## Town Hall: Considering COVID Vaccine Requirements

Thursday, September 2 at 9 am [Register](#)

À

**This is a time that requires action.** Preventing the spread of COVID means keeping businesses open and keeping our families and community safe.

**Join a virtual Town Hall on Thursday, September 2 at 9 am** to talk about legal considerations related to vaccines and the workplace. [Register for the Zoom login.](#)

Vaccines remain our #1 tool in shutting down COVID. Currently 59% of Buncombe County population is fully vaccinated. While the number has grown, there is still a significant amount of the population unvaccinated. With full FDA approval, more and more businesses are considering requiring employees to be vaccinated.

In this Town Hall, Sabrina Rockoff, managing partner of McGuire Wood & Bisette, joins us to talk about legal considerations related to vaccines. County health officials will also be on hand to answer COVID health questions.

Questions to be discussed:

- Can I legally require vaccines?
- What exemptions are there for unvaccinated employees?
- What documentation can I require?
- I want to give an incentive. What kinds of incentives might I consider? What do I need to take into account before offering?
