Subject: Re: Support a Track at Memorial Stadium

Joan,

Thank you for your input on the East End/Valley Street advocacy to secure a track at Memorial Stadium. I appreciate the leadership of my colleagues on this matter. We have discussed this during checkins and I anticipate there will be more information available for the public soon.

With Gratitude,
Kim

: Asheville City Council,

Dear City Council and City Manager Campbell,

I encourage the City of Asheville to secure the funds to create a track at Memorial Stadium as requested by the community. Especially over these past two years, both the value of outdoor recreation/socializing and overdue reparations should be missions incorporated into everything moving forward.

I was a resident of the Asheville City for 20 years. My children benefited from a good city school education and are now adults that live and work in Asheville. I am proud to have been a part of that community and look forward to supporting city initiatives in the years ahead.

Thank you for all you do for the good of your city residents, especially in areas that may have been underserved and overlooked in Asheville City history.
