Gene and Shaunda:

My fellow Council Woman asked me to forward this to you.

I would be up for a joint meeting with ACS, City Council and BC Commissioners on the broad topic of equity and cooperation.

All the best,

Gwen

Gwen,

Anticipating the upcoming report on Asheville Primary School, I have compiled a list of questions to better inform myself then help to inform our community. As liaison to the Asheville Board of Education, I hope you will send this to the Board or I am happy to submit for consideration if that's the best way for me to communicate. I can send it to the full Council as well as our Buncombe Commissioners but wanted to check with you on the process first, so let me know.

I think a joint meeting of the 3 groups will be important as we review our roles in addressing the opportunity gap through collaborative efforts with our community.

Thank you,
Kim
