Thank you Emily for checking on that this morning. Chantal, do you think a paper check on Thursday would be better than Friday deposit?

Hey,

It looks like we'll be able to get those first two draws (so about \$58K total) through on Tuesday, and they'll direct deposit for you on Friday OR we have the option of getting you a paper check on Thursday - would that be better? And then I've asked to process the other two the following week.
