Tell her you'll look into it and ask her for the name of the person she saw the warrant about to help you figure it out.

I'm not familiar with the arrest...nor the updated count of arrests. I remember there being six initially.

Hi Bill,

We saw an arrest warrant this morning for another person charged with felony littering from the Aston Park protests back in December.

I wanted to confirm with you -- is this is the eighth person arrested for felony littering in association with the Aston Park protests?

The other arrests happened a few weeks ago, is there a reason this one only occurred yesterday? Is the department anticipating more arrests on these charges?
