Subject: My thoughts about Valley Street/East End Meeting

Mike, Alex & Lucy:

Alex, thanks for sending the Asheville Unpaved sketch for the Mountainside Park/Memorial Stadium area.

It is great but I believe it misses the neighborhood point at this time. They believe and are willing to insist that the old Track around Memorial Stadium must be recreated as a vital part of their history, present hopes and future neighborhood vitality.

Here is a link to the PowerPoint presentation made by J. Tirel McGirt, the city's new Director of Parks and Recreation in April:

Antanette Mosley has very skillfully championed this and the city manager is I believe in agreement, although, the not inconsiderable funding has not yet been finalized.

I recommend that you incorporate this in your planning.

I believe that the track can be very beautifully integrated with an improved pathway in Mountainside Park and on up to a final version of the Beaucatcher Greenway.

These are just my suggestions for your consideration.

Best wishes,

Dave

Dave,

Sorry to just now respond. I think I will be attending this meeting. Here is a map of the DRAFT unpaved trail alignments for the area. I'm assuming Mike Sule will be bringing the large poster board of this map to the meeting.

Appreciate your thoughts, Dave!

Mike and Lucy:

I regret not being able to attend the Valley Street/East End Neighborhood Association meeting on Wednesday but I have another obligation but I am interested in helping.

I have supported the Memorial Stadium Track with Debra Campbell, Antanette Mosley and Renee White.

I cannot find a sketch of the Asheville Unpaved concept plan for this project.

Could you possibly email me a link to it?

As I think you know the neighborhood, in addition to distrusting the city, is totally caught up with the question of the track.

Best,

Dave
