Hello Joel,

Hope you had a good weekend! Thank you for passing this along. When searching on P2C by the incident number if no result is generated then there is no report. Hope this helps explain in more detail. In reference to the report that Sarah is looking for 22-000667, I have attached a public copy of the report, since for some reason it wasn't viewable on P2C either.

Respectfully,
Samantha

Hey, Bill. I'm helping my colleague Sarah Honosky out with some of the felony littering reporting.

She got this back after a public records request for felony littering charges. There's four cases listed. But in these January press releases APD names six people. (Sarah thinks there might be up to 15.)

Can you help the records folks find the all the felony littering charges - and give us more than just the case numbers? The case numbers they sent don't actually correlate to anything available at your police-to-citizen site: <https://ashevillepd.policetocitizen.com/EventSearch#>

Thanks for any help you can give.
