UPDATE: There are a few rooms available due to some cancellations at The Ballast and the Courtyard. If anyone inquires, you can steer them to these two hotels.

Subject: NCASRO Hotel Rooms

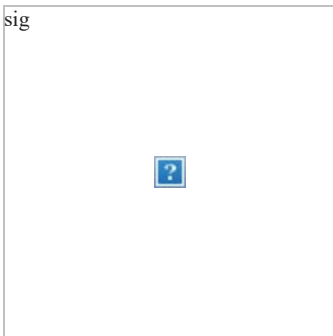

Is anyone hearing that attendees are unable to get a hotel room for the conference? We have contracted with all of the downtown hotels, except for one, and they are posted on your website. However, the blocks are all full. I reached out to the Hampton Inn to see if they can give us any rooms but they have turned us down. Molly with the CVB is going to reach back out to them to see if she can address the situation of being turned down. So I'm hopeful that we will get more rooms but can't make any promises at this point.

Let me know if you are hearing if anyone is having difficult getting a room. Thanks,
