**Subject:** Do Racial Equity! Support a Track at Memorial Stadium!

: Asheville City Council,

Dear City Council and City Manager Campbell,

I ask you to help our City make good on our promises to East End/Valley Street neighbors and our commitment to racial equity by setting aside American Rescue Plan funds to build a track at Memorial Stadium.

For decades, neighbors who have faced racism in many ways for decades in our City including the devastation of urban renewal. As we talk of reparations and racial equity, one thing the City could do to build trust and do racial equity is to keep its promises to the Black community regarding the track at Memorial Stadium.

Thank you for your service to our community.
