Hello Neighbors!

We know this is last minute, but East End/Valley Street Neighborhood Association (EEVSNA) President RenÃ©e White and the EEVSNA Executive Committee would like you to attend the Asheville City Council Meeting tonight, March 22 at 5pm at Â Harrah's Cherokee Center [87 Haywood Street](#). EEVSNA is supporting a proposal to add a 6 lane track at Memorial Stadium. This is a longstanding and long overdue request from the East End/Valley Street community which we hope will be adopted. Here is a link to tonight's City Council agenda:

We hope to see you there!

Helen Lindberg
Board Member EEVSNA
