Bringing a plate and glass would be great " thanks so much, Ashley. I could bring a vase & flowers, and hangers.  
Would there be any clothes to put on the hangers?"

Regarding the coffee mug, it would be nice if it was a mug that maybe had a happy, homey image, or a smiley face, etc.

My favorite mug has Spider-Man on it but that probably won't work :D

All,

For the generic b-roll shots of Emily and Ashley acting as residents going about everyday activities in a room, some thoughts for actions with props needed are:

**Making coffee:**

coffee maker, mug

**Arranging flowers:**

vase, flowers

**Making bed:**

bed with pillows, blankets, bedspread

**Watching TV:**

TV, remote (over the shoulder, closeup on clicking remote w/ TV blurry in background)

**Hanging / arranging clothes in closet:**

Clothes, hangers

**Preparing food / drink:**

Any food, plate, bowl, silverware, soft drink, glass, etc.

These are just thoughts. I'm open to any suggestions, particularly for ideas where we would already have the

necessary props on location.

Thanks!

Dan
