Subject: funds??

Hi all,
We had talked in the past either with you or Emily about possibly getting funding for [REDACTED] cosmetology
license renewal. I am waiting for her to get back to me at the cost.
I have [REDACTED] that she is in need of getting her state certificate for her tattoo license. It costs \$200 which we can
verify. Once he has that he can work making good money. He is very talented. What would the process look like for
that??

Thanks,
Kat
