Subject: Please reach back out to me August 31, 2021 Re: Sunrise 7/17-7/30 Covid Shelter Invoice file 2 of 2

I am away from the office for an extended weekend break & will not be monitoring my emails until I return on August 31st. If you have an urgent need during this time, please feel free to reach out to Jacqui Derreberry 828-980-8677 jderreberry@sunriseinasheville.org.

*If you need to connect with me, please reach back out to me August 31st or later.

I plan to delete the vast majority of the emails received during my time away. It's not because you or your email isn't important to me -- it's for my own self-preservation and mental health balance. Through experience, I have found that the mental health and stress-relief benefits of taking a vacation are often obliterated when I return to the office and am faced with an overflowing email inbox on top of the work that is naturally waiting to be picked back up.

Thank you for your understanding!!
