I informed Renee that some Council members would like to attend the neighborhood meeting. There was no push back. I followed up our conversation with the below e-mail message.

My e-mail Message to Renee

Some Council members would like to be at the neighborhood meeting this Thursday to hear from community members on the type of track you would like to see at Memorial Stadium. Allison Dains, Pete Wall, and I from Parks and Recreation are planning to be present to share with the community options for the track and answer any questions. Please share with me the link for the meeting and with your permission I will share with the Council. Let me know if you have any questions or concerns.

The e-mail from Helen with the East End / Valley Street Neighborhood Association that I forwarded earlier is the reply I received back today. I replied back to Helen thanking her and saying again that I would share the link with Council.

Thanks.

Hey D just to confirm. They are comfortable with us inviting Council members to join the virtual meeting?
