Subject: Re: Memorial Stadium fumble: 'We need to do better,' Asheville city manager says - from The Asheville Citizen Times

I wish the meeting was recorded. Are you working on a project budget to go along with the construction estimate? I can take a stab at it if you like.

Here are my comments:

- McGirt said it will be \$2.5M? GULP
- The field is being reduced by about 5 yards? Parks instructed us to use a 65 yard (195') total width. The field width is currently 242'. That is a difference of 47' or 15 yards.

Memorial Stadium fumble: 'We need to do better,' Asheville city manager says

The East End/Valley Street neighborhood in Asheville demands a six-lane track at Memorial Stadium, wondering what went wrong in the first place.
