There is no pet in 110, there has NEVER been a pet in 206 ever. No pet in 114. I don't know about before and the dates and all that but as of now this is correct on what pets are where. Thank you.

Hello! I cross-referenced the pet rooms on this invoice with Sunrise tracking, and have 3 questions:

- Sunrise doesn't have records of a pet in room 206
- The pet in room 114 moved to room 104 - I don't have the date for that, but we didn't have pets in both rooms for these full 15 days
- The pet in room 110 left on 9/9

I'm copying Ashley so we'll all be on the same page. Ashley, is that all correct? And if so, Mr. Patel, can you update the invoice and resend it to me?
