Here you go Debra. I think I have captured everything we talked about yesterday in the presentation. I am in meetings with our maintenance crew today from 10:00 a.m. to 2:30 p.m. then I have a 2:30 p.m. meeting. I can make time if necessary just shoot me a text or call. Thanks.

Good day Debra.

Attached is the presentation I am planning to present to the East End / Valley Street Neighborhood Association tomorrow night. Because the main concerns center around the track the presentation solely focuses on track options. At the beginning of the presentation I will mention other improvements being made at the Memorial Stadium and the Mountain Side Park but I will keep the focus on the track. Jade is working with a vendor that

can estimate cost better than we can in house however, we will not have those estimates prior to the neighborhood meeting tomorrow.Â Â Please review and let me know what edits you recommend we make to the presentation.Â Â

Thank you.Â Â
