Hi, Sarah,

This virus is no joke! I can go years with a sickness...and whammie, this!!!!

Regarding your requests:

We are still in the final stages of having a new policy updated regarding homelessness. Thought we might have out before end of year, but still pending. Should be soon....maybe this week.. I will let you know as soon as we get to the update so you get a PR request made for that, and we'll get facilitated.

Regarding the request for Haywood Street docs, Samantha says just completed the records requests, and they should be in the public records portal. Understand you are making a similar request for incident reports at the Ramada Inn.

Hi Bill,

Hope you're doing well and feeling better after last week!

I wanted to follow up on a few things I had emailed you about earlier last month. I think they may have gotten lost in the shuffle.

I am still trying to obtain the police reports from the Ramada Inn (148 River Ford Pkwy) from April 2021 to current day. WLOS reported having them in a recent broadcast. Could I get a copy of the documents that were sent to them since they are already compiled?

I will also submit a formal records request.

Also, sources have been reaching out to me regarding six arrests that occurred at Aston Park on Christmas day. Can you confirm these arrests and comment on the situation? I've also been hearing differing info regarding the APD's 7-day notice policy before evicting encampments.

What is the department's current policy and where can I find it?

Thanks so much,

Sarah
