Debra and Peggy,

I had an opportunity yesterday evening to follow up with Renee' White, East End/Valley Street.

They are not looking for an 8-lane track, just a paved track that allows for walking and better ADA assessability.

We did discuss the soccer club and their upcoming season. The concern was traffic and the issues they experienced initially in prior seasons. She would welcome an opportunity for a meeting that includes the neighborhoods (East End and Oakhurst) along with the representatives from the soccer club to discuss the traffic/parking plan for the upcoming season.

She will await the next steps. Let me know if you have any further questions.
