I know this has a deadline of 2 p.m., so I'm happy to answer any questions from WLOS or just pull out the bullet points that seem relevant.

Also...some folks charged with felony littering have started receiving form letters that they are banned from City parks for three years. I think these came from APD, but it indicates that they should reach out to Parks & Recreation. At least two of them have sent formal requests/emails to be allowed in parks. My guess is these are part of the media savvy group that received citations in Aston Park last December. I've sent info to D. Tyrell and awaiting guidance, but I wouldn't be surprised if we received some questions from outlets like the *Asheville Blade*.

Good afternoon, Rebecca. WLOS has requested an interview about the skatepark. Christine isn't available today, so I was wondering if you would be up for it. If not, they can still use some footage and we can send bullet points.
