

So I began looking for smaller fundraisers that had a zero out of pocket cost for the temple. Flavored pre-popped popcorn sale. It's easy to do, with the company I've found. It's 100% online and shipped right to the buyer. The temple gets 50% of the sale without shipping, and if someone would like to donate and not buy popcorn there's even a donate button, The temples get 75% of that. I'd be happy to answer any questions on this fundraiser and set you up with them to see if they can help you.

Our first sale ran 8/26/20 thru 9/1/20 we had \$736 in sales and received a check for \$368, not much but pretty good for our 1st time, and with no out of pocket cost.

Jackson Hole Rodeo is pleased to announce our partnership with the Jackson Hole Shrine Club for the 3rd annual Jackson Hole Shriners Rodeo with the proceeds going directly towards the Shriners Children's Hospital in Salt Lake City. The Jackson Shriners have been a prominent fundraiser in the valley for decades. In the past they have raised funds through cutter racing and skijoring events held through the winter, this year both events had to be cancelled. We at the Jackson Hole Rodeo have partnered up with them to hopefully fill some of the void left behind with the loss of this years events.

We are proud to say that we raised \$33,400 from this event that will go directly to the Shriners Hospital in Salt Lake City. The Shriners Hospitals have been a huge help to thousands of children providing health care and treatment all care and services are provided regardless of ability to pay. Donations through groups like the Jackson Hole Shriners Club, as well as local groups like the Jackson Hole Snow Devils, and Stockton and Shirk Interior Designs help to keep these hospitals operating and allow them to provide their services.

Shriners Rodeo at the Jackson Hole Rodeo was September 12th 2020. This has been a fun year, we are so happy for the Cowboys and the Jackson Hole Rodeo fans that came out to Enjoy the Rodeo this year. Looking forward to see you all next Season,

Naja Shrine is starting a new fundraiser targeted to help establish a Shrine Patient Kids Camp in the Black Hills area of SD. The event will be called the Black Hills Meat Fest. Naja Shriners has been a part of the west river community since 1893, and

since 1922 Naja Shriners has supported the Shriners Healthcare for Children system. Currently, Naja Shriners offers healthcare assistance to over 600 children in western South Dakota. Most of these patients are seen at the Twin Cities Health Care facility in Minneapolis, MN.

We are in the process of getting our logo trademarked and we have 50 Nobles and their Ladies signed up to run this event. During the event, we will be raffling meat; 2 processed hogs, 1 processed beef, 40 turkeys, and 50 hams. We also will be raffling approximately 30 pounds of cheese. We will also be serving food and beverages (soda and beer) during the event. In addition to the meat raffle, we will have coolers filled with grilling/BBQ items, pull-tab tickets, and a final drawing at the end of the night for a 100-quart cooler full of meat. These will be all given away by the turn of a wheel. All in all, we will be raffling well over one ton of meat for this event.

Proceeds from this event will be used to send some of our Shrine Kids to camp. The goal is to have a Shrine Kids Camp in the Black Hills of South Dakota for Naja Shrine patients. Some camps that are affiliated with Twin Cities Healthcare are:

Camp Bravo - an acting camp for patients who have any diagnosis between the ages of 5 and 13. Campers spend a week practicing and learning lines and choreography leading up to a final performance;

Camp Real World - a transition camp for patients who have any diagnosis and are 16-20 years old. Camp Real World is an overnight camp focusing on transitioning care from Shriners Healthcare for Children to adult care in the near future;

Camp Splash - a swimming camp for patients who have any diagnosis and are 1-18 years old. Campers participate in a week-long day camp in our therapy pool with instructors; and

No Boundaries Sports Camp - a day camp for patients 5-12 years old who would be eligible to use an adaptive wheelchair for sports. The camp is hosted in conjunction with Courage Kenny Rehabilitation Center in Minneapolis, MN, and participants try a variety of adaptive sports.

There are also ski and summer camps in Utah and Colorado.

Funding to send a patient and a parent to these camps comes from donated funds or fundraising efforts. Many of our patients have not been able to enjoy these amazing programs due to the distance involved and lack of funds.

Games of chance and Raffles to win over A TON of Meat! Beef, Pork, Turkeys, and Hams! We will also have Dimock Cheese. Raffles to win coolers of meat and more! You won't want to miss this event. Doors open at 3 pm and games begin at 4 pm. Stop in anytime and play for as long as you like. Entrance fee covers your food and drinks.

All the donations received so far, pays for the meat, food and beverages. Additionally, we have received donations for radio and TV advertising to promote the event. With only Facebook advertising alone, we have generated over 1,100 inquiries/interest in the event. Our goal is to have approximately 300-400 people attend. Should this event be successful, we plan to hold it annually at the same venue. In addition, we plan to hold smaller Meat Fests throughout our Temple area to raise money for this cause and to promote our fraternity to the general public.

The Meat Fest is being co-Sponsored by Black Hills Harley Davidson, Midco Communications, and The Local Rural Electric Associations (Touchstone Energy Cooperatives).

With their help, we hope to have a fun and profitable event on November 7, 2020.

Shrine Fundraising Association

Thank you again for allowing the candidates for Imperial Outer Guard to attend and speak at the Association meeting. I believe the association has a vital roll to play in the success of Shriners International. I have been a supporter for the association for several years. The structure the association has in place to

get the word out on a variety of ideas to raise money no matter the size of the Temple or the activity is more critical now than at any other time with the events that have unfolded this past year. Like SFA, we need to share ideas that are working elsewhere that are reinvigorating Blue Lodges so we can grow our Shrine family and enjoy the fundraising increases that would follow. Many hands make light work.

This past year I called my Divan and asked for them to take on a special fundraising event in the middle of March while they sat at home. We started calling the Nobility that were late in paying their dues. We also called our NPDs and demits going back each year for the last 5 years. Our efforts resulted in a 49.6% increase in dues revenue over last year. The Nobles that were dropped NPD or Demitted, we offered to wave all of the back owed funds up to the date they were reinstated so they only had to pay a prorated amount for the current year. We found many fell behind and then felt it would be to costly to get back in. Our NDPs and demits are at the lowest level in years.

I have served and still serve on Scottish Rite Foundation Board, Wyoming Masonic Membership Committee, General Grand Council Finance Committee, including the triannual session, Grand Lodge of Wyoming Endowment Board of Directors all for several years. Put together Winter session for Pacific Northwest Shrine Association to be held this February. I have been active with Imperial Shrine as a Captain of the Guard and Marshal's aid when Imperial Session can be held in person.

I Own and operate 2 real estate companies, speak, and teach investment real estate and property management. I have traveled nationally and internationally speaking and teaching real estate. My classes are approved in several states for continuing education credits. My companies are licensed and operating in Colorado, Nebraska, and Wyoming. With some well-placed investments and a wonderful management team I plan to semi-retire this next year allowing me to enjoy the next chapter in my life.

Having run last year, I called almost all the elected representatives, listened and shared ideas as the pandemic disrupted our lives. I am committed to serving our Masonic/Shrine family. We need leaders who will look for ways to succeed, especially in difficult times. Adversity to a leader is a challenge. I met this challenge along with others throughout the pandemic year, assembled a great team, made plans, which has allowed us to succeed. I did not accomplish what we did on my own. I cannot be an Imperial officer on my own, yet with my Lady Peggy, our 4 kids, 5 grandkids and your support I can. I will do this for our Nobles, hospitals, and our Shrine kids. I ask that you honor me with your support. Those who will be elected representatives I hope you will honor me with your vote as well as your support. Together we will move forward to help each other succeed.

Yours in the Faith,
Tim Forbis,
Candidate for Imperial Outer Guard
Potentate, Korein Shrine

Greetings from Minnesota,

First and foremost, with Veterans Day fast approaching, I would like to thank all Veterans for their service; we are forever grateful.

It was an honor to attend the Shrine Fundraising Association at the beginning of October; the SFA officers and all the presenters did a fantastic job. Each fundraising presentation offered insight and takeaway's, specifically, the inclusion of technology and social media use to streamline elements of the fundraising event process. Networking was also a takeaway theme at the conference. I echo the need for more temples to get involved with SFA; if you don't see a neighbouring temple as an SFA member, reach out and provide encouragement to join. Being a part of SFA will strengthen your temples' fundraising network reach, education, planning, and fundraising approach. I want to thank the SFA officers for the opportunity to speak at the conference as a candidate for the Office of Imperial Outer Guard.

My lady Jill, our daughter Natalie, and I; as a family, we are excited about this journey and are committed to the requirements and expectations to serving you, Shriners International. I am thankful to be a part of an energized shrine family dedicated to our fraternity's core values and mission and the world's greatest philanthropy. As an experienced servant leader in a healthcare system, I have the knowledge and experience in healthcare governance, strategic planning, and, importantly, experienced in building partnerships at the state and national levels. As a Veteran and a life member of the Veterans of Foreign Wars, I have a passion for seeing our Legion of Honor units grow. As a motorcycle, classic car, and motorsports enthusiast, I have a desire to see our motor corps units and clubs grow. I will never forget the impression left on me the first time I saw the Bedouin Shrine Iron Horse Patrol roll in and unload and perform drills. Or the priceless expression of a little girl as she was greeted by the horse I was riding in my first Zuhrah Shrine Horseman parade. My point is that from clowns, antique cars to brewmasters, and everything in-between, we have opportunities with real value to offer. As we look at ourselves and the future, we need to remember Progress is not a disregard of tradition; it's remaining relevant in evolving environments. Fraternity is not individualism; it is coming together as Brothers.

I ask for your support at the 147th Imperial Session for the Office of Imperial Outer Guard. I commit to you; Leadership through Commitment, Fraternity through Tradition, and Progress through Excellence.

To learn more about my belief statements and core strategic focus, please visit my webpage at WWW.RON4OG.COM. Follow our journey to the 147th Shriners Imperial Session in Houston, Texas, by liking my Facebook Page Ron DeVoll for Imperial Outer Guard 2021. I look forward to traveling and speaking with many of you. Please don't hesitate to call with any questions.

Introducing the New beashriner**now**.com

Dear Temple Divan Members and Recorders,

As we are all too well aware, 2020 has been a year of great challenge and difficulty. That's why I am extremely excited to let you know about a new opportunity to help nobles get back into the swing of fun and fellowship.

The Fun and Fellowship Competition

Fun and fellowship events offered by temples, clubs, and units serve as the cornerstone to a temple's member engagement strategy. These events, along with supporting our philanthropy, are a main reason our brothers join Shriners International.

On Tuesday, Oct. 27, we will launch the inaugural

Fun and Fellowship Competition.

With this competition, we look forward to injecting optimism into our outlook. COVID-19 has made so much of what we do difficult or even impossible, but with creativity and brotherhood, we can still find ways to have fun and enjoy fellowship.

The competition seeks to increase awareness of and reward the efforts of nobles who adapted existing and developed new events/clubs/units to succeed in having fun and fellowship during COVID and seeks to inspire nobles to submit entirely new ideas on how to have fun.

Engaging Your Temple's Members

In a spirit of brotherhood, the competition is designed to encourage all nobles to participate in several ways, including submitting their entry into the competition. Additionally with the help of the Fun and Fellowship Council, whom will narrow all the entries to the top 15, the entire Masonic community can participate by viewing the online videos and casting a vote to determine the winners.

What's Next

Soon we'll reach out to club and unit leadership contacts and then to all nobles, introducing the competition and explaining how it works, how to enter, and how to win! Again, every noble can enter the Fun and Fellowship Competition. We'll start taking competition entries on Oct. 27.

Please join us in simultaneously celebrating the wonderful things happening out in Shrinedom both now and in the future while we inspire our nobles with ideas for things they could try at their temple, too. In the meantime, I hope you'll feel free to mention this exciting competition to members of your temple. The time is now to get back to the fun!

Sincerely,
Bryan C. Harrison,
Chief Membership Development Officer

We are pleased to announce the newly redesigned [BeAshrinerNow.com](https://beashriner.com) that launched on September 25. The site's clean, contemporary look, updated graphics and user-friendly navigation will help us attract men of character, and make it easier for them to learn about and join our fraternity.

New Look is Compatible with Any Device

This new site design was created to be mobile ready, which means that web content and assets are accessible, legible and usable to visitors on all devices including tablets and smart phones.

The completely redesigned site features new graphics and images that speak to the next generation of Shriners. The modernized layout is simple, uncluttered and easy to navigate.

The refreshed site contains revised content and copy tailored to welcome current Masons while also providing the important information for Non-Masons. This includes a new FAQ section, a step-by-step infographic about the path to becoming a Shriner, and tons of information about the benefits of membership and what it means to be a Shriner. Non-Masons will be directed to BeAFreemason.org, where they may begin their membership journey with a local Masonic contact in their home jurisdiction.

Help Spread the Word

Tell your fellow Nobles about the all-new BeAshrinerNow.com! Once our temples are versed in the new features and petition process, we can begin promoting the site externally to attract and inform Masons and Non-Masons, making it easier than ever to join our great fraternity.

From the desk of the Secretary..

Ill Sir. Jim Van De Hey, Secretary/Treasurer

Greetings Nobles

The Annual Meeting and Seminar was held in Bloomington, Minnesota under the leadership of our President Kirby Norman and his Director General Mike Rouillard, Zuhrah Temple. I want to thank them both for a job well done. Also, I want to thank Zuhrah Shrine Center and the Barak Shrine Club for the wonderful Friday Walleye Fish Fry at the Temple. We had the honor this year of having our Imperial Potentate Imperial Sir Jim Smith and Lady Alice attend this year's Seminar. We also had the privilege of having Imperial Chief Rabban, Imperial Sir Bill Bailey and Lady Debby and Imperial Recorder and Past Imperial Potentate, Jim Cain attend as well. I want to sincerely thank these Officers for their continued support of our Association.

I am very proud of our Association and the Officers who have been elected for the 2021 year. When I look back at 2015 when I joined the progressive line of SFA (SCAFRA at that time), I wanted to make sure that we are moving forward as an Association as well as providing the best that Shrinedom has to offer. We have more than doubled our membership since 2015 and currently have 59 Shrine Centers that are members and we continue to grow. My hope is that we are once again back to having over 3/4 of the Shrine Centers of Shriners International as Members of SFA. At one time we would have well over 230 Nobles attend the Annual Seminar in person. We had over 70 Nobles and 34 Shrine Centers attend in person and online this year. 12 Shrine Centers attended the Seminar online which is remarkable.

Your SFA Board of Directors have put out a challenge to our current Shrine Center members. If they can bring in 3 New Shrine Centers for \$150 each for 2021 and those Shrine Centers continue membership for 2022 we will credit that Shrine Center one year of membership dues as a thank you. On the page to your right you will see the names of the past members of our Association along with the current members. Those Shrine Centers who are listed and wish to reinstate can rejoin for just \$150 for the first year. Shrine Center dues have been \$250 per year for regular members for almost 20 years. Remember that your dues give you access to all our online content, including the video presentations of SFA Seminars since 2017. Any Club, Unit or Noble can have access to this information as well as attending the yearly Seminar in Person or Online. Any number of Nobles can attend the yearly Seminar. This year we had one Shrine Center send 13 Nobles to attend the session in person. If you have any questions about the Association or just need to talk about fundraising in general please contact any of the SFA Officers.

Fraternally

Jim Van De Hey

Secretary/Treasurer

Dear Temple Leader:

On September 25th, the Shriners International Membership Team launched a renewed version of BeAShrinerNow.com, updated both in look and functionality. Since that date, the HQ staff has hosted four opportunities to train our temple leaders in the new functions. **Sadly, nobody from your temple has been able to join us for this training.**

It is vital to our continued membership success that all temples learn of the new resources available to them, and how to respond when they receive membership inquiries from interested Masons.

A final opportunity will be held this Thursday, 11/5 at 4:30 pm Eastern. This hour-long session will provide the pertinent information and provide a time for questions and answers from the field.

Please click the link below to register. We will send a link to the email address provided a few hours before the training begins.

Wicker Order #2

Updated Information

Subject: Fwd: Wicker Order No. 2: All Lodges and Appendant Bodies Shall Close until January 15

To the Grand Lodge Officers, Chairmen of all Boards, Committees, and Commissions, DDGMs, DDGL, and the Masters, Wardens, and Secretaries of the various lodges across the state:
Brethren, take due notice of Grand Master Wicker's Order that, effective at noon tomorrow, December 25, 2020, all Lodges and Masonic Organizations cease in-person meetings until January 15, 2021 to prevent the spread of COVID-19.

Brethren,

I hope this message finds you and your families happy and healthy.

Sadly, across North Carolina and the nation COVID-19 exposures and infections continue to rise at an alarming rate. On Sunday, December 16 at a lodge meeting in New Bern, a brother in attendance at that meeting tested positive for COVID-19. Unfortunately, one of those around him, who later traveled to attend a meeting at Greenville on Monday, December 21 subsequently tested positive. Both the New Bern York Rite

Building and the Greenville Masonic Temple have been ordered closed. We are now contact tracing those events and participants to see if any of them attended any other events in the region. Inasmuch, following a joint third degree sponsored by five lodges and held in Bakersville on Saturday, December 19, 2020, a candidate subsequently tested positive for COVID-19. That lodge has closed, and contact tracing protocols were followed to notify all participants. Further, as of today, two of our District Deputy Grand Masters have been exposed and/or contracted the virus. Each are now quarantining and recuperating.

First, I want to thank the brethren involved who voluntarily notified their lodges of their condition, and alerted those they contacted of possible exposure. It is obvious that our love for our brothers remains foremost in our minds as we endure this pandemic together. I also want to commend each location affected and the officers present for acting on the information they received as quickly as possible. What remains so frustrating is that, as far as it has come to my knowledge, each location took every precaution required of them—taking the temperature of the brethren as they entered the lodge, provided a health screening form for each, wore masks and gloves, and social distanced—yet still succumbed to the spread of this virus. It is apparent that vigilance is not enough.

Thus, in light of recent events, the spread of COVID-19, and upon the recommendations of our local, state, and federal governments, it is my Order that all lodge meetings, and appendant body meetings, and any other such Masonic meeting in this Grand Jurisdiction cease at high twelve on Friday, December 25, 2020 until low twelve, Friday, January 15, 2021.

It is my intent, in consideration of so many of our brethren traveling and visiting family during this holiday season, that by closing lodges we may prevent the further spread of this virus. I encourage all brothers who have or will travel and visit family and friends this Christmas and New Years to be observant of all State and Federal health guidelines and precautions, and to consider a COVID-19 test in due and timely fashion before January 15.

I encourage you to take this opportunity to remain in contact with your brothers and widows.

I also encourage all lodges and appendant bodies to use virtual meetings—either formally or informally, per the guidelines of Grand Master Bradshaw's Opinion No. 1 issued on April 29, 2020 and upheld by the delegates at the Annual Communication this past September.

The Grand Lodge Office will continue to be closed to non-fraternally related visitors and tourists. We will be in touch with updates, plans, and notifications as the situation further develops.

Stay safe, brethren, keep healthy, remember each other.

Sincerely and fraternally,

R. David Wicker, Jr.

Grand Master

Thank you,

Hey,

I just spoke with Karen Hardwick. Her husband Wallace Hardwick passed away on December 9th. He was a 53 year member at Bula. She said that she didn't know who to contact with the Shrine. She thinks he was a member of Oasis. I wanted to let you know since I don't know anybody in Oasis. I have new contact info for her if they need it.

Thanks,

Matt

2021 Dues Sticker Mailing

Notice from Shriners International

Advisory

All 2021 sticker mailings for late Nov. and Dec. per the Post Office have been severely impacted with slower than normal delivery time. It is a combination of very high mail volume along with massive Covid related absenteeism. We were contacted by our USPS contacts to alert us to the fact that all mail classes (first class, marketing mail, non profit) are all seeing major delays in delivery. They expect this to carry through

the rest of the month.

1/18/2021

Illustrious Sirs, Nobles, Ladies & Friends,

It is with regret that Lady Kelly & I **will not** be moving forward with the 2021 Aruba trip.

If you would like to proceed with traveling please contact Lories Travel as Lorie will be more than happy to assist you.

Greetings Karen,

As I prepare for the Memorial Service next week, I would like a list of the Shriners who have died since January 1, 2020. I will read these names during the service. Should I send this request to someone else? Thank you for your wonderful assistance and thank you for supporting the world's greatest fraternity.

SHRINE PROTOCOL

MEETINGS AND CEREMONIALS:

Current dues card and password is required for admittance to all Temple Ceremonies and Business Meetings.

SALUTE:

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

PLEDGE OF ALLEGIANCE:

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

SALUTE TO THE FLAG:

A Noble who is wearing his Fez will execute a right-hand salute when the colors are within six paces of him; he will not remove the Fez. After the colors have passed he should drop his right hand. In case the same colors pass the same point again, as frequently happens in a Ceremonial session or in display drills, the colors need not be saluted a second time. The same rule applies to street parades.

PRAYER:

During the offering of a prayer, The Fez should be removed and held in the right hand over the heart with emblems/lettering facing forward.

THE SALAM:

A Noble addressing the Potentate while he is presiding in the east should always give the Salaam.

SALUTATIONS:

An Imperial officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir". A Potentate or Past Potentate is always addressed as "Illustrious Sir".

DRESS:

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

SHRINER'S CREED

Shriners believe in God and that He created man to serve His purpose, among which is service to others in His name.

We believe that care for the less fortunate, especially children who suffers burns and crippling diseases, is our institutional calling.

We are patriots, willing to serve our country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and Children. We should instill in our children the tenets of this creed, and the heritage from which it emanates.

As individuals, we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be better because of our fraternity and its principles.

As Shriners, we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospital to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

Lori,

I am going to need the following information for awards night. I need all clubs and units that raised hospital money for 2020 and I need it broken down by Divan member. Will you please list all clubs and units that raised funds and the amount raised under each Divan member that has clubs and units assigned to them. Please use the list I have created because I have to maintain a breakdown by Divan Member. Thanks.

Greetings Illustrious Sir Bill,

As the Oasis Memorial Service will be dedicated to those Nobles who died during your year as Potentate, at 4:30 p.m. Friday, would you please provide words of welcome and sympathy at the beginning of the service?

I will introduce you to those who are watching via Livestream. Following the introduction, you may want to say that you appreciate those who are "tuning in", and we sincerely regret that we cannot be together in person. Also, please know that we extend our most sincere sympathy to you. Thank you.

Thank you, Illustrious Sir for your participation and thank you for being a great leader during these most unusual of times. We trust Lady Laurin is gradually gaining her health, and that she feels much better now than she did this time last year!

We wish you blessings and peace,

John H. Stanley, P.P. (Oasis '97)

Illustrious Sirs and Members of the Divan

Dear Illustrious Sirs:

Hospital Shriners Para Niños, Mexico City (Shriners Hospitals for Children) is reaching out to Shriners who are interested in serving as a member of the Board of Governors of our hospital.

Mexico City Hospital is a very active hospital within the Shriners Hospital Health care system. This is a prestigious position and an honor if nominated and approved by the Board of Governors.

We are looking for Nobles who have a wide variety of abilities, such as the following skills and backgrounds:

- Legal
- Medical
- Business
- Construction/Plant Operations/Engineering
- Finance
- Information Systems
- Supply Chain – especially international import/export

I do want to emphasize that a position on the Board of Governors Mexico City requires a substantial commitment from Nobles who are nominated and accept this coveted position. Commitment involves their time, talent, energy and financial resources.

Time – The Board meets monthly and covers meetings over a two day period. These meetings are generally on Sunday (all day) and Monday (half day). Most United States members arrive on Saturday and leave late afternoon Monday or Tuesday morning depending on flight schedules.

Energy – We are a very active and **HARD-WORKING BOARD**. While Board Members serve in an over-site capacity, not Management, each member will serve on a committee based upon their skills and interests. All committees have a Chairman/spokesperson report at each Board Meeting on the progress of achieving their pre-established goals and objectives as detailed in our Quarterly plans submitted and approved by the Board of Governors. There may be committee conference calls during the month to support management and monitor achievement of the goals agreed upon by the Board.

Financial – Board Members are not reimbursed for travel, lodging or meals. Each member normally spends approximately \$125 USD per day for lodging, meals and ground transportation, in addition to airfare. We have negotiated a very competitive hotel rate to reduce to all extent possible, costs for attendance. In addition to our Board and committee meeting days, we also have three special occasions that will extend our time in Mexico. These important days are Employees Day, Hospital Day and our Hospital Christmas party. This is a wonderful time for the Board to interact with patients, their families, visiting dignitaries, and our employees.

Attendance Requirement – The rules of Shriners Hospitals for Children have stated that Board Members must make a minimum of nine meetings a year, four of which may be via teleconference. While we encourage members to attend all meetings, we know that issues come up from time to time which may preclude personal attendance at all meetings. However, at the time of this writing, attendance rules are under review by the Joint Boards and will be communicated soon. Currently, we all are dealing with the travel restrictions and complications imposed by the pandemic. During this unpredictable time, 100% of all our meetings are virtual. We are following CDC guidelines along with Federal, State and local regulations in both countries. We are uncertain as to when any changes may take place, however, the guidelines as established by the Board of Trustees, has been and will continue to be the protocol we abide by.

The process is as follows: We ask you to poll your Divan and membership for those who have an interest in serving on Mexico City's Board. We request you poll your membership sharing this letter as soon as practical during your Temple stated meetings, or other communication vehicles. New prospective members must be approved by the Board of Governors as well as the Board of Trustees, the latter of which takes place in November. If your Temple has a member who is interested in becoming a member of the Mexico City Board of Governors, the Temple must request to affiliate with the Mexico City Hospital and he must submit a letter expressing his interest, along with completion of his

application to join the board, a Temple letter supporting the nobles desire signed by the majority of the Divan to the undersigned. Once affiliation has been granted and all paperwork submitted, the interested noble will be notified. He will be invited to meet with the nominating committee for an interview and hopefully a tour of the Hospital, as well as attend a Board Meeting. The nomination committee will make a recommendation to the Board and a vote will be taken. If approved, the Divan and Noble will be informed. The paperwork will be submitted to Tampa not later than August 15 to enable preparation for the Joint Board review. Upon approval, the applicant will be notified by the Chairman of the Board of Governors.

Hospitales Shriners para Niños, Mexico City is making a huge difference in the lives of many children.

We provide care to children that would not otherwise receive care without us. We are making a difference in thousands of children every year. Mexico City Hospital is living the Mission of Shriners Health Care for Children. Your involvement as a part of this organization will be extremely rewarding and enduring, as we make miracles happen every day.

If you have a member who is interested, please have them contact me to discuss this wonderful opportunity.

I can be reached at:

Ron Trine 210-563-1915 or by email at rtrine@gvtc.com

HOW

Read and follow all instructions below and submit your completed petition, copy of your current Blue Lodge card, and payment to Oasis Shriners no later than Wednesday, February 24, 2021 at 4:00 pm.

DEADLINE TO REGISTER

Due to the nature of COVID-19 restrictions, only pre-registrations for this ceremony will be accepted in order for Oasis leadership to plan accordingly. No walk-in candidates will be permitted. Please note the Zoom link for the SASA Spring meeting scheduled for Saturday, March 27 at 10 am. I have attached a copy of the Agenda as it stands today, there could be last minute changes as we get closer. Note in the Agenda, after the parade drawing and after we adjourn, the officers have ask to have a conference call with the temple officers as the correlate with each of the SASA officers' years. The conference call info is at the bottom of the agenda.

I would ask for your help with the Roll Call as it will be difficult for me to determine how many we have on the call from each temple, so if the Potentate for each temple could give me that number participating on the call when your temple is called; that would be of great assistance and make the meeting run more smoothly. If you have questions, please contact me anytime you wish and I will try to address the problems. Donnie

Humphries as their recommendation for the next 5th VP. This resolution was read at this meeting for information only as Ill Sir Humphries will be voted on at our annual Business meeting in Myrtle Beach in September 2021.

President Juergens invited the candidate for Trustee for the Shriners Hospital Board candidate, Ill Sir Ricky Arrocha, to speak to the members. We had two Shriners as candidates for Imperial Outer Guard, Ill Sir Ron DeVoll and Ill Sir Tim Forbis, and they were invited to speak to the membership.

President Juergens invited Noble Phil Wade to speak to the group about the Shrine Fundraising Association on what they are doing to help Shrine Temples and Shrine Clubs to help them raise needed funds.

President Juergens asked each Director General for announcements. Noble Rusty Watson gave us an update on our status in Myrtle Beach. He reported all is on target and on plan at this point. He mentioned the support we have from City Council and the Chamber and that it should be an incredibly good year. He spoke briefly about some of the logistics problems in securing space for various units and the liability insurance requirements. If any of our Associations that operate under the jurisdiction of the South Atlantic Shrine Association and they incur cost either for space for their competition or if that space requires additional limits on the Liability Insurance above what SASA has in place, that unit association will be responsible for the additional cost.

President Juergens asked each appointed official and elected officer for any comments they might wish to offer at this time. Each person offered praise for the efforts to put forth the meeting today and their wishes to see everyone in person in September at our Annual Business meeting and festivities at Myrtle Beach.

President Juergens called on our Director General, Noble Noel Cissel, to proceed with the drawing for parade positions for the Annual Meeting in September 2021 at Myrtle Beach. Noting we have drawn in alphabetical order for years, this year we will draw the Shrine Centers out of a basket and then they would draw for parade positions in the order the Shrine Center is pulled out of the first basket. As each temple was called in order of their name being drawn out of the first basket to draw for parade position out of the second basket. As a result, the following is the parade line up. The number beside each Shrine Center is the number they drew for the step off position in the parade.

Attention All Oasis Clubs & Units

Over the past few months, we have seen an alarming increase in the number of enclosed trailers that have been stolen across the Oasis jurisdiction. Both Shrine and personal by trailers have been stolen by unknown person(s).

If you or anyone you know are storing a club or unit trailer at location that is not checked on regularly and secure, please make arrangements to have it moved to a better more secure location. Please secure these as soon as possible to protect you and your club or unit from potential loss.

Also, this is a great time to take updated photos of all four sides, VIN, and any other identifying markings along with all property that is stored or could be stored inside these trailers. Make sure to include all items that you would have on the trailer when traveling to a parade or SASA in case a loss occurs.

Once this is done, send those to Noble Larry Payne of our Insurance Committee and if you have any questions about coverage call him direct. Make sure you have full coverage.

Thank you again and please protect yourself and your property for these acts.

The deadline to enter the 2021 Dromedary Awards has been extended to Monday, June 14.

We understand that this has been a difficult year for us all, and that many temples have just recently re-opened or are still closed due to the pandemic. We hope this extra time allows all temples to submit their communications for the 2021 Dromedary Awards.

MESSAGE FROM YOUR RED FEZ PRESIDENT

Nobles and Ladies:

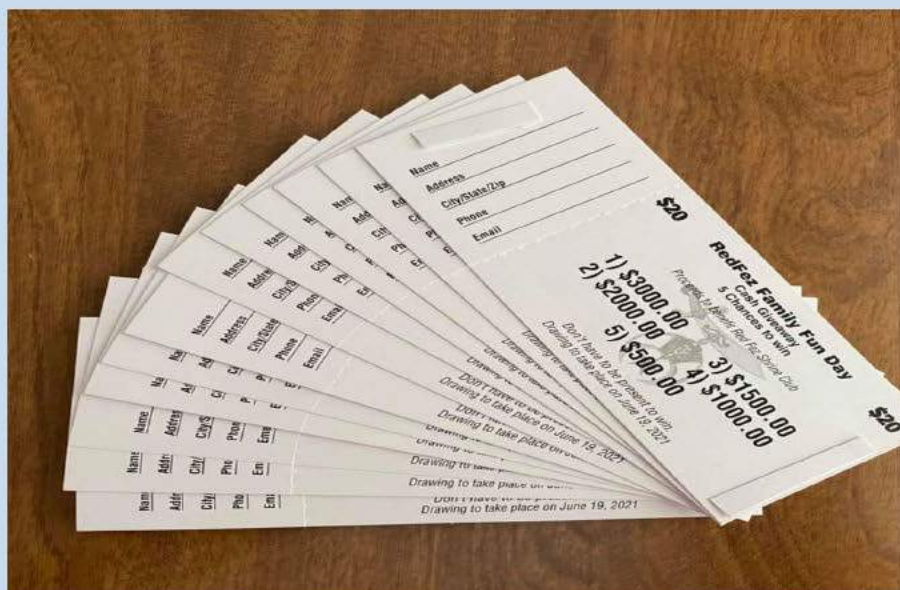

I hope everyone is healthy and staying COVID safe!!! As you all know things have been difficult for all of us in the past year due to COVID. Hopefully, we are rounding the corner and things are looking up! I am happy to announce that we will have our 1st membership meeting of the year on May 7th. Social will be 6 – 7 and dinner will be served at 7. We will be celebrating Cinco De Mayo and will be serving Mexican for dinner. You **MUST** make a reservation to Denise at 980-875-1257 by May 4th. The dinner is being provided by a catering company. Costs is \$10 per person at the door.

Things have been happening at the club!!! We have had two clean up days which were a huge success. Trees and bushes were cut and trimmed, flowers planted, debris picked up, pool house was cleaned out along with the shelter, etc. I want to thank everyone that came out and helped – this is your club and we cannot make improvements without everyone's help! The first cleanup day was in March and we had 28 members show up to help. The second was April 10th and again we had over 20 people there! This is amazing and I thank you all so much!!!! Your efforts really show!!!

Update on improvements around the club – we have a new gate which has been installed and will be operational soon. All paid members of the Red Fez will be issued a gate card which will allow you access to the club. More news about that is forthcoming.

Also, we are having new boat docks installed on the side of the clubhouse. They should be complete in the next couple of weeks. The old docks had become a safety hazard and they needed to be replaced. This addition will enhance the beauty of our club from water and land.

Fundraising has started for the Club – we are selling raffle tickets – the cost is \$20 per ticket and you have a chance to win the following:

Please see any board member to purchase tickets or ask a board member for some tickets to sale to help out the club. The drawing will be Family Fun Day!

We will also be having a Golf Tournament to benefit the Red Fez Shrine Club on August 23rd. See flyer attached below.

We hope to see you all around the club soon and hope to have a GREAT second half of the year!

Message from Lady Auxiliary President Mary Ham

Springtime is here and it's hard to believe it's been 13 months since we were together last. I am looking forward to seeing everyone at our membership meeting on Friday, May 7th. We will be celebrating Cinco De Mayo with a Mexican dinner. This meal will be catered so reservations are required.

I would like to thank our 2020 President Kim Wrenn for all she has done for the Red Fez Ladies Auxiliary for the past 4 years. Her hard work and leadership has been the backbone of our success in fund raising and growth.

The Red Fez Ladies Auxiliary Board voted to extend current membership dues from 2020 to 2021. All members who paid their dues in 2020 will automatically be paid in full for 2021.

Red Fez Shrine Club will be hosting a golf tournament on August 23rd at Cramer Mountain Country Club. We need volunteers from the Ladies Auxiliary to help that day. If you are available, please send me a text at 704-516-3528 or email at maryaham@att.net.

We hope the restrictions will be lifted on June 1st enabling us to resume our normal fund-raising activities. We plan to have our Casino Night on August 28th and our Christmas Parade of Tables on December 4th. We will discuss other options at our membership meeting in May.

We have a great board this year that is working hard to make the rest of 2021 a success. Your board members for 2021 are:

Debbie Burgess – Vice President
Kellie BoBo – 2nd Vice President
Lori Myers – Treasurer
Sandra Fadel – Secretary

Hope to see you on May 7th!

SERVICE & SUPPORT ANIMAL REQUIREMENTS

For travel on or after April 1, 2019, the policy for traveling with Emotional Support and Service animals has changed. Visit [Traveling with Service Animals](#) for more information.

Some everyday products, like e-cigarettes and aerosol spray starch, can be dangerous when transported on the aircraft in carry-on and/or checked baggage. Changes in temperature or pressure can cause some items to leak, generate toxic fumes or start a fire. Carriage of prohibited items may result in fines or in certain cases imprisonment. Please ensure there are no forbidden hazardous materials in your baggage like:

Some Lithium batteries (e.g. spares in checked baggage, batteries over a certain size), Explosives / Fireworks, Strike anywhere matches/ Lighter fluid, Compressed gases / Aerosols Oxygen bottles/ Liquid oxygen, Flammable liquids, Pesticides/ Poison, Corrosive material.

There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage, spare lithium batteries for most consumer electronic devices in carry-on baggage, and certain smoking materials carried on your person.

Certain items are required to be carried with you onboard the aircraft. For example, spare lithium batteries for portable electronic devices, cigarette lighters and e-cigarettes must be removed from checked or gate-checked baggage and carried onboard the aircraft. However, e-cigarettes may not be used on-board the aircraft.

Traveling with medical oxygen, liquid oxygen, mobility aids and other assistive devices may require airline pre-approval or be restricted from carriage entirely. Passengers requiring these items should contact the airline operator for information on use of such devices.

To change your reservation, please call 1-800-433-7300 and refer to your record locator.

Other carriers on which you may be ticketed may have different conditions of carriage. International air transportation, including the carrier's liability, may also be governed by applicable tariffs on file with the U.S. and other governments and by the Warsaw Convention, as amended, or by the Montreal Convention. Incorporated terms may include, but are not restricted to: 1. Rules and limits on liability for personal injury or death, 2. Rules and limits on liability for baggage, including fragile or perishable goods, and availability of excess valuation charges, 3. Claim restrictions, including time periods in which passengers must file a claim or bring an action against the air carrier, 4. Rights on the air carrier to change terms of the contract, 5. Rules on reconfirmation of reservations, check-in times and refusal to carry, 6. Rights of the air carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of alternate air carriers or aircraft and rerouting.

You can obtain additional information on items 1 through 6 above at any U.S. location where the transporting air carrier's tickets are sold. You have the right to inspect the full text of each transporting air carrier's terms at its airport and city ticket offices. You also have the right, upon request, to receive (free of charge) the full text of the applicable terms incorporated by reference from each of the transporting air carriers. Information on ordering the full text of each air carrier's terms is available at any U.S. location where the air carrier's tickets are sold or you can click on the Conditions of Carriage link below.

Good morning –

This message (below) was received in the Tampa Membership Office yesterday afternoon, from one of the individuals who submitted an ePetition to Oasis Shriners. His WebFez MDS profile is below.

<https://webfez.shrinenet.org/MDS/ProspectDetails?ProspectID=28555>

Currently, Oasis Shriners have 18 ePetitions assigned to their WebFez MDS profile. These men, who have been inquiring since early October, should be your number one priority for ballot and creation. With the ePetition form, accessible through their WebFez profile, the conversation may be as brief as three talking points – 1) verification of Masonic membership, 2) fees or dues associated with a new Creation, and 3) the identification of two current Oasis Shriners to serve as sponsors. Once these are complete, the petition is ready for ballot. The status should be updated accordingly, and the ePetitioner will be removed from the prospect list once the status is changed to “Shriners – Noble.”

Additionally, there are 10 self-identified Master Masons in your jurisdiction. Please make contact, referring them back to www.BeAShrinerNow.com to complete the ePetition process. You can very easily have up to 28 new candidates for your next in-person or virtual ceremonial class!

I have also copied your Regional Membership Director, Illustrious Sir Jason Turner (Hejaz) who may

be able to assist.

Please let me know if I can be of any assistance.

Fraternally yours,

Noble R. J. "Jody" Meguiar, MAOM, QAS
Membership Component Relations Manager

Sorry to bother you if you are not an officer, but I was not going to go thru the whole email list to find the officer contact information that should be published on the Fezette along with the officer names.

Was just over at the Fez a little while and found posted notes on the door that said

"Closed for Private Event"

Subject: Re: 2021 Red Fez Fezette

Sorry to bother you if you are not an officer, but I was not going to go thru the whole email list to find the officer contact information that should be published on the Fezette along with the officer names.

Was just over at the Fez a little while and found posted notes on the door that said

"Closed for Private Event"

**Sure would have been nice to know before planning on going over to the club.
You know, email or phone tree.**

2021 SASA Registration Info:
Thursday September 16th - Sunday September 19, 2021

Important Information about 2021 SASA Registration

2021 SASA is Thursday September 16 to Sunday September 19, 2021

Greetings Nobles, Ladies and Friends of Oasis,

This year's South Atlantic Shrine Association (SASA) Officers are requiring all attending this year's SASA in Myrtle Beach to register themselves individually by using the on-line registration website listed below.

<https://www.southatlanticsa.org/sasafall2021.htm>

Once you get on the SASA website, move down the page until you locate the following.

SASA 2021 Fall Festival Registration Form

Find the large green block that reads, "PLEASE CLICK HERE TO REGISTER ONLINE". Once there you will see 3 steps that must be completed to register.

Step 1: Book a Ticket.

This is where you will be required to enter your first and last name, email address and then confirm your email address. You will then see the question tickets. Nobles may register for any of these listed events, but Oasis will only reimburse a Noble's registration fee of \$20 who are parading.

Once you have completed step 1, go to the bottom and there will be a green line that says "Book Now" click on that and if everything is filled out completely it will allow you to advance to step 2.

Step 2: Register.

This is where you will place your name. Title will be where you place your unit's name. Follow this until all areas that apply are filled out correctly. See below for example of the drop-down boxes that will need to be filled in.

Noble Name:	Your name
Temple Name:	Oasis
Title / Office:	Place your unit's name in that box
Ladies Name	(if applicable)
Temple Representative?	No – this is for Divan or SASA representatives only
What Hotel	Where are you staying
Any Additional Guests	Enter the number of additional guests
Children	Enter number of children if any

Phone (704) 549-9600 • Fax (704) 549-9692
www.oasisshriners.org

It is very important that you list where you are staying and number staying. This is the "heads & beds" statement that SASA uses with the City of Myrtle Beach to assist with the costs to us.

Step 3: Checkout.

This is where you pay by credit card, Visa, Master Card, Discovery or American Express. Enter your credit card information, including month and year of expiration along with the 3- or 4-digit security code on the back. You will see the green box of "Pay Now" once you finish, click on that and you will be done.

You will be sent a conformation email to the email listed on this form, confirming your registration is complete and showing all that you have paid for. You should print that for your records.

Please have one person within your unit that will be keeping up with the total number of members attending and parading, so Oasis will be able to double check and assist if there is a problem.

Again, this format is by design of the South Atlantic Shrine Association and not Oasis. It is intended to automate the process and make sure there are correct records, and no one will be missed or left out.

Parade Registration:

Each unit Captain or Secretary that will be attending and parading at SASA must notify Noble Director Jimmy Burgess no later than 5pm on Friday July 23, 2021 in order for him to properly register each unit.

Note about Rooms:

Each Oasis member **MUST** make their own hotel arrangements to stay at SASA.

This registration form does not get you a room reservation for SASA. You are free to find anywhere you would like to stay in Myrtle Beach, again at your own expense. Oasis has a block of rooms reserved at the Springmaid - DoubleTree Resort by Hilton, 3200 S. Ocean Blvd, Myrtle Beach under the booking code **OAS**.

These rooms are filling up fast, so if you want to stay at the Oasis host hotel, please make sure to take care of reserving your rooms now. Again, each member must make reservations and pay for their room on their own.

If anyone has any questions or needs assistance, please contact your Divan Representative or the Oasis Shrine Center.

2021 SASA Registration Info:
Thursday September 16th - Sunday September 19, 2021

**Important Information about 2021 SASA
Registration**

**2021 SASA is Thursday September 16 to
Sunday September 19, 2021**

Greetings Nobles, Ladies and Friends of Oasis,

This year's South Atlantic Shrine Association (SASA) Officers are requiring all attending this year's SASA in Myrtle Beach to **register themselves individually** by using the on-line registration website listed below.

<https://www.southatlantica.org/sasafall2021.htm>

Once you get on the SASA website, move down the page until you locate the following.

SASA 2021 Fall Festival Registration Form

Find the large green block that reads, **“PLEASE CLICK HERE TO REGISTER ONLINE”**. Once there you will see 3 steps that must be completed to register.

Step 1: Book a Ticket.

This is where you will be required to enter your first and last name, email address and then confirm your email address. You will then see the question tickets. Nobles may register for any of these listed events, but Oasis will only reimburse a Noble’s registration fee of \$20 who are parading.

Once you have completed step 1, go to the bottom and there will be a green line that says **“Book Now”** click on that and if everything is filled out completely it will allow you to advance to step 2.

Step 2: Register.

This is where you will place your name. Title will be where you place your units name. Follow this until all areas that apply are filled out correctly. See below for example of the drop-down boxes that will need to be filled in.

Noble Name:	Your name
Temple Name:	Oasis
Title / Office:	Place your unit's name in that box
Ladies Name	(if applicable)
Temple Representative?	No – this is for Divan or SASA representatives only
What Hotel	Where are you staying
Any Additional Guests	Enter the number of additional guests
Children	Enter number of children if any

It is very important that you list where you are staying and number staying. This is the “heads & beds” statement that SASA uses with the City of Myrtle Beach to assist with the costs to us.

Parade Registration:

Each unit Captain or Secretary that will be attending and parading at SASA must notify Noble Director Jimmy Burgess no later than 5pm on Friday July 23, 2021 in order for him to properly register each unit.

Note about Rooms:

Each Oasis member MUST make their own hotel arrangements to stay at SASA.

This registration form does not get you a room reservation for SASA. You are free to find anywhere you would like to stay in Myrtle Beach, again at your own expense. Oasis has a block of rooms reserved at the Springmaid - DoubleTree Resort by Hilton, 3200 S. Ocean Blvd, Myrtle Beach under the booking code **OAS**.

These rooms are filling up fast, so if you want to stay at the Oasis host hotel, please make sure to take care of reserving your rooms now. Again, each member must make reservations and pay for their room on their own.

If anyone has any questions or needs assistance, please contact your Divan Representative or the Oasis Shrine Center.

We have a very special event happening next Saturday, July 17 at 9:00AM at the Greensboro Shrine Club.

A Brother of Revolution Lodge purchased a GoKart from the Greensboro Shrine Club with the plans to present it to a special young man at the time and place above. This young man is the son of a Fellow Craft Mason of Revolution Lodge and has several health conditions. This will be a surprise for him and not only will help bring a smile to him but also show Masons and Shriners coming together in charity and brotherly love. If you can, please come out and support this young man, Freemasons and the Shriners.

If you are a Shriner you are asked to wear for Fez.

This will be an outside event.

**Important Information about 2021 SASA

**2021 SASA is Thursday September 16 to
Sunday September 19, 2021**

Greetings Nobles, Ladies and Friends of Oasis,

This year's South Atlantic Shrine Association (SASA) Officers are requiring all attending this year's SASA in Myrtle Beach to **register themselves individually** by using the on-line registration website listed below.

<https://www.southatlantica.org/sasafall2021.htm>

SASA 2021 Fall Festival Registration Form

Find the large green block that reads, **“PLEASE CLICK HERE TO REGISTER ONLINE”**. Once there you will see 3 steps that must be completed to register.

Step 1: Book a Ticket.

This is where you will be required to enter your first and last name, email address and then confirm your email address. You will then see the question tickets. Nobles may register for any of these listed events, but Oasis will only reimburse a Noble’s registration fee of \$20 who are parading.

Once you have completed step 1, go to the bottom and there will be a green line that says **“Book Now”** click on that and if everything is filled out completely it will allow you to advance to step 2.

Step 2: Register.

This is where you will place your name. Title will be where you place your units name. Follow this until all areas that apply are filled out correctly. See below for example of the drop-down boxes that will need to be filled in.

Noble Name:	Your name
Temple Name:	Oasis
Title / Office:	Place your unit's name in that box
Ladies Name	(if applicable)
Temple Representative?	No – this is for Divan or SASA representatives only
What Hotel	Where are you staying
Any Additional Guests	Enter the number of additional guests

It is very important that you list where you are staying and number staying. This is the “heads & beds” statement that SASA uses with the City of Myrtle Beach to assist with the costs to us.

Parade Registration:

Each unit Captain or Secretary that will be attending and parading at SASA must notify Noble Director Jimmy Burgess no later than 5pm on Friday July 23, 2021 in order for him to properly register each unit.

Note about Rooms:

Each Oasis member MUST make their own hotel arrangements to stay at SASA.

This registration form does not get you a room reservation for SASA. You are free to find anywhere you would like to stay in Myrtle Beach, again at your own expense. Oasis has a block of rooms reserved at the Springmaid - DoubleTree Resort by Hilton, 3200 S. Ocean Blvd, Myrtle Beach under the booking code **OAS**.

These rooms are filling up fast, so if you want to stay at the Oasis host hotel, please make sure to take care of reserving your rooms now. Again, each member must make reservations and pay for their room on their own.

Hello Jesters -- It's time for our JULY lunch. We'll meet on the 20th at the Golden Corral (Wendover Ave at I-40) For GPS that's 4404 Landview Dr. Officially we start at 12:13, but we usually get there around 11:30. We had a good group in June, so let's continue our post-Covid world and have a good group.

Hope to see you there!!

**Important Information about 2021 SASA
Registration**

**2021 SASA is Thursday September 16 to
Sunday September 19, 2021**

Greetings Nobles, Ladies and Friends of Oasis,

This year's South Atlantic Shrine Association (SASA) Officers are requiring all attending this year's SASA in Myrtle Beach to **register themselves individually** by using the on-line registration website listed below.

<https://www.southatlantica.org/sasafall2021.htm>

Once you get on the SASA website, move down the page until you locate the following.

SASA 2021 Fall Festival Registration Form

Find the large green block that reads, **“PLEASE CLICK HERE TO REGISTER ONLINE”**. Once there you will see 3 steps that must be completed to register.

Step 1: Book a Ticket.

This is where you will be required to enter your first and last name, email address and then confirm your email address. You will then see the question tickets. Nobles may register for any of these listed events, but Oasis will only reimburse a Noble’s registration fee of \$20 who are parading.

Once you have completed step 1, go to the bottom and there will be a green line that says **“Book Now”** click on that and if everything is filled out completely it will allow you to advance to step 2.

Step 2: Register.

This is where you will place your name. Title will be where you place your units name. Follow this until all areas that apply are filled out correctly. See below for example of the drop-down boxes that will need to be filled in.

Noble Name:	Your name
Temple Name:	Oasis
Title / Office:	Place your unit's name in that box
Ladies Name	(if applicable)
Temple Representative?	No – this is for Divan or SASA representatives only
What Hotel	Where are you staying
Any Additional Guests	Enter the number of additional guests
Children	Enter number of children if any

It is very important that you list where you are staying and number staying. This is the “heads & beds” statement that SASA uses with the City of Myrtle Beach to assist with the costs to us.

UNION COUNTY SHRINE CLUB

Union County Shrine Club

This email blast is to lessen the state of possible confusion with the required notice that had to be sent out to all of Oasis membership last week about the potential sale of property in Union County, better known as the Union County Shrine Club. A letter from Noble Bill Cox, President of the Union County Shrine Club and addressed to Illustrious Sir Tommy Helms and members of the 2021 Oasis Divan (see attached for full letter) was received. At the May 2021 meeting of the Union County Shrine Club, the membership overwhelmingly voted to sell the property. I commend Noble President Cox and his board for seeing this situation and not wanting to keep kicking the can down the road and address the problems with the building now and not later.

Under Imperial Shrine by-laws 334.9, "Sale of Temple Assets" a notice **MUST** be given to all membership of Oasis and written in the format that was sent out on the email blast and read over the phone wizard. Written notice was sent to Imperial for prior approval and received it back before sending it. For your information, the email blast went out at no cost while the phone wizard went out to 5,603 phone numbers at a cost of \$364.35. This process was required to place Oasis in compliance with notification to members so we could continue as requested by the Union County Shrine Club Board at the Stated August 26, 2021, Oasis Divan meeting. This notice was sent out giving the required minimum of 20 days' notice before being voted on by the voting members of the Oasis Divan at said stated meeting.

The following are the main reasons for the request to sell by the Union County Shrine Club Board.

- **The Union County Shrine Club building is more than 50 years old**
- **The roof needs about \$100,000 repair**
- **The kitchen equipment constantly needs repair**

Shriners Hospitals
for Children™

- **The general area located around d the club is declining**
- **Their membership has been shrinking and these costly repairs are not a sound investment into this older property.**

The Union County Board would like to sell while this market is strong, so they can obtain top dollar for their declining property and then use those funds to relocate to a new, more suited location that they can continue the strong traditions that the Union County Shrine Club is known for. The final vote to sell must be done by the Oasis Divan under Imperial by-laws. Once this is completed the Union County Board will find a building to operate their new location from. The Union County Shrine Club is not disbanding or going anywhere.

I hope this answers any questions that some may have had about their wanting to sell this building located at 305 E. Phifer Street in Monroe, North Carolina.

UNIO305 E. PN COUNTY SHRINE CLUB
305 E. PHIFER ST> MONROE NC 28110

Illustrious Sir, Tommy Helms and Distinguished Divan Members of Oasis Temple

Union County Shrine Club has come to a crossroads as to maintaining our current property.

The 50+ year old 10,000 sf. building has become a burden on our shrinking membership. As well, the building will need a roof within the next year or so at a cost of \$100,000, our kitchen equipment is in constant need of repair and the demographics of the neighborhood has declined.

In our May meeting the membership overwhelmingly voted to sell the property. We are currently in contact with a Real Estate Company and Union County Government.

The Union County Shrine Club is solely owned by Union Shrine Properties, Inc. and is free of debt.

Per discussions between our Attorney and Oasis Attorney we were advised that you must, agree/concur and/or approve this action.

Our plans are to build a new, smaller and upgraded facility very soon after proposed sale is complete.

I would like to be notified as to the date of the Divan meeting to discuss this proposal whereas some of our members may attend and answer any questions that may arise.

You may contact me at 704-506-0626 or email: chickeis10@frontier.com.

****UNION COUNTY SHRINE CLUB****

Union County Shrine Club

This email blast is to lessen the state of possible confusion with the required notice that had to be sent out to all of Oasis membership last week about the potential sale of property in Union County, better known as the Union County Shrine Club. A letter from Noble Bill Cox, President of the Union County Shrine Club and addressed to Illustrious Sir Tommy Helms and members of the 2021 Oasis Divan (see attached for full letter) was received. At the May 2021 meeting of the Union County Shrine Club, the membership overwhelmingly voted to sell the property. I commend Noble President Cox and his board for seeing this situation and not wanting to keep kicking the can down the road and address the problems with the building now and not later.

Under Imperial Shrine by-laws 334.9, "Sale of Temple Assets" a notice **MUST** be given to all membership of Oasis and written in the format that was sent out on the email blast and read over the phone wizard. Written notice was sent to Imperial for prior approval and received it back before sending it. For your information, the email blast went out at no cost while the phone wizard went out to 5,603 phone numbers at a cost of \$364.35. This process was required to place Oasis in compliance with notification to members so we could continue as requested by the Union County Shrine Club Board at the Stated August 26, 2021, Oasis Divan meeting. This notice was sent out giving the required minimum of 20 days' notice before being voted on by the voting members of the Oasis Divan at said stated meeting.

The following are the main reasons for the request to sell by the Union County Shrine Club Board.

- The Union County Shrine Club building is more than 50 years old
- The roof needs about \$100,000 repair
- The kitchen equipment constantly needs repair
- The general area located around d the club is declining
- Their membership has been shrinking and these costly repairs are not a sound investment into this older property.

The Union County Board would like to sell while this market is strong, so they can obtain top dollar for their declining property and then use those funds to relocate to a new, more suited location that they can continue the strong traditions that the Union County Shrine Club is known for. The final vote to sell must be done by the Oasis Divan under Imperial by-laws. Once this is completed the Union County Board will find a building to operate their new location from. The Union County Shrine Club is not disbanding or going anywhere.

I hope this answers any questions that some may have had about their wanting to sell this building located at 305 E. Phifer Street in Monroe, North Carolina.

Illustrious Sir, Tommy Helms and Distinguished Divan Members of Oasis Temple

Union County Shrine Club has come to a crossroads as to maintaining our current property.

The 50+ year old 10,000 sf. building has become a burden on our shrinking membership. As well, the building will need a roof within the next year or so at a cost of \$100,000, our kitchen equipment is in constant need of repair and the demographics of the neighborhood has declined.

In our May meeting the membership overwhelmingly voted to sell the property. We are currently in contact with a Real Estate Company and Union County Government.

The Union County Shrine Club is solely owned by Union Shrine Properties, Inc. and is free of debt.

Per discussions between our Attorney and Oasis Attorney we were advised that you must, agree/concur and/or approve this action.

Our plans are to build a new, smaller and upgraded facility very soon after proposed sale is complete.

Greetings Nobles, Ladies and Friends of Oasis,

This year's South Atlantic Shrine Association (SASA) Officers are requiring all attending this year's SASA in Myrtle Beach to **register themselves individually** by using the on-line registration website listed below.

<https://www.southatlantica.org/sasafall2021.htm>

Once you have completed step 1, go to the bottom and there will be a green line that says **“Book Now”** click on that and if everything is filled out completely it will allow you to advance to step 2.

Step 2: Register.

This is where you will place your name. Title will be where you place your units name. Follow this until all areas that apply are filled out correctly. See below for example of the drop-down boxes that will need to be filled in.

Noble Name:	Your name

Oasis has a block of rooms reserved at the Springmaid - DoubleTree Resort by Hilton, 3200 S. Ocean Blvd, Myrtle Beach under the booking code **OAS**.

These rooms are filling up fast, so if you want to stay at the Oasis host hotel, please make sure to take care of reserving your rooms now. Again, each member must make reservations and pay for their room on their own.

Shriners International

OFFICE OF
JOHN C. PILAND
EXECUTIVE VICE PRESIDENT/COO

MEMBER
ANSAR SHRINERS
SPRINGFIELD, ILLINIOS

MEMORANDUM

TO: Temple Divan Leaders

FROM: John C. Piland, Executive Vice President

DATE: July 20, 2021

SUBJECT: New Legislation Regarding Training of Temple Leaders

Legislation was considered and passed at the 2021 Imperial Session that adds the requirement that to be qualified to serve as temple Potentate, one must have attended either the Oriental Guide or the Assistant Rabban training seminar. This requirement becomes effective November 1, 2022.

Therefore, temple officers, particularly Assistant Rabbans, should plan to attend these training conferences.

Officers of the temple who are junior to the Oriental Guide are not eligible to attend the Oriental Guide training seminars. High Priests and Prophets are eligible to attend the Oriental Guide training, but are not eligible to attend the Assistant Rabban training seminars.

It is important that temples budget resources for the purpose of having its Divan members participate in this required training. The Chief Rabban should include funding, as necessary, to meet the requirements of this legislation in his proposed temple budget.

While the Imperial Potentate may waive the provisions of this requirement upon a showing of good and sufficient cause, we anticipate such waivers to be extraordinarily rare. Therefore, temple leaders serving on the temple Divan are encouraged to take an active role in planning to receive the required education and training necessary to serve as temple Potentate.

Oasis – SASA Change Announcement
!!!UPDATE!!!

Oasis will not have the Hospitality Room & Parrot

Head Party as advertised.

The Potentate has made a difficult decision in attempt to limit indoor gatherings during this time of increased COVID exposure.

We do hope you will come to the beach, parade, attend the outdoor SASA functions, swim and have a great vacation in Myrtle Beach.

Circus Location Update

!!!Important!!!
Circus Location Update!!!

Please use this easy link to contact
Jack Wallace - Circus Chairman

jwallace@oasisshriners.org

Greetings Nobles, Ladies and Friends of Oasis. Our 2021 Oasis Shrine Circus is getting closer by the day. I hope everyone is excited to see the Circus this year after last year's cancellation. Jody Jordan, owner of Jordan World Circus, promises this year's performances will be as good as ever if not better. He has quite a variety of acts lined up for us to enjoy.

We are making a change in our Hickory venue on October 6th. Due to unforeseen circumstances we will not be using L.P. Frans Stadium for our 4:30pm and 7:30pm performances.

The staff at Hickory Motor Speedway has worked very hard on short notice to assist us with everything we will need to have our Circus at their facility on the same scheduled date and times. The Speedway is located at 3130 Hwy 70 SE, Newton, N.C. 28658. Their management Team there is willing to do whatever they possibly can to support Oasis Shriners as is evident with their actions now.

Our scheduled performances at Cabarrus Arena in Concord are not affected by this change of venue and remain as advertised on October 8th and 9th.

I apologize if this decision to change venues causes any confusion or hardship to anyone. It was the decision of our Potentate and Divan in the best interests of Oasis Shriners on this particular fundraising event.

If you have any questions feel free to contact me at jwallace@oasisshriners.org or (704) 608-2400.

Respectfully,

Jack Wallace

Subject: [External] 2021 SASA Festival of Shriners Parade

CAUTION: External email. Do not click links or open attachments unless you verify. Send all suspicious email as an attachment to [Report Spam](#).

Illustrious Sirs and Nobles,

The 2021 Festival of Shriners in Myrtle Beach is adapting to the new normal (COVID) and we thank each of you for your patience as we walk this uncharted territory.

The City of Myrtle Beach is experiencing the same staffing shortages as everyone else these days. We are very grateful for the safety and security they provide to us during the Festival. With that being said, I wish to clarify the Parade Details for Saturday. These details will be outlined and updated once again at the Parade Marshal's Meeting on Thursday at 4:30 PM at the Doubletree. **A representative for each Temple that will parade must attend this meeting.**

The SASA Parade Marshals will be wearing **orange shirts** should you require assistance, they will be happy to help.

1. The parade route has been shortened this year to allow adequate police officer coverage for the event. We will step off at 17th Avenue S and move South down Ocean Boulevard to disassemble at 29th Ave South.
2. Line up locations have been adjusted for this new route as per below outline. Please plan to line up early. We will step off promptly at 9AM. The City will not allow gaps in the parade so, if you are not in place at the time of your step off, we will move to the next Temple. You will be able to fall in at the end of the parade if you missed your step off, but will not be judged.

Temple #1 Kosair - Intersection of 17th Ave S and Ocean Blvd left side facing Ocean Blvd

Temple #2 Nemesis - Intersection of 17Th Ave S and Yaupon Dr

- Temple #3 Jericho - Intersection of 17th Ave S and Ocean Blvd right side facing Ocean Blvd
- Temple #4 Jamil - Intersection of 17th Ave S and Yaupon St. after Nemesis
- Temple #5 Yaarab - On Yaupon Dr at the intersection of 17th Ave S
- Temple #6 Oasis - Intersection of 18th Ave S and Ocean Blvd
- Temple #7 Amran - On Yaupon Dr after Yaarab Temple
- Temple #8 Kazim - On street between 18th Ave S and 19th Ave S at intersection of Ocean Blvd
- Temple #9 Khedive - Intersection of 19th Ave S and Ocean Blvd
- Temple #10 Hejaz - Intersection of 19th Ave S and Yaupon Dr
- Temple #11 Alhambra - On Yaupon Dr after Amran
- Temple #12 Rizpah - Will not parade
- Temple #13 Alee - Intersection of 20th Ave S and Ocean Blvd
- Temple #14 Beni Kedem - Intersection of Cassandra and 19th Ave S
- Temple #15 Sudan - Intersection of Yaupon Dr and 20th Ave S
- Temple #16 Oleika - On Yaupon Dr after Alhambra
- Temple #17 Omar - Intersection of 21st Ave S and Ocean Blvd
- Temple #18 El Hasa - Intersection of Cassandra and 21st Ave S
- Temple #19 Kerbela - Intersection of Yaupon Dr and 21st Ave S
- Temple #20 Acca - Intersection of Yaupon Dr and 21st Ave S after Kerbela

Again, I thank you for your patience this year as we work through the many obstacles caused by COVID. I apologize for any inconvenience this has caused anyone and hopefully we can return to the New Normal next year.

As a reminder, please plan to line up early and stay SAFE!

Hello,

I'm not sure who to direct my question to, so please pass this along if need be.

My father, Billy Moose of Concord NC was a Shriner for many years and I believe he was a member at the Oasis Shrine Club in Charlotte NC. He loved being a Shriner and participating in all of the charitable duties that was part of being a Shriner.

In 2018, he was diagnosed with stage 4 pancreatic cancer and shortly thereafter, stage 4 liver cancer. He passed on September 29th, 2018. His Fez sat in his office of his home all this time in the protective box it is stored in, but on August 27th, 2021 my dad's widow (my stepmother) passed from a short illness of covid-19.

Now we've just begun the process of getting the home and will in order, but within the next year, hopefully, we will be removing the belongings and putting the house up to be sold.

My question is, what is the proper way thing to do with his Fez? Obviously, someone who isn't a Shriner is going to wear it and I don't even know if it's the right thing to do to display it in our own home. I most certainly won't be able to dispose of it, it meant too much to him.

Any guidance will be appreciated in this matter. We aren't in a hurry to move this out as we may not be removing anything until we can get the estate settled. (complicated story with my stepmother's family) Just whenever someone could let me know so when the time comes, I'll know what to do.

Thank you so much.
Julie Hatley

2022 Election of Officers

Special Attention All Oasis Members
All Clubs & Units, 2022 Election of Officers

Two years ago, Imperial handed down a General Order that all clubs and units will hold their election of officers and report those results to their respected Shrine Centers prior to October 1 of each year.

Your Oasis Divan is asking the leadership of all Clubs and Units to start notifying its membership by whatever the best means available to make plans now to hold their elections as soon as possible to be within compliance of this Imperial General Orders.

Presidents and Captains must notify the Recorder recorder@oasisshriners.org and Sherrie Vandergriff at support@oasisshriners.org in writing with election results no later than the October 1, 2021 deadline. We will have to verify all officers correct contact information for the year 2022, so it can be printed in the directory.

If you have a question or need guidance, feel free to contact your Divan representative at the following or go to our website at www.oaissshriens.org

Ms. Sherrie and Nobles,

Attached are the required CUOI forms as required for election results. FYI, NASCARTS officers are elected for a two (2) year term, ending 31 December 2025.

As you can see, I have been reelected as Admin Officer (Secretary) for the Greensboro Shrine Club again for 2022. It is an honor, but will be a challenge with potential new responsibilities in the lodge (Stokesdale 428). Be patient with me.

Ms. Sherrie and Nobles,

Attached are the required CUOI forms as required for election results. FYI, NASCARTS officers are elected for a two (2) year term, ending 31 December 2025.

As you can see, I have been reelected as Admin Officer (Secretary) for the Greensboro Shrine Club again for 2022. It is an honor, but will be a challenge with potential new responsibilities in the lodge (Stokesdale 428). Be patient with me.

FROM: William S. "Bill" Bailey, Imperial Potentate
DATE: October 1, 2021
SUBJECT: Positive Uplifting Ceremonials

The Shrine Directors Association's role is probably more important today than it has been at any time over the last 25 years, as there are more challenges today in attracting new members than ever before.

We recently met with the leaders of the Shrine Directors Association regarding concerns about hazing. It is vital for all Nobles to understand that ANY type of hazing; physical hazing, mental hazing or any activity causing any member public embarrassment violates both state and Shrine law.

The Shrine Directors Association will continue their ongoing efforts to exclude improper hazing activities and/or stunts. They will also promote the Arch Degree, the Knickerbocker Degree, team building, and new and unique activities to all of the events surrounding the creation of a new Noble, including the participation of his family. As we bring new and younger members into the Shrine with the hope and expectation that they will involve their families in our activities, it becomes even more important that the

ceremonial experience is positive, uplifting, and memorable.

We encourage all temples to embrace the Association's efforts for encouraging the newly created Nobles to immediately become enthusiastic and engaged. We also believe that by providing a new and positive ceremonial experience, temples will abandon "hazing practices and/or stunts" that are actually prohibited by law in the vast majority of states.

While the Shrine Directors Association continues to work to strongly discourage the practice of hazing, they do not have the power or authority to impose discipline or to otherwise prohibit the practice at each temple. **Therefore, the Imperial Divan will stand shoulder to shoulder with the Shrine Directors Association's efforts to properly enforce the prohibition upon such practices.**

Thank you for your assistance in this matter.

President - Ill Sir Ralph Calhoun II, PP (Omar)

Ill Sir Juergens made a motion for each of these officers to serve SASA 2021-2020 and it was properly seconded to approve the Nominating Committee report as presented, and the vote was unanimous. Each officer was ask if he agreed to serve for the years of 2021-2022 and they answered in the affirmative.

President Juergens then called for any new business. The discussion and the vote to change the SASA Bylaws to increase the number of SASA members from 20 to 25 Shrine Centers. A motion was made and properly seconded to approve the change to our Bylaws as explained, and the vote failed by one vote.

President Juergens invited the candidate for Imperial Outer Guard, Ill Sir Ron DeVoll (Zuhrah) to the podium and he spoke to the group as to why he was seeking that office. Ill Sir Len Noble read a letter from Ill Sir William Rasner who is running for Trustee for Shriner's Hospital, who could not be with us due to a scheduling conflict. Next, we had one individual wishing to be our next Trustee for the Shriners Hospital Board, Ill Sir Chuck Pittman. Ill Sir Pittman spoke for a few minutes to explain why he wanted to be re-elected to the office.

President Juergens then asked the Director General, Rusty Watson, for announcements, noting the dedication and effort put forth by him to make the event possible. His first comments were to praise his team and that he takes no credit. He then gave us an update on our status at Myrtle Beach. He reported the city has shorten the parade route due to a lack of available police officers. He asked us to do what we can to eliminate gaps in the parade. If a temple is not ready to pull out at the appointed time, that temple may not get to parade. If anyone has any suggestions as to make things better, he asks them to contact him. There will also be a Parade Marshall's meeting at 4:00 PM

President Juergens invited Imperial officers for any comments they wanted to share. Each Imperial officer spoke with important information for us to consider.

Ill Sir Jurgens then ask any temple to come forward for any check presentations. The Kosair Foundation had offered a dollar for dollar match up to \$100,000 to be divided equally to the 3 hospitals in the SASA footprint. Omar Potentate Buddy Ellis presented an IOU for \$25,000 for the match to support our Greenville, Dayton and Lexington Shriner's Hospital for Children.

Ill Sir Dave Juergens adjourned the meeting at 4:31 p.m.

Respectfully submitted

MEMORANDUM

TO: Temple Divan Leaders

FROM: John C. Piland, Executive Vice President

DATE: July 20, 2021

SUBJECT: New Legislation Regarding Training of Temple Leaders

Legislation was considered and passed at the 2021 Imperial Session that adds the requirement that to be qualified to serve as temple Potentate, one must have attended either the Oriental Guide or the Assistant Rabban training seminar. This requirement becomes effective November 1, 2022.

Therefore, temple officers, particularly Assistant Rabban's, should plan to attend these training conferences.

Officers of the temple who are junior to the Oriental Guide are not eligible to attend the Oriental Guide training seminars. High Priests and Prophets are eligible to attend the Oriental Guide training but are not eligible to attend the Assistant Rabban training seminars.

It is important that temples budget resources for the purpose of having its Divan members participate in this required training. The Chief Rabban should include funding, as necessary, to meet the requirements of this legislation in his proposed temple budget.

While the Imperial Potentate may waive the provisions of this requirement upon a showing of good and sufficient cause, we anticipate such waivers to be extraordinarily rare. Therefore, temple leaders serving on the temple Divan are encouraged to take an active role in planning to receive the required education and training necessary

This is the last official notice that will be served upon the Nobility regarding this year's elections and will be emailed and posted on the Oasis website.

Respectfully submitted,

John G. Cable

RE: Procedures for Submitting Membership Program Forms

ELECTION RETURNS:

2022 Election Returns will be submitted electronically via the WebFez website. Please do not fax or mail a printed copy of your election return to Headquarters, as it will be discarded as a duplicate. I strongly urge you to contact your divan officers and representatives prior to entering final election information into WebFez. It is imperative that all information is carefully reviewed prior to submission to Shriners International. The information in your election return is the information that will be printed in the 2022 Shriners International Directory. Your electronic submission is confirmation the information has been verified by your divan officers and proofed by your temple Recorder.

We have created the enclosed guide to help in this process. This reference document addresses key

components of the election returns and should be provided to all appropriate staff for use when completing these returns/reports. Please carefully review the instructions included with this notice.

For any questions regarding Election Returns, contact Jessica Cureton at 813-281-0300 ext.7176 or via email jcureton@shrinenet.org

Please note, this would be a great opportunity for temples to update email addresses for elected temple divan officers and representatives.

ANNUAL RECAPITULATION OF MONTHLY REPORTS:

This procedure has not changed. Your temple is still required to print and mail your Annual Recapitulation of Monthly Reports (available after the December report is closed) to Shriners International. The sheet 4 "Financial Recapitulation Form For Annual Return 2021" must be signed by the Recorder, or in his absence, by the Potentate. This signature will serve as confirmation that all information has been reviewed and declared to be accurate. Do not delay mailing this form awaiting remittance or election returns. All pages of the completed report must be mailed to the attention of the Nancy McKinney at Shriners International not later than January 15, 2022.

For any questions regarding the Annual Recapitulation Report, contact Nancy McKinney at 813-281-0300 ext.3067 or via email nmckinney@shrinenet.org.

A new file is available for you to download from the Fraternal Communications boardroom at Shriners Village.
