I think it would be fine. But I text Scott to see if he was ok with it. I let you know.

Great on parking lot

Also if Molly wants to give us some news coverage when we're down there she could have some TV station or reporter come an interview one of us.

Numbers as of today 517

Thanks. Hope your mom doing ok

Lindsay

Lindsay,

Molly has reached out to me asking if it would be okay to issue a press release locally regarding the NCASRO Conference coming to the Wilmington Convention Center. Is this something that you are okay with or would you prefer they not publicize that a group of law enforcement officers are meeting in Wilmington. (I don't want to unnecessarily invite trouble). Molly said she's fine with no publicizing it if that's what you decide. Let me know.

Also, we got approval from Coastal Carolina to use their parking lot during the conference.
