D, any word on the time of the Thursday community meeting?

Thanks,
Maggie

Isn't Thursday the day of the meeting? We normally send out the notices at least 2 days before the actual meeting.

But, since I won't include the link for the community meeting to the media - I guess we can get it to Council day of.

PLEASE let me know the TIME though. That way, I'll be able to send it out sooner.

Thanks!
Maggie

Maggie,

I think a minimal notice should be fine. I don't think we have to have the last sentence, but it doesn't hurt. We might want to add that Council is attending only to receive information, and no Council votes or other action will be taken.

Thanks D. I'm just going to do a notice like:

City Council has been invited to attend the virtual East End/Valley Street community meeting on Thursday, March 10, 2022, at ___ p.m. City staff will be present to present options for the track at Memorial Stadium. (BRAD - do I need the last sentence?)

BRAD - Will this notice suffice? I'm not going to email out the link to the media, but will for City Council once received.

Thanks,
Maggie

Good morning Maggie.

The meeting this Thursday is not a community meeting organized by the City or the Parks and Recreation department. The meeting is the regular neighborhood meeting for East End Valley. Parks and Recreation staff are planning to be at the meeting to present options for the track at Memorial Stadium. Sounds like some Council members would also like to be present at this meeting. I have informed the EEVA President, Renee White, that Council members would like to be present at the meeting and if she would share the link to the meeting with me. I have not received that information from Renee yet.

Please let me know if this helps clear up any any confusion about the meeting and if you need additional information. Thank you.

I'll need to do a media notice for the March 10 community meeting, in case more than 4 Council members attend.

Please send me the time, date, reason for the meeting, and place.

Thanks,
Maggie
