Subject: Re: Presentation shared with you: "1/11/22 Manager's Report"

Team here is the revised presentation. Please take a look especially at the yellow highlighted areas where I am requesting additional information, have questions, or made revisions.

Don't hesitate to comment on the flow as well. I am going to schedule a time for us to meet tomorrow.

I will likely cancel the Management Team meeting at 11:00 if you are available at that time or after 5:00. I will have Jenna schedule the meeting.

This is for the core team that will be making the presentation but others please feel free to join if you are available.

Ashley, I will get you comments tomorrow on the written narrative since I hope you may take some cues from the story being told in the presentation and determine if any changes are needed.

Thanks everyone!

Debra

Debra,

Here is how the presentation is coming together. I hope this is moving in the right direction. If not, we can definitely adjust.
