Subject: Appreciation for Supporting the Track at Memorial Stadium

Dear Vice Mayor Smith,

Thank you for speaking out on the importance of fulfilling a long-overdue promise to create a public track at the neighborhood park at Memorial Stadium.

I have shared the history of the requested park with others and am writing to members of the Council to urge their support to make the track a reality.

I'll watch with interest tomorrow whether our Council will finally fulfill this promise, listen to the East End/Valley Street neighborhood, put local interest before tourist considerations and understand that reparations start now.

Thank you for your service to our city,
Eleanor Lane
