Thanks for working on this! I don't know names, but I think one person expected to Transformation Village, and the shelter tracker shows that 3 folks expected to permanent housing?

Hey y'all, th nk we're m ss ng some ex ts and ex t dest nat on nfo n HM S know you guys have a system so t may just be that the data entry hasn't caught up to your system yet. just checked ex t dest nat ons

for everyone who's been in so far and it shows:

9 expected to homelessness/unsheltered
expected to a Safe Haven, but don't think that can be right unless she went to another community Safe Haven is a HUD program that we don't have in our community
expected to stay with friends/family

Some of the exits I'm aware of that don't see here are going to Transformation Village, going to jail, a different person than that one above who expected to friends/family, and those 3 folks in June who expected to housing. Can you guys take a look at all of that and see if there are updates to be made?

Thank you!
