Todd:

Congratulations for all the great work by you and your Department on the Avery project. Unanimous co-operative votes are welcome! I was glad to see that Bryan joined the movement. I've attached the ACT article, well written as usual by Derek Lacey.

It was accompanied - also attached - by an article by Sarah Honosky, also a good journalist, about the Memorial Stadium debate.

After the 5-2 vote on 324 Biltmore, Antanette Mosely wrote me and suggested that we get together for coffee, not specifically about the Stadium, but it will come up. So I need to do my homework about the Memorial Stadium conundrum and would like to talk with you about it soon.

Best,

Dave
