Nancy,

Thank you for your input on the East End/Valley Street advocacy to secure a track at Memorial Stadium. I appreciate the leadership of my colleagues on this matter. We have discussed this during checkins and I anticipate there will be more information available for the public soon.

With Gratitude,
Kim

: Asheville City Council,

Dear City Council and City Manager Campbell,

I want to ask you to take into consideration the longtime and new neighbors near Memorial Stadium when working together with all stakeholders to build a soccer stadium AND walking track.

I believe something can be worked out to honor various needs. I ask that you make the effort to see this decision through the lens of racial equity as well as what is good for other interests.

Please take into consideration the neighbors and create enough parking so that those attending events at Memorial Stadium are not parking in close-by neighborhoods and disrespecting their property.

Thanks for representing and serving all of Asheville.
