I talked to our real estate person, John Spake, he does not we will get an extension from the Ramada. Given the market for hotels, John believes he will sell for hotel use at a higher price.

Three people were arrested at the Ramada in yesterday. I checked with Sunrise and none of them were peers that he have at the location. I would like to let Council know this if you are okay with it.

Good morning Cathy. Yes please send something out. By your reference to peers, you mean none of them are people the COA are housing.

Hi Brad and Debra, just sent you an email. Shangrila agreed to pay back all due diligence costs, including surveys, etc and has agreed to restrict the vacant land parcel to residential housing. Jannice assisted me with the revised resolution and I sent on to you two and Maggie.

Just confirmed with John Spake and contacts at Shangrla and they understand this is the only funding being offered.

When do you want the Deaverview memo?

Thx!
