Subject: Thank You for Your Strong Support for a Track at Memorial Stadium

Dear Council Member Mosley,

I attended the Faith 4 Justice meeting where you shared the history of the requested public track at the neighborhood park at Memorial Stadium. I have since shared that story with others and am writing to members of the Council to urge their support to make the track a reality.

Thank you for taking the time to come to the meeting. I'll watch with interest tomorrow whether our Council will finally fulfill this promise, listen to the East End/Valley Street neighborhood, put local interest before tourist considerations and understand that reparations start now.

Thank you for your service to our city,
Eleanor Lane
