Subject: Fwd: Assessment Notification

Good morning!Â Just making sure you've all seen this from MCAH - or let me know if you're not receiving these emails.Â HUD updates the HMIS data standardsÂ annually following the federal FY (so 10/1 - 9/30), so the new data standards are now in effect, and once that happens, our HMIS provider (MCAH) updates relevant pieces in the system so we stay in compliance with the new standards.Â MCAH is in the process of making updates to assessments right now (e.g. entries, exits) to follow data standards changes, so be on the lookout for those over the coming weeks - an example of a change in the data standards this year is the menu of options for "Gender" in your entry assessments.Â As MCAH makes updates those will show up in HMIS for you, and they'll also update the paper forms that are available on the HMIS Learning Center.

Let me know if you have questions!

Assessment Notification

Good Morning,

Over the next few weeks we will be updating the NC HMIS assessments in Community Services/ServicePoint. Updates will include new headers and instructions and removal of retired questions. Updated assessments will be published on Fridays and communication will be sent out updates when all assessments are complete.

If you have any questions about this, please contact the MCAH help desk.

Thank you,
Jesse Sanderson
