Sent	Debra Campbell	1/10/2022 16:15	Good afternoon Mayor. I hope you had a great weekend. Tomorrow at the Council meeting I want to honor an AFD Fire Inspector who died from cancer this weekend. I wanted to know when you thought it was appropriate to share a brief bio and funeral arrangements during the Managers Report or before Consent? Thanks!
Received	Esther Manheimer	1/10/2022 16:16	How about before consent
Sent	Debra Campbell	1/10/2022 17:54	Sounds good. Thanks!
Sent	Debra Campbell	1/10/2022 17:54	Oops I will let Maggie know.
Received	Sage Turner	1/11/2022 18:36	This report is so important. Thank you for pulling this together.
Sent	Debra Campbell	1/11/2022 19:10	Thanks Sage. I know its a lot but the information needs to be shared. These are the stark realities.
Received	Maggie Burleson	1/6/2022 9:56	Just confirming you do NOT want the managers report to contain the 3 items on the agenda posted.
Sent	Debra Campbell	1/6/2022 10:23	No I don't want it on the agenda.

Sent	Debra Campbell	1/6/2022 10:31	Maggie now that I am thinking about it, go ahead and include the list on the final agenda since some Council members may ask why the items were removed from the final post when we had it on the check in agenda.

Sent	Debra Campbell	1/3/2022 11:02	Oops 1/11 Council meeting as part of the Managers Report.

			<p>Okay, I'll check in with her this evening.</p> <p>I have made calls, texts, meetings and we had two information sessions attended by over 25-30 people of color.</p> <p>Most of the neighborhoods have their nominees.</p>
