Good evening,

Hope you're doing well! I'm working on a story about the individuals who have been charged with felony littering by APD in connection with December protests in Aston Park.

I've also reached out to the APD and DA's office for comment, but since this is intertwined with the city, I wanted to reach out and ask for comment.

Specifically, 12 individuals have been banned from all city parks because of these charges, though none have yet been convicted, and I was hoping for a statement on that city policy.

I also wanted to ask if you had ever dealt with/heard of felony littering charges before. It looks as though there has only been one felony littering case in Buncombe County in the past 10 years, and I was hoping to learn why the city was pursuing these charges.

I'm looking at an end of week deadline!

Thank you so much,
