Lindsay,

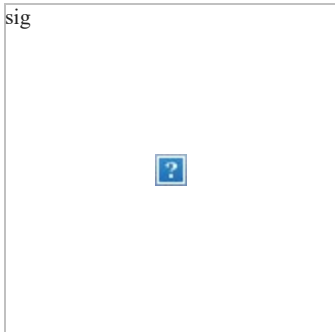

The boat that docks near the Convention Center is called the [Henrietta](#) (click on the link). It can hold about 120 ppl but I think Molly said that we could use the lawn space as overflow. We'll need to confirm that. They do allow outside food to be brought in but the boat has their own bar so alcohol must be purchased through them.

Let me know if you have any other questions or feel free to reach out directly to the Henrietta (contact info is on the link provided above).
