FYI -- A reporter/representative from *Asheville Free Press* just showed up wanting to talk to/get a quote from/interview D. Tyrell. I don't have any other information other than (it sounded like) they said they would come back next week. It's in relation to the felony littering charges and three year ban.

Susannah may be able to offer further clarity, but she made it pretty clear that we don't have any other information beyond the letters that were sent.
