Kit,Â
No, that committee / Interim Board of Directors hasn't met since going to Council and having the Municipal Service District approved.Â Â I'm happy to give you whatever information I can.Â My contract with the city at the time came to the end (I wasn't an employee at that point), and folks had put a lot of time into it, and were ready for a break, although I know they would have preferred that the BID get formed.Â Â Kim MacQueen still lives downtown I think.Â I don't think Susan Griffin does though.Â They were the 2 main leaders of the effort.Â Â

Let me know if there's more that I can give you to help.Â
Best,Â
SashaÂ

Sasha, is there still a Downtown Management Committee for the Downtown Master Plan? Iâ€™m looking at old Business Improvement District Formation Report from 2012. Any information you could provide me would be appreciated.
