Sounds good! If you'll be at the reparations meeting this evening, I'll see you there!

hey Sarah

I'm running out to set up reparations commission for tonight
let's touch base on this tomorrow AM
This is all pretty straight forward - but I want to make sure I understand "deliberate"

Hi Kim,

We emailed about this a few weeks ago and I wanted to follow up regarding the parks and recreation appeal hearings in relation to individuals charged with felony littering in Aston Park.

What was the result of those ten hearings? Could the parks and recreation director offer a statement on why the city deliberated the way that it did?

Also -- how many appeal hearings like that has the city had before. If that's too broad, I would be curious how many have happened annually this year, last year and the year before.

Thanks so much,
