Hi Dana,

I hope you are doing well during this hectic time. We are curious how other NC cities define the relationship between downtown geography, BID™s and zoning for those areas and are hoping you can answer a few questions.

Â

- 1)Â Â Â Â Â How does Asheville define its downtown ? Â
- 2)Â Â Â Â Â How does the boundary relate to your Cityâ€™s Business Improvement District (BID) boundary and/or any downtown economic development agency?
- 3)Â Â Â Â Â Do you require a certain zoning category to be included in your downtown? For example- does the property have to be in the particular zoning district for it to be in the BID district, or is there other criteria required?

Â

Thanks so much for your help! Take care,

Â
