

Greetings,

Please allow us to introduce ourselves. We are the North Carolina Association of School Resource Officers (NCASRO). The North Carolina Association of School Resource Officers was established in 1993, as a non-profit organization, with only 25 members. After 29 years, we now have over 500 members which include police officers, sheriff's deputies, school administrators and school safety personnel. School Resource Officers are sworn, local Law Enforcement Officers who work along side with school administrators and school safety personnel to protect and serve the children and staff of the elementary, middle and high schools throughout North Carolina.

Every summer, NCASRO Board Members plan, prepare and offer the most current and up to date Professional Development Training for all School Resource Officers, School Security Personnel and School Administrators throughout North Carolina, during our annual training conference. This year NCASRO will host it 28<sup>th</sup> Annual Training Conference on July 11-15, 2022 at the Wilmington Convention Center, located in Wilmington, North Carolina.

Our association is asking for your support by requesting donations of services or goods representing your company. These donations will be used as give-aways, door prizes or raffle prizes during our golf tournament fundraising event and during the annual training conference. This is NCASRO's way of showing appreciation to our association members and an opportunity for your company or business to be recognized.

For your support of the NCASRO Annual Training Conference, your company's name and logo will be displayed with a link to your website, on the NCASRO website at [www.NCASRO.com](http://www.NCASRO.com). NCASRO is a 501(c) 3 non-profit organization and your donation may be tax deductible. Our Tax Identification Number is **20-2098212**.
