Good day Debra. ^ ^

Attached is the presentation I am planning to present to the East End / Valley Street Neighborhood Association tomorrow night. ^ Because the main concerns center around the track the presentation solely focuses on track options. ^ At the beginning of the presentation I will mention other improvements being made at the Memorial Stadium and the Mountain Side Park but I will keep the focus on the track. ^ Jade is working with a vendor that can estimate cost better than we can in house however, we will not have those estimates prior to the neighborhood meeting tomorrow. ^ ^ Please review and let me know what edits you recommend we make to the presentation. ^ ^

Thank you. ^ ^
