John,

Could you take a look at the email from ACT received by the mayor below? I'm trying to help her put together some responses to this request and I may need some of your APD institutional knowledge.

Thanks,

Hi Mayor Manheimer,Â

Hope you're doing well! I'm working on a story about the individuals who have been charged with felony littering by APD in connection with December protests in Aston Park.

I know it hasn't been publicly discussed by council, but it's come up at some public comment sessions during council meetings, and I was hoping to get some perspective.Â Â

It looks as though there has only been one felony littering case in Buncombe County in the past 10 years, and I was hoping to learn why the city was pursuing these charges.

Also, a majority of those charged have been banned from all city parks for three years, though none have yet been convicted, and I was hoping you could weigh in.Â

I also wanted to ask if you had ever dealt with/heard of felony littering charges before.Â

Thanks so much,Â
