Hi all,

See below - the State continues to offer free PPE to homeless service agencies, but the link I'd previously sent has been discontinued and the updated version is below.

Hello,

We are still offering PPE and critical supplies requests for CoCs and homeless service organization. These supplies will distributed at **no cost** to organizations. Please complete the form ([here](#)) to request supplies. Orders will be processed as they are received.

While we were previously asking CoCs to order on behalf of all organizations in their community/region, we can now accept orders from either the CoC on behalf of the full community or each individual homeless serving organization that needs PPE and/or critical supplies. It is OK for the CoC to order supplies for their organization AND send the link to the homeless service organization in their CoC to have them order the supplies they need directly.

Form Instructions

1. County: If a CoC covers more than one county, please put the county in which the CoC lead agency is located.
2. Type of Partner: Select "Community Based Organization"
3. Name if Initiative: Select "Continuum of Care"
4. Justification of Need for Supplies: This can be a short request. Please note the names of the organizations to which you will be distributing.

Please let me know if you have any questions related to this request. As always, please also let me know if there are any needs not on this list that would be helpful in your communities.

Thanks,

Erika
