

ADVANCED EMERGENCY MEDICAL TECHNICIAN
Labor Grade: 65E Exemption Status: Part-Time / Non-Exempt

General Statement of Duties

Performs intermediate level life support, stabilization procedures, and emergency medical care in the Emergency Medical Services unit of the County.

Distinguishing Features of the Class

An employee in this class is responsible for providing intermediate level of life support and medical emergency treatments to patients at the accident or illness scenes and during transport to medical facilities. May operate the convalescent unit transporting patients to a variety of locations or may serve as a crewmember on an advanced life support unit under the direction of a Paramedic. Work includes assuring that quality emergency patient care standards are in place, proper equipment and treatment are available, and sound judgment and treatment decisions are made. Work is subject to both inside and outside environmental conditions, extremes in temperatures, noise, vibrations, hazards associated with emergency medical work including exposures to fumes, odors, dusts mists, gases, poor ventilation, and oils. Because of the nature of the work, the employee is exposed to human blood and is subject to the OSHA requirements on blood borne pathogens. Work is supervised on site by an EMS Supervisor or Paramedic and is evaluated through conferences, observation, discussion of procedures at emergency scenes, and public feedback.

Duties and Responsibilities

Essential Duties and Tasks

Serves as operator of emergency medical unit responding to calls for assistance.

Administers Advanced EMT level of life support techniques and procedures based on patient assessment, including all skills at the Emergency Medical Technician level as well as drawing blood, administering approved medications, initiating intravenous fluids, and performing pulmonary ventilation.

Operates a convalescent unit transporting patients to a variety of locations.

Assists with daily cleaning and inventorying of emergency equipment, supplies, fluids, administration sets and drugs.

Completes necessary records and reports for emergency calls including information for billing documentation, and legal accountability.

Reports facility maintenance, radio, vehicle and equipment problems to appropriate level of authority.

Participates in cleaning and maintaining ambulance, equipment, station house and premises.

Additional Job Duties

Performs related duties as required.

Recruitment and Selection Guidelines
