

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2022 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition. For more information see FY 2022 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2022 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2021 Project Application will be imported into the FY 2022 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2022 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2022 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2021 information
- a project that had Issues or Conditions that were addressed in FY 2021 Post-Award and updates need to be reflected in the FY 2022 project application
- a project that had amendments approved in FY 2020 or FY 2021 that need to be reflected in the FY 2022 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2022 CoC Competition.

Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time? Yes
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No
3. Do you draw funds quarterly for your current renewal project? Yes
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? Yes

4a. If HUD recaptured funds provide an explanation.

We were able to expend 90% of the funds allocated to these projects. We received funding to serve 230 households with 294 beds. (Actually funding awarded for 156 units.) A review of the consolidated APR data shows a unit utilization rate of 82%, however we served an average of 289 persons for a rate of 99%. During this grant year we served a total of 309 adults (229) and children (80).

We were unable expend the remaining funds because we had issued vouchers to clients experiencing chronic homelessness who were not able to locate housing. Due to the high cost of living in our area and a very tight housing market, we were unable to locate affordable units that would accept vouchers when market rates are skyrocketing. Complications presented by the pandemic has also strained service capacity. Wake County has partnered with nonprofit developers of affordable housing who have agreed to prioritize 10% of new units for Wake County Rental Assistance Program participants. For projects awarded in 2018, 2019, that amounts to 200 new units that, from 2018-2023, will have or are expected to become available to our clients under this program.

With the CoC Ranking Committee reduction/reallocation of funding our request is reduced from 156 units to 123.

Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
 - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
 - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

1. Provide a description that addresses the entire scope of the proposed project.

Wake County's receives long-term rental assistance projects serve our community's most vulnerable citizens who are living with a disabling, severe and persistent mental illness and/or who are experiencing chronic homelessness and/or are veterans. Our agency is a full participant in Coordinated Entry, and we receive applicants who are prioritized based on chronicity and a VI-SPDAT score to ensure the highest needs clients benefit from the support services offered.

We employ a dedicated team of social workers who outreach literally homeless clients, living in emergency shelters or other places not meant for human habitation, through our basic-needs center where clients have access to information and simple amenities like showers, restrooms, water and mail. Staff build trust and offer housing without preconditions. In addition, staff at emergency shelters and services centers identify and help further engage clients who have been prioritized for housing.

Once clients are enrolled in our project, case management staff provide home visits and transportation for numerous support services such as housing navigation, budgeting, applying for mainstream benefits, life skills training, housekeeping and maintenance, mental health and substance abuse treatment, employment skills, acquisition of food, furnishings, community integration and more. We also partner with Alliance Behavior Health, mental health managed care organization, to coordinated specialized ongoing mental health and substance abuse treatment, including additional County funds for case management services for rental assistance clients.

Administrative staff recruit landlords, order and ensure inspections, arrange lease signings, facilitate payments, recertify clients annually, and oversee program coordination.

Wake County significantly leverages other non-HUD resources to ensure the success of this project. This year our Housing Department created set asides for long-term rental assistance clients in newly funded developments. This provides additional affordable housing options for participants. We also employ non-HUD fund personnel to provide additional case management, tenancy supports, and administration. We also house an additional 52 households with County funds.

These projects are strong components of the Raleigh/Wake County Continuum of Care's plan to End Homelessness and the County's commitment to Permanent Supportive Housing.

To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

Dedicated and DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

1. Is this project "100% Dedicated," "DedicatedPLUS," or "N/A"? N/A
(Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of "non-dedicated permanent supportive housing beds" in the NOFO Section III.C.2.p).

However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
