Hope youâ€™ve been looped into this. If not, this media alert/press release just went out. Do you want me to send instructions to Nora, Marcos, Brooke, and anyone else who answers phones and emails to direct them to Sam at APD if anyone contacts us with questions?

APD UPDATE:Â APD Arrests 16 for Felony Littering at Local Park
***Arrestees Dumped in Excess of 2,000 Pounds of Litter at Local Park, Costing City more than \$2.6K in Cleanup

Â
Asheville, NC (June 3, 2022):Â APD Detectives have arrested a total of 16 people for dumping more than 2,000 pounds of litter and refuse in Aston Park following a nearly six-month-long investigation.Â Â

Â
â€œA clean-up effort in mid-April in Asheville had a reported record 200 volunteers pick up 700 pounds of trash during the two-hour community-wide cleanup,â€ said Chief David Zack, Asheville Police Department.Â â€œContrast that with the littering case our detectives investigated, which involved activists who committed felonies by dumping more than 2,000 pounds of litter and refuse in one of our local parks last December.Â That cleanup cost taxpayers in the City of Asheville nearly \$2,700 with more than 100 man-hours, and required two dump trucks, half a dozen pickup trucks, and other heavy machinery.â€

Â
The charge for felony littering is when the amount of trash/refuse exceeds 500 pounds.Â In this case, it was more than four times that amount.

Â
The following 10 people were charged in this case from January through May, all involving felony littering; six others were identified with their charges in previous news releases.Â Â
