Subject: Re: LOI response?

So sorry about the confusion on this - everyone who submitted an LOI is welcome to apply. We didn't use that as a screener for moving forward, but asked for it in order to coordinate site visits and quantify our applicant pool. Let me know if you have questions!

Hi Emily.
Sunrise is aware that there is little time before September 17th arrived. Do you have an idea of when the city will let organizations know about status of being able to apply?

Thanks
