Subject: RFP selection

Congratulations! You have been selected as the top candidate to operate the emergency shelter based on the proposal you submitted.

The next step in the process is to come to agreement on the final scope of work and final detailed budget for the operations. The City has engaged a consultant to assist in finalizing the contract between the City and Sunrise.

Please note that this project overall and contract with Sunrise are contingent upon final decisions to be made by Asheville City Council and other funding partners. The final approval of the budget, contract for services, and property acquisition is tentatively scheduled for the end of November.

We would like to schedule a meeting next week to convene Sunrise staff, City staff, and the consultant to begin scope and budget work together; please share the invitation sent earlier with your team.

Thank you again for your interest in operating the shelter and for the valuable work you already do in our community. We look forward to working with you.
