Yes, you can have April. I will invoice you for it closer to the date. Also, we will need 100 words, a logo, url and a hi res photo in mid-February.

Thanks!

Dear Tourism Partner,

Transylvania County Tourism is pleased to offer two new advertising opportunities for our partners this year. The first is a sponsorship of our monthly Get Out Guide which lists events occurring during that month. Depending on the season, between 2,500 and 3,000 are distributed throughout the county (see attached for the January 2020 version). Sponsorships are \$250 per issue. Available months are March, April and August through December.

The second new offering is an e-newsletter spotlight of your business which will be shared with our 19,000 + *Adventurist* and *Field Notes* subscribers. Only four of these are available per year. The cost is \$1,500 per issue and only April and October remain.

Both of these new opportunities are first come, first served so let me know ASAP if you are interested. Please feel free to contact me with any questions.

Thank you!

Prentiss
