

We're getting there

I love it!

Hey can you do a walkthrough with me and APD at River Ridge Apartments next Thursday (9/9) at 2 pm?

8/30/21, 11:59 AM

Yes will you send me a reminder calander

👍 how are vaccines going?

It's good 25 so far and it's only 12

So great!

All peers?

Yes 2 staff!

8/30/21, 1:52 PM

Change of plans: could you do 12:30 for that walkthrough next week? I'll update the invite if it works

Yep!

Thanks :)

8/30/21, 4:07 PM

How many vaccines did you end up with?

I had to leave at 130 for a filling 🙄 so Kat finished the count I can get it tomorrow. 🙏

Yikes, hope you're okay!

I am I just HATE the dentist

33 peers and 6 staff.

Some peers that signed up had already been vaccinated they wanted that gift card 😂

So great!!

8/31/21, 9:34 AM

So Mr Patel's frustration with the cameras, my staff for the past two nights said around 1:00 2:00 he shoos them away and tell them that it's not busy they can go. Then he comes to us like they're not doing what they're supposed to be doing, I know they don't always but since we've gotten on to them they said they have been. Lol 😂

8/31/21, 11:26 AM

We're doing a couple interviews I'll have to call you back

8/31/21, 1:52 PM

Friday the 10th I have a doctor's appointment at 9:30. If we could start our meeting at 8:30 that way I can be there on time, I may be in the car 😞🙏

9/1/21, 8:44 AM

Morning! Would you be able to meet me right before our meeting with him today? Like 12:15 in the same room? Just have a long list to catch up on since I keep canceling our meetings :)

Yes that should be fine

9/1/21, 11:01 AM

I'm on RFP meeting with anchor I may be 1230

Great, let's say 12:30

Ty 😊

9/2/21, 10:14 AM

So I responded to Brian from River ridge and told him that I had to update on the people in the parking lot sorry I couldn't get back to him sooner but that all the people needed were a little bit of help changing a flat tire they were from out of town. He responded good.

9/2/21, 11:38 AM

Great, thank you!

9/2/21, 2:30 PM

What's the abccm referral?

Call me real quick

When you are don

Done*

9/2/21, 4:21 PM

So pat said no? Lol

Pat said yes but \$300-400/night - so no

Omg that's ridiculous yet he talked about helping with affordable housing 😂

Yuuuuup

Are we going back to 3pm on Wednesday with Patel? I can have my husband get Nathan.

9/7/21, 8:55 AM

Good morning are we still on for our River ridge outreach at 1:30?

Yep! Where do you want to meet?

We can meet just in the parking lot down there if my staff sees me I'll never get anything done 😂

Ha sounds good! Like near that new humane society thrift?

Sounds good!

9/7/21, 11:30 AM

It says 1:30 to 3:30 but I'll have to leave by about 3:00 to get Nathan. 😊

Liked "It says 1:30 to 3:30 but I'll have to leave by about 3:00 to get Nathan. 😊"

I was wondering if you could get me the 2020 total costs from Mr Patel? for cleaning supplies, linens/toiletries, pest control and breakfast to go bags, snow removal and lawn care. Not staffing just the things I've listed. Like what's the total cost?

Or maybe we could ask him tomorrow?

9/8/21, 7:54 AM

We're the ADA compliance and steel stairs something y'all were taking care of with the lights, cameras and fencing? I forgot to ask yesterday

Good morning 🌻

Hi :) yes definitely to ADA - what's the steel stairs part?

It was in there as needing immediate attention

Ah so yes, should be part of the upfit plan

9/9/21, 10:54 AM

Just giving you a headups that I'm at the doctor I should be done by 12:30 for the apartment walk thru but good is crazy important (fertility doctor) 🙏

👍 that's exciting!

I'm done. Where are we meeting? We have that anchor RFP meeting at 1 but I told them I probably wouldn't make it 😊

Great! We're meeting at their office

At the apartments?

Yep - 1906 River ridge drive is the address

Do you know if it's at the pool house or the information center? Because the address is taking me to the middle of the street LOL

I found it it's the information center.

9/9/21, 1:44 PM

Hey you were just perfect - thanks for traipsing through the woods!

9/9/21, 2:58 PM

I wouldn't want to walk through the woods with anyone but you lol

I'll try to never ask you again! Honestly I thought we'd just be walking through their parking lot and roads 😂

9/13/21, 9:20 AM

Good morning. The tracker is done early because I keep forgetting lol do you know how many people were originally taken out of campsites and placed in the shelter? That was a little before my time so I don't have the numbers.

Thanks! 116

Thank you.

9/13/21, 11:34 AM

Hey so a lady named Jennifer from WLOS just called. They're doing a story on why this community needs the shelter and how it is helped. They're wanting to interview someone at the shelter about how it's helped them and helps change their life, they were talking about the city's efforts to help the community she sounded very sincere but I wanted to ask first lol

👍 Let me check in with our communications folks and I'll follow up with you

Ok thanks

They'd like to help/be involved - could you call Polly to coordinate with her directly? She's expecting you and her number is 774-7602. Loop me back in if you need anything! Thanks for thinking to ask :)

Yes ma'am will do. Probably be a little later this afternoon

9/13/21, 1:32 PM

Hey just checking in about the paperwork for [REDACTED] and [REDACTED] for HB - have they gotten that yet or do you need any help with it?

They are almost done with it and I'll get it to Jerry

9/14/21, 10:40 AM

Hi! Do you think you and Kat and I could check in at 2ish tomorrow, so just before we meet with Mr. P? I'd just like to get up to speed on the client stuff you've been working on with Liz - folks slated for housing, things peer navigators are working on, etc.

Yes absolutely!

We've also had 3 calls from HB for 3 of our peers about housing! Along with the 3 we slated at CAM

Great and yay! Like 3 people they're already working with on housing or what kind of calls?

Yes. They have been working with them.

Before they came to the shelter

9/14/21, 1:44 PM

Cathy said you did such a great job on the call this morning 🥰

Awe thank you. I tried to prepare myself. I'm getting kind of good at presenting on these zoom things 😂😂

You are!!

9/15/21, 11:15 AM

Hey, can you remind me: did you guys tell Mr. P about the pet in 117 leaving? Just want to be sure all our records match so his invoice will be accurate

Yes as of the 10th there was no dog in that room.

Are we meeting in 241 with Kat at 2? Then Patel at 3

Yes? Or 341? You tell me

9/15/21, 1:56 PM

If we meet up here everyone will bother us lol 241 is good lemme know when you're here.

👍 just parked

9/15/21, 3:43 PM

He's the one telling people they will get to stay on and have a job 🙄

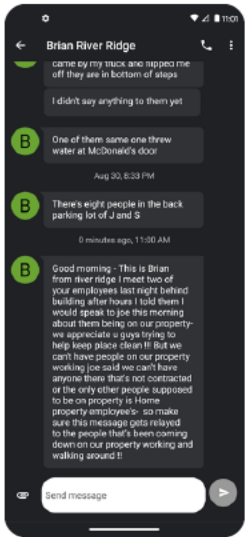

Yep!!

9/17/21, 12:12 PM

Hey will you call me when you have a chance? Vaccine question

9/20/21, 11:02 AM

Thought you would want to see this.

Do I tell my employees to stop walking that property?

Yes, sounds like it - can you let him know?

Yes I just wanted to check with you.

Liked "Yes I just wanted to check with you. "

9/21/21, 11:20 AM

Real quick when will the security person be coming in?

I don't have a start date yet - they said it would take a few weeks to recruit and train

K jw 🙏

9/22/21, 7:41 AM

Good morning ☀️ are we meeting today or have the rules changed ?
Thanks 😊

9/22/21, 9:38 AM

I just got cleared so we're on for 2 and 3!

Wonderful see you then.

9/22/21, 10:50 AM

What would you like to discuss at the 2:00 with Kat?

It's that weekly meeting we set up last time to talk through client things - is that what you mean?

I'm just wondering like what exactly? We just met with Liz yesterday so is it the same kinda stuff? What specifically are you wanting so we can have it ready? 😊

9/22/21, 12:38 PM

No need to have anything particular ready! I think it's just talking about how things are going for folks and where your navigators might be stuck on something that we can troubleshoot

Awesome 👍

Also I have a 1 pm meeting so may be a little late - I'll text you when I'm leaving here

it may be about 215 it's early release day at school So I have to pick Nathan up and take him to my nanny's.

Liked " it may be about 215 it's early release day at school So I have to pick Nathan up and take him to my nanny's."

Just leaving city hall! 🤗

Ok I haven't seen or heard from Mr Patel??

Me neither - should I just come to your office?

Yes that will be fine

9/22/21, 4:57 PM

Hey I'm sorry that was so rough - great job staying cool. Hope you get to relax tonight

He can be an ass sometimes lol I spoke with [REDACTED] though because that's unacceptable

9/27/21, 9:04 AM

Good morning, give me a call when you get moving around please 🙏 no rush just wanna check in about something

9/27/21, 11:57 AM

9/28/21, 3:55 PM

One more question lol call me

Hey also: I can't make our 2 pm tomorrow! I have a conflict. Can you tell Kat?

Yes of course

9/29/21, 10:21 AM

[REDACTED] at the shelter signs his lease on Thursday 🙏😊

So awesome!!! Is that through HB or something else?

HB yes

9/29/21, 11:49 AM

I will update the tracker after while it's been a busy morning.

Call me when you have a minute please

9/29/21, 1:51 PM

Hey just tried and got your voicemail - I have a call at 2 but I'm open otherwise

Call me after your call

My phone is stupid lol

9/29/21, 3:01 PM

I just called Jacqui and she said she can hear me fine. I'm calling from both my phone's so it's not mine.

I got an email from IT that there's a Verizon problem so must be that 🧙‍♀️ are you at a computer? I can send a link real quick and we can jump on a video call?

That's crazy. It's nothing important we can just chat tomorrow. Just a Mr Patel craziness I'm actually on my way to pick up Nathan right now. Things are going well at the shelter I just left

Everything you are saying comes through twice LOL

🤔 I'm in a tech black hole

10/11/21, 8:30 AM

Good morning! Are you back today lol give me a call in a bit and I'll catch you up on some stuff

10/11/21, 2:28 PM

Hello! Just tried you - I should be open the rest of the day if you have a chance to call

10/12/21, 12:52 PM

Hey somehow I miss this yesterday! I'm about to hop on the 1:00 p.m. zoom and I just was curious about the security guard possibly? My third shift was asking!

I hope you enjoyed your vacation mine's next week.

When is the city council meeting this month? 😊

10/13/21, 12:18 PM

Just real quick I just talked with Justin from the 14 they do so much for us they're such a good community resource and he was asking about being able to refer people to us when they had them which I think would be amazing because he's working with people who have already gotten clean so just putting that in your ear.

10/14/21, 8:30 AM

What's the 14?

Haha port team. Talk to text

Room 334 is moving to good apartment today :)

10/14/21, 1:52 PM

Emphasized "Room 334 is moving to good apartment today :)"

YAY!!

I need to ask you something after CAM.

👍 I won't be on CAM but call me whenever

10/14/21, 4:17 PM

Do we have a COC covid call right now? If so can you send me the link I don't have it

I'm in!

Brian said something about the state having PPE how do I get some mass for the shelter?

Liked "I'm in!"

Sue knows! She has the link and ordered some stuff recently

Cool

10/15/21, 10:01 AM

Mr Patel brought me this 🤔

Aw so nice! Also not the right office for that 🤔

Haha 🤔

Try that

Hey Robert just said [REDACTED] was at AHOPE this morning!

That's crazy that he hasn't really been seen there and forever and then he's just happened to be seen there today I'm super grateful though.

I know! He was gone by the time Robert heard about it and called me - I said if they see him again to encourage him to check in with you guys ASAP

Also your video is so great!! ❤️ You did a great job - thanks for sending it

Well it's good to know that he was at least seen and that he's safe.

Hey it looks like the tracker doesn't have any October data - can you check on that?

Yes I will get it updated today.

Thanks

10/20/21, 1:52 PM
